**NEW SUNNY 1.4 LITRE FASTBACK ESTATE**

## DATSUN NEW SUNNY 1.4 LITRE FASTBACK ESTATE

The New Sunny fastback estate is designed for the family man looking for extra performance, with economy, in a comfortable, well equipped four seater with 'multi-space' load carrying advantages.

Elegant fastback styling creates an immediate sporting impression – brisk acceleration and a top speed of up to 96 mph quickly emphasise this point.

The refined interior offers executive style comfort and luxury with 'soft touch' cloth upholstery, deep pile fitted carpets and equipment which includes a quartz clock, choke and handbrake warning lights, side window demisters, three speed wipers with intermittent and wash/wipe, rear screen wiper and washer, tinted glass, heated rear window and more.

The wide opening high lift tailgate gives access to a spacious, fully carpeted luggage area. Rear seats can be folded down individually to cater for awkward equipment or with both seats folded you have a really roomy, five foot long loading bay.

New four-link coil rear suspension is specially designed for superior riding comfort and safe, predictable handling.

The new fastback estate is an exciting addition to the best selling Sunny range. A practical, economical load carrier that is refined, comfortable and enjoyable to drive.

Trust Datsun to give you the best of both worlds.
