

Model shown: Accord 2.0 i-VTEC SE

The award winning Accord spares nothing in pursuit of refinement, luxury and relaxed yet exhilarating driving. From the sculpted curves of the exterior to the spacious interior, the new Accord exudes a feeling of strength and solidity. Under the bonnet the innovative 2.0 i-VTEC and 2.4 i-VTEC petrol engines deliver the best balance of performance, emissions and fuel economy in their class. It's the same story with our all-new diesel engine too. With the lowest emissions, best fuel economy and most torque in its class, the 2.2 i-CTDi really does leave the competition standing. But innovation doesn't just stop at the Accord's engine. Take the Tourer. Its power-operated tailgate provides access to a wardrobe swallowing 964 litres of load space. Just press the key fob and it opens or closes in seconds. And if there's any obstruction, the sensors detect it and the tailgate stops moving instantly. All things considered, the new Accord is a superbly engineered, quality car now available with world's finest diesel engine.

**Prices from:** ..... £16,500 OTR

Annual Tax Liability*	BIK % of P11D	22%	40%
2003/4	19%	£683	£1,241
