

The TT Coupé and Roadster
Pricing and Specification Guide
Valid from October 2008

A User's Guide

This guide has been designed to help you tailor and price your TT quickly and logically. At the back of this guide you will find information on CO₂ emissions-based vehicle excise duty and the other services offered by Audi, including Finance and Insurance. Alternatively, you can go to audi.co.uk and configure your TT online.

From the website, you can also access the Audi Channel player and see your potential new car in action on the following programmes:

Drivetime

www.audi.co.uk/TTRoadsterdrivetime

www.audi.co.uk/TTCoupedrivetime

Your Audi

www.audi.co.uk/TTCoupeyouraudi

Alternatively, you can tune into the Audi Channel at any time on Sky Guide No. 884 to see a range of programmes about Audi and our motorsport achievements.

TT

When the first Audi TT launched back in 1999, an icon was born. Unique, distinctive, unmistakably Audi. Not an easy achievement to follow – but Vorsprung durch Technik demands that we never stand still, never stop innovating, never cease to evolve. So we created the next generation Audi TT. Everything that was great about its predecessor made greater.

Two different body styles are available – Coupé and Roadster. Both of which are offered with quattro® and the innovative S tronic automatic transmission technology, described in more detail on pages 7 and 14. In addition to a 3-spoke flat-bottom leather steering wheel and aluminium interior detailing, all TT models feature front Sports seats, climate control and an aerodynamic rear spoiler which automatically extends as soon as the car reaches 74 mph.* And the driving experience is equally sporty. The 3.2 quattro® model is capable of reaching an electrifying top speed of 155mph,** producing 250PS and accelerating from 0-62mph in just 5.7 seconds. That's the kind of power that will press your tingling spine back into its Fine Nappa leather Sports seat.

Read on to discover more about the awesome Audi TT, including standard and optional equipment, paint colours and prices.

Engines

Petrol

There are two kinds of petrol engines available on the TT – the standard petrol engine and the TFSI® turbo-charged direct-injection engine. TFSI® is a unique Audi innovation, combining turbo-charging with the FSI® technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque as well as enhanced fuel efficiency. The way it does this is, in theory, very simple. Precisely the right amount of fuel and air are injected directly into the combustion chambers, enabling the engine to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for the buyer who wants a sporty, exhilarating drive without the drawbacks of excessive fuel costs or high emissions.

Diesel

We introduced TDI to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology for even more efficiency and power. Under this system, a series of piezo injectors use electrical charge to control precisely the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which cuts down emissions. In fact, it means that the new 2.0 TDI engine already complies with the proposed EU 5 emission limits planned for 2010. So not only does common-rail technology help to protect the environment, it also enables us to future-proof our cars.

quattro®

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the TT so thrilling to drive. It's called quattro® all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe. In the TT, drive power is continuously distributed between the front and rear axles depending on weather conditions, road surface and gradient.

Standard model equipment

All TT models have the following items of standard equipment:

Wheels, tyres and suspension

17 x 8J Trapez design alloy wheels with 225/50 R17 W tyres

Tyre Mobility System

Audio and communication

Concert audio system – MP3 file-compatible single CD player and radio with 9 loud speakers (140 Watt) and 5-channel amplifier including aux-in socket

Seats

Split-folding rear seat (Coupé only)

Leather/Alcantara upholstery

Front Sports seats

Safety and security

Anti-lock Braking System (ABS)

Anti-Slip Regulation (ASR) – traction control

Anti-theft device – Thatcham Category 1 approved

Driver and front passenger airbags

Electronic Differential Lock (EDL) – traction control

Electronic Stability Programme (ESP)

First-aid kit

Front ISOFIX and front passenger airbag de-activation switch

Locking wheel bolts

Roll-over protection hoops (Roadster only)

Servotronic – electro-mechanical, speed-sensitive, power-assisted steering

Side airbags for front seats

Tool kit and car jack

Warning triangle

Interior equipment

3-spoke Sports 'flat-bottom' design leather steering wheel

Aluminium Laser interior detailing

Driver's Information System (DIS)

Electronic climate control

Front floor mats

Fully automatic electrically-operated soft-top which opens in 12 seconds, with integrated wind deflector (Roadster only)

Black leather handbrake grip, centre console armrest pad and door handle

Exterior equipment

Door mirrors – electrically operated and heated

Electric front windows

Exhaust pipes – twin on left-hand side

Front and rear fog lights

Halogen headlights

Retractable rear spoiler, which deploys and retracts automatically at set speeds or with centre console button

Additional equipment for 3.2 models:

18 x 9J 10-spoke design alloy wheels with 245/40 R18 Y tyres

Enhanced braking system

Exhaust pipes – single on left and right-hand side in chrome rolled finish

Exterior light styling pack – chrome detailed headlight-surrounds and darkened rear light clusters

Fine Nappa leather upholstery

Heated front seats

Phantom black painted grille

quattro® all-wheel-drive

Aluminium foot pedals – part of Aluminium Laser interior detailing

Concert audio system

17 x 8J '5-arm Trapez' design alloy wheels – standard on 2.0 TFSI and 2.0 TDI models

18 x 9J '10-spoke' design alloy wheels – standard on 3.2 models

Fine Nappa leather upholstery and integrated wind deflector (Roadster only) – standard on 3.2 models

TTS model equipment – In addition to 3.2 quattro® models:

Since its launch, the Audi TT has become a motoring icon. There's no mistaking its sleek curves and unique form, but there's something extra-special about the new TTS. Not only does it feature 18" alloy wheels and a sports exhaust system, but it also happens to be the most powerful TT we've ever made. Its athletic 2.0-litre TFSI engine

delivers 350Nm of torque and is capable of taking you from 0 to 62mph in 5.2 exhilarating seconds. For this model, a number of key engine components were re-engineered in order to optimise performance and handling. The result: an even more dynamic and responsive TT.

Wheels, tyres and suspension

18 x 9J '5 parallel-spoke' design alloy wheels with 245/40 R18 tyres

Audi magnetic ride – 'S' version – 10mm lower ride height

Seats

Silk Nappa leather upholstery – two-tone with seat centres in Silver, Magma red or Signal orange. Seat side sections and head restraints in black with decorative stitching to match seat centres. Seats also available in all-over black with silver stitching

Safety and security

ESP – with Sport mode

Xenon Plus headlights with LED daytime-driving lights and

headlight washer system

TTS enhanced braking system with black painted brake callipers with TTS logo

Interior equipment

3-spoke 'flat-bottom' multi-function steering wheel with TTS badge (with paddle-shift gear-change on S tronic models)

Extended leather package – black with decorative stitching to match seat centres

Front floor mats with leather piping to match seat centres

Instrument dials in grey with white illumination and TTS logo

Leather and aluminium gear knob with TTS logo

Matt-brushed aluminium interior detailing

Short-shift manual gearbox

Exterior equipment

Aluminium-look door mirror housings

'S' Platinum grey grille with double vertical chrome struts and TTS badge

Scuff plates with TTS logo

Sports exhaust system with twin exhaust pipes on left and right-hand side in chrome rolled finish

TTS body styling – re-styled front and rear bumpers and side sill extensions

Leather and aluminium gear knob with TTS logo

Instrument dials in grey with white illumination

18 x 9J '5 parallel-spoke' design alloy wheels

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £575.00 (inc. VAT) and Road Fund Licence (which may vary depending on model/transmission. See page 54 for details) and first registration fee at £55.00.

RRP – Recommended Retail Price.

Transmission

S tronic

The revolutionary S tronic gearbox combines the agility and responsiveness of a conventional 6-speed manual gearbox with the convenience and smooth, uninterrupted power of an automatic transmission. The technical basis of the S tronic gearbox is the double clutch. This consists of two lubricated plates with hydraulically-regulated contact pressure. One engages the odd-numbered, the other the

even-numbered gears, enabling gear-shifts to be made in a fraction of a second, with no disruption to the power flow. Depending on how the mood takes you, you can either allow gear-changes to take place automatically or, for a sportier driving style, operate the S tronic system using the gear lever or steering wheel shift-paddles. The choice is yours.

Short-shift manual transmission

For fast, crisp gear changes in a sporty, manual set-up, you can choose to specify your Audi TT with short-shift manual transmission. This simple yet effective gear-change pattern means that the gearstick has a shorter distance to travel between each shift-gate, minimising the effort you have to make with each up or down-shift, whilst maximising your driving enjoyment.

Premium front carpet mats with TT logo

Front rubber floor mats

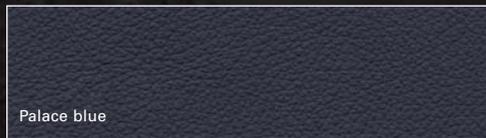

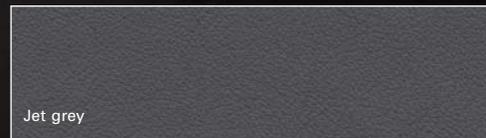

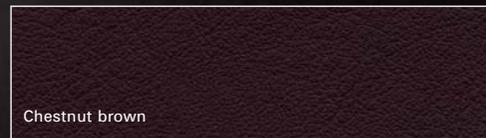

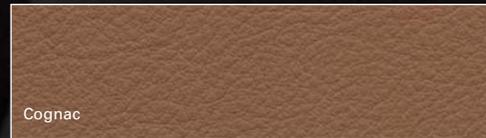

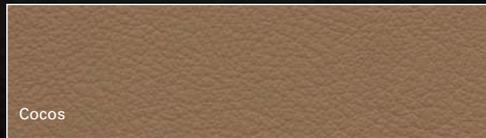

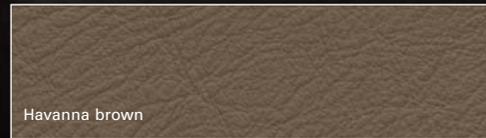

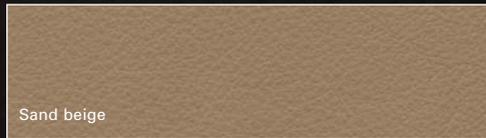

Luggage compartment liner – Semi rigid

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your TT with options from Audi exclusive. Whether you want unique, complementary shades or even individualised carpets and floor mats, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

Upholstery

With Audi exclusive, you can specify your seats in an array of different colours shown to the left in Fine Nappa leather.

Choose just one all-over shade for each seat, or for a sportier look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro®. The choice is yours.

Customised paint

In a car made from Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact water-based metallic or pearl-effect shade you want – whether it's the blue of your favourite shirt or the wall colour in your sitting room.

Basic RRP	Total RRP ^{inc.} _{VAT}
£1,787.23	£2,100.00

Controls pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, controls pack enables you to customise the steering wheel, handbrake grip, gear knob and gaiter in smooth, warm leather, in any of the colours shown on page 43. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used.

	Basic RRP	Total RRP ^{incl} VAT
Controls pack	£510.64	£600.00
Steering wheel only	£289.36	£340.00
Roll hoops	£425.53	£500.00

Audi exclusive line

Audi exclusive is ultimately about choice – but if you’d rather leave some of the decisions in the capable hands of our designers, the expert team at quattro® GmbH have compiled Audi exclusive line, combining some of the most popular elements of the exclusive range in one sporty, beautifully coordinated package. The package gives you:

- ▶ Two-tone Fine Nappa leather upholstery. Seat centres in Silver (QL), Crimson red (QY), Saddle brown (XA) or Signal orange (XB). Seat side sections and head restraints in black with stitching to match the seat centres
- ▶ Front door panels in Fina Nappa leather to match seat centres. Rear door panels in black (Coupé only)
- ▶ 3-spoke Sports ‘flat-bottom’ design leather multi-function steering wheel with steering wheel, handbrake grip and gear-lever gaiter stitching to match seat centres
- ▶ Front floor mats with coloured stitching to match seat centres
- ▶ Extended leather package (instrument panel cover, door armrest and sides of centre console) in black leather with stitching to match seat centres
- ▶ Black headlining
- ▶ Audi exclusive scuff plates

Additional information

CO2 data and information

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO2) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created seven categories:

Petrol and Diesel engines	
A – up to 100g/km	£0.00
B – 101 to 120g/km	£35.00
C – 121 to 150g/km	£120.00
D – 151 to 165 g/km	£145.00
E – 166 to 185 g/km	£170.00
F – 186 to 225g/km	£210.00
G – over 225g/km	£400.00

CO2 emission figures

The CO2 emission figures quoted in the technical data section on pages 48-49 are based on a fully-laden vehicle, including the driver, and the heaviest possible options configuration. Actual CO2 emissions may be lower depending on options selected.

Audi Service

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule

Inspection Service Schedule

Vehicle usage:	
Mileage	Less than 10,000* miles per annum
Type of Journey	Mainly city/town centre driving. Short journeys.
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

Fixed Audi Inspection Service Intervals:	
Oil-change Service	Fixed to every 10,000* miles/1 year
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

has fixed intervals for the Oil Change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil Change Service is required. Oil Change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

LongLife Service Regime

Vehicle usage:	
Mileage	More than 30 miles per day
Type of Journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

Audi LongLife Service Intervals:	
Oil-change Service	Variable to a maximum of every 20,000* miles/2 years
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Service by Design

At Audi, we believe our customers can expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am-6pm Monday to Friday
9am-5pm Saturday

Service: 8am-6pm Monday to Friday
8.30am-1pm Saturday

Sunday opening at local discretion.

Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New Car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Attention to every detail

Your ownership experience starts with half a tank of fuel.

Quotation response

We are committed to answering any quotation request within 1 working day.

Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Courtesy cars

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We'll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service

All work will be done by a named Audi technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 17.5%.

Delivery charges and numberplates are not included in the vehicle price.

<u>Delivery charge</u>	<u>£469.36</u>
<u>Numberplates</u>	<u>£20.00</u>
<u>VAT</u>	<u>£85.64</u>
<u>Total</u>	<u>£575.00</u>

Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the third year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
