## Make sure your Kia stays beautiful on the inside

Protection from day to day wear and tear, or invest in some space saving organisers.

#### Cargo separator, upper and lower frame

Fitting perfectly between the rear seatbacks and the roof, this robust grid protects vehicle occupants from the movement of cargo items, especially in an accident. The easy to install grid is designed not to restrict the driver's rearward view.

#### Thule boot organiser

Available in three different sizes (27/41/64 litres), these removable organisers have carrying handles, transparent panels for content identification and a non-slip base material to keep them in place. Because of their wire-frame construction they can be made to stay open during loading/unloading.

#### Passenger seat storage

Perfect for storing small items that the driver could need en route, this convenient mesh pouch can be attached to the front passenger seat with elastic straps. The contents stay in one place, easily reachable from the driver's seat.

#### Luggage net

A durable elasticated net for the load compartment floor. It stops smaller items from sliding around while driving. Only for cars with luggage under tray.

#### Boot mat reversible anti slip

Made to measure protective boot mat finished on one side with resilient anti slip rubber for carrying messier loads. The other side is velour. Complete with cee'd logo.

#### Rubber floor mat

Set of 4 individual floor mats, tailor made to fit the car's foot wells. These extremely durable mats trap water, mud, sand and road salt, with a special finish that makes them very easy to keep clean. Both front mats bear the cee'd logo.

#### Textile floor mat, velour

Finished in high quality soft velour with a grained, anti-slip backing, these floor mats are tailor made to fit the car's foot wells. Set of 4 individual mats with the cee'd logo on the driver's mat.

#### **Boot liner**

Made to measure protective liner for the boot area. Easy to fit and clean, the liner is also water and dust proof. Rugged, yet light, it also carries the cee'd logo.

Mirror covers, chrome

Eye catching chrome look mirror caps add an extra touch of elegant style. Set of 2.

#### Business suit hanger

The most elegant and convenient way to keep clothes tidy and crease free during a journey. It attaches easily and securely to the front seat head restraints so that occupant safety is assured even in an accident. It can be quickly detached for use elsewhere (office, hotel room, etc.).

#### Take away hook

Mounted on the lower passenger side of the centre console, bags with food and drink 'to go' can be kept safe and secure to avoid any spillage while on the move.

#### Red LED foot area lighting

Concealed floor illumination for the front foot wells. It can be installed as welcome illumination that automatically switches on and off with the opening and closing of the front doors, or as ambient lighting that stays on when the headlights are illuminated.

#### Airvent surroundings

Custom made to fit perfectly around the air vents, with an elegant chrome look finish.

## Bumper flap for boot mat (Sportswagon only)

This fold out flap protects the rear bumper from damage when loading and unloading. Attaches quickly and simply to the back of the boot mat.

## Essentials that help you go the distance

Prepare your car for the great outdoors with our range of travel essentials to keep you and your family safe and on the move.

#### Euroclick G2 bike carrier

Contains a complete first aid kit and the most important emergency tools. It includes bandages, safety vest and warning triangle and complies with DIN 13164 standard

Deluxe 727 ski and snowboard carrier

To avoid high bindings damaging the car roof this carrier is adjustable for height. There's no problem opening the carrier with gloves on thanks to the extra large buttons. Capable of carrying up to 6 pairs of skis or 4 snowboards.

Xtender 739 ski and snowboard carrier

To ease loading and unloading, the carrier can be extended sideways so that clothes and car need not come into contact. Capable of carrying up to 6 pairs of skis or 4 snowboards.

Roof rack, aluminium

Not suitable for panoramic sunroof

Unique Kia made roof rack, easy to install and remove. Lightweight but strong, this provides the secure basis for mounting your choice of the roof carriers and roof boxes.

Cross bars (Sportswagon only)

Purpose made for the cee'd Sportswagon, these aluminium cross bars are light but strong, and fit perfectly to the roof rails. Easy to install and remove.

#### Tow bar, horizontal detachable

Easy to install and remove, with a partially visible mounting fixture for straightforward access. Maximum towing capacity is limited only by your vehicle's restrictions (please contact your Kia dealer).

#### Tow bar, vertical detachable

A high quality steel tow bar with a 3-ball locking system for easy and secure underside mounting. The power socket and mounting fixture remain out of sight after detachment. Maximum towing capacity is limited only by your vehicle's restrictions (please contact your Kia dealer).

## Tow bar, fixed, Type H (Sportswagon only)

Robust, fixed tow bar manufactured with high quality rust resistant coating.

## Tow bar, fixed, Type V (Sportswagon only)
