

# DISCOVERY

ABOVE AND BEYOND

## SPECIFICATION

Discovery offers an exclusive range of options that allow you to personalise your vehicle. The following pages take you through a logical series of steps to create your ideal Discovery. You have several choices: from selecting your engine and model to exterior and interior colours before choosing your wheels, finishes and additional options.

If you'd like to bring your options to life, go to our online configurator at [landrover.co.uk](http://landrover.co.uk)

For more detailed information and to use the online vehicle configurator go to [landrover.co.uk](http://landrover.co.uk)

If opening this PDF on iPad® we recommend viewing in iBooks. iPad is a registered trademark of Apple Inc., registered in the US and other countries.

### Step 1

#### Choose your model

Compare the standard features on each model.

### Step 2

#### Choose your colour

There's a wide range on offer to enable you to express yourself.

### Step 3

#### Choose your wheels

There's a range of styles, each one designed to complement the bold exterior.

**Build & Price**

**Print  
Save  
Exit**

Step 4

### Choose your interior

Carefully selected colours complemented by a range of finishes. You can personalise your own interior space.

Step 5

### Choose your options

Additional options can enhance your personal requirements.

### Key Features

The latest innovations that make your vehicle a pleasure to drive.

### Technical Details

Technical information and data for dimensions, performance and specifications.

### Accessories

A range of stylish and practical accessories. You can tailor your vehicle to your specific needs.

\*Only available as part of Black Design Pack.

**Please note:** When choosing vehicles fitted with specific wheel and tyre combinations or optional wheels and tyres, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tyres may offer certain styling or driving benefits, but may be more vulnerable to damage. Please discuss your requirements with your Land Rover Dealership. For further details on tyre efficiency as required by EU legislation please speak to your Land Rover Dealership.

## KEY FEATURES

[Build & Price](#)

[Print](#)  
[Save](#)  
[Exit](#)

#### Automatic headlamps with High Beam Assist and adaptive xenon headlamps with LED signature\*

Detect vehicle headlamps/tail lights and dip the high beam until the light source is out of range. The system is able to distinguish between automotive and non-automotive light sources.

Signature LED lights combine practicality with distinctive design. For more relaxed night-time driving Adaptive Lighting varies the light cast ahead of the vehicle so that the beams follow the curve of the road.

#### Steering Wheel Controls

The steering wheel with ergonomically designed switch layout for driver information and remote audio controls. Cruise control, telephone and heated steering wheel controls are optional depending on the vehicle derivative.

\*Optional.

Visit [landrover.co.uk](http://landrover.co.uk) for more information.

#### Air Suspension

Four-corner independent air suspension features variable ride height and electronic cross-linking for a constant level ride height irrespective of load distribution. Ride height can be raised up to 125mm to clear obstacles or lowered by 50mm for easy access and loading.

#### Terrain Response® System and Gradient Release Control

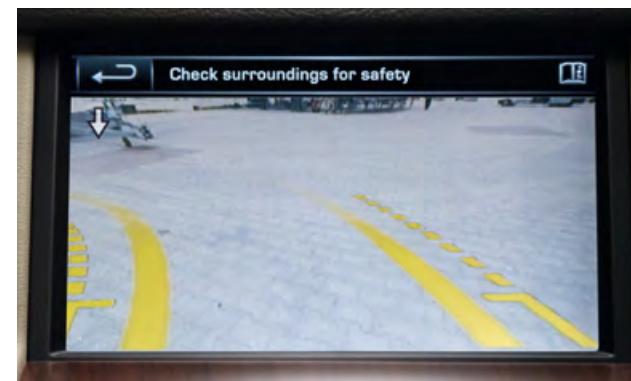

The Terrain Response® System\* optimises the vehicle set-up for virtually all on-road or off-road driving situations, with five different settings to suit different terrains such as tarmac, grass, gravel or snow, mud and ruts, sand or rocks.

Gradient Release Control is a patented Land Rover system that works with Hill Descent Control (HDC®) across terrains such as rock, gravel and sand for more controlled, confident descents. Works in reverse and first gear.

#### Split Tailgate

Make light work of difficult loads with Discovery's two-piece, asymmetric tailgate design. Both upper and lower tailgates are made from resilient lightweight aluminium. The tailgate gives impressive access to the rear of the vehicle and comes into its own when loading large, bulky or heavy objects. The asymmetric portion of the lower tailgate provides a reduced reach-in distance when open and a lower load height when closed.

#### Parking Aid\* / Rear View Camera\* / Surround Camera System with the new T-Junction Camera\*

The Rear View Camera provides a rearward view from the full colour Touch-screen and works in conjunction with the rear parking aid.

The Surround Camera System comprises five digital cameras to provide a near 360 degree view surrounding the vehicle to aid low-speed manoeuvring via the full colour Touch-screen. Can be customised to provide a single camera view or multiple images. Functions include: Parking Aid – Rear View Camera, All Round Vision, Junction View. Also includes Tow Assist and Tow Hitch Assist.

## KEY FEATURES

### Intelligent Stop/Start

A welcome addition, designed and engineered to help reduce CO<sub>2</sub> emissions and improve fuel economy. The system is automatically engaged when the ignition is turned on and when the engine is no longer required, at traffic lights for example, it will turn itself off. From a standstill, when the vehicle is in Drive, Sport or Reverse, the engine will instantaneously restart when the brake pedal is released.

### Full Colour Touch-screen\*

Provides full control and functionality over integrated systems such as navigation, audio, entertainment systems, camera systems, 4x4 information and vehicle settings.

### In Car Entertainment\*

The Meridian™ Audio System delivers superb acoustics and is noted for its excellent reproduction quality from all sources – radio, CD, iPod® or USB. The optional Meridian Surround Sound System features 17 speakers including a subwoofer for full surround sound.

### Rear Seat Entertainment\*

The Rear Seat Entertainment package ensures passengers can always be engaged. With two eight-inch screens built into the front headrests, a pair of WhiteFire® digital headphones and a dedicated remote control, passengers can feel truly at home with their choice of film, TV or music.

### Compact Smart Key – Keyless entry/Push Button Start\*

Once the vehicle has been accessed using the remote transmitter, the device may be stored in a pocket or bag to allow starting without its use. The optional Keyless Entry system provides even greater convenience. When within close proximity of the vehicle along with the remote Compact Smart Key, simply open the door, get in and push the Start button.

iPod® is a trademark of Apple Inc., registered in the U.S. and other countries

### The Portable Audio Interface

Allows the connection to the in-car entertainment system of an iPod® with full track and search integration. An MP3 player or a mass storage device can also be connected via the USB port.

\*Optional on some derivatives

\*Available as part of Exterior Detection Pack.

WhiteFire® is a registered trademark of Unwired Technology LLC and any use of such names by Land Rover is under license.

#### Sunroof with Alpine Roof\*

Even the rearmost passengers enjoy a glass roof in Discovery with the optional Sunroof with Alpine roof. The sunroof tilts and slides electronically and the combined reflective properties of the glass panel and interior sunblinds keep everyone cool and the cabin light and airy.

#### Hard Disk Drive Navigation\*

With prompt access speed, graphics and display, the Hard Disk Drive Navigation System stores up to 100GB of data. Navigation mapping can be upgraded via a Land Rover Dealer download.

Additional features available on HDD-equipped vehicles are DVD Audio and MP3 DVD playback and Virtual CD Auto Changer which saves up to ten albums (in uncompressed format) to the HDD and provides track information for easy identification of CDs and tracks.

#### Timed Climate\*

Optional, including Park Heat. Provides pre-heat to the engine with residual heat channelled into the cabin. It can also provide ambient venting to supply fresh outside air to the cabin, for example when the vehicle has been parked in the sun. Timed Climate allows the system to be programmed up to seven days in advance via the Touch-screen. A separate remote control is also available.

#### Blind-spot Monitor/Closing Vehicle Sensing\*

Using sensors mounted behind the rear bumper, these systems are designed to see what you might miss. When a vehicle enters a blind spot, a warning light will show in the corresponding door mirror.

Closing Vehicle Sensing scans a zone much further behind the vehicle, to help detect vehicles which are closing quickly from behind and which could cause a threat during a lane change manoeuvre.

#### Reverse Traffic Detection\*

Using radar detectors in the rear of the vehicle the system is designed to warn you about potential collisions during reversing manoeuvres. The system can help detect a vehicle approaching from either side. When a target vehicle with a credible 'time to collision' is detected (a collision within three seconds or less), the system alerts the driver. Three warnings are given: an indicator lights up in the corresponding door mirror, an audible alert is sounded and a warning symbol is displayed on the camera screen.

#### Wade Sensing™\*

Using sensors in the door mirrors when the vehicle is wading, it alerts the driver if the water is too deep. The feature is particularly useful when visibility is poor or when driving at night. This feature provides real-time pictorial wading information including the depth of the water in relation to the vehicle, as well as maximum wading capability of the vehicle.

DIMENSIONS AND CAPABILITIES

Wheelbase 2,885mm

Front wheel track 1,605mm

Rear wheel track 1,612.5mm

Width 2,053mm mirrors folded  
Width 2,200mm mirrors out

Obstacle Clearance

Off-road height up to 310mm  
Standard ride height up to 185mm

Standard Ride Height

With Alpine Glass Roof (not open): 1,882mm  
With Fixed Roof: 1,887mm  
With Roof Rails: 1,891mm  
With Alpine Glass Roof (open): 1,920mm  
With DAB Radio Antennae: 1,938mm  
With Roof Rails and Crossbar fitted: 1,980mm  
Access height setting, only available with air suspension, will reduce each of the above by 50mm.

Loadspace Capacity

Rear seats upright  
Height 1,027mm (1,058mm with Alpine roof),  
Width 1,235mm  
Loadspace volume 1,260 litres  
Loadspace width between arches 1,146mm

Rear seats folded  
Height 1,027mm (1,058mm with Alpine roof),  
Width 1,235mm  
Loadspace volume 2,558 litres  
Loadspace width between arches 1,146mm  
Maximum length at floor 1,950mm

Headroom

Maximum front headroom 1,020mm  
Maximum front headroom with Alpine roof 1,027mm  
2nd row headroom 1,043mm  
2nd row headroom with Alpine roof 1,076mm  
3rd row headroom 983mm  
3rd row headroom with Alpine roof 1,018mm

	A	B	C
Ride Height			
Off-road	36.2°	27.3°	29.6°
Standard	32.2°	22.8°	26.7°

Wading Depth

Maximum wading depth  
With Air suspension: 700mm  
With Coil suspension: 600mm

Overall length 4,829mm

Turning Circle

Kerb-to-kerb 11.45m  
Turns lock-to-lock 3.32

Discovery is so capable and adaptable it can get straight to work across a huge variety of vastly differing terrains, conditions and roles. Even so, some owners want to add their own stamp of individuality by tailoring their Discovery to their specific needs with a range of stylish, practical accessories that are tough, versatile and bring an opportunity for personalisation to Discovery. Importantly, these accessories can be added at any stage during the vehicle's life – not just when it's new. Naturally, Land Rover Approved Accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

## ACCESSORIES

### Style

Drive Select Rotary Shifter Upgrade  
Silver Finish – VPLSS0142 £60.07  
Leather Drive Select Top Cover – VPLSS0143PVJ £86.32

Enhance the appearance of your vehicle's interior with this stylish Rotary Shifter and Leather Drive Select Top Cover.

Side Protection Tubes, Stainless Steel  
VTD500020 £722.00

Personalise your Land Rover and also enhance the vehicle styling as well as adding protection to the sills.

Stainless Steel Rear Bumper Tread Plate  
LR006874 £353.41

An enhancement to the rear sill bumper treadplate. Styled stainless steel rear bumper protection.

Stainless Steel Treadplate  
EBN500041 £233.86

Covers front and rear door sills.

Bright Finish Mirror Caps  
VPLAB0132 – Upper £114.00

Silver Noble Finish Mirror Caps  
VPLSB0086 – Upper (not shown) £112.94

Body Side Mouldings with Black Bright Insert  
VPLAP0013 £198.00

Protective rubbing strips featuring chrome insert. Enhance your vehicle's aesthetics as well as providing protection to the lower doors.

Visit [accessories.landrover.co.uk](https://accessories.landrover.co.uk) for the full range.

## Touring

**Fixed Side Steps**  
VPLAP0035 £730.57

Pair of side steps featuring a bright anodised aluminium edge trim and a rubber treadmat. Tested for safety in rollover and side impact tests.

**Cross Bars – Bright Silver Finish**  
VPLAR0001 £238.00

Adjustable position crossbars, for carrying all Land Rover roof mounted accessories featured. Easily removed when not in use. Lockable for security. Vehicle height when fitted 1980mm at normal ride height. Maximum payload 71.8kg\*. Vehicle must have factory-fit roof rails fitted or Roof Rail Kit.

**Luggage Box\***  
VPLVR0062 £535.00

Gloss Black Finish. Opens from both sides. Lockable for security. External dimensions: 1,750mm long, 820mm wide, 450mm high. Internal volume 440 litres. Maximum payload 75kg\*.

**Electric Cool Bag**  
VUPI00140L £190.00

Powered by the 12 volt auxiliary socket. Thermostatically controlled temperature. Easy clean interior surface. Height 380mm, length 380mm, width 220mm Volume 14 litres.

**Premium Leather Seatback Stowage**  
VPLVS0182 £168.00

\*Roof Rails and Crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted. \*Maximum payload equals the load capacity of the roof mounted accessory.

## Sporting

**Tow Bar Mounted Two Bike Carrier**  
VPLVR0066 £521.00

**Three Bike Carrier**  
VPLVR0068 (not shown) £602.00

Fits to both Quick Release and Multi-Height Tow Bars. A trailer can not be towed at the same time. For further information on Land Rover Bikes please go to [www.2x2worldwide.com](http://www.2x2worldwide.com)

**Ski/Snowboard Holder\***  
LR006849 £168.00

Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Lockable for security. Maximum payload 36kg/79lbs<sup>1</sup>.

**Full Length Roof Rail Kit**  
Bright Finish\* – VPLAR0075 £432.00  
Black Finish\* – VPLAR0074 (not shown) £408.00

**Cross Bars – Bright Silver Finish**  
VPLAR0001 £238.00

Adjustable position crossbars, for carrying all Land Rover roof mounted accessories featured. Easily removed when not in use. Lockable for security. Maximum payload 71.8kg/158.3lbs<sup>1</sup>. Vehicle must have factory-fit roof rails or Roof Rail Kit fitted.

**Quick Release Tow Bar<sup>1</sup>**  
KNB500070 £521.00

Lockable for security. Easily removed. 50mm/1.9 inches tow ball, height 400mm/15.7 inches from ground.

**Quick Release Tow Bar Stowage**  
LR020002 (not shown) £81.95

Hidden loadspace stowage block. Seven-seat vehicles only.

**13PIN Towing Electrics**  
VPLAT0136 £138.00

European style towing electrics supplying all trailer rear lighting and caravan interior equipment power. Not compatible with the Lighting Board.

Please note: This accessory is not suitable for Caravans, Trailers or Lighting Boards fitted with rear mounted LED Lamp Kits.

\*Roof Rails and Crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted. <sup>1</sup>Maximum payload equals the load capacity of the roof mounted accessory. <sup>1</sup>Required for vehicles fitted with Trailer Assist option.

Visit [accessories.landrover.co.uk](http://accessories.landrover.co.uk) for the full range.

**IMPORTANT NOTICE:** Land Rover is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Dealerships are not agents of Jaguar Land Rover by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealership within one month or 1,600 kilometres/1,000 miles (whichever ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealership who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealership. Distributors and Dealerships are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.
