

# FREELANDER 2

ABOVE AND BEYOND

Step 1

### Choose your engine

You can select from a powerful range of diesel engines.

Step 2

### Choose your model

Compare the standard features on each model.

Step 3

### Choose your colour

There's a wide range on offer to enable you to express yourself.

Step 4

### Choose your wheels

There's a range of styles, each one designed to complement the bold exterior.

Step 5

### Choose your interior

Carefully selected colours complemented by facia inserts. You can personalise your own interior space.

Step 6

### Choose your options

Additional options can enhance your personal requirements.

Another level of individuality. The Freelander 2 allows you to personalise your vehicle however you wish. The following pages take you through a logical series of steps to make it a true expression of your individuality. You have several choices: from selecting your engine and model to exterior and interior colours, wheels, facia inserts and those detailed touches that define your style.

If you'd like more information or to try our online configurator, go to [landrover.co.uk](http://landrover.co.uk)

## DRIVELINE, ENGINE PERFORMANCE AND FUEL ECONOMY

The Freelander 2 enjoys exceptional performance no matter what powertrain is deployed. Whether you choose one of the two diesel variants, you can be sure of a smooth delivery of power, improved fuel efficiencies and improved CO<sub>2</sub> emissions.

## STEP 2 CHOOSE YOUR MODEL

Each model has a choice of unique features. This guide will help you to select your ideal Freelander 2. On the following pages you'll see the standard features for each model.

### FREELANDER 2 S

#### eD4/TD4 S

**£23,705 eD4 S Manual 2WD**

**£24,505 TD4 S Manual**

**£26,015 TD4 S Automatic**

#### S Specification:

2.2 litre 150hp diesel engine

Six-speed manual transmission including intelligent Stop/Start technology and gear change indicator light (for eD4 and TD4 Manual)

Six-speed automatic transmission featuring CommandShift® (for TD4 Automatic)

Diesel Particulate Filter (DPF)

Misfuel protection device

Full-time intelligent four-wheel drive (eD4 features two-wheel drive)

Roll Stability Control (RSC)

Anti-lock Braking System (ABS)

Emergency Brake Assist (EBA)

Four-wheel Electronic Traction Control (ETC) (TD4 only; does not feature on eD4)

Dynamic Stability Control (DSC)

Hill Descent Control (HDC®) (TD4 only; does not feature on eD4)

Terrain Response® (TD4 only; does not feature on eD4)

Electronic Park Brake (EPB)

17 inch six-spoke alloy wheels

Locking wheel nuts

Land Rover Tyre Repair System

Front halogen projector headlamps

Brunel grille and side vents

Black plastic door handles

Interior rear view mirror, manual dimming

Six-way driver/four-way passenger manual seat adjustment

Cloth seats

Centre console with covered stowage

Driver Information Centre

Auxiliary heater, electrical positive temperature coefficient

Driver and front passenger forward airbags, front seat side airbags and inflatable driver's knee bolster

Perimetric and volumetric alarm

Heated exterior mirrors with electric adjustment

Manual climate control

Audio system with radio, single slot CD player and eight speakers

USB-type power charging point

Remote audio controls on steering wheel

Auxiliary audio input socket

Digital Radio (DAB).

## KEY FEATURES

### Loadspace

The versatile rear loadspace can be expanded by folding the 60:40 split rear seats to provide a flat load floor, and up to 1,670 litres of space. With one metre between the wheel arches there's always room for more awkward loads.

### Climate Control

As well as the standard air-conditioning system, optional dual-zone climate control, with pollen filter, humidity sensor and air quality control system, can be specified maintaining fresh air in the cabin, keeping you and your passengers comfortable whatever the weather.

### Centre Console Storage

The rear of the centre console features an additional storage box for small items, an audio socket for MP3 players and a power socket, which can be used to recharge PCs and other low-wattage electrical equipment.

### Steering Wheel Controls

Steering wheel mounted controls at your fingertips for ultimate ease of use. Depending on the model, the intuitive technologies available cover cruise control, the audio system, Say-What-You-See (SWYS) Voice Activation and hands-free telephone operation. Freelander 2 can be Bluetooth® connectivity enabled as an option on some models. You'll be able to make and take telephone calls via the vehicle's audio system (subject to telephone compatibility).

### Trim Materials

Elegant, high quality materials are used throughout the cabin. Choose from facings in Premium Windsor Leather, Dynamic Grained Leather, Grained Leather or Cloth with colour co-ordinated door casing inserts. The front seats provide excellent support and have the option of electric control and seat memory.

### Convenience features

Life with the Freelander 2 is so practical thanks to thoughtful technology. Available features include: an electrochromatic rear view mirror for automatically minimising the dazzle of headlamps at night. There are rain sensing wipers and twin map lights conveniently located in the roof console above the rear view mirror.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Land Rover is under license.

## KEY FEATURES

### Panoramic Sunroof

The optional panoramic sunroof – with a fixed rear section and electric tilting/sliding front section – adds to the feeling of lightness and airiness within the cabin. The glass is specially formulated to filter the sun's infrared rays, providing light without unpleasant heat. Both sections also include a convenient blind.

### Terrain Response®

Land Rover's renowned Terrain Response system\* adds to the Freelander 2's breadth of capability. Any of the four programmes – General Driving, Grass/Gravel/Snow, Mud and Ruts or Sand – can be easily selected. In addition all vehicles with Terrain Response are also fitted with Hill Descent Control\* and Land Rover's Gradient Release Control systems\*.

### Stop/Start System

The intelligent Stop/Start system, fitted to all eD4 and TD4 diesel manual models, improves fuel efficiency and reduces tailpipe emissions to zero by shutting down the engine, in appropriate conditions, when the vehicle comes to a stop. The system is able to operate at temperatures as low as 0°C.

### Satellite Navigation

The optional satellite navigation system, with a seven inch colour Touch-screen, easy-to-use menu and extensive point-of-interest database, makes finding your destination as simple as possible.

\*Not available for the eD4 model.

### Rear View Camera

The Rear View Camera helps reversing by displaying a wide-angled rearward view from the vehicle on the centre console screen. To aid manoeuvrability, lines representing the vehicle's predicted path are superimposed on the image. Includes Trailer Hitch Assist which overlays the predicted path of the tow ball, facilitating easy coupling of trailers.

### In-Car Entertainment

An outstanding choice of in-car entertainment systems: Meridian™ is the ultimate audio specialist and creates sound just as the artist intended by benchmarking acoustic performance against real musical instruments. The Meridian Surround Sound System provides a perfect stereo image for each occupant and produces a natural, enveloping concert-like experience. To increase your choice of listening DAB radio is available as standard.

## KEY FEATURES

### Safety

High-strength steel is used to construct a strong monocoque body and inner safety cell protected by front and rear energy absorbent crumple zones. Seven airbags are fitted as standard on all vehicles. There are separate driver and front passenger airbags for head and chest protection as well as side airbags for side impact protection. Full-length curtain airbags are designed to provide head impact and rollover ejection protection for all occupants. The Freeland 2 also features a driver's inflatable knee airbag for additional lower body protection.

### Stability Control Systems

The Freeland 2 comes with a host of stability control systems as standard, designed to enhance traction by reducing engine torque and applying a unique braking force to each individual wheel where driving conditions dictate. They include: Anti-lock Braking System (ABS), Electronic Brake-force Distribution (EBD), Emergency Brake Assist (EBA), Cornering Brake Control (CBC), Electronic Traction Control (ETC), Dynamic Stability Control (DSC), Trailer Stability Assist (TSA) and Roll Stability Control (RSC).

### Headlamps

Three types of headlamp are available: Halogen headlamps with impact-resistant polycarbonate lenses; automatic Halogen headlamps with a signature LED light design; automatic xenon headlamps with automatic headlamp levelling and a signature LED light design.

### Passive Start and Start/Stop Button

The convenient Passive Start system automatically detects the close proximity of the key, allowing use of the Start/Stop button without the key being docked in the vehicle. The remote control includes the following functions: locking and unlocking of the doors and tailgate, a 30 second courtesy headlamp delay and activation of alarm.

### CommandShift®

The six-speed automatic transmission with CommandShift® is standard on SD4 diesel models and optional on TD4 diesel models. CommandShift® provides manual sequential gear changes and Sport mode for an even livelier performance.

### Performance with Efficiency

The 2.2 litre turbo diesel engines, available in power outputs of 150hp and 190hp, come with common rail diesel technology which aids fuel economy and refinement and a variable nozzle turbocharger helping to deliver exceptional torque.

## DIMENSIONS AND CAPABILITIES

Wheelbase 2,660mm

**Aqua Sports Carrier<sup>1</sup>**  
VPLGR0107 – £288.00

Tilts to facilitate easy loading and unloading. Carries one surfboard, kiteboard or sailboard and mast, or one canoe or kayak. Load capacity 45kg<sup>2</sup>.

**Raised Roof Rails and Cross Brace Kit<sup>1</sup>**  
Panoramic Sunroof vehicles – LR007220 – £323.00  
Non Panoramic Sunroof vehicles – LR006608 – £323.00  
Maximum payload 75kg<sup>3</sup>. Vehicle height when fitted 1,830mm. Crossbars not included.

**Cross Bars<sup>1</sup>**  
LR002417 – £211.00

Easily removed when not in use. Vehicle height when fitted 1,852mm. Maximum payload 71.8kg<sup>3</sup>. Vehicle must have accessory Raised Roof Rails and Cross Brace Kit fitted. Shown above, sold separately.

**Roof Mounted Bike Carrier**  
VPLFR0091 – £128.00

Lockable bike carrier designed for holding a single bike. Raised Roof Rails and Cross Bar Kit will accommodate up to three bike carriers<sup>1</sup>. Load capacity 20kg<sup>2</sup>.

**Flexible Loadspace Protector**  
VPLFS0244 – £150.00

Heavy duty fabric protects loadspace up to window height. Covers loadspace floor with second row seats folded.

<sup>1</sup>Roof Rails and Crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

<sup>2</sup>Load capacity is minus roof mounted accessory weight. <sup>3</sup>Maximum payload equals the load capacity of the roof mounted accessory.

Prices correct to 30th June 2014. All prices subject to change. Please contact your dealer for the latest pricing. Prices include VAT but exclude dealer fitting costs.

**IMPORTANT NOTICE:** Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealer within one month or 1,600 kilometres/1,000 miles (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealer who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealer. Distributors and dealerships are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.
