

7-seat  
**CARENS**

The Power to Surprise

# THERE'S MORE TO KIA THAN YOU MAY THINK...

Established in 1946, Kia is Korea's oldest car maker. Kia Motors Corporation is one of the top 5 automotive groups in the world. In the Interbrand ranking 2014, Kia was ranked 74th out of the World's top 100 brands. Kia have a network of 180 dealerships in the UK. In 2013 we reached a significant milestone having sold half a million cars since we launched in the UK in 1991.

With contemporary styling, access to the latest technologies and an excellent build quality, Kia cars are turning heads the world over. From the 3 or 5-door Picanto and Rio models to the 7-seat Sorento SUV, Kia offers a full line-up of passenger cars including the stunning pro\_cee'd 3-door coupé, the highly practical Carens 7-seat MPV and the multi-award-winning Sportage crossover. There's something special about the Kia range - it's the focus on the detail, the passion and enthusiasm put into every model by our design team headed by Peter Schreyer, who previously designed the original Audi TT.

THE KIA CARENS

# Confidence comes as standard

The Kia Carens is covered by our pioneering 7 year vehicle warranty consisting of 3 year/unlimited mileage and 4-7 year/100,000 mile full manufacturer's warranty including a 12 year/unlimited mileage anti-perforation warranty.

For warranty coverage including terms and exclusions please contact your Kia dealer.

At Kia we are proud to have teamed up with independent review company Reevoo to create a forum where owners can write reviews about their new Kia. More than 15,000 Kia owners have already left a review, so log onto [www.kia.co.uk/reviews](http://www.kia.co.uk/reviews) to find out more.

Thanks to our customers the Kia range now has over **15,000** reviews!

Read 289 Carens reviews

**reevoo**

289 customers rated the Carens 9.1 out of 10. Read more at [kia.co.uk/reviews](http://kia.co.uk/reviews). Scores accurate as of 25.11.14

## Vibrant and sophisticated

Work, play, or a family trip – whatever your plans, the Kia Carens makes the perfect companion for life's adventures. This innovative 7-seat, multi-purpose vehicle (MPV) combines space, comfort and versatility in one stylish package.

The Carens builds on the heritage of its popular predecessor whilst being shorter and narrower – delivering a more distinctive stance, greater stability and cornering ability. In addition, its 50mm increase in wheelbase provides one of the most spacious interiors in its class. The front styling is sporty yet sophisticated with a sharply contoured, wide bumper giving a dynamic edge to the Carens. Stylish body coloured exterior door handles enhance the overall look whilst the '2' upwards benefits from stylish chrome door handles which complement the chrome window surrounds and at the rear the tailgate strip is finished in bright chrome to further enhance the all-round style.

There are five models in the range comprising – Carens '1', the new special edition 'SR7', Carens '2', '3' and the range-topping '4'. The range offers the ultimate in versatility as 7 seats are standard and like the rest of the Kia range, all benefit from our pioneering 7-year warranty.

**Front fog lights (new special edition 'SR7' models upwards)** – integrated into the front bumper, the fog lights combine safety considerations with aesthetic appeal.

**Tiger nose chrome front grille surround ('2' upwards)** – which boasts a high gloss black mesh

**Sculpted rear lights** – The rear lights wrap around the boot and side panels for visual impact.

## Eye-catching style

The Kia Carens isn't just spacious and versatile, it is beautifully designed too. Just take a look at the distinctive Kia 'tiger nose' chrome front grille surround which boasts a high gloss black mesh (Carens '2' upwards) and is flanked by impressive wide headlights which enhance the dynamic design.

All models feature projection headlights, cornering lights and stylish LED daytime running lights which significantly improve your visibility to oncoming traffic. The addition of front quarter glass ensures better driver visibility and contributes to a brighter cabin. All windows are tinted but on the new special edition 'SR7' models upwards, stylish privacy glass is added to the rear windows and tailgate which enhances the exterior appearance but also improves the cabin environment by reducing bright light, heat energy and UV light. The '2' upwards feature the convenience of welcome and follow-me-home light functionality where the headlights remain lit to guide the driver's route at night.

**Stylish privacy glass (new special edition 'SR7' models upwards)**

**Electrically folding door mirrors with LED indicators ('2' upwards)**

**LED daytime running lights** – for enhanced visibility.

The image shows a close-up of the interior of a car, focusing on the driver's side door panel and the dashboard area. The door panel features a silver door handle and a control panel with a red indicator light. The dashboard has a high-gloss grille pattern. The overall aesthetic is modern and luxurious.

## The epitome of comfort

The Carens features the highest quality materials and is ergonomically designed to offer the ultimate in comfort for an exhilarating yet relaxed driving experience however long the journey. Soft-touch materials are used throughout the cabin creating a contemporary feel and the '2' upwards boasts a stylish high-gloss grille pattern on the dashboard, upper centre console and door trim which adds to the stylish look of the cabin. Thoughtful touches such as the low positioning of the windscreen base and wide, sweeping dashboard enhance the all-round visibility.

All models feature the luxury of a leather-trimmed steering wheel and gearshift. Ideal for motorway driving, the cruise control feature allows the driver to maintain a constant speed and enhances fuel economy. For passenger comfort air conditioning is a standard feature whilst on the new special edition 'SR7' model upwards dual automatic air conditioning with an ioniser offers independent temperature control for the driver and front passenger to suit individual preferences and the ioniser automatically eliminates interior odours for a healthier and pleasant environment. Also the rear air ventilation feature offers extra comfort for passengers seated in the rear of the car.

## A world of comfort and light

Flooding the cabin with light, the Carens '3' and '4' models boast a panoramic sunroof which extends over both front and rear passengers but can be screened in both areas via the one-touch electric roll blinds with sliding function to block out the sun. Alternatively, slide the electric sunroof open to fill the cabin with fresh air. The front glass panel features an electric tilt-and-slide function for added flexibility, ventilation and comfort – all at the touch of a button.

### **Second row blinds**

The manually retractable sunshades for the second row windows provide protection from the glare of the sun and help keep the cabin cool. (Carens '3' and '4').

## Open up a world of possibilities

Versatility is the hallmark of an MPV, so the Carens duly delivers with plenty of space and a flexible 7-seat configuration. Carens offers generous head and legroom in the first and second row seats whilst the third row is able to seat two adults comfortably. The second row seats offer three same sized individual split, flat-folding seats which also slide and recline for maximum seating flexibility or ample luggage space options depending on your need.

The third row features 50:50 individual split-folding seats, enabling one or two seats to be in an upright position. Both seats can fold flat to the floor when not in use, which provides ample loading capacity and extra boot space to facilitate transportation of bulky items. For additional ease of loading the front passenger and second-row seats can also fold.

# Sit back, relax and enjoy the ride

The seats in the Carens have been engineered not only for maximum versatility but also for increased ride comfort. Innovative technologies include the electric powered lumbar support (Carens '3' and '4' models) - the back cushion of the driver's seat features additional support at the touch of a button to ensure maximum comfort and minimal fatigue on extended journeys. The front passenger seat backrest can be conveniently folded forward to create additional space in the cabin for extra long items.

The useful conversation mirror ('1', new special edition 'SR7' and '2' grades) is cleverly hidden in the front overhead console space. When pressed the mirror flips down and provides a rear cabin view so the driver is able to safely observe passengers in the rear seats, especially useful when travelling with children on board.

**Auto de-fogging system (new special edition 'SR7' upwards)** - A sensor automatically initiates a de-fogging process when condensation is detected on the windows to ensure optimal visibility and to prevent humidity from building up on the windows.

**Flex Steer** - This innovative feature allows you to choose between three modes of steering - simply select 'comfort' to make light work of city driving, 'normal' for regular driving or 'sport' mode for even more responsive steering, ideal for motorway driving or on narrow country lanes.

**Electric seat cushion extension ('3' and '4')** - Designed with long-legged drivers in mind, the seat cushion can be extended for optimal driving comfort.

**Heated front seats ('3' and '4')** - create the perfect driving comfort whatever the weather.

**10-way power adjustable driver's seat ('3' and '4')** - The driver's seat can be adjusted up to 10 ways as it electrically tilts, slides and reclines plus it boasts electric lumbar and height adjustment settings too. (Beige leather upholstery shown is available on the Powder Blue exterior colour only)\*

Image is for illustration purposes and may not be to UK specification. \* Some parts of the leather upholstery contain faux leather.

# Room for everything and everyone

The Carens offers a myriad of storage solutions. At the front, the centre console features cupholders and a lidded storage tray as well as a robust storage box for keeping contents safe and out of view. The outer second row seats feature the convenience of a walk-in device to ensure easy access to the third row seats. With both the second and third row seats folded flat, the Carens provides a massive luggage capacity of up to 1,650 litres.

The luggage area boasts convenient net hooks and there are numerous storage areas for bottles or loose items in the front and rear door pockets. Even the third row seats feature convenient cupholders and the '2' upwards also comes with a luggage net which keeps items from moving around whilst travelling. The detachable LED torchlight ('2' upwards) can be mounted into the luggage side wall socket to recharge and acts as the luggage light too.

**Spacious cargo room** - the outer second row seats feature a walk-in device to ensure easy access to the third row seats. The luggage capacity (when the second and third row seats are folded) is up to 1,650 litres.

**Foldable tables (new special edition 'SR7' models upwards)** - second-row passengers benefit from the convenience of folding tables.

**Underfloor tray** - The second row seats and boot area boast clever under-floor storage for smaller items.

**Cooled glove box** - The 8-litre glove box has a cooling function, handy for chilling drinks or storing perishable items on longer journeys.

**Centre console storage** - two drinks can be securely stored within easy reach in the centre console. A centre fascia undertray and large storage compartment under the centre armrest provide plenty of additional space for smaller personal items.

**Storable luggage area load cover** - protects your belongings from prying eyes.

**Luggage net ('2' upwards)** - A handy luggage net can be fastened using convenient hooks to prevent items from rolling around.

Image is for illustration purposes and may not be to UK specification.

Transport bulky items easily as the Carens can be configured to suit your needs in an instant.

It all adds up to a rewarding journey

### For me

Front passenger folding seat, second and third row full folding seats.

Images are for illustration purposes and may not be to UK specification.

### For us

Second and third row full folding seats

The Carens' cargo capacity and 7 seat versatility ensures you're ready for anything.

For the  
family

Seating for  
7 people

For everything else

Second row partial and third row fully folded seats.

## State-of-the-art technology

A plethora of intelligent solutions and intuitively laid out controls offer up-to-the-minute driving information and entertainment so you arrive at your destination in a relaxed mood. There's a sophisticated 6-speaker audio system and CD player with USB/AUX ports to listen to your favourite music on the move. Plug in your iPod or memory stick and turn the Carens into your own mobile concert venue. To ensure you always stay focused on the road ahead, steering wheel mounted controls help you operate audio features safely without the need to move your hands away from the wheel.

Bluetooth® with voice recognition and music streaming is a sophisticated communication and safety feature. Use it to make calls conveniently with the hands-free voice activated function. You can even play music wirelessly via your mobile phone or Bluetooth® enabled device.

A 7" touchscreen satellite navigation system with European mapping is standard on the range-topping Carens '4'. Integrated into the centre fascia the system has full UK postcode recognition and includes other useful features such as a Traffic Management Channel and Points of Interest.

**Reversing camera integrated into the centre fascia screen ('3' and '4' grades only)** – The popular reversing camera feature is combined with reversing sensors which help minimise the collision risks involved when parking or manoeuvring. The rear camera view shows superimposed parking guidelines to assist the driver in easier, more effective parking. Reversing sensors are a standard feature on the new special edition 'SR7' models upwards.

**The Carens can even help you park your vehicle easily and conveniently with the Parallel Park Assist System (PPAS) ('4' grades)** – This clever system searches for a parallel parking space via 10 sensors (6 at the front and 4 at the rear) and once found, calculates the optimum route to park the vehicle into the space. The steering wheel is operated automatically, therefore all the driver needs to do is select the appropriate gear displayed on the LCD display and control the accelerator and brake.

Several models of Bluetooth® enabled phones are available. Kia cannot guarantee compatibility with all phones. Please check the compatibility of your mobile phone via [www.kia.co.uk](http://www.kia.co.uk) or by trialling your phone at a Kia dealership.

# Uncompromised safety credentials

Keeping you and your family safe is our number one priority. That's why we have introduced a whole range of innovative technologies to prevent accidents in the first place. Our engineers have also conducted extensive computer simulations and crash tests to help ensure maximum occupant protection at all times.

**Six airbags** - Driver, passenger, front side and curtain airbags help minimise the risk of serious injury in the event of a collision.

**VSM (Vehicle Stability Management)** - VSM works in conjunction with Motor Driven Power Steering to ensure the car stays stable when simultaneously braking and cornering, especially on wet, slippery and rough roads.

**BAS (Brake Assist System)** - Detects emergency braking depending on how quickly you step on the brake pedal. It instantly applies full braking force, which helps shorten the overall braking distance.

**ESS (Emergency Stop Signalling)** - This feature causes the brake lights to flash simultaneously in the event of the vehicle braking sharply, helping to avoid collisions by warning following traffic.

**Six airbags** - for all round protection

The Carens range boasts a 5-star EuroNCAP rating, making it amongst the safest cars in its class

**HAC (Hill-start Assist Control)** - By maintaining brakeforce until you accelerate, HAC prevents the vehicle from rolling backwards when starting on a steep hill.

**Cornering lights** - When driving at night the cornering lights automatically turn on to illuminate potential hazards when turning.

**ESC (Electronic Stability Control)** - If a loss of grip is detected, ESC applies the correct amount of brake pressure to each individual wheel, helping you maintain control and stability. It also reduces engine power to help you maintain control.

#### **6-speed manual transmission**

This gearbox features a trigger-type 'R' gear release button for effortless operation while short shift strokes promote faster and more accurate gear changes.

#### **6-speed auto transmission**

This gearbox features a lightweight, compact design that offers improved shift quality and durability as well as comfortable gear shifting.

## Superior power and efficiency

The Carens features a range of fuel-efficient engines. The 1.6 litre petrol 133 bhp 6-speed manual ISG features a Gasoline Direct Injection (GDi) engine which results in CO<sub>2</sub> emissions from just 149 g/km – better for the environment and your running costs.

The advantage of a GDi engine is increased fuel efficiency and a higher power output. Fuel is highly pressurised and injected via a common rail fuel line directly into the combustion chamber of each cylinder instead of the conventional multi-point fuel injection which occurs in the intake track. As a result, emission levels can be more accurately controlled due to the precise amount of fuel injected which improves efficiency.

Carens also features a highly-advanced 1.7 litre CRDi (diesel) 114 bhp 6-speed manual and a 1.7 litre CRDi 134 bhp version which is available in a choice of 6-speed manual ISG or automatic. All manual models incorporate Kia's Intelligent Stop and Go (ISG) technology with CO<sub>2</sub> emissions as low as 120 g/km. Excellent performance is achieved via these technologically advanced variable geometry turbocharged engines which deliver a clean, quiet and highly fuel-efficient drive whilst maximising torque and power.

#### **Organ-type accelerator pedal**

The organ-type accelerator pedal moves along the same natural plane as your foot for comfort especially on long journeys.

## Intelligent Thinking

All Carens models with manual transmission are available with Kia's advanced EcoDynamics technology. This fuel-stretching Intelligent Stop and Go (ISG) technology can help save up to 12% more fuel and reduce your carbon footprint – simply by cutting the vehicle's engine off whenever the car is stationary. When you come to a stop, select neutral and remove your foot from the clutch and the engine will switch off automatically. When you are ready to move off again, simply press the clutch and the engine will re-start instantly. All elements work together to create what we call 'EcoDynamics'. Clever stuff!

This means reduced fuel consumption and lower CO<sub>2</sub> emissions – from just 120 g/km.

## The Carens range

## ENVIRONMENTALLY YOURS

Kia Motors takes great pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society. Kia Motors has set up an environmental research centre to spearhead the company's drive in the production of less polluting hybrid and fuel-cell vehicles, investing in eco-friendly cars for a greener tomorrow.

Kia Motors Corporation is committed to surpassing customer expectations through continuous automotive innovation. By offering our customers products and services that exceed expectations, we enable them to lead energetic lives. Kia's line-up of dynamically designed, high quality cars and world-class service offerings ensure that our customers are enthusiastic about coming back to Kia - again and again.

The concept of eco-friendly cars is followed through all cycles of a vehicle's life. From design through to recycling, Kia Motors creates innovative products, ensuring state-of-the-art Design for Recycling (DfR) guidelines. Wherever possible, recycled and recyclable materials are used in the production of Kia cars, all major plastic parts being chosen for ease of disassembly and stamped with a composition code.

Even at the end of a vehicle's life, one of Kia Motors' environmental targets is the eco-friendly take-back and treatment of End-of-Life Vehicles. Operating a rigid process, Kia Motors has selected partners across Europe that guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection. Kia Motors (UK) Ltd has appointed autogreen as our partner to manage the take-back, treatment and recycling of End-of-Life Vehicles in accordance with Directive 2000/53/EC. They can provide advice on whether or not your vehicle qualifies for free take-back and the location of your nearest take-back facility.

## DYNAMIC EVOLUTION

Driven by innovation: A solar-powered car, a water-fuelled car, a self-navigating "smart" car. No longer are these figments of the imagination but one day could be parked in your garage. Kia researchers are working around the clock to create the ultimate driving solutions with the safest, easy-to-drive and environmentally friendly features.

Kia's Namyang R&D Centre in Korea and our overseas research and design facilities in the USA, Japan and Germany are combining efforts to develop new vehicles that satisfy the diversified needs of each region of the world. By ushering in a new generation of cars that feature high impact-durability frames, on board "datainfotainment" systems and fuel efficient, lightweight and high-powered engines with reduced emissions and noise, Kia will spearhead automobile innovation in the 21st century.

# COMPLETE PEACE-OF-MIND

At Kia, our quality promise extends beyond the factory floor. We want to ensure you always get the best service possible. Our pioneering 7 year warranty reflects this commitment. This warranty is also transferable so that if in the future you decide to sell your Kia Carens, the new owner will benefit from the remainder of the warranty provided the car is regularly maintained in accordance with the servicing schedule\*.

## 7 year vehicle warranty

Every Kia Carens benefits from our pioneering 7 year/100,000 mile vehicle warranty\*.

## 5 year paint warranty

High quality body paint ensures long-lasting protection and shine for your new Kia Carens which is covered by our 5 year/100,000 mile paint warranty\*.

## 12 year anti perforation warranty

Your new Kia Carens comes with superior corrosion protection and a 12 year/unlimited mileage warranty against rust from the inside out\*\*.

## Great value fixed-price servicing for your Carens from £329 (including VAT)

For complete peace-of-mind, Kia can offer you a great value fixed-price servicing package for your Carens. Your first **three services are available for an all-in price of £329 or for your first five services, the cost is £609 (including VAT).**

Please speak to your Kia dealer for more information. Terms and conditions apply. Log onto [www.kia.co.uk/care3](http://www.kia.co.uk/care3) for details. Care-3 prices correct at time of print (December 2014).

## Financing

Your local Kia dealer is your partner in establishing a financing plan that's best suited to your needs. Ask for details.

\*For full warranty coverage including terms and exclusions please contact your Kia dealer.

\*\*Annual bodywork inspection required for which a charge may apply.

The official fuel consumption figures in mpg (l/100 km) for the Kia Carens range are between Urban: 33.6 (8.4)–48.7 (5.8), Extra-Urban: 53.3 (5.3)–68.9 (4.1), Combined: 44.1 (6.4)–60.1(4.7). The official CO<sub>2</sub> emissions for the Kia Carens range are between 159 – 120 g/km.

The official fuel consumption figures in mpg (l/100 km) for the Kia range of vehicles are between Urban: 29.1 (9.7) – 80.7 (3.5), Extra-Urban: 46.3 (6.1) – 94.2 (3.0) and Combined: 38.2 (7.4) – 88.3 (3.2). The official CO<sub>2</sub> emissions for the Kia range of vehicles are between 189–85g/km.

Fuel consumption figures are derived from testing in accordance with EU standard test procedures and regulations. These official figures are for comparative purposes only and may not reflect 'real world' fuel consumption. The figures do not constitute a guarantee or offer from Kia Motors.
