**WHAT IF\_**  
**YOU COULD HAVE A SPORTS CAR,**  
**A 4X4, AND A THRILL RIDE**  
**ALL IN ONE?**

It's a lot to ask, but JUKE delivers big with a high driving position, quicker response and a distinct ability to turn heads. This unique model gives you great efficiency, and an innovative All-Wheel Drive system that actually turns power into grip. Want style? You can customise just about every detail, inside and out, to make it unique to you. With JUKE, you really can have it all.

## NISSAN DESIGN STUDIO DARE TO DIFFER.

Imagine the excitement you'd feel if no one on the road had a ride like yours. Our Nissan Design Studio takes personalisation to rare extremes and allows you to customise JUKE your way with its premium personalisation packs. This includes your choice of colour throughout the interior, contrasting colours for the exterior plus 18" alloy wheels with coloured inserts. It's an intensely unique experience.

\* Available on Acenta Premium & Tekna grades only  
\* Nissan Design Studio Creative line colours  
\* Alternatively, you can choose from one of the 'Exclusive' line colours.  
For details refer to the Accessories brochure

**COLOURED STITCHING.** Get your look all sewn up with colour-coordinated stitching (please refer to the Technical specification insert for full details)

## WELCOME TO THE NISSAN DESIGN STUDIO

### INTERIOR PACK

The Nissan Design Studio features a range of 'Creative' and 'Exclusive' colours. Choose a full colour trim with matching details in Detroit Red, London White, San Diego Yellow, or Tokyo Black - 'Creative' line

**SPORTS SEATS.** Energise your ride in premium sports seats with striking trim to match your chosen ambiance.

**DOOR TRIM FINISHERS.** Get to grips with coloured finishers.

**CENTRE CONSOLE.** Highlight the centre console in the gloss colour of your choice and accentuate with matching air vents and door trims.

[REQUEST A TEST DRIVE](#)

**SPORTS BUMPERS.** Create more impact with brightly coloured bumper finishers at the front and rear.

**ALLOY WHEELS.** Choose \*18" alloy wheels with coloured inserts to complete your personalised design and ensure you get noticed.

### EXTERIOR PACK

JUKE's impressive new styling cues come alive with the Nissan Design Studio's Exterior pack, featuring colour co-ordinated bumper and headlight finishers, door mirror covers and vibrant 18" alloy wheel inserts.\*

**CONTRASTING FINISHERS.** Opt for headlight and door mirror finishers in a contrasting colour to make a statement.

\*Please perform dealer inspection after three years and re-new the inserts if needed.

#### Hooded Gauges

The sport bike-inspired circular gauges with hood cover add an extra-sporty look to the instrument panel.

#### Sport-bolstered Seats

Special seat bolsters help hold you in place during active driving, and add style to the ride.

#### Open-air Sunroof

Up the thrill with an open-air sunroof that opens up to let the outside in, day and night.

**Ready to ride?** Inside JUKE, you'll find a pulse-raising centre console inspired by the radical lines of a motor bike. Circular gauges help keep the controls, and your thrills, in check. And unique coloured stitching on the sport seats, steering wheel, meter hood and gear knob (except Xtronic gearbox) keep you gripped in. Now, prepare for the ride of your life.

## CHOOSE TO OUTPERFORM.

The perfect balance of power and efficiency are yours with JUKE. Its most powerful offering, the DIG-T 190 engine, provides turbo boost for greater low-end torque, with its compact engine design and advanced direct injection. Choose Xtronic with Sport Mode and you'll feel both a seamless wave of power and the gear-shifting thrill that comes with Sport Mode. Or check out the new DIG-T 115 paired with a 6-speed manual. It delivers a torque-rich kick while cutting back on CO<sub>2</sub> emissions. Of course, peak performance comes standard.

ENGINE / TRANSMISSION	OUTPUT (ps)	TORQUE (Nm)	CO <sub>2</sub> EMISSIONS (g/km)
1.6 5MT	94	140	138
1.6 Xtronic	117	158	145
DIG-T 115 6MT	115	190	129

## NISSAN DYNAMIC CONTROL SYSTEM

# CHANGE YOUR MOOD ON THE GO.

JUKE's Nissan Dynamic Control System lets you change your ride with the push of a button. Whatever mood you're in, JUKE has a mode for it. You can customise your drive, adjust the climate, and keep stats on your performance, all while you're out and about.

**Performance Expert.** Get torque, boost, or efficiency right when you want it. In Normal mode, you'll find the perfect combination of performance and efficiency. Switch to Sport mode and immediately feel the steering, transmission (Xtronic gearbox only), and throttle response adjust for more responsive driving. And when it's time to steady your pace, hit the Eco mode button to get the most out of every fill-up.

Shown in D-Mode Interface

**Stats Keeper.** Keep track of your performance stats through the Nissan Dynamic Control System drive computer. It stores information about everything from maximum G-forces to trip mileage and fuel economy. The more information you have, the smarter you'll drive.

Shown in Climate Interface

**Double Agent.** In addition to ride style, the Nissan Dynamic Control System lets you control interior comfort. Simply switch from D-Mode to Climate Mode, and the display changes allowing you to make the cabin as toasty or cool as you like.

## NISSAN ALL-MODE 4x4-i WITH TORQUE VECTORING

# LEFT OR RIGHT, THE POWER IS ON YOUR SIDE.

Instead of traditional All-Wheel Drive (AWD) systems that only distribute power from front to back, the All-Mode 4x4-i with torque vectoring that's available on JUKE adjusts power side-to-side to the rear wheels. When cornering, this means the outside rear wheel gets more power, to help maximise traction and cornering.

### Torque Vectoring

In a turn, this multi-sensor system automatically transfers rear-wheel power to the left or right, depending on which needs it more, so any change in direction can be performed smoothly and securely.

\* ALL MODE 4x4- i system is only available on 4WD Juke

# SERIOUS

CARGO  
CAPACITY

## PACK IN THE UNEXPECTED

JUKE now boasts best-in-class boot space with an impressive 354litres (2WD only). With the second-row seats up and cargo floor lowered, there is plenty of space in the back, for large luggage. Fold the seats down and you can adjust the floor to a higher position, creating a flat cargo floor.

### Adjustable Cargo Floor

Large luggage fits well inside JUKE. Simply adjust the cargo floor down, and there is ample space for your gear.

### Flat Cargo Floor

Longer items are far easier to store on a flat surface. Fold the second-row seats down and adjust the cargo floor up to create a flat floor surface. And for any items you want hidden, you'll find a covered storage area under the cargo floor.

**Ramp up the refinement.** Premium touches make every drive a little more special. Shed light on your thrill-seeking adventures, day or night, with the open-air sunroof. The Nissan Intelligent Key lets you lock and unlock the doors without taking the key out of your pocket.

## NissanConnect **YOUR WORLD, SERVED UP.**

With NissanConnect Mobile Apps, your Juke becomes your smartphone's best friend. Which means no more separation anxiety for you. Because now your own hand-picked music, Facebook, latest tweets, and more all come along for the ride, working seamlessly together through Juke's audio system.

(Eurosport, Twitter, TripAdvisor and Yelp will be upcoming applications.)

More than just apps, NissanConnect keeps you in the loop with the Nissan Navigation System, Bluetooth hands-free calling and streaming audio, and an iPod/USB input.

Driving is serious business. Only use NissanConnect services when safe to do so. Some applications may be subject to late availability. NissanConnect service subscription required but is available on a complimentary basis for 2 years from purchase. Service and applications only available in select European countries and on select Nissan models. Service and applications may be provided by third parties outside Nissan's control, and are subject to change without notice or liability to Nissan or its agents (including, without limitation, services cancelled/suspended by third parties). Certain remote functions require compatible phone or device, not included with vehicle. Cellular networks are provided by cellular companies, and are not within Nissan's control. Cellular networks not available in all areas. Roaming charges and/or data usage charges may apply. Nissan is not responsible for any equipment replacement or upgrades or associated costs that may be required for continued operation due to service changes.

## NISSAN AROUND VIEW MONITOR IT'S GOT YOUR BACK, AND THE REST OF YOU TOO.

**What if parallel parking was easier?** A rearview monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's behind you. That's why JUKE offers Around View Monitor. Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. And since all obstacles aren't stationary, Moving Object Detection lets you know if anything is approaching, no matter what it is.

### LOOK OUT BELOW.

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

### COMPLETE THE PICTURE.

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.

### SPARE YOUR WHEELS.

In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

### DON'T BUMP YOUR NOSE.

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

## NISSAN SAFETY SHIELD PHILOSOPHY

# SURROUND YOURSELF WITH CONFIDENCE.

**Wouldn't it be cool if** you had the confidence you need for every part of your drive? The Nissan Safety Shield technologies use cameras and sensors which work together to build your confidence and keep you on top of your surroundings at all times. The features described here are just some of many on your JUKE, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

**6 Standard Air Bags.** When a collision is unavoidable, Nissan's Zone Body Construction helps absorb the impact, while the advanced seat belt and air bag systems help protect passengers.

**Electronic Stability Program (ESP).** Nissan's Electronic Stability Program system automatically activates the ABS and traction control features to help you stay in control during difficult manoeuvres like a sudden lane change.

### Moving Object Detection

Around View Monitor doesn't just help you park, it also helps you reverse out of a space safely. The Moving Object Detection feature gives you a visual and audible alert when it detects movement near the vehicle.

### Blind Spot Warning System

What you can't see JUKE can. If there's a vehicle in your blind spot area on either side of your car, a warning light will illuminate on the interior door panel. If you're indicating and a vehicle is dangerously close, the light will flash and you'll hear a warning sound too.

### Lane Departure

This system gives you a visual and audible heads up if it detects you straying from your lane. And it's so smart, it's designed to stop the warnings when you indicate to change lanes.

**Safety Award** In 2011, JUKE was awarded the maximum five-star rating by EURO NCAP (European New Car Assessment Programme).

# SIGNATURE STYLE

**STAMP YOUR STYLE ON JUKE** combining Beijing chrome finishers, contrasting colour accents and smart, practical accessories like mudguards & boot mats. Add a front and rear styling plate for dynamic shine and an interior mirror cover to emphasise your style. Opt for 18" alloys with coloured inserts\* and Exterior Pack to match – it's your call.

- 1) Interior mirror cover in Detroit Red
- 2) Velour mat with colored stitching,
- 3) Shark antenna, Detroit Red
- 4) 17" alloy wheel with Detroit Red inserts
- 5) Boot mat, Boot entry guard

**Optional equipment.** This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

**Nissan's** commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

**Three-year/60,000 miles manufacturer's warranty** – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer.

**LEAF** – Nissan LEAF offers a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. The Nissan LEAF lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF's capacity gauge for a period of 5 years / 60,000 miles. For LEAF flex customers, the battery state of health guarantee applies for the duration of the battery lease.

**NV200 Combi** - New Vehicle Warranty is issued by Nissan International SA is valid for 3 years from the warranty start date or 60,000 miles, whichever comes first. In addition, for each new NV200 Combi sold by an authorised UK Nissan dealer, Nissan Motor (GB) Limited (NMGB) will issue an extension to the New Vehicle Warranty. This warranty extension will cover your vehicle from 60,000 miles up to 100,000 miles or 3 years from the warranty start date, whichever comes first. Please note that audio and navigation units will not be covered by the warranty extension.
