

The Audi A3 and S3 Cabriolet

Pricing and Specification Guide

Valid from January 2016

Personalising your Audi A3 Cabriolet

This guide has been designed to help you tailor and price your Audi A3 Cabriolet quickly and logically. At the back, you will find information on CO₂ emissions-based taxation and services offered with your Audi, including Finance and Insurance. You can also configure your Audi A3 Cabriolet online at audi.co.uk

**Get more from this brochure
with the free Audi Vision app.**

Audi Vision brings our brochures to life through Augmented Reality. It works by recognising images on a page through your device's camera. Suitable for compatible phones or tablets, download it for free from the App Store or Google Play. Once downloaded, simply open the app and scan the cover of your guide. Then look out for any page with the Audi Vision logo, you can then hold your device over the page and watch as you get exclusive access to extra images, information and video content.

The images featured in this guide are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

Vorsprung durch Technik

Three words that express the very essence of Audi – Vorsprung durch Technik. It's not just a slogan, it's our way of seeing the world and the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that have become synonymous with Audi remain in our cars today. Some are milestones in the

history of the motorcar. From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The Audi A3 Cabriolet: Vorsprung durch Technik in its genes

With its innovative design and sophisticated technology, the Audi A3 Cabriolet is the perfect example of Vorsprung durch Technik. It's available with a choice of advanced petrol and diesel engines, from the 1.4-litre TFSI with cylinder-on-demand technology to the 2.0-litre TDI. There's also a wide range of equipment and accessories to choose from, placing you behind the wheel of a car that suits you completely.

The A3 Cabriolet interior story

We've introduced a number of finishing touches to the interior of the Audi A3 Cabriolet to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the 5.8" slimline, electrically extending colour display screen to the optional luxurious leather seating, which means that every journey you make will be a personal one.

Heat protection

Sun and open-top motoring go together. Particularly in an attractive car like the Audi A3 Cabriolet. When choosing leather upholstery, it comes with heat protection for the front seat cushions and backrests as standard.*

- ▶ Special pigmentation in the leather helps to prevent it from overheating
- ▶ The infrared rays from sunlight are reflected
- ▶ The heat protection is able to reduce the surface temperature by up to 20°C
- ▶ All the leather's other positive qualities are unaffected

*Does not apply to seat centre panels for Alcantara/leather upholstery

Engines

Petrol

FSI direct-injection technology was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output. We've also developed TFSI, with turbocharging – giving cars an extra injection of power.

Diesel

We introduced TDI to the roads in 1989, and since then, we've continuously refined it, including developing common-rail technology. Under this system, a series of piezo injectors uses electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature and with less oxygen.

Transmission

S tronic

Driving is all about thinking ahead, which is just what the S tronic dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, virtually uninterrupted power.

Efficiency

We've incorporated a number of technologies into the Audi A3 Cabriolet aimed to enhance your drive and improve efficiency.

TDI and FSI

Inside the engine of the Audi A3 Cabriolet you'll find the same advanced fuel-injection technology that's driven us to win after win at Le Mans. With TDI and FSI, fuel is injected directly into the engine's chambers so that combustion is timed right down to the millisecond. As a result, waste is minimised and you get the most from every last drop of fuel.

Gear-change indicator

Small changes to your driving style can have a big impact on your fuel economy. The gear-change indicator in the Audi A3 Cabriolet is there to indicate the optimum gear to use for any given speed, encouraging early upshifts to ensure you don't burn more fuel than is necessary.

Aerodynamics

A car's shape is one of the most important factors that influences its efficiency. It's why we've worked to make the Audi A3 Cabriolet as aerodynamic as possible.

Audi cylinder-on-demand

Dynamic performance does not necessarily equate to higher consumption – as the 1.4-litre TFSI cylinder-on-demand engine proves. Cylinder-on-demand technology automatically shuts down two of the four cylinders when the engine is operating at lower loads, particularly when cruising on the motorway or in city traffic. Out on the open road, meanwhile, the instantaneous power of TFSI, combining turbocharging with petrol direct injection, is ready and waiting.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one fitted as standard on all A3 models, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

quattro

It's the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that helps deliver greater traction on all surfaces. It's called quattro permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels aid acceleration and road-holding by distributing power to each individual wheel as necessary. The result is a dynamic driving experience in all conditions.

In the Audi A3 Cabriolet, the optional quattro all-wheel-drive continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

SE model equipment

A3 Cabriolet SE models have the following items of standard equipment

Engine and transmission

Efficiency programme in the Driver's Information System (DIS) – provides the driver with tips such as a gear-change indicator on manual models and details of other vehicle functions that consume fuel

Start-Stop system with energy recuperation

Wheels, tyres and suspension

16" x 7J '10-spoke' design alloy wheels with 205/55 R16 tyres

Anti-theft wheel bolts

Electromechanical parking brake – includes parking brake function when the car is stationary, auto-release function to assist when pulling away and emergency braking function

Electromechanical power steering

Space-saving spare wheel – for temporary use (for non-quattro variants)

Tyre mobility kit (quattro variants only)

Audio and communication

5.8" QVGA colour display screen – electrically extending, slimline design, with 400 x 240 pixel resolution

8 passive speakers in total, at the front and rear with a total output of 80 watts

MMI radio which includes:

- Single CD player and two SDXC memory card readers (up to 2TB) which are both MP3, WMA and AAC compatible
- MMI control panel
- FM and AM (MW) reception
- 50-station memory with dynamic station list
- Speed-dependent volume control
- TP memo, which automatically saves traffic news when driving

Audi Music Interface (AMI) – provides connection to Apple iPod from 4th generation and Apple iPhone, as well as USB storage media and MP3 players. Located in the centre console and operated using the MMI control panel or the multi-function steering wheel

Bluetooth interface – for hands-free mobile phone connectivity and Bluetooth audio streaming (depending on compatibility of mobile phone and software version, please visit audi.co.uk/phonecompatibility)

DAB digital radio reception. Integrated into the MMI, receives digitally transmitted radio stations in addition to the range of analogue stations. Displays music track, artist and radio programme. Capable of 'DAB slideshow' where transmitted. Reception dependent on local digital network

Driver's Information System (DIS) – 3.5" monochrome display in the dashboard binnacle. The DIS shows the radio frequency/station or track title, telephone control menu and other display information from the infotainment system such as navigation (if fitted). Includes an on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer and door or boot-open warning. Also includes a rest recommendation system which monitors steering movements and pedal usage and warns the driver when a rest might be required

Integrated aerial. Concealed under the side panel trim so that it provides optimum reception quality without disturbing the body line of the Audi A3 Cabriolet

Preparation for SD card-based navigation system – allows maps to be retro-fitted using parts from Audi Genuine Accessories

Seats

Convenience entry – enhanced front seat folding function for easy access to the rear compartment
ISOFIX child seat mounting for front passenger (with airbag deactivation) and rear seats.
 Including Top Tether attachment for the outer rear seats

Marathon cloth upholstery – available in black or Titanium grey. The seat centre section is in Marathon cloth design and the seat side sections, head restraints and door and rear side trims are in plain cloth

Split-folding rear seats – 50/50 or all

Standard front seats, with manual forward, backwards and backrest angle adjustment, seat height adjustment (on driver's and front passenger's side) and also head restraint adjustment

Interior

4-spoke leather-trimmed multi-function steering wheel with gear-shift paddles on S tronic models, adjustable for height and reach

Air vents in aluminium look, which can be adjusted from wide diffuse air distribution to a particular spot diffuse

Cup holders – two in the front located in the centre console in front of the gear knob and two in the rear located in between the two rear seats

Electric front and rear windows

Front and rear floor mats – in velour to match interior colour

Front centre armrest with angle and lengthways adjustment

Hood lining – colour-coordinated with the interior in black or Lunar silver

Inlays in micrometallic silver

Interior lighting – front and rear with delayed switch-off and contact switches on all doors. Also includes glove box and luggage compartment light

Lashing points – four in luggage compartment, to prevent movement of luggage and other objects; also act as attachment points for the optional luggage securing net

Light and rain sensor package – automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions. Includes coming home/leaving home function which delays the deactivation of the front and rear lights after locking and automatic activation of the lights when unlocking. The package also includes a windscreen with sunband for improved insulation, and acoustic glass for reduced outside noise

Manual air conditioning

Smoking package with cigarette lighter, 12V socket in the centre console and an ashtray with the Audi rings

Storage compartments in the door side trims, in the centre console and under the front driver's seat

Sun visors – folding and swivelling, on driver's and front passenger's side, with covered vanity mirror

Driver's Information System (DIS)

Standard seat* in Milano leather with Black upholstery

Manual air conditioning and air vents in aluminium look

*Image shown also includes optional Milano leather and under-seat storage which is part of the storage package, both available at additional cost

SE model equipment

continued

Exterior equipment

Aluminium window trims – framing the exterior side windows

Automatic fabric hood in black with a space-saving k-folding design, an integrated heated rear window and an elegant hood compartment with an aluminium trim strip surround. Controlled via a button in the centre console, the hood opens and closes in less than 18 seconds, up to a speed of 31mph

Door mirrors – electrically adjustable and heated with built-in LED side indicators and painted in body colour

Front fog lights

Halogen headlights with electric headlight range control and daytime-running lights

Heated windscreen washer jets

Model and engine technology (TDI or TFSI) badges at the rear

Rear lights – with reversing lights in white and rear fog lights, including high-mounted third brake light and LED number plate light

Exhaust tailpipe – single tailpipe on 1.6 TDI, double tailpipes on the left on all other engines

Washer fluid level indicator

Safety and security

Active roll-over protection system – only deploys if the vehicle rolls over

Adaptive brake light – the brake light flashes during an emergency stop to warn following traffic, hazard warning lights automatically activated if vehicle comes to a standstill

Airbags – driver, front passenger and front side airbags with knee airbag for the driver. Includes a front passenger airbag deactivation switch

Anti-Slip Regulation (ASR). Reduces engine power to prevent the drive wheels from spinning, resulting in more stability and improved traction

Anti-lock Brake System (ABS) and Electronic Brake-force Distribution (EBD). Hydraulic brake assist, disc brakes at front and rear, ventilated at front

Electronic Differential Lock (EDL). On surfaces with varying levels of grip, this start-off assistant automatically brakes the driven wheels in slippery conditions, thereby ensuring smooth, powerful progress

Electronic Stabilisation Control (ESC). Ensures greater stability in hazardous situations through targeted braking of individual wheels and intervention in the engine management system and helps to stabilise the vehicle by changing the steering torque

First-aid kit

Secondary collision brake assist – in the event of an accident, this function automatically brakes the car to prevent secondary collisions

Remote central locking with two fold-away keys

Rest recommendation system

Seat belt reminder for all seats

Thatcham Category 1 alarm and immobiliser, with tow-away protection and interior monitoring (both of which can be switched off)

Tool kit and car jack

Tyre pressure loss indicator – visual and acoustic warning if the pressure drops in one or more tyres

Warning triangle

Aluminium window trims

Automatic fabric hood in black

Door mirrors – electrically adjustable and heated with built-in LED side indicators and painted in body colour

Image shows the A3 Cabriolet SE model with optional Floret silver, metallic paint (L5) and LED light package

Sport Navigation model equipment

In addition to SE model equipment

Total RRP inc VAT*
£1,400.00

Wheels, tyres and suspension

17" x 7.5J '5-arm' design alloy wheels with 225/45 R17 tyres

Audi Drive Select changes vehicle characteristics by adapting power steering assistance, accelerator and gear-shift response (for models with S tronic). The system also influences other optional equipment through five available modes: Comfort, Auto, Dynamic, Efficiency and Individual. The Efficiency mode adapts the engine characteristics, enables free-wheeling mode with the S tronic transmission and engages the climate control and the optional adaptive cruise control into an efficient fuel-saving setting

Sport suspension, lowered by 15mm with stiffer suspension and damping for more direct contact with the road and sporty handling. Deselection of Sport suspension is available as a no-cost downgrade from Sport suspension and, if chosen, the Sport suspension lowering is removed and the suspension is returned to the standard ride height and damping

Audio and communication

Satellite Navigation system – SD card-based.

Route planning and guidance using voice, pictogram and 2D mapping shown on the 5.8" colour display screen. Can be operated via the MMI controls, multi-function steering wheel or voice control system. Includes European map data and 7-digit postcode recognition

Colour Driver's Information System – offers the same functionality as the Driver's Information System (DIS) but with a high-resolution colour display

Seats

Front Sport seats, with shaped side bolsters for better lateral support when cornering, manual forward/backward and backrest angle adjustment, manual adjustment of the seat height (on the driver's and front passenger side) and the head restraint as well as the seat-cushion angle adjustment and extendable thigh support

Rallye cloth upholstery – seat centre sections in Rallye cloth design. The seat side bolsters, head restraints as well as door and rear side panel inserts are in single-colour cloth

Interior equipment

3-spoke leather-trimmed Sport multi-function steering wheel, with gear-shift paddles on S tronic models

Aluminium door sill trims

Aluminium interior elements – on the vents, glove compartment, mirror adjustment switches, window control switches, frame around the inside door handle, coin box, control buttons for the parking brake and the hold assist button (if fitted)

Dual-zone electronic climate control with sunlight-dependent control, separate pre-selectable control for driver and front passenger. Electronically regulates the air temperature, air flow rate and air distribution. Automatic recirculation mode by means of air quality sensor, combined filter, rear vents and humidity regulation for more efficient climate control

Inlays in Aluminium mistral silver

Exterior equipment

Chrome exhaust tailpipe trims

Chrome front fog light surrounds

Fully automatic acoustic hood made out of insulated, three-layered fabric. Opens in just 17 seconds and closes in just 18 seconds – up to road speeds of 31mph

17" x 7.5J '5-arm' design alloy wheel

Sport seats in Black Rallye cloth*

3-spoke leather-trimmed Sport multi-function steering wheel

Dual-zone electronic climate control

Image shows the A3 Cabriolet Sport model with optional Mythos black, metallic paint (0E), 17" '5-spoke' design alloy wheels (COX) and Xenon light package (WB6)

S line Navigation model equipment

In addition to Sport Navigation model equipment

Total RRP inc VAT*
£2,150.00

Wheels, tyres and suspension

18" x 8J '5-parallel-spoke' design partly polished alloy wheels with 225/40 R18 tyres

Sport suspension, lowered by 15mm (same suspension as Sport). Deselection of Sport suspension is available as a no-cost downgrade, and if selected, the Sport suspension lowering is removed and the suspension is returned to the standard ride height and damping

Seats

Biathlon cloth/leather upholstery with S line embossing and contrasting silver stitching on the upholstery, steering wheel and gear knob gaiter

Interior equipment

Door sill trims with S line logo

Illuminated vanity mirrors

Inlays in matt-brushed aluminium

Perforated leather gear knob

Flat-bottomed S line 3-spoke leather multi-function steering wheel, with perforated leather grips and gear-shift paddles on S tronic models

Storage and luggage compartment package – includes storage nets on the backs of the front seat back rests, storage net in the front passenger footwell and 12V socket in the rear centre console. In the luggage compartment there is an additional net in the side compartment (excludes quattro engines), luggage securing net, a 12V socket and additional LED lighting

Exterior equipment

Front fog light surrounds in High-gloss black

Radiator grille in High-gloss black

S line badges on the front wings

S line design body styling comprising:

- S line front bumper
- S line rear diffuser with Platinum grey insert
- S line side sills

Xenon Plus headlights with automatic/dynamic headlight range control, LED daytime-running light strip and headlight washers. Also includes LED rear lights, brake lights and rear indicators

18" x 8J '5-parallel-spoke' design partly polished alloy wheel

Front fog light surrounds and radiator grille in High-gloss black

Xenon Plus headlights with LED daytime-running light strip

Rear lights, brake lights and rear indicator all featuring LED technology

Image shows the A3 Cabriolet S line model with optional Daytona grey, pearl-effect paint (6Y) and Super Sport seats (front) (PS6)

S3 quattro Navigation model equipment

In addition to Sport Navigation model equipment

Wheels, tyres and suspension

19" x 8J '5-twin-spoke Star' design anthracite, partly polished alloy wheels with 235/35 R19 tyres Audi Magnetic Ride. Continuously adapts the suspension damping to the changing driving situation. It does this automatically and in just a few fractions of a second by means of an electronically controlled magnetic field. This results in impressive handling dynamics accompanied by a remarkably high degree of ride comfort

'S' Sport suspension with more dynamic spring/ damper settings and lowered by 25mm compared to the A3 standard suspension

Progressive steering enhances driving comfort by reducing steering effort in town traffic and when manoeuvring as well as the driving dynamics through a direct and progressive steering ratio; in addition, the progressive steering also has speed-dependent steering assistance which can be configured via Audi Drive Select

Seats

Fine Nappa leather upholstery with 'S' embossing and contrasting silver stitching on the upholstery, steering wheel and gear knob gaiter

Heated front seats. Individually controlled variable temperature adjustment for driver and front passenger seats

Interior equipment

Flat-bottomed S3 3-spoke leather multi-function steering wheel, with contrast stitching and gear-shift paddles on S tronic models

Illuminated vanity mirrors

Inlays in matt-brushed aluminium

Instrument dials in grey with white needles and aluminium-look needle hub and S3 logo. Includes a boost pressure display in the rev counter

Pedals in brushed stainless steel

'S' logo on the MMI and colour Driver's Information System (DIS) display

Storage and luggage compartment package –

includes storage nets on the backs of the front seat back rests, storage net in the front passenger footwell and 12V socket in the rear centre console. In the luggage compartment there is a luggage securing net, 12V socket and additional LED lighting

Exterior equipment

Brake calipers painted in black with S3 logo at the front

Door mirrors with aluminium-look housing

Radiator grille in platinum grey with horizontal double chrome bars

'S' design body styling comprising:

- S3 front bumper with new air intake grilles in a honeycomb structure and double chrome bars. Also includes additional air intake funnels in place of the front fog lights and aluminium-look blades defining the lower edge of the bumper
- Rear diffuser incorporating dual-branch oval twin tailpipes and double chrome bar at the top of the diffuser
- Door sill trims with S3 logo

Xenon Plus headlights with automatic/dynamic headlight range control, LED daytime-running light strip and headlight washers. Also includes LED rear lights, LED brake lights and LED rear indicators

19" x 8J '5-twin-spoke Star' design anthracite, partly polished alloy wheel

Instrument dials – rev counter with boost pressure display

'S' design rear body styling

Xenon Plus headlights with LED daytime-running light strip

Image shows the S3 Cabriolet model with optional Misano red, pearl effect paint (N9), LED headlights (PX7), Super Sport seats (front) (PS6) and Brake calipers painted in red with S3 logo (PC2)

Options

Every driver has different needs, which is why we have created some useful options to further enhance your car. For extra comfort, support, style or function, you can choose from a variety of additional features, tailoring everything from your infotainment and audio equipment to your wheels and lighting.

Wheels, tyres and suspension

Choose a set of specially selected alloy wheels to subtly enhance the way your car looks.

16" x 7J '10-spoke' design alloy wheels – **CB8**

17" x 7.5J '5-arm' design alloy wheels – **CF7**

17" x 7.5J '10-spoke Dynamic' design alloy wheels – **CS1**

17" x 7.5J '5-spoke' design alloy wheels – **COX**

18" x 8J 'multi-spoke Star' design partly polished alloy wheels – **C1J**

18" x 8J '5-parallel-spoke' design partly polished alloy wheels – **C0J**

18" x 8J '5-arm Structured' design high-gloss alloy wheels – **CS1**

18" x 8J '10-spoke' design alloy wheels – **CL7**

18" x 8J '10-spoke' design titanium matt alloy wheels – **CJ2**

19" x 8J '5-twin-spoke Star' design anthracite, partly polished alloy wheels – **C6H**

19" x 8J '5-arm Wing' design high-gloss titanium alloy wheels – **C7D**

Options are subject to availability and may extend time taken for delivery.

Please note: choosing an optional wheel may affect the fuel consumption figures and the CO₂ emissions on your A3 Cabriolet. This may result in a change in the subsequent Vehicle Excise Duty payable. Please see pages 77, 78, 80 and 84 for more details.

All alloy wheel images are matched as accurately as possible to the actual colour. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Wheels, tyres and suspension

Order Code		SE	Sport Navigation	S line Navigation	S3 quattro Navigation	Total RRP inc VAT*
2H6	Audi Drive Select. Changes vehicle characteristics by adapting power steering assistance, accelerator and the gear-shift characteristics of the S tronic transmission. The system also influences other optional equipment through five available modes: Comfort, Auto, Dynamic, Efficiency and Individual. The Efficiency mode adapts the engine characteristics, enables free-wheeling mode with the S tronic transmission and engages the climate control and the optional adaptive cruise control into an efficient fuel-saving setting	●	S	S	—	£220.00
2H7	Audi Magnetic Ride. Continuously adapts the suspension damping to the changing driving situation. It does this automatically and in just a few fractions of a second by means of an electronically controlled magnetic field. This results in impressive handling dynamics accompanied by a remarkably high degree of ride comfort. The Auto, Comfort and Sport modes allow the basic setting to be adjusted individually as desired. There is a pronounced difference between the respective basic set-ups. <ul style="list-style-type: none"> - Ample ride comfort thanks to low body acceleration and movements - Enhanced agility and handling dynamics thanks to reduced dynamic roll angles during steering inputs - Improved pitch characteristics when accelerating and slowing down - Clear distinction between the modes Comfort (balanced and comfortable), Sport (sporty and dynamic) and Auto (adapted to prevailing driving situation) - Controlled wheel damping ensures remarkable handling stability and safety, especially when road conditions are poor - High long-distance suitability - Including Sport suspension: approximately 15mm lower than dynamic suspension, tauter suspension and damping settings - Convenient adjustment of suspension tuning using a button in the centre console Not available on the 1.6 TDI 110PS engines	—	●	●	S	£995.00
1N7	Progressive steering operates with a variable steering ratio which reduces the steering effort required e.g. in tight bends. This improves comfort on the one hand, for instance when parking or manoeuvring, and at the same time provides a sportier driving feel e.g. when driving along narrow, winding roads. <ul style="list-style-type: none"> - High steering precision combined with minimised steering effort thanks to variable steering ratio - Precise steering feel with good feedback from the road - Incorporates all functions of the electromechanical power steering - Sporty, direct steering feel when driving straight ahead - Noticeable dynamic response and far less need to reposition hands in bends, on winding roads and when turning - More comfort as less steering effort required when parking or manoeuvring - Can be configured via Audi Drive Select Not available on the 1.6 TDI 110PS engines	—	●	●	S	£295.00
2UA	Deselection of Sport suspension. Available as a no-cost downgrade from Sport suspension on Sport and S line models. If selected then the Sport suspension lowering is removed and the suspension is returned to the standard ride height and damping	—	●	●	—	£0.00
2UC	Sport suspension. Lowered by 15mm with stiffer suspension and damping for more direct contact with the road and sporty handling	—	S	S	—	£0.00

Technology package with Mobile telephone preparation – High with Audi Connect. Includes Technology package (PNO). Audi Connect provides access to a number of innovative online services via an internal UMTS (4G) module. Audi Connect online services include: navigation using Google Earth™ images and Google Street View™, destination entry via Google Maps™ or myAudi, online point-of-interest search and information services such as weather forecasts and the latest world news. Audi Connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth™ image. Audi Connect can also create a Wi-Fi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet). Many Audi Connect features can be simply operated via MMI Navigation Plus or the multi-function steering wheel.

Please also refer to the detailed information on Audi Connect compatibility and data source requirements which can be found on page 84

UH2	Hold assist. Holds the vehicle stationary for unlimited periods after stopping and prevents the vehicle rolling on hills and on gradients. The system is activated by push-button and allows the driver to drive away easily and comfortably without having to operate the electromechanical parking brake	•	•	•	•	£90.00
7X1	Audi parking system, rear. Makes reverse parking easier by indicating acoustically how far away the vehicle is from an object detected behind it. Measurement is by ultrasonic sensors integrated discreetly in the bumper. Also available as part of the Comfort package	•	•	•	•	£345.00
7X2	Audi parking system plus, front and rear with selective display. Acoustic and visual parking aid for the front and rear which displays white distance markers for obstacles that would not be touched and red symbols for obstacles that may be touched. This provides the driver with a selective optical view in the MMI display of all the objects recognised, depending on the current curve radius and direction of travel. Measurement is by ultrasonic sensors discreetly integrated in the bumpers	•	•	•	•	£595.00
	In combination with Comfort package	•	•	•	•	£250.00
7X5	Audi parking system plus, with park assist. In addition to parking system plus front and rear, ultrasonic sensors are used to search for parking spaces by the roadside and the system calculates the ideal parking path for reverse and parallel parking spaces. The steering action is performed almost automatically. Assisted parking is now even possible in smaller parking spaces and bend areas, and the system will park the car in several moves if required. Steering is done by the vehicle, while the driver only needs to accelerate and apply the brakes. Four additional sensors indicate obstacles detected all around and at the side of the vehicle, and warn the driver, making parking easier and safer by setting the correct steering angle	•	•	•	•	£835.00
	In combination with Comfort package	•	•	•	•	£490.00
	In combination with Driver assistance package	•	•	•	•	£240.00
KA2	Reversing camera. Gives a camera image of area behind the vehicle shown on the MMI display, with dynamic display modes highlighting the calculated path (steer-angle dependent). Includes auxiliary lines and guidelines, and identification of the point at which to apply opposite lock when parallel parking. The rear-view camera is integrated discreetly in the handle strip of the luggage compartment lid. Only in combination with Audi parking system plus, front and rear with selective display (7X2), Audi parking system plus, with park assist (7X5) or Driver assistance package (PCE)	•	•	•	•	£275.00

8T2	Cruise control. Maintains any speed above 18mph, provided that the engine power output and engine braking effect permit it. Operated via separate steering column stalk, with set speed displayed in the Driver's Information System (DIS). Also available as part of the Comfort package	●	●	●	●	£225.00
PCG	Adaptive cruise control. Automatic distance control (control range for manual transmission between 20-100mph* and for S tronic 0-100mph)*. Also includes Stop/Go function only with S tronic. Working within system limits it uses a radar sensor to detect vehicles ahead and maintain this distance by automatically braking and accelerating. Four distance levels and different driving modes can be selected individually. Also includes Audi Pre-sense front which provides an enhanced brake assist if it detects an imminent threat of collision with the vehicle in front. Braking action is initiated at speeds below 19mph if there is a danger of collision with a stationary or moving vehicle, to avoid or reduce impact. Only in combination with colour Driver's Information System (9S6) on SE model	●	●	●	●	£575.00
	In combination with Comfort package	●	●	●	●	£350.00
7W1	Audi Pre-sense basic. Networks the different vehicle systems to enable driving situations to be categorised and, where necessary, actions to be taken to protect the driver and passengers. These include: tensioning the front seat belts as well as closing the windows	●	●	●	●	£200.00

PCB	Audi Active Lane Assist. Lane markings are registered by an optical sensor in the windscreen above speeds of approximately 40mph. Camera identifies individual or coloured lane markings, e.g. yellow lines at roadworks. The lane departure warning system warns the driver if a detected lane marking is approached without indicating, and helps the driver to steer back towards the middle of the lane by making gentle steering movements. Steering wheel vibration can be activated as an additional warning when crossing lane markings. System is activated manually by a switch on the turn signal lever. Also includes High-beam assist (8G1). When ordered with Technology package, speed limit display is included as a no-cost option. Also available as part of the Driver assistance package (PCE)	•	•	•	•	£450.00
7Y1	Audi Side Assist. Aids the driver when changing lane. Audi Side Assist monitors the area behind your car using radar sensors located discreetly in the rear bumper. It then informs the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. The system is activated using the MMI car settings	•	•	•	•	£450.00
PCB 7Y5	Audi Active Lane Assist and Audi Side Assist. Includes Audi Active Lane Assist (PCB) and Audi Side Assist (7Y1)	•	•	•	•	£900.00
PCE	Driver assistance package. Contains all of the following assistance functions: Adaptive cruise control, Audi Active Lane Assist (PCB), High-beam assist (8G1) and Audi parking system plus front and rear (7X2). Not available in combination with Comfort package. Only in combination with colour Driver's Information System (9S6) on SE models	•	•	•	•	£1,300.00
-	Speed limit display. Camera-based detection and display of speed limits, including temporary speed limits. Speed limit signs are recognised by the camera and this enables the current speed limit to be read conveniently in the colour Driver's Information System (DIS). Should the camera not detect a sign, the speed limit from the navigation system data (if fitted) will be shown. Only available as a no-cost option when Technology package (PNQ or WB4) and Audi Active Lane Assist (PCB or PCE) are ordered together	•	•	•	•	£0.00

Audi Active Lane Assist

Audi Side Assist

Looking after your Audi

When you've chosen your ideal model, it's reassuring to know that it will remain in safe hands. That's why we've created products to protect your Audi, from extended warranties to Audi Complete. And there's also a range of Audi accessories and merchandise to choose from, enabling you to further enhance and safeguard your car.

Audi Complete

If you drive under 10,000 miles per annum your vehicle will be placed on a Fixed Inspection Service schedule. If your mileage tends to exceed 10,000 miles per annum it will be placed on the Flexible Service schedule.

Audi Complete is our fixed-cost maintenance plan, which helps you keep your Audi in top condition and stay in control of your finances. For a simple monthly payment, you could cover your car's servicing, maintenance and, if you want, its tyres too.

So not only will you ensure your car runs smoothly, regular servicing can protect its future resale value. And because everything's covered by one competitive price, there's no need to go anywhere else.

Pricing is completely tailored to your vehicle and takes into consideration the options you have on your vehicle and your likely annual mileage and resultant service schedule. Please speak to your Audi Centre for a personalised quote for Audi Complete.

Warranty

All new Audi models come with a three-year warranty as standard, and you can choose to extend this to a four or five-year warranty* for a one-off cost. What's more, if you decide to sell your Audi before the warranty expires, it will be fully transferred to the new owner.

*Three-year warranty consists of a two-year unlimited mileage warranty and a third year warranty with a 60,000-mile limitation. Four-year warranty consists of a two-year unlimited mileage warranty and two further years' coverage with a 75,000-mile limitation. Five-year warranty consists of a two-year unlimited mileage warranty and three further years' coverage with a 90,000-mile limitation.

**Only available before registration of your Audi A3 Cabriolet. Please speak to your Audi Centre for full details.

†Total RRP inc VAT – Recommended Retail Price including VAT which is calculated at 20%. This may alter to reflect any change in the applicable VAT rate.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of optional accessories to enhance your A3 Cabriolet, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. They're all available exclusively from Audi. To find out more, just visit audi.co.uk/accessories or contact your local Audi Centre.

Warranty

All of the accessories available on the A3 Cabriolet are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products. Audi Accessories warranty terms and conditions can be found at audi.co.uk/warrantyterms

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from audi.co.uk/merchandise

Image shown is the Audi kids' car legends, item number 320.13.004.00

The Audi Difference

The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the Fixed Inspection Service and the Flexible Service schedule. The conventional Fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the Flexible Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service Schedule for you based on your individual circumstances and preferences.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum Mainly city/town centre driving. Short journeys.
	Service intervals:
Oil-change Service	Fixed to every 9,000+ miles/1 year
Inspection Service	Fixed to every 19,000+ miles/2 years

Flexible Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
	Service intervals:
Oil-change Service	Variable to a maximum of every 19,000+ miles/2 years
Inspection Service	Fixed to every 19,000+ miles/2 years

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs
High engine-loading conditions, e.g. frequent towing and hill climbs

+As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.**

No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately - improving anything from your car's efficiency to the precision of its parking system.

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by Automobile Association Insurance Services Limited. Also included is roadside assistance throughout Europe, managed by Automobile Association Insurance Services Limited.

For further information and terms and conditions please visit audi.co.uk

³Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit thatcham.org/abigrouprating for details.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

²Top speed is achieved in top gear.

³Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁴The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

A3 Cabriolet Diesel technical data

Depending upon your chosen A3 Cabriolet wheel size, different efficiency figures for CO2 emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective from 01/09/14). This table is a quick reference guide to assist you in finding the correct values based on wheel sizes and your chosen engine.

Engine		1.6 TDI	2.0 TDI	2.0 TDI	2.0 TDI quattro	2.0 TDI	2.0 TDI quattro
Transmission		6-speed manual	6-speed manual	6-speed S tronic	6-speed manual	6-speed manual	6-speed S tronic

	19" wheels	-	62.8 (4.5)	57.6 (4.9)	55.4 (5.1)	61.4 (4.6)	54.3 (5.2)

**Low rolling resistance tyres.

¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

²Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at dft.gov.uk/vca

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

A3 Cabriolet dimensions

The technical drawings opposite show the exact dimensions of the Audi A3 Cabriolet, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

Dimensions in millimetres. Optional equipment may affect dimensions.

*Maximum headroom.

**Elbow room width.

***Shoulder room width.

Turning circle approx 10.9m.

Dimensions measured with vehicle at unladen weight.

S3 Cabriolet dimensions

The technical drawings opposite show the exact dimensions of the Audi S3 Cabriolet, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

Dimensions in millimetres. Optional equipment may affect dimensions.

*Maximum headroom.

**Elbow room width.

***Shoulder room width.

Turning circle approx 10.9m.

Dimensions measured with vehicle at unladen weight.

Pricing and Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to drive a car created in the spirit of Vorsprung durch Technik.

And because we believe the service we offer should reflect the quality of our cars, we want to let you know exactly what you can expect from us, now and in the future.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

Information in this guide

We've done all we can to make the prices, specifications, technical details and all other information you see in this guide accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the Total RRP inc VAT vehicle price.

Delivery charge	£504.99
Number plate	£20.00
VAT	£105.01
Total	£630.00

Recommended On-The-Road (OTR) prices include the delivery and number plate charges above, Road Fund Licence (which may vary depending on model/transmission - see table for details) and first registration fee at £55.00.

The images featured in this guide are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Warranty terms and conditions apply. Please see audi.co.uk/warrantyterms for further details.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Audi Financial Services

Audi Financial Services specialises in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products, which comprises:

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase

- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter which Audi model you choose, your local Audi Centre can provide you with a personalised quote designed to fit your budget and motoring needs.

Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance is included as standard with all new Audi models. To activate simply call 0330 303 6900, provide us with a few details, and we'll send a cover note to your Audi Centre. They will then tax your car and you can drive it away. Telephone lines are open Monday to Friday 8am–8pm and Saturday 9am–4pm. For details of our full range of Insurance products visit insurewithaudi.co.uk

Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

CO2 data and information

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km).

First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£110.00
E – 131 to 140g/km	£130.00	£130.00
F – 141 to 150g/km	£145.00	£145.00
G – 151 to 165g/km	£180.00	£180.00
H – 166 to 175g/km	£295.00	£205.00
I – 176 to 185g/km	£350.00	£225.00
J – 186 to 200g/km	£490.00	£265.00
K – 201 to 225g/km	£640.00	£290.00
L – 226 to 255g/km	£870.00	£490.00
M – over 255g/km	£1,100.00	£505.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.

Audi Connect

The following external data source is required to enable Audi Connect online services:

- ▶ A separate SIM card with data option (which can be inserted into the included SIM card reader). If LTE usage is required the SIM card will also need an LTE option. When a separate SIM card is used, hands-free phone calls are possible by connecting a different mobile telephone via Bluetooth Hands-Free Profile. For mobile phone and software compatibility please visit audi.co.uk/phonecompatibility or your Audi Centre.

Online services will only be available within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended. The content and scope of the online-based services offered may vary.

When ordered as an option, a 36-month Audi Connect subscription is provided with your vehicle. The subscription runs from the point of vehicle delivery. Should you wish to continue to use Audi Connect after 36 months, please consult your Audi Centre for details (including the latest subscription fees).

Audi Connect services listed are correct at time of publication. We may add, change, replace or remove individual Audi Connect services or features at any time during your subscription.

Audi Connect enables access to the services of Google and Twitter. Permanent availability cannot be guaranteed as this is the responsibility of Google and Twitter. Google and the Google logo are registered trademarks of Google Inc.

The availability of services supported by Audi Connect varies from country to country and is dependent on the capability of your mobile phone. For mobile phone and software compatibility please visit audi.co.uk/phonecompatibility or your Audi Centre.

Map updates

The map version delivered can be updated with the first 5 updates which are issued at intervals of 6 months. The current navigation data can be downloaded from the myAudi Platform at audi.com/myaudi and installed in the vehicle via SD card. In addition it is possible to have the new navigation data installed by an Audi partner at extra cost.
