

MAZDA CX-5

We explore cities and winding country roads.

Corners hugged and throttles revved.

Windows down, radio loud, no particular place to go.

Always forward, defying the wind.

I am the embodiment of Jinba Ittai.

You, the heart behind the wheel.

We were always meant to connect,

like a horse and rider,

car and driver as one.

Together, we are stronger.

We have a bond that words alone cannot describe.

We never drive alone.

We drive together.

HIROSHIMA SPIRIT

Mazda shares a special history and spirit with Hiroshima, Japan. As the birthplace of Mazda, Hiroshima constantly inspires us to rise above any challenge, pushing us to achieve more than anyone could have imagined. We have built a global company from the ground up. We have developed innovations that others deemed impossible, from the rotary engine to Skyactiv Technology and beyond. Most of all, we have never strayed from our belief in the power of human potential. Giving all of ourselves, using our hands to craft and create things that matter, that have soul, that transfer our energy to you. To heighten your state of being.

The spirit and commitment of the craftsmen is reflected in the Japanese Kodoki bowl's sublime beauty. Its aesthetic appeal comes through the thousands of facets, each a fingerprint of the craftsmen's energy.

KODO: SOUL OF MOTION

Our design philosophy is simple, yet highly challenging to accomplish: Capture energy in motion, even at a standstill. With curves and angles so striking, they command your attention through a mere glance. Exciting you by the anticipation of what's to come. Eliciting this kind of instant emotional response requires a human touch. Created for humans by humans. Hands on clay, shaping form with warmth and precision. Eliminating all that is unnecessary, leaving only what is beautiful. Transferring the energy of the maker into every nuance. We call this Kodo: "Soul of Motion" design. A dynamic sense of motion that urges you to get behind the wheel and experience the unique energy that can only come from a Mazda.

Kodo Design is our philosophy of breathing life and personality into our cars. It starts by clay modelers who use their skills and emotions to shape and transform ideas into life sized models that have a soul and shape that moves people's hearts.

MAZDA CX-5

Time to experience a new dimension of driving pleasure. Engineered and crafted with the utmost care even down to the tiniest detail, the Mazda CX-5 stands out from the crowd – even at a standstill. When you get behind the wheel you will feel it's refined performance with a simple tap of the accelerator, this exquisitely sculpted SUV elevates motion into an art form. Drawing inspiration from our Kodo design philosophy, we've taken the CX-5's sleek exterior styling to a new level. The front features a powerful new, more three-dimensional grille and signature wing design for a harmonious blend of style and power. Both the headlights and rear combination lights have been elegantly restyled. Redefining refinement, every detail of the Mazda CX-5 highlights the overall sense of power and sophistication – beckoning you to get behind the wheel and drive.

MAZDA TAKUMI: SUPERIOR CRAFTSMANSHIP

These are the artisans and craftsmen who sharpen their skills for years, even decades, to achieve mastery. Their passion, patience and dedication to their craft is poured into every Mazda through the human touch. An emotional impression is made that no computer or equation can produce. Every detail inside the Mazda CX-5 is a testament to the Takumi's proficiency. This transference of energy creates an environment that inspires and a feeling that lasts even after your drive is over. From designer to driver, this connection ultimately creates an enriching, emotional bond between you and your Mazda.

CONNECTING CAR AND DRIVER

Every Mazda aspires to the same single goal—oneness between car and driver. When you experience this seamless connection, your senses become heightened. You engage with the moment and leave all distractions behind. You feel energised. Rejuvenated. Better than when you first stepped in the car—a feeling that lasts long after the drive. From the meticulous consideration of our design to how our cars effortlessly respond to even your slightest direction, each detail in every Mazda offers you a pure driving experience. The enhanced driving dynamics of the Mazda CX-5 increases ride comfort and reduces road noise, meaning you can have a driving experience that invigorates both body and mind.

EFFORTLESS CONNECTIVITY

Eliminating distractions is a key consideration in our approach to design. While keeping you focused on the road, the Mazda CX-5 provides a suite of intuitive interactive features. Every element is situated within reach to minimise interference. A completely synchronised environment is ensured by the effortless control of the 10.25" centre display and the intuitive Multimedia Commander. To add to your comfort, the Active Driving Display enhances safety by projecting the navigation system's route guidance and vehicle status, giving you a feeling of control.

CONNECTED DRIVE.
CONNECTED WORLD.

Keeping you connected to your world while keeping your eyes focused on the road. The Mazda CX-5 infotainment system allows you to use a compatible mobile device through Mazda Connect. Featuring Apple CarPlay® and Android Auto™ you can safely check and reply to text messages, keep up to date with your social media and enjoy streaming your choice of music. On certain grades a wireless Qi smartphone charging tray sits inside the centre console.

RESPONSIVE. AND RESPONSIBLE.

Only a company this obsessed with creating the ideal driving experience could engineer Skyactiv Technology. From the chassis to the transmission to the engine and beyond, we've designed every single aspect of our cars to be responsive and efficient anywhere you drive it. Combining outstanding environmental and safety performance without sacrificing the joy of driving. Rejuvenating your spirit, connecting you seamlessly with your vehicle and the road for a more extraordinary drive.

IDEAL DRIVING IN EVERY CONDITION

Control: It's the foundation of why we engineer our All-Wheel-Drive system, giving you confidence on the road, in any condition. Our i-Activ AWD system actively monitors all road and environment conditions at all times, by using 27 sensors so you can enjoy a truly relaxing driving experience. Certain grades also benefit from an Off-Road Mode, which makes driving feel more natural on uneven and slippery surfaces. To further enhance ride comfort and reduce fatigue, we have upgraded the Mazda CX-5 with our next generation of Skyactiv-Vehicle Architecture, further evolving the bodyshell, suspension and seats. Road noise has also been greatly reduced.

CONFIDENCE IN EVERY DIRECTION

The Mazda CX-5's fun-to-drive feel is worth living to the fullest. This is why it comes equipped with our state-of-the-art i-Activsense safety technologies. This suite of sophisticated safety innovation will alert you to hazards and will help you to avoid collisions or lessen their impact. Working together they improve your visibility and awareness whilst you are on the road at all times. Combined with the rigid body, the i-Activsense technologies ensure all-around protection for driver and passengers without reducing comfort or performance.

SIGNATURE SOUND

Music is referred to as the art of the cosmos. A captivating experience for your most divine sense: hearing. The desire by the acoustic engineers at Mazda is to reproduce sound that is as realistic to a live performance as possible. Only by thoroughly measuring spatial effects, vibrations, delays and reflections of sound, were we able to recreate the feeling of a concert hall within the cabin of the Mazda CX-5. Together with Bose, we're setting the stage for an energising aural experience that is worlds away from anything you've heard before.

Built to achieve a "spirit of comfort," Hakuju Hall is an intimate concert space in Tokyo, Japan where the audience can truly experience the music and every intonation. Designed to incorporate a "health" aspect, this unique venue provides unrivaled acoustics from any seat in the house.

THE ART OF SEDUCTION

The colours on the Mazda CX-5 is one of the first things that will catch your attention. Its delicate beauty and strong character are endorsed by the craft of Takumi-Nuri, Mazda's high-quality painting technology, which makes the Kodo design come alive and amplifies the beauty of every line. Takumi-Nuri balances depth and glossiness to give the impression of a hand-painted concept car. It enables the exceptional vividness and depth achieved in the signature Soul Red Crystal and Machine Grey premium colours. A new exterior colour, Zircon Sand, has been added to the range.

Visit our website to see all the colour choices available.

EXQUISITELY CRAFTED DOWN TO THE LAST STITCH

Nothing quite tempts the senses like touch. The contact of soft textures, solid stitching and a form that embraces you. Every inch of our carefully crafted upholstery is designed to make your driving experience better. Expert fabricators have created pieces of distinct and expressive design. An elegant level of refinement in the Mazda CX-5 meets expectations even from the most demanding of drivers, in terms of both taste and comfort. The front ventilated seats featured in GT Sport models are also designed to keep your body at a comfortable temperature at all times.

SELF-EXPRESSION AT ANY LEVEL

The closer you examine the Mazda CX-5, the more intriguing our story becomes.
Mazda's Kodo design philosophy is evident across every aspect of the Mazda CX-5.

DESIGNED TO COMPLEMENT YOUR MAZDA CX-5. AND YOU.

Mazda has created thoughtfully designed accessories that perform seamlessly with your Mazda CX-5. For a full list of Genuine Mazda Accessories for your Mazda CX-5, visit <https://www.mazda.co.uk/configurator/>

OUR COMMITMENT TO YOU AND YOUR MAZDA

Service and Warranties

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident. The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

Free Mazda Accident Aftercare

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts. Additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

Our commitment to you and your Mazda

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again and again. We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

Finance

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

What you can expect from Mazda Financial Services:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda as often as you would like.
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement.
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles, we aim to tailor a finance package to both your budget and your motoring and ownership needs.

Please ask your Sales Executive for a tailor-made finance quote for your new car.

Mazda Financial Services finance plans:

Mazda Conditional Sale:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

Mazda Personal Contract Purchase:

The finance plan that helps you change your Mazda at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments. The deferred amount is known as the Guaranteed Future Value or Optional Final Payment. At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

Mazda Contract Hire

Mazda Financial Services Contract Hire offers low running costs with market driven residuals, resulting in extremely competitive costs for businesses and individuals. To find out more about the benefits of Mazda Financial Services Contract Hire, please speak to your Mazda dealer or visit www.mazda.co.uk.

Finance subject to status. Terms and conditions apply. 18s and over. Guarantee may be required. Mazda Financial Services RH1 1SR.

Customer Experience

Start your journey with Mazda using the Configurator on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.

Skyactiv Technology – helping you stay efficient

We develop exciting cars that are fun to drive, and we are equally committed to the environment for the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our Skyactiv Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel efficient than many of our competitors.
