Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (August 2005).

Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice.

Any such alterations will be notified to Vauxhall retailers at the earliest opportunity; please consult your local retailer for the latest information.

The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website.

The colours reproduced in this brochure may vary slightly from the actual paint colour or trim material due to the limitations of the printing process.

Please note that Vauxhall retailers are not the agents of Vauxhall Motors Limited and are not authorised to bind the Company by any specific or implied undertaking or representation.

It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories.

As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources.

Agila

Oddly attractive

Until you get to know Agila, 'less is more' might not be your style. Yet with this Mini People Carrier (MPC), you pay less than you might expect. And you get more. It's a simple idea with an **oddly attractive** appeal. Rather like the car itself.

This brochure covers Agila Expression, Enjoy and Design models only. Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model. So please check in the Specification insert for further details. From time to time, we also offer alternative Agila models such as Special Editions, featured in their own separate literature or found on the Vauxhall website: www.vauxhall.co.uk

Agila Enjoy illustrated features Exterior Styling pack.

It's simple to see why Agila squeezes into small parking spaces with ease. It has a compact shape. Power steering is standard. And a high seating position, coupled with large, electrically adjustable door mirrors, ensure a great view. Leave the car park and Agila is equally at home. The two Twinport engines are lively and economical. The finely tuned chassis combines superb handling with a comfortable ride. And anti-lock brakes are standard on all models for enhanced safety and control.

In the car park, the city or out of town, the ever-ready Agila is an absolute joy to drive – effortlessly easy to manoeuvre, it adores tight bends, small spaces and open roads.

Small on the outside, Agila remains **oddly** spacious on the inside. So if you want to invite four **attractive** friends along for the ride, Agila's flexible seating copes impeccably!

For such a compact car, Agila has a surprisingly comfortable interior – room for up to five adults with generous head and legroom. The rear seats are higher than those in the front, so your rear passengers get an even better view. And it's packed with security features for all the confidence and reassurance you need.

Ever noticed how friends disappear when it's time to load the sideboard? **Oddly**, their important plans can't be rearranged.

Luckily, Agila is far more flexible, as you can change the seating combination to make loading a lot easier. It's yet another feature that makes Agila so **attractive**.

Agila's innovative seating system allows you to fold the rear seats almost completely flat in one simple operation. As you lower the rear seat back, the seat base automatically slides forwards and downwards, expanding the luggage compartment. The rear seat splits 60/40, further increasing flexibility. And the luggage compartment's low threshold – plus the high opening tailgate – make it easy to load bulky objects into the car.

- 60/40 split rear seats
- Fully trimmed and illuminated luggage compartment
- High opening tailgate
- 597 litres of luggage capacity with rear seats down (measured to glass line)

Net pocket illustrated is part of optional Interior pack.

Agila

Our irresistible model line-up.
Oddly attractive, and distinctly different.

The Agila range offers a choice of three well-equipped models. They all have an Anti-lock Braking System (ABS) as standard. Each delivers power, economy and low emissions thanks to highly efficient multi-valve Twinport engines. All models feature room for five adults plus highly flexible loadspace in an interior brimming with intelligent space-saving ideas. Yet each also has its own unique, distinctive character. Economical Expression. Vibrant Enjoy. Stylish Design. Which Agila is for you?

Expression

At a fantastic low price, Expression is supremely economical yet brilliantly well-equipped. It makes five-seater Mini People Carrier (MPC) motoring available to everyone.

- 1.0i 12v Twinport engine offers excellent fuel economy and low CO₂ emissions
- Anti-lock brakes provide added safety and control
- Electrically adjustable door mirrors help make parking simple
- 60/40 split rear seats add to Agila's interior flexibility
- Front seat storage trays for added convenience
- Electronic engine deadlock immobiliser enhances vehicle security

Enjoy

Lively, colourful and packed with bright ideas, Enjoy is the 'must have' MPC if you want a five-seater that stands out from the crowd.

- Sprightly 1.2i 16v Twinport engine makes Enjoy a lively drive, while improving power and reducing harmful emissions
- Anti-lock brakes give you a safer drive
- Colour-keyed seatbelts fit perfectly with Enjoy's bright, colourful image
- Dark metallic-effect centre console and body-colour door handles enhance Enjoy's sassy looks
- Front passenger's airbag adds to its long list of safety features

Design

Design is the ultimate Agila style statement – its name says it all. With chrome and leather detailing plus dark-tinted rear windows, Design is the Agila with attitude.

- A lively 1.2i 16v Twinport engine matches useful power with high fuel economy
- Anti-lock brakes make it easier to stop quickly and safely
- Platinum-coloured seatbelts look bang up-to-date
- Body-colour door handles enhance its ultra-stylish look
- Leather-covered steering wheel and gear knob add a little luxury
- Alloy-effect roof rails help give Design its contemporary edge

Agila Enjoy

Vauxhall by Design

Create an Agila that reflects **your** personality

Life would be pretty boring if we all liked the same things. So let's hear it for individuality – Agila style. Vauxhall by Design is all about choice – selecting your new car, then personalising it to suit yourself. Maybe you fancy a remote control alarm, a bike carrier, added safety features, or simply something to protect your carpets from muddy boots. Whatever you're into, Vauxhall by Design makes it easier with a choice of individual options, accessories, and special option packs available at highly attractive prices.

Choose from a wide range of Vauxhall and Irmischer accessories

Vauxhall accessories are a great way to make life with Agila even better! We've only featured a small selection here, but you'll find further details in the Specification insert. Developed in conjunction with auto design specialists Irmischer International, the Agila styling accessories perfectly complement Agila's oddly attractive lines as well as being manufactured to the same exacting standards as the car itself. For more information, ask your Vauxhall retailer for our Vauxhall by Design car accessories brochure and Car and Accessory Price Guide. Alternatively, check out our website for more details

www.vauxhall.co.uk/accessories

Easy

Push all the right buttons – one to open and close each front window, one to lock all the doors... What could be easier?

- Headlight protectors [9]

Vehicle illustrated features Softstar alloy wheels, rear roof spoiler, fixed tow bar with 12N electrics, front mudflaps, base carrier, luggage carrier, luggage-restraining straps and Irmischer 'silhouette' chrome-effect badge.

Celebrate colour

Agila style is exemplified by this range of vibrant exterior colours.

Solid colours achieve their shine through a gloss contained within the paint resin, whilst two-coat metallic and pearlescent colours rely upon thousands of tiny particles suspended within the basecoat to produce their distinctive finishes. Aluminium particles create the effect of constantly changing shades in metallic colours, whereas mica particles in pearlescent colours produce a shimmering iridescence and create the illusion of constantly changing colour. Two-coat colours are protected and enhanced by a coat of clear lacquer.

The application of the latest in paint plant technology helps maintain the 'new car' look for longer as well as enhancing overall durability. Two-coat metallic and pearlescent paints are available at extra cost on Enjoy and Design models.
