

EQUINOX 2015

Equinox LTZ in Crystal Red Tintcoat (extra-cost color) with available features and dealer-installed Chevrolet Accessories.

THE 2015 EQUINOX: SO MUCH MORE THAN A FUEL-EFFICIENT SUV.

It might be the way it offers an EPA-estimated 32 MPG on the highway that will excite you. Or it might be the way you can stay connected to your calls without taking your hands off the wheel. But the way it will surprise you isn't any one of its features. It's the places you'll go. The things you'll do. And the people you'll meet. Because everything the 2015 Equinox has to offer is just the beginning of your journey to find new roads.

1 Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and the child safety seat instructions for more safety information. 2 Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions.
