

# SONIC 2015

Sonic RS Hatchback in Red Hot.

## FIRST THINGS FIRST... THE 2015 SONIC IS HERE.

"This is a ton of fun for the money," says Autoweek. And while Sonic is a blast to drive, it's not kidding around either. With an available turbocharged engine, Sonic offers up to 40 MPG on the highway!<sup>1</sup> It's the first small car in its class<sup>2</sup> to receive a 5-Star Overall Vehicle Score for safety from the NHTSA.<sup>3</sup> And it's also the only small car built right here in the United States.<sup>4</sup> Sonic is ready. Are you?
