<sup>1</sup> Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information. <sup>2</sup> Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. <sup>3</sup> Not compatible with all devices. <sup>4</sup> XM satellite service is available only in the 48 contiguous United States and D.C. <sup>5</sup> Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. <sup>6</sup> Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>7</sup> Extra-cost color. <sup>8</sup> Late availability. <sup>9</sup> Available only on LT and LTZ.
