

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future — moving us to a world that's safer, more sustainable, and exciting.

PATHFINDER®

2023

¹Intelligent 4x4 cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ²Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. ³Available feature. ⁴Up to 1,588 kg (3,500 lbs.) maximum towing for 2023 Pathfinder® S; up to 2,722 kg (6,000 lbs.) maximum towing for 2023 Pathfinder® SV, Rock Creek™ SL, and Platinum. Towing varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. Cargo and load capacity limited by weight and distribution. Always secure cargo. ⁵ProPILOT Assist and ProPILOT Assist with Navi-Link cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. ⁶Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ⁷Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁸Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁹Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁰Blind Spot warning and Intelligent Blind Spot Intervention cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹¹Lane Departure Warning and Intelligent Lane Intervention only operate when lane markings are able to be detected. See Owner's Manual for safety information. ¹²Leather appointments. ¹³Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ¹⁴Do not perform slide forward function with the Child Restraint System occupied. ¹⁵Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included. ¹⁶Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹⁷Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁸Limited availability. ¹⁹Do not use for extended periods of time. See Owner's Manual for important safety information. ²⁰Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal reception, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ²¹Extra cost option. ²²Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. (45 kg). ²³Please follow Towing Guidelines. Towing capability varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. ²⁴DIG® engine horsepower and torque ratings for S, SV, SL, and Platinum: 284 HP and 259 lb.-ft. of torque ratings. DIG® engine horsepower and torque ratings for Rock Creek: 295 HP and 270 lb.-ft. of torque ratings. Horsepower and torque figures based on premium fuel only. ²⁵Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ²⁶Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ²⁷Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner's Manual for safety information. ²⁸Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ²⁹Remote Engine Start System to be used only in accordance with laws or rules in effect in your vehicle's location. ³⁰Inspired by ballistic nylon. ³¹Traffic Sign Recognition (TSR) may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. ³²120-volt power outlet is intended only for use with compatible items. Please check specifications of wattage and amperage of items to be plugged in to determine compatibility. ³³Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³⁴XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2022 Sirius XM Canada Inc. The Sirius, XM, and SiriusXM names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ³⁵Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁶Whichever occurs first. ³⁷Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³⁸RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ³⁹Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ⁴⁰Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ⁴¹Does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. ⁴²Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ⁴³Vehicle must be on for the Easy-Fill Tire Alert to operate. ⁴⁴2023 Fuel Consumption Estimates L/100 km (MPG) - 11.6 (24) City / 9.2 (31) Highway / 10.5 (27) Combined for S, SV, SL, and Platinum; 11.9 (24) City / 10.0 (28) Highway / 11.1 (25) Combined for Rock Creek. Actual mileage may vary with driving conditions. Use for comparison only. Apple CarPlay® is a registered trademark of Apple, Inc. Bose® is a registered trademark of The Bose Corporation. Bigger, bolder, soon to be dirtier

The 2023 Pathfinder® looks to the future with a return to its roots. Venture far past the pavement with the rugged Intelligent 4x4 system and seven Drive and Terrain Modes — informed by over 30 years of off-road experience.¹ More standard driver assist features mean your main concern is which trail to veer off next.² With elevated appointments, cutting-edge tech, and the new Rock Creek™ trim, the adventures never looked so good.³

Power to haul more fun

When adventure calls, don't send it to voicemail. Answer with Pathfinder's rugged chassis, capable 4x4 ability, and the muscle of the standard 3.5-litre V6 engine to crawl, climb, and conquer. And with the capability to tow up to 6,000 lbs., exploring is a matter of where, not how.^{1,4}

Seven Drive and Terrain Modes

Mother Nature isn't going to cut you any slack. And that's just the way you like it. With Intelligent 4x4, you've got seven Drive and Terrain Modes to let you dial in the best grip for your needs.¹

Snow | Mud/Rut | Sand | Tow | Auto | Sport | Eco

ProPILOT® Assist with Navi-link

Standard ProPILOT Assist can stop and go with traffic and can help keep you centred in your lane. ProPILOT Assist with Navi-link³ also uses mapping to know the road ahead — curves, interchanges, and junctions — and can automatically slow you down for a smoother ride. The new system can even adjust your set speed based on traffic signs.⁵

NISSAN
INTELLIGENT
MOBILITY™

Standard Nissan Safety Shield® 360

Imagine feeling confident in almost any situation. With a suite of six standard Safety Shield 360 technologies, Pathfinder® is looking out for you all around. This is peace of mind you can enjoy, mile after mile.^{2,6}

Three rows — endless gateways to adventure

The 2023 Pathfinder® interior was crafted to feel like a sanctuary after a long day on the trails. With three rows, your only worry will be getting a word in.

Second-row
Captain's Chairs³

Semi-aniline Leather-appointed
Seats with Quilted Inserts³

Tri-Zone Automatic
Temperature Control

Panoramic
Moonroof³

Nissan Pathfinder® Platinum 4WD shown in Chestnut Semi-aniline Leather with quilted inserts.¹² U.S. instrumentation shown.

Massive cargo space

The ability to do more requires the ability to bring more. No worries — Pathfinder® got your back. The cargo area and the 60/40-split folding rear seat let you carry everything from canopies to camping supplies.¹³

EZ FLEX® Seating System

No more musical chairs just to load up the family. Pathfinder's EZ FLEX Seating System features LATCH AND GLIDE®, which makes for easy access to the 3rd-row seats. Just push a button, and the seat automatically tilts and glides forward — even when a child seat is attached.¹⁴ This innovative tech works from both sides of the vehicle.

An interior that keeps you ready

Wireless Charger Place your compatible smartphone on the pad as shown, and your Pathfinder® does the rest. An indicator light will let you know when your smartphone is fully charged and ready to go.^{3,15}

Pass-through Console Storage It may look like just a modern design choice, but it's also smart. Creating a cubby area under the centre console controls gives you a great place to put items you want close at hand — and it's easily accessible from both driver and passenger sides.

Cutting-edge displays

Command your adventure with intuitive ways to access information, including essentials such as speed and next-turn information projected on your windshield.^{3,16}

12.3" Digital Dashboard^{3,17,18}

Head-Up Display^{3,19}

Wireless Apple CarPlay® Integration^{3,20}

Android Auto™²⁰
