

MERCURY COUGAR 1974

Mercury Cougar XR-7

Cougar for '74—totally new and totally unlike any Cougar anybody's ever seen before! Longer in its stride, and cat-sure on steel-belted radials. With a wider stance. And a sleek body that's nearly 14" longer. Roomier and more luxurious than ever. A fabulous leap upward . . . to a larger breed of cat. A Cougar like nobody else's car.

Standard features on Mercury Cougar XR-7: 351-2V V-8 engine • Select-Shift automatic transmission • Power front

disc brakes • Steel-belted radial tires • Impact-absorbing bumpers • Dual headlamps • 3-point restraint system • Locking steering column • Power steering • Performance instrumentation • Bucket seats and console • Luxury steering wheel • Luxury-weight cut-pile carpeting • Inside hood release • $\frac{3}{4}$ vinyl roof • Opera window • Ford Motor Company Safety Design Features • Note: Other equipment shown is optional.

Mercury Cougar XR-7 Twin Comfort Lounge Seats

Bigger, roomier than ever, and certainly luxurious in interior appointments. Cougar XR-7 lets you choose between bucket seats with center console or Twin Comfort Lounge Seats, shown here in super-soft all-vinyl.

Mercury Cougar XR-7 2-Door Hardtop

Mercury Cougar XR-7

In the luxury sports car field, our exciting new Cougar XR-7 for '74 is an exciting new breed! A bigger, more roomy Cougar, wild but elegant . . . untamed but sophisticated—

with an unusually broad choice of trim combinations, with a prestigious opera window and unique vinyl roof. Definitely on the move and definitely up. Cougar XR-7!

Mercury Cougar XR-7 interior

Cougar XR-7's measure of luxury deserves a lot of room. So XR-7 gives you more room for legs, hips and shoulders. More elegance, too, as you can see.

Mercury Cougar XR-7 Twin Comfort Lounge Seats

Mercury Cougar XR-7 Interiors

Shown above is the uniquely stylish Cougar XR-7 interior with contoured front bucket seats in optional super-soft all-vinyl. (You may select from black, white, copper, medium green or tan. Sports Accent Trim of medium blue/silver blue, and saddle/tan are also available.) Bucket seats are offered in optional vinyl with leather seating surfaces. Available colors are limited to black, copper, and white. As part of the Sports Accent Trim you may also have your choice of either two-tone medium blue/silver blue or two-tone saddle/tan.

The smaller illustration shows the Twin Comfort Lounge Seat interior, in standard super-soft all-vinyl available in medium blue/silver blue, in saddle/tan (both as part of the Sports Accent Trim) and in medium green, copper, black, tan and white. Twin Comfort Lounge Seats in optional Victoria velour cloth-and-vinyl are available in

medium green, and as part of the Sports Accent Trim, in medium blue/silver blue, and saddle/tan. For the ultimate in luxury, Twin Comfort Lounge Seats are offered in optional vinyl with leather seating surfaces, in the same colors as for all-vinyl with the exception of tan.

The 1974 Mercury bumper systems must pass both the pendulum test and barrier impact tests. Specifically, in the pendulum test the bumper is hit three times on each bumper frontal area with a specially shaped pendulum equal to the car mass. Pendulum speed is 5 mph. Additionally one 3 mph hit is required at a 30 degree angle at either corner of the bumper. The bumpers meet the 1974 Canadian Motor Vehicle Safety Standards for up to 5 mph frontal impact pro-

tection and up to 5 mph rear impact protection straight into a flat, vertical fixed barrier without preventing normal operation of the car's lighting, latching, fuel, cooling and exhaust systems or of the propulsion, suspension, steering and braking systems.

Tests show that, with bumper guards, no substantial damage to sheet metal should result from such a barrier impact at or below these speeds.

Ford Motor Company Safety Design Features

- Dual Hydraulic Brake System with warning light
- Glare-reduced instrument panel padding, windshield wiper arms, steering wheel hub, rearview mirror/mirror mounting and windshield pillars
