

## The New Toyota Crown 2600 Estate.

The new Crown Estate has a style that suggests it may have a little more to offer than the usual big estate packages. But it is when you open the parcel that the real surprise is revealed.

As well as providing 55.2 cu.ft. of stowage space on its 6 ft. 11 ins. loading platform (with the rear seats folded down), the Crown Estate gives five very large adults the opportunity

to travel in the kind of luxury that estate car travellers have hitherto been unaccustomed.

From the big armchair reclining front seats, the deep-pile carpet and the push-button radio with three wavelengths – to the power-assisted steering, heated rear window and twin rear wipers – the new Crown Estate is equipped in a manner that can only be described as grand.

## Toyota Crown 2600 Estate Specification.

### Engine

Type	Six-cylinder, single o.h.c. water-cooled, seven-bearing crankshaft
Bore and stroke	80.0 mm. x 85.0 mm.
Cubic capacity	2,563 cc.
