# ASPIRE

▲ Careful design has made Aspire ergonomically efficient. With the optional split seat backs, part of the Interior Decor and Convenience Group, one seat back can be folded forward to allow for oversized cargo and a passenger ...

▲ ... or both can be folded down when cargo takes precedence. In the 3-door, the entire assembly can then be folded up against the front seat backs for increased cargo capability and a flat load floor (not shown).

▲ Aspire was the first car in its class to provide standard driver and front passenger air bags to supplement the safety belts. It was also the first in its class to offer optional 4-wheel anti-lock brakes.

**T**he small car that's big on comfort and value

Aspire fits nicely into most any budget. First car, second car, third car — it offers compelling proof that safety and style can also be affordable. And efficient, with EPA estimates of 36 city/42 highway mpg.\*

\*With manual transaxle. Based on 1995 EPA estimated numbers. See your dealer for latest figures.

## ROADSIDE ASSISTANCE PROGRAM

Every new Ford includes the assurance of a no-cost, 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile bumper-to-bumper warranty. Ask your dealer for complete details on this program which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your car.

Ford Credit offers a wide variety of financing and leasing programs to qualified buyers which can be arranged right at the dealership. Ask your Ford Dealer for the facts on these programs.

Optional Ford Extended Service Plans go beyond the basic 3-year/36,000-mile warranty. Ask your dealer for complete details on the optional plans and for a copy of the limited warranty.

## DEALER-INSTALLED ACCESSORIES

Your Ford Dealer offers a variety of quality Ford-brand accessories that meet or exceed our strict specifications.
