ESCORT

A

merica's choice for value, year after year after year

Escort has been the best-selling small car in America for 14 years running, with more repeat buyers than any car in its class. That's remarkable, but hardly surprising when you consider Escort's value and choice. With the LX "one price" program, get a well-equipped LX Wagon or LX Sport 3-, 4-, or 5-Door for the same low price. And Escort's 1.9L engine is the only one in its class with 100,000 miles between scheduled tune-ups.*

**Under normal driving conditions with routine fluid/filter changes. Small car high segment as defined by AutoPacific, Inc.*

► *Escort LX Sport 4-Door in Silver Frost Clearcoat Metallic and LX Sport 5-Door in Toreador Red Clearcoat Metallic. Both are shown with Preferred Equipment Package 322M.*

▲ The optional Wagon Group includes the deluxe luggage rack as well as a rear window wiper/washer.

Comfort and convenience with wagon versatility

◀ Escort LX Wagon features a window-shade-type cargo cover to help keep valuables out of sight.

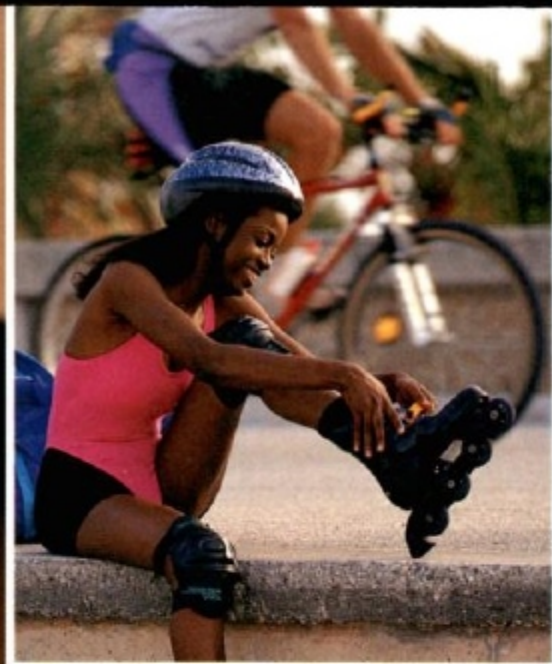

▲ Escort LX Wagon in Toreador Red Clearcoat Metallic shown with LX Preferred Equipment Package 322M.

When your car must do more than carry people, Escort Wagon steps up to the task. With both seat backs folded down, storage is the 66.9-cubic-foot maximum. Even with rear seat backs up, there's 30.6 cu. ft. of room. No wonder Escort's been America's best-selling wagon for the past 3 years.*

*Based on R. L. Polk registrations through April 30, 1995.

◀ The LX Wagon interior in Opal Grey with Preferred Equipment Package 321M and items of optional equipment.

The LX Sport 3-Door has a carefree spirit

▲ The LX Sport 3-Door, with its special appearance cues, is shown here in Bright Calypso Green Clearcoat Metallic.

For those who live life on the sporty side, the LX Sport 3-Door offers 14-inch aluminum wheels, a rear spoiler, a distinctive rear applique treatment and a tachometer. It joins the LX Sport 4-Door, LX Sport 5-Door and LX Wagon in the Escort "one price" lineup.

◀ The ultimate in Escort performance is the sleek GT with its 16-valve DOHC 1.8L engine. A special sports handling suspension and precise rack-and-pinion steering make it truly fun to drive. An anti-lock braking system is optional.

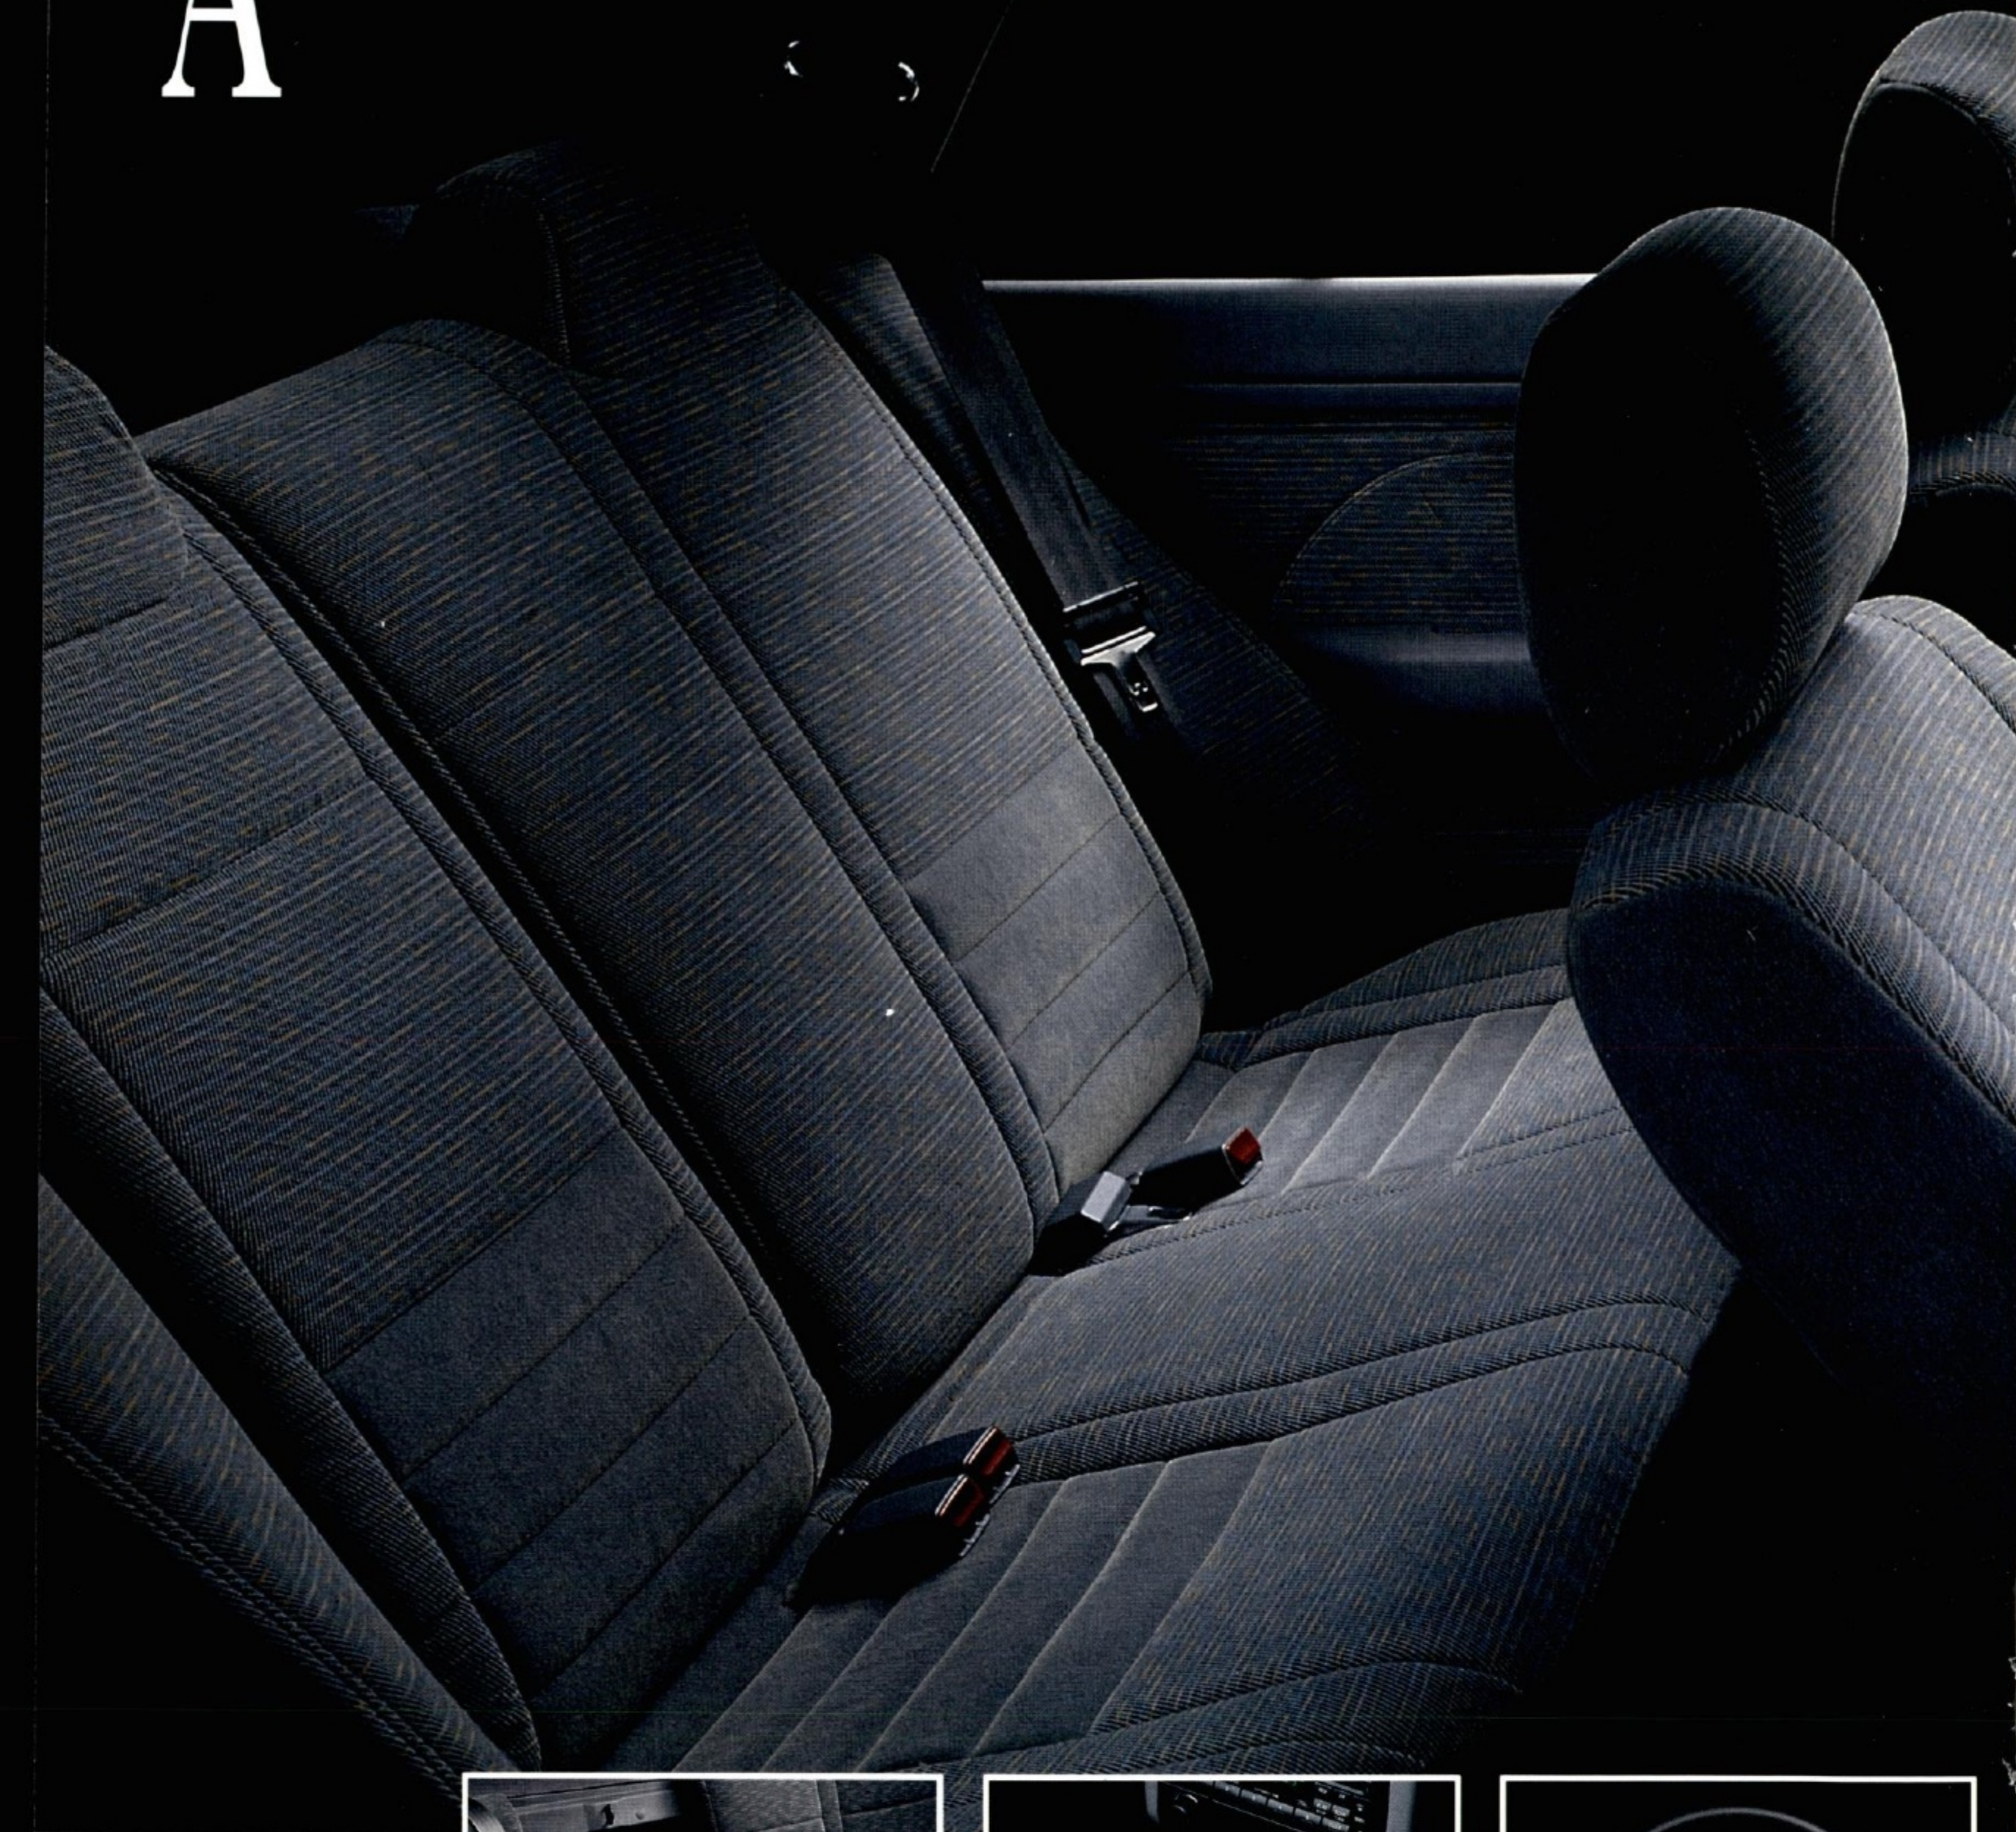

► GT's well-appointed interior includes sport bucket seats and a performance instrument cluster. Some items shown are optional.

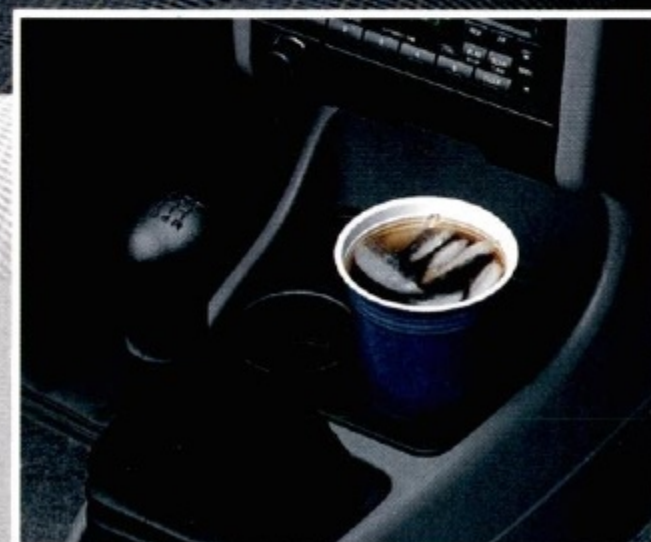

◀ GT's 1.8-liter, dual overhead cam, 16-valve engine generates a hefty 127 horsepower at 6,500 rpm.

An interior with comfort and convenience for five

► The versatile LX split/fold rear seat and front console (shown with the optional compact disc radio).

◄ Speed control is one of the items contained in the optional luxury convenience group.

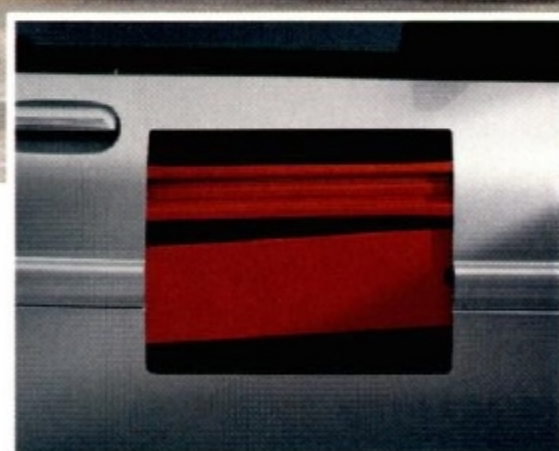

▲ The Escort LX interior in Opal Grey shown with Preferred Equipment Package 321M and items of optional equipment.

▲ Each rear outboard occupant is provided with a 3-point lap/shoulder safety belt system.

Equipped to help protect you and your passengers

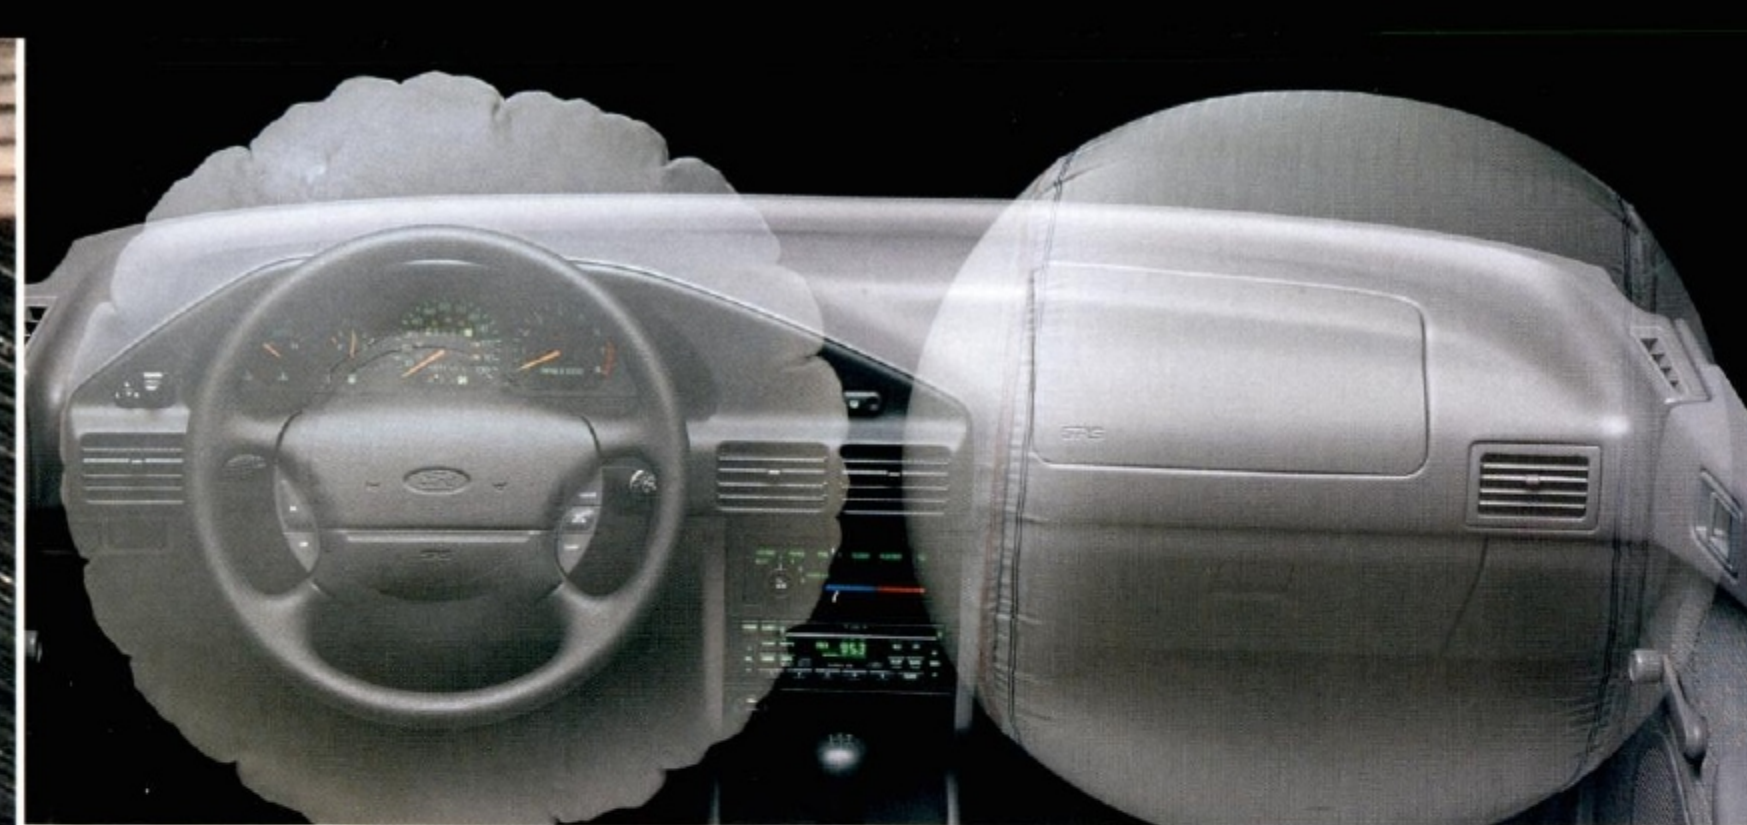

▲ Among Escort's many safety features are side door intrusion beams.

▲ Childproof rear door locks mean added peace of mind on the road.

Escort is designed to reduce the risk of injury should you be involved in an accident. It's also designed to help you avoid one, with equipment like power front disc brakes and precise rack-and-pinion steering.

▲ Dual air bags are standard equipment in all Escort models (always wear safety belts).

▲ An integrated child safety seat is available with LX in Opal Grey or Mocha.

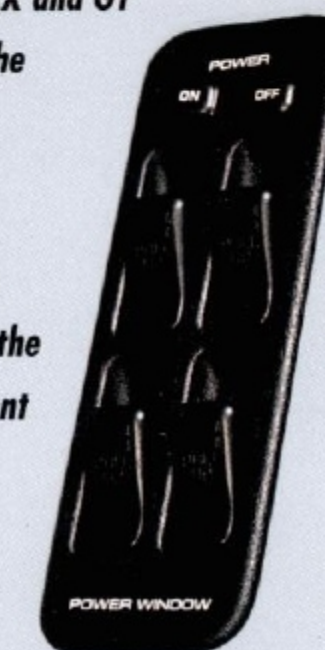

▲ Front-wheel drive puts engine weight over the driving wheels for better traction in inclement weather.

Options

▲ A power moonroof is available with LX and GT to let more of the outside inside.

► Power locks are included in the power equipment group.

▲ The luxury convenience group includes a tilt steering column, speed control, and more (see the equipment listing near the back of catalog).

▲ Enjoy digital fidelity with Escort's CD player and premium sound system.

Preferred equipment packages

Escort LX 3-Door

Escort LX 4-Door

Escort LX 5-Door

Ownership experience

ROADSIDE ASSISTANCE PROGRAM

Every new Ford includes the assurance of a no-cost, 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile bumper-to-bumper warranty. Ask your dealer for complete details on this program which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your car.

Optional Ford Extended Service Plans go beyond the basic 3-year/36,000-mile warranty. Ask your dealer for complete details on the optional plans and for a copy of the limited warranty.

Ford Credit offers a wide variety of financing and leasing programs to qualified buyers which can be arranged right at the dealership. Ask your dealer for the facts on these programs.

DEALER-INSTALLED ACCESSORIES

Your Ford Dealer offers a variety of quality Ford-brand accessories that meet or exceed our strict specifications.

PRODUCT CHANGES AND OPTIONS AVAILABILITY

Following publication of the catalog, certain changes in standard equipment, options, prices and the like, or product delays, may have occurred which would not be included in these pages. Your Ford Dealer is your best source for up-to-date information.

Ford Division reserves the right to change product specifications at any time without incurring obligations.

Options shown or described are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations.
