### QUALITY YOU CAN COUNT ON

Ford brand accessories allow you to personalize your Ford Light Truck or Van with confidence, by providing you with the quality you expect. Every Ford brand accessory offers the following:

- Engineering and design that blend seamlessly with Ford-built vehicles
- Rigorous engineering and safety specifications
- Extensive research and testing in selection
- One of the best warranties in the business\*
- Residualization on select accessories added to a Ford Red Carpet Lease\*\*

- A strong commitment to quality, value and integrity

\*For additional information, see Limited Warranty (back cover of this publication).

\*\*Ford brand accessories which are eligible for residualization are designated with a star. For a complete listing of qualified accessories, consult your dealer.

### ORDERING MADE EASY

- All Ford brand accessories are available through your Ford dealer's parts department.
- Each accessory description includes the Base Part Number to facilitate ordering and help ensure correct part application.

NOTE: The product descriptions and specifications in this catalog were in effect at the time of printing. Our policy is one of continuous improvement and we reserve the right to change design or specifications without notice and without incurring obligation.

## FORD BRAND ACCESSORIES

Use this convenient reference index to quickly determine whether a specific accessory is available for your Ford Light Truck or Van. Find each accessory you want in the left hand column of the chart. If a page number is listed in the column designated for your vehicle, turn to that page for photo illustrations and a brief description of the product.

NOTE: The product applications shown in this index are provided for reference only. Refer to individual product descriptions for complete application information and limitations.

ONE FOR ALL... These popular accessories are available for most Ford Light Trucks or Vans.

## Universal Floor Mats

- Durable, 14 oz., high-density polypropylene carpeted mats
- Made of fully recyclable materials
- Choose from seven colors: medium graphite, ebony, cordovan, mocha, saddle, willow and denim
- Two mats per set
- Available with or without Ford oval imprint
- Not available for Econoline, Aerostar or Windstar
- **Base Part Number:** 1513086

## Styled Wheel Protector Locks

- Help protect aluminum wheels and tires from theft
- Through-hardened steel construction
- Available with chrome- or zinc-plated finish
- Kit includes four locks and unique, coded key (locks replace one lug nut on each wheel)
- **Base Part Number:** 1A043

## Universal Door Edge Guards

- Help shield door edges from potential nicks and dings
- Can be shaped and cut for perfect fit
- Available in black
- Two guards per set
- **Base Part Number:** 5420910

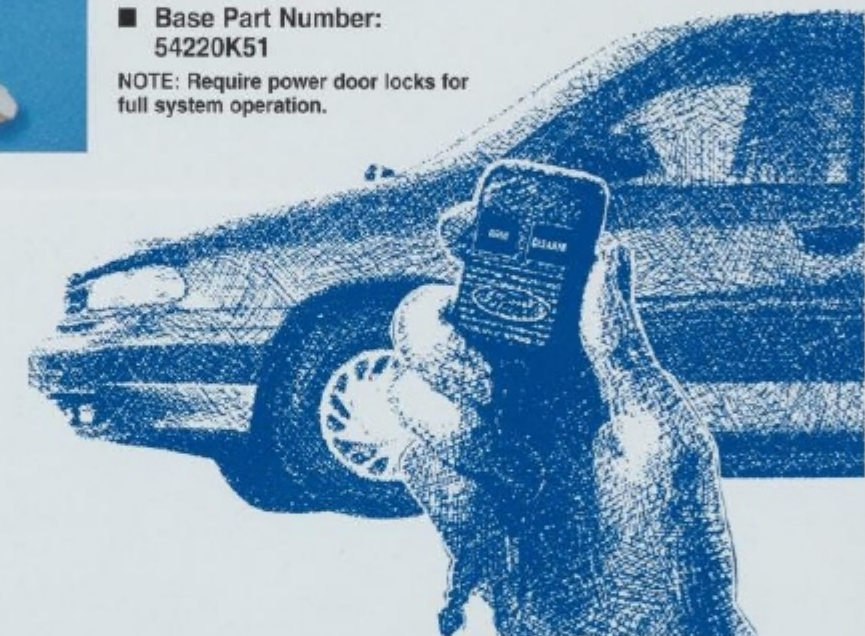

## Engine Block Heaters

- Original equipment design heater coil installs permanently
- Help provide faster cold weather starting with less fuel waste/battery drain
- Help passenger compartment heater deliver warm air sooner
- Plug into any 110-volt outlet
- Include protective cap
- Dealer installation recommended
- **Base Part Number:** 6D008

## Remote Keyless Entry Systems\*

- Lock/unlock doors and illuminate interior dome light from up to 50 ft.
- Two pocket-size remote control transmitters double as key rings
- Include remote panic alarm and starter-kill feature
- Lifetime limited warranty (contact your dealer for complete details)
- Dealer installation recommended
- **Base Part Number:** 54220K51

NOTE: Require power door locks for full system operation.

## Vehicle Security Systems\*

- Four state-of-the-art systems to choose from
- Full range of security features available
- Equipped with two transmitters
- Only accessory vehicle security systems approved by Ford
- Lifetime limited warranty (contact your dealer for complete details)
- Dealer installation recommended
- **Base Part Number:** 19A361

NOTE: Vehicles equipped with security systems may be eligible for insurance discounts in some states.

## BEDLINERS AND BEDMAT/TAILGATE PANEL KITS

F-SERIES STYLESIDE

RANGER STYLESIDE

### BEDLINERS

RANGER SPLASH

### BED MAT/TAILGATE PANEL KITS

RANGER STYLESIDE

#### Bedliners\*

Over-the-Rail bedliners available for Ranger (except Splash) and F-Series

Under-the-Rail bedliners available for Ranger and F-Series (except Flareside)

- Only Ford-approved Bedliners specifically designed and engineered for Ford Light Trucks
- Provide protection against cargo damage/chemical spills/corrosion

- Conform exactly to pickup box interiors
- Heavy-duty, protective Tailgate Panel included
- Over-the-Rail Liners constructed of heavy-duty polyethylene
- Under-the-Rail models made of high-density polyethylene/rubber blend that helps reduce cargo shifting by up to 40%

- Ribbed surface adds extra strength; allows complete drainage/ increased airflow between bed and liner
- Complete, "no-drill" installation
- Constructed of 100% recyclable materials
- Lifetime Limited Warranty
- **Base Part Number: 00038**

#### Bed Mat/Tailgate Panel Kits\*

Available for Ranger and F-Series (including Splash and Flareside)

- Help protect full length of truck bed and tailgate from scratches/dents/corrosion
- Heavy-duty Nyracord® material resists cracking and chemical damage

- Molded raised ribs help reduce cargo shifting, make loading/unloading easier, assist drainage
- Bottom surface permits aeration/drying; helps prevent mildew and corrosion
- Tailgate Panel installation requires some drilling
- Mat removes easily for cleaning
- **Base Part Number: 642A94**

## RIGID CARGO LINERS AND SOFT CARGO LINERS

### RIGID CARGO LINERS

### SOFT CARGO LINERS

#### Rigid Cargo Liners

Available for 2- and 4-door Explorers

- Conveniently protect rear cargo area from wear and tear
- Constructed of high-density polyethylene/rubber blend
- Unique, one-piece design conforms to cargo area contours; offers complete access to existing cargo tie-downs
- Grained, skid-resistant surface helps prevent cargo shifting

- Clips included allow use with seatbacks up or down (2-door model only)
- Roll into compact package for storage
- **Base Part Number: 11600**

#### Soft Cargo Liners

Available for Explorer (except Limited) and Bronco

- Help shield cargo area from wear, soiling and stains
- Explorer Soft Cargo Liner available in medium graphite or saddle. Bronco liner available in black

- Ideal for hauling gardening supplies, fishing gear, construction materials, etc.
- Made of vinyl reinforced with nylon
- Velcro-like fasteners allow easy installation/removal
- Include embossed Ford oval
- Fold into compact package for storage
- **Base Part Number: 11600**

## DEFLECTORS

### WRAPAROUND AERO HOOD/BUG DEFLECTORS

### AERO HOOD/BUG DEFLECTORS

#### Wraparound Aero Hood/Bug Deflectors\*

Available for Ranger, Explorer, F-Series and Bronco

- Help protect hood and windshield from damage by stones, insects and other debris
- Wraparound design provides enhanced protection, aerodynamics and appearance
- Built-in vents help reduce wind resistance/improve drainage
- Durable, smoke-colored Lexan® construction
- **Base Part Number: 16C900**

#### Aero Hood/Bug Deflectors\*

Available for Ranger, Explorer, F-Series and Bronco

- Help protect painted hood surfaces and windshield

- Aerodynamic design adds sporty appeal
- Made of durable, smoke-colored Lexan®
- **Base Part Number: 16C900**

*\*Ford brand accessory eligible for residualization on Red Carpet Lease.*

## FRONT END COVERS AND SPORT HOOD COVERS

EXPLORER

F-SERIES

RANGER

### FRONT END COVERS

### SPORT HOOD COVERS

#### Front End Covers

Available for Ranger, Explorer, F-Series and Bronco

- Help shield front end surfaces from damage by stones and other road debris

- Custom fit accentuates vehicle body lines
- Two-piece design allows opening of hood without removing cover
- Made of heavy-duty, 22-oz. vinyl with soft, flannel backing

- Unique, specially-designed small air-foils help reduce flutter
- Ranger and Explorer models feature embossed vehicle name
- **Base Part Number: 19A414**

#### Sport Hood Covers

Available for Ranger only

- Help protect painted metal hood surfaces
- Tapered design adds a stylish accent

- Made of heavy-duty, 22-oz. black vinyl with soft, flannel backing
- One-piece construction allows opening of hood without removing cover
- **Base Part Number: 19A414**

## FLOOR MATS

### CARPETED FLOOR MATS

### MOLDED VINYL FLOOR MATS

### FULL-WIDTH RUBBER FLOOR MATS

#### Carpeted Floor Mats

Available for Ranger, Explorer, F-Series and Bronco

- Plush carpeted mats designed for an exact fit and color match with each vehicle interior
- Available for Ranger and Explorer in medium graphite, lapis blue, willow and saddle (customized mats available for Ranger Splash and Explorer Limited editions)
- F-Series/Bronco mats available in medium opal, lapis blue, ruby red and

medium mocha (customized mats available for Bronco Eddie Bauer editions)

- Ranger mats feature embroidered vehicle I.D.
- Nibbed rubber backing helps prevent slipping
- Front driver's side mats include positive retention feature, for added safety
- Two front or rear mats per set (rear models only available for Explorer and Bronco)
- **Base Part Numbers:**  
Front — 13086  
Rear — 13106

#### Full-Width Rubber Floor Mats

Available for F-Series and Bronco

- Heavy-duty rubber mats offer rugged protection at an economical price

- Cover full width of front seat floorboards; conform to interior contours (including transmission hump)

- Available in black, dark blue, desert tan and medium red

- Raised rib surface assists drainage, helps prevent slipping

- Center cut line allows easy division for use in 4 x 4s

- **Base Part Number:**  
8113086

#### Molded Vinyl Floor Mats

Available for Ranger, Explorer, F-Series and Bronco

- Long-wearing vinyl mats offer a customized look that's easy to keep clean

- Conform exactly to interior contours of each vehicle for maximum protection

- Available in lapis blue, willow, graphite and saddle for Ranger and Explorer

- Available in opal, lapis blue, ruby red and medium mocha for F-Series/Bronco

- Molded grid surface collects rain, snow and dirt; helps prevent slipping

- Ranger and Explorer models feature vehicle name and Ford oval

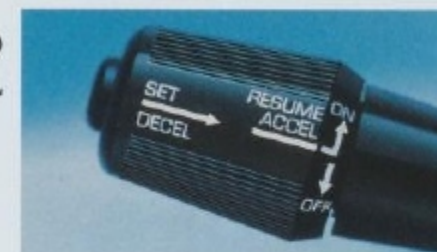

- Packed in pairs for front or rear (rear models only available for Explorer and Bronco)

- **Base Part Numbers:**  
Front — 13086  
Rear — 13106

## SPEED CONTROL, AIR CONDITIONING AND SIDE WINDOW DEFLECTORS

### SPEED CONTROL

### AIR CONDITIONING

#### Speed Control\*

Available for Ranger, Explorer, F-Series and Bronco

- Microcomputer adjusts automatically to maintain virtually any cruising speed (30 mph and above)
- System disengages when brake or clutch (manual transmissions) is depressed; returns to previous speed when "Resume" feature is activated

- Specifically designed and engineered for each vehicle
- Convenient, fingertip controls mount on steering column or in steering wheel (Ranger and Explorer only)

- **Base Part Number:**  
9A818

#### Genuine Ford Air Conditioning\*

Available for Ranger, F-Series and Bronco

- Offers optimum driving comfort with an "original equipment" design
- Designed and engineered for complete integration with the electronics systems of each vehicle
- System utilizes R-134a, a chlorofluorocarbon-free refrigerant that does not deplete the Earth's ozone

- Eligible for Ford Extended Service Plan coverage (in addition to standard Ford brand accessories warranty)

- Dealer installation recommended
- **Base Part Numbers:**  
Basic/Condenser Kit — 19B968  
Compressor/Clutch Kit — 19703  
Engine Drive Kit — 19B969

#### Side Window Deflectors\*

Available for Ranger, Explorer, F-Series and Bronco

- Help protect vehicle interior (and occupants) from wind, sun and rain
- Constructed of durable, smoke-colored acrylic
- Two or four deflectors per set
- Easily installed with self-adhesive tape provided
- **Base Part Number:**  
18246

### SIDE WINDOW DEFLECTORS

\*Ford brand accessory eligible for residualization on Red Carpet Lease.

## RUNNING BOARDS

EXPLORER

BRONCO

F-SERIES

BRONCO

## ORIGINAL EQUIPMENT RUNNING BOARDS

EXPLORER

RANGER

F-SERIES

## HEAVY-DUTY ALUMINUM RUNNING BOARDS WITH MOLDED END CAPS

### Original Equipment Running Boards\*

Available for Explorer (4-door), F-Series and Bronco

- Create a unique, aerodynamic look with reduced step height
- Explorer running boards constructed of corrosion-resistant steel substrate with covers molded from high-strength "TPO"
- F-Series and Bronco running boards are constructed of hard, molded plastic

- Available for Explorer in medium graphite and light sandalwood
- F-Series and Bronco must be painted to match vehicle exterior; no priming required
- Ribbed step pads offer added traction
- Dealer installation recommended
- **Base Part Number: 16450**

### Heavy-Duty Aluminum Running Boards With Molded End Caps\*

Available for Ranger 4 x 2 and 4 x 4 models (except Splash), Explorer (except Sport and Limited) and Bronco

- Combine attractive styling with reduced step height
- Aerodynamically designed wheelwell treatments add custom fit look and act as splash guards
- Constructed of anodized aluminum with black thermal plastic splash guard covers

- Full length boards available with black or silver finish
- Ranger boards also available in black cab length model
- Horizontal ribs and grit tape help provide extra traction
- Dealer installation recommended
- **Base Part Number: 16450**

### Heavy-Duty Aluminum Running Boards\*

Available for Ranger (except Splash), F-Series (except Flareside) and Bronco

- Allow easier vehicle entry/exit while adding a bold, low-line appearance
- Anodized aluminum construction offers superior corrosion resistance
- Available in full or cab length models (available in full length only for Bronco)
- Horizontal traction ribs and grit tape help provide more secure footing
- Dealer installation recommended
- **Base Part Number: 16450**

## HEAVY-DUTY ALUMINUM RUNNING BOARDS

## TUBULAR RUNNING BARS, REAR AIR DEFLECTORS AND SPLASH GUARDS

### ORIGINAL EQUIPMENT TUBULAR RUNNING BARS

### REAR AIR DEFLECTORS

### SPLASH GUARDS

### MOLDED SPLASH GUARDS

### Original Equipment Tubular Running Bars\*

Available for 2-door Explorers equipped with wheelwell moldings

- Tubular design creates a rugged, yet aerodynamic look
- Reduced step height allows easier vehicle entry/exit
- Constructed of elliptical steel tubing with injection-molded plastic step pads and end caps
- Available in black finish

- Help make loading luggage rack and cleaning vehicle windows easier
- Step pads help provide sure footing
- Plastic bracket covers help prevent stone pecking
- Dealer installation recommended
- **Base Part Number: 16450**

### Rear Air Deflectors\*

Available for Explorer

- Help keep rear window clear of dust, dirt, snow and rain

- Aerodynamic design complements Explorer body lines
- Constructed of structural foam urethane for superior corrosion/scratch resistance
- Black finish can be painted to match vehicle exterior
- Unique "cut-out" design allows full visibility of high-mount stoplamp
- Dealer installation recommended
- **Base Part Number: 9850860**

### Splash Guards

Available for F-Series and Bronco

- Help protect vehicles' lower body finish economically
- Made of durable polyethylene
- Guards feature Ford oval imprint (available in standard and extra large models)
- Two per set; intended for use in front wheelwells only
- **Base Part Number: 16A550**

### Molded Splash Guards

Available for Explorer

- Special, contoured design adds stylish and functional appeal; helps deflect mud, salt, etc.
- Heavy-duty vinyl construction provides extra strength and durability
- Integral body design
- Attach easily
- Packaged in pairs for front or rear
- Feature raised Ford oval
- **Base Part Number: 16A550**

## BUMPERS

RANGER

F-SERIES

121-SERIES

### TUBULAR REAR BUMPERS

### DELUXE STEP BUMPERS

### DELUXE STEP BUMPERS

### 100-SERIES STEP BUMPERS

### 9" DROP CENTER STEP BUMPERS

### Tubular Rear Bumpers\*

Available for Ranger (except Splash) and F-Series (except Flareside)

- Constructed of 3" diameter black steel tubing
- Feature built-in step and license plate bracket
- Black steel bumper also includes built-in Class I Trailer Hitch (ball must be ordered separately)
- Dealer installation recommended
- **Base Part Number:** 17906

### 121-Series Step Bumpers\*

Available for F-Series

- One-piece, #1 prime drawn steel construction
- Injection-molded, high-impact step pads for improved traction
- Factory-installed license plate lights and wire harness that snap into the O.E. connector
- Available in dual nickel chrome finish
- 800-lb. tongue capacity; 8,000-lb. towing capacity
- **Base Part Number:** FG121

### Deluxe Step Bumpers\*

Available for Ranger Styleside

- Constructed of #1 prime drawn quality steel; one piece unit
- Non-skid and injection-molded Step Pad
- Available in black polyester paint or dual nickel chrome finish
- Include trailer hitch mounting capabilities
- 350-lb. tongue capacity; 3,500-lb. towing capacity
- **Base Part Number:** FG903

### 100-Series Step Bumpers\*

Available for F-Series

- Constructed of #1 prime drawn quality steel
- Completely die-formed, one-piece unit
- Feature bolt-on brackets and an embossed tread plate on stepping surface
- Available in silver polyester paint or dual nickel chrome finish
- 350-lb. tongue capacity; 3,500-lb. towing capacity

■ **Base Part Number:** UG154

### 9" Drop Center Step Bumpers\*

Available for F-Series

- Constructed of #1 prime drawn steel
- Die-formed with bolt-on brackets
- Available in silver polyester paint or dual nickel chrome finish
- Finish helps prevent rust and corrosion
- 10,000-lb. towing capacity
- **Base Part Number:** 903C

\*Ford brand accessory eligible for residualization on Red Carpet Lease.

## RALLY BARS, OFF-ROAD LIGHTS AND FOG LIGHTS

### RALLY BARS

### OFF-ROAD LIGHTS

### FOG LIGHTS

### Rally Bars\*

Available for Ranger (except Splash)

- Aerodynamic styling provides sporty, off-road look
- Ideal for mounting Off-Road Lights (described below)
- Constructed of 3" diameter, heavy-gauge steel tubing
- Black finish resists scratches and corrosion

- Dealer installation recommended
- **Base Part Number:** 99518K00

**NOTE: Not intended for use as a roll bar.**

### Off-Road Lights

Available for Ranger (except Splash)

- Large, quartz-halogen lamps intended for night-time off-road use

- Designed to mount on Ford Rally Bars
- Available in round and rectangular models

- Protective lens covers included
- Dealer installation recommended
- **Base Part Number:** 15200

### Fog Lights

Available for F-Series and Bronco

- Help penetrate rain, fog and snow for improved vision while driving
- Lights feature quartz-halogen bulbs, polished zinc reflectors, optical glass lenses and glass-fiber reinforced black plastic housings

- Unique design allows above or below bumper mounting
- Protective lens covers included
- Dealer installation recommended
- **Base Part Number:** 15200

\*Ford brand accessory eligible for residualization on Red Carpet Lease.

## RACKS AND RACK ADAPTERS

FACTORY LUGGAGE RACKS

FACTORY RACK BIKE  
CARRIER ADAPTERS

FACTORY SKI RACK ADAPTERS

### Factory Luggage Racks\*

Available for Explorer

- Multi-purpose, original factory racks provide extra cargo capacity
- Designed for attachment of optional adapters described below
- Corrosion-resistant steel construction
- Maximum load capacity: 100 lbs.

- Dealer installation recommended
- **Base Part Number: 7855100**

### Factory Rack Bike Carrier Adapters

Available for Explorers equipped with the Factory Luggage Rack

- Adapters safely carry one bicycle (rack accommodates up to three adapters)

- Bike carrier adapter can be locked and attaches easily and securely

- Bikes can be secured or removed in minutes

- **Base Part Number: 6655100**

### Factory Ski Rack Adapters

Available for Explorers equipped with the Factory Luggage Rack or factory-installed roof rack

- Diagonal adapters accommodate as many as four pairs of skis

- Small horizontal mount adapters hold up to four pairs of skis or two snowboards depending on board size and binding style

- Large horizontal models handle up to six pairs of skis or four snowboards depending on board size and binding style

- All models feature standard locks
- Easily installed and removed

- **Base Part Number: 7855100**

## SOFT LUGGAGE COVERS, RACKS AND RACK ADAPTERS

SOFT LUGGAGE  
COVERS

## MULTI-SPORT REMOVABLE RACKS AND SPORT GEAR CARRIER ADAPTERS

### Soft Luggage Covers

Available for Explorers equipped with a standard luggage rack

- Soft-sided bags help protect luggage and other rooftop cargo
- Made of durable, 20-oz., ultraviolet-resistant exterior grade vinyl for long life
- Weather resistant

- Rear and passenger side panels feature zippers for easy loading/unloading

- Velcro®-secured flaps on zippered panels offer added weather protection

- Size: 40" long x 34" wide x 13" deep (fold to 16" x 13" x 4" for convenient storage)

- Attach easily to rack crossrails

- **Base Part Number: 19B507**

### Multi-Sport Removable Racks and Sport Gear Carrier Adapters

Available for 4-door Explorer models and F-Series

- Racks combine with specialized adapters to create sports carrying systems

- Racks constructed of heavy-gauge steel crossbars and die-cast aluminum towers

- Small Ski/Snowboard Adapters hold up to four pairs of skis or one snowboard

- Large Ski/Snowboard Adapters (not shown) handle as many as six pairs of skis or two snowboards

- Watersport Adapters (not shown) carry a sailboard, canoe or kayak; tie-down belts, boom clips and oar/paddle/mast holders included

- Racks accommodate two upright Bike Adapters (one adapter per kit)

- Maximum load capacity: 200 lbs.

- **Base Part Number: 55100**

**NOTE: Multi-sport adapters will not fit with Factory Luggage Racks or factory-installed roof racks.**

## WINDOWS, TRAILER HITCHES AND STEP/SILL PLATES

F-SERIES

CLASS III TRAILER HITCHES

CLASS II TRAILER HITCHES

RANGER

MANUAL SLIDING REAR WINDOWS

STEP/SILL PLATES

### Manual Sliding Rear Windows\*

Available for Ranger and F-Series

- Provide extra ventilation for added comfort in cab
- Designed for an exact fit; weather stripping provides a reliable moisture barrier
- Window slides open easily; latches from inside
- Tinted glass helps reduce glare

- Dealer installation recommended
- **Base Part Number: 422B30**

### Class II & III Trailer Hitches

Class II available for Ranger  
Class III available for Explorer, F-Series and Bronco

- Mount directly to vehicle frame without repositioning underbody spare tire carrier; no welding required

- Class II hitch has 300-lb. tongue capacity; 3,500 lb. towing capacity

- Class III hitch has 500-lb. tongue capacity; 5,000-lb. towing capacity. Capacity can be doubled by adding weight distribution load system (contact your local trailer dealer for details)

- Both hitches are suitable for use with 1 7/8" or 2" ball (must be ordered separately)

- Dealer installation recommended
- **Base Part Number: 19D520**

**NOTE: See your salesperson for your vehicle's towing capacity.**

### Step/Sill Plates

Available for F-Series and Bronco

- Help protect lower doorjamb from scuffs and scratches

- Constructed of a polypropylene/acrylic blend
- Raised ribs help provide extra traction
- Mount securely with self-adhesive tape included
- Two or four plates per kit
- **Base Part Number: 132A08**

## CONTEMPORARY PICKUP BOX RAILS

## TAILGATE PROTECTORS

## Contemporary Pickup Box Rails

Available for Ranger (except Splash) and F-Series (except Flareside)

- Aerodynamic side rails provide convenient means to tie down cargo, cargo cover or tarpaulin
- Each rail features three specially designed tie-down eyelets
- Anodized aluminum construction offers superior corrosion resistance; attractive appearance
- Available with black or bright finish

F-SERIES

F-SERIES

RANGER

- Ranger rails available in 6- and 7-foot lengths; F-Series models available in 7- and 8-foot lengths
- Rails bolt securely into existing pickup box stake holes; easily installed and removed
- Maximum weight supported per rail: 400 lbs.
- **Base Part Number: 9932230**

### Tailgate Protectors

Available for Ranger (except Splash) and F-Series

- Enhance tailgate appearance while absorbing bumps and bangs that could cause damage
- Available in silver or black anodized aluminum
- Preformed for a snug fit with contours of each tailgate
- Help prevent "vibration wear" of topper end gates
- **Base Part Number: 402K19**

### Retractable Truck Bed Hooks or Loops

Available for Ranger (except Splash) and F-Series (except Flareside)

- Rugged hooks or loops rotate up to help secure cargo; conveniently retract into pickup box wall when not in use
- Approved for use with Ford Over-the-Rail and Under-the-Rail Bedliners
- Constructed of corrosion-resistant "300 Series" stainless steel
- Maximum capacity: 400 lbs. per hook or loop
- Two hooks or loops per set
- Install easily and securely into existing stake holes; no drilling required
- **Base Part Number: 99000A64**

### Bed Hooks and Tie-Downs

Available for Ranger and F-Series

- Sturdy hooks mount securely on the outside of the pickup box to help tie down loose cargo
- Feature attractive, bright-dipped finish
- Can also be used to secure a cover to protect loads from the weather
- Easy to install, some drilling required
- **Base Part Number: 9900064**

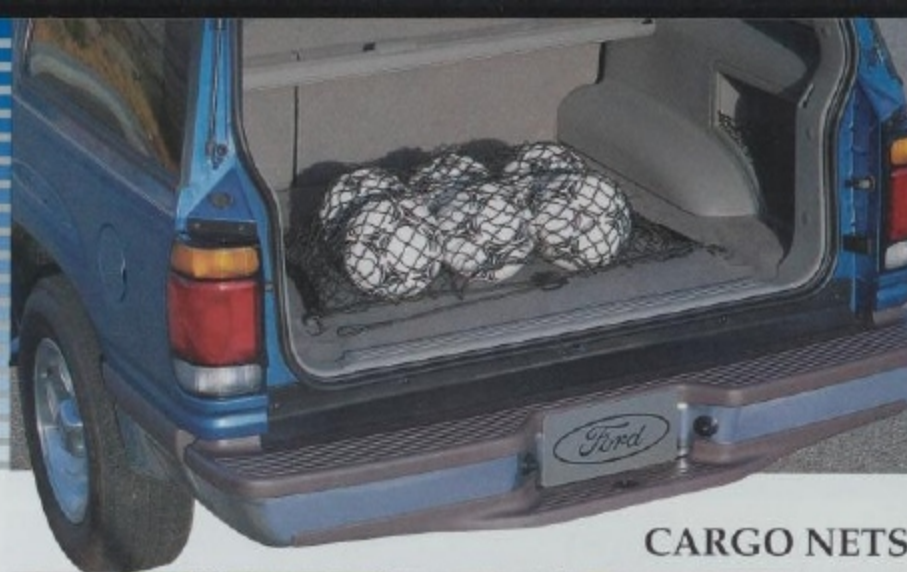

RETRACTABLE TRUCK BED HOOKS OR LOOPS

BED HOOKS AND TIE-DOWNS

## CARGO NETS, CARGO SHADES, MIRRORS, LOCKS AND DOOR EDGE GUARDS

CARGO NETS

GOOSENECK  
RECREATIONAL MIRRORS

REMOVABLE TAILGATE  
LOCKS

PREFORMED DOOR  
EDGE GUARDS

### Cargo Nets

Available for Ranger (except Splash), Explorer and F-Series (except Flareside)

- Help keep pickup bed neat and organized
- Help prevent damage to cargo (spilled groceries, etc.)
- Nets stretch easily to fit around bulky items
- Soft, braided cording won't damage finished surfaces
- Easy to install
- **Base Part Number:** 550A66

### Gooseneck Recreational Mirrors

Available for F-Series and Bronco

- 7½" wide x 10½" high mirror helps provide a clear view when towing a load

### Limited Warranty Information

Because our standards of quality go far beyond those of most accessory manufacturers, Ford Motor Company is able to stand behind Ford brand accessories with confidence, pride and one of the best accessory warranties in the business.

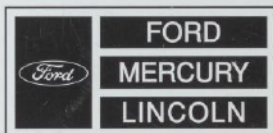

Ford Motor Company will repair or replace

any properly installed Ford brand accessory found defective in factory-supplied material or workmanship during the warranted period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides the greater benefit:

- 12 months or 12,000 miles (whichever occurs first)
- the remainder of your new vehicle limited warranty

This means that Ford brand accessories purchased along with your new vehicle and installed by your dealer are covered for up to the full length of your new vehicle limited warranty — 3 years or 36,000 miles (whichever occurs first). Contact your dealer for complete warranty coverage information.
