Lincoln Town Car

## Lincoln Town Car:

Few luxury sedans offer the spacious interior, exceptional ride, and comfort of Lincoln Town Car. And through continuous refinement, the 1996 Town Car extends its tradition of providing unparalleled driving sophistication. Six-passenger seating, generous V-8 power, and a long list of uniquely gratifying features are just a few of the reasons why Town Car is such a stately luxury automobile.

## The Ultimate Expression Of

Because elegance comes in many forms, Lincoln offers three richly appointed Town Car models: Executive Series, Signature Series, and Cartier Series. Visit your Lincoln dealer today and see how the Lincoln Town Car can become the ultimate expression of luxury in your life.

## Luxury Is More Refined Than Ever.

*Town Car Signature Series with available leather seating surfaces.*

### PLUSH INTERIOR

Inside the richly appointed Lincoln Town Car is practically everything a luxury sedan owner could want. Six-way power driver and passenger seats. An instrument panel that puts controls right at your fingertips. A leather-wrapped steering wheel. Electronic temperature control that's automatically maintained once you set it...and much, much more. Never has attention to detail been so evident.

### SOPHISTICATED POWER

Town Car offers a 210-horsepower, 4.6-liter SOHC V-8 engine that uses an overhead cam design and roller rocker arm valve train for low internal friction and excellent efficiency. EPA estimated mileage for Town Car is 17 city/25 highway.

### HIGH-LEVEL AUDIO SYSTEM

Enjoy your favorite music on this remarkable-sounding system. It includes an AM stereo/FM stereo radio with cassette player and speakers that are placed precisely for optimum listening pleasure. Plus, you're sure to enjoy the large and convenient controls.

### TOWN CAR SAFETY

A driver- and front-passenger air bag frontal restraint system is standard on Town Car. When used in combination with safety belts, Town Car passengers enjoy added protection. Always wear your safety belt. Town Car features a standard anti-lock braking system (ABS) that helps drivers maintain steering control on slippery surfaces during hard braking.

### LUXURY APPOINTMENTS

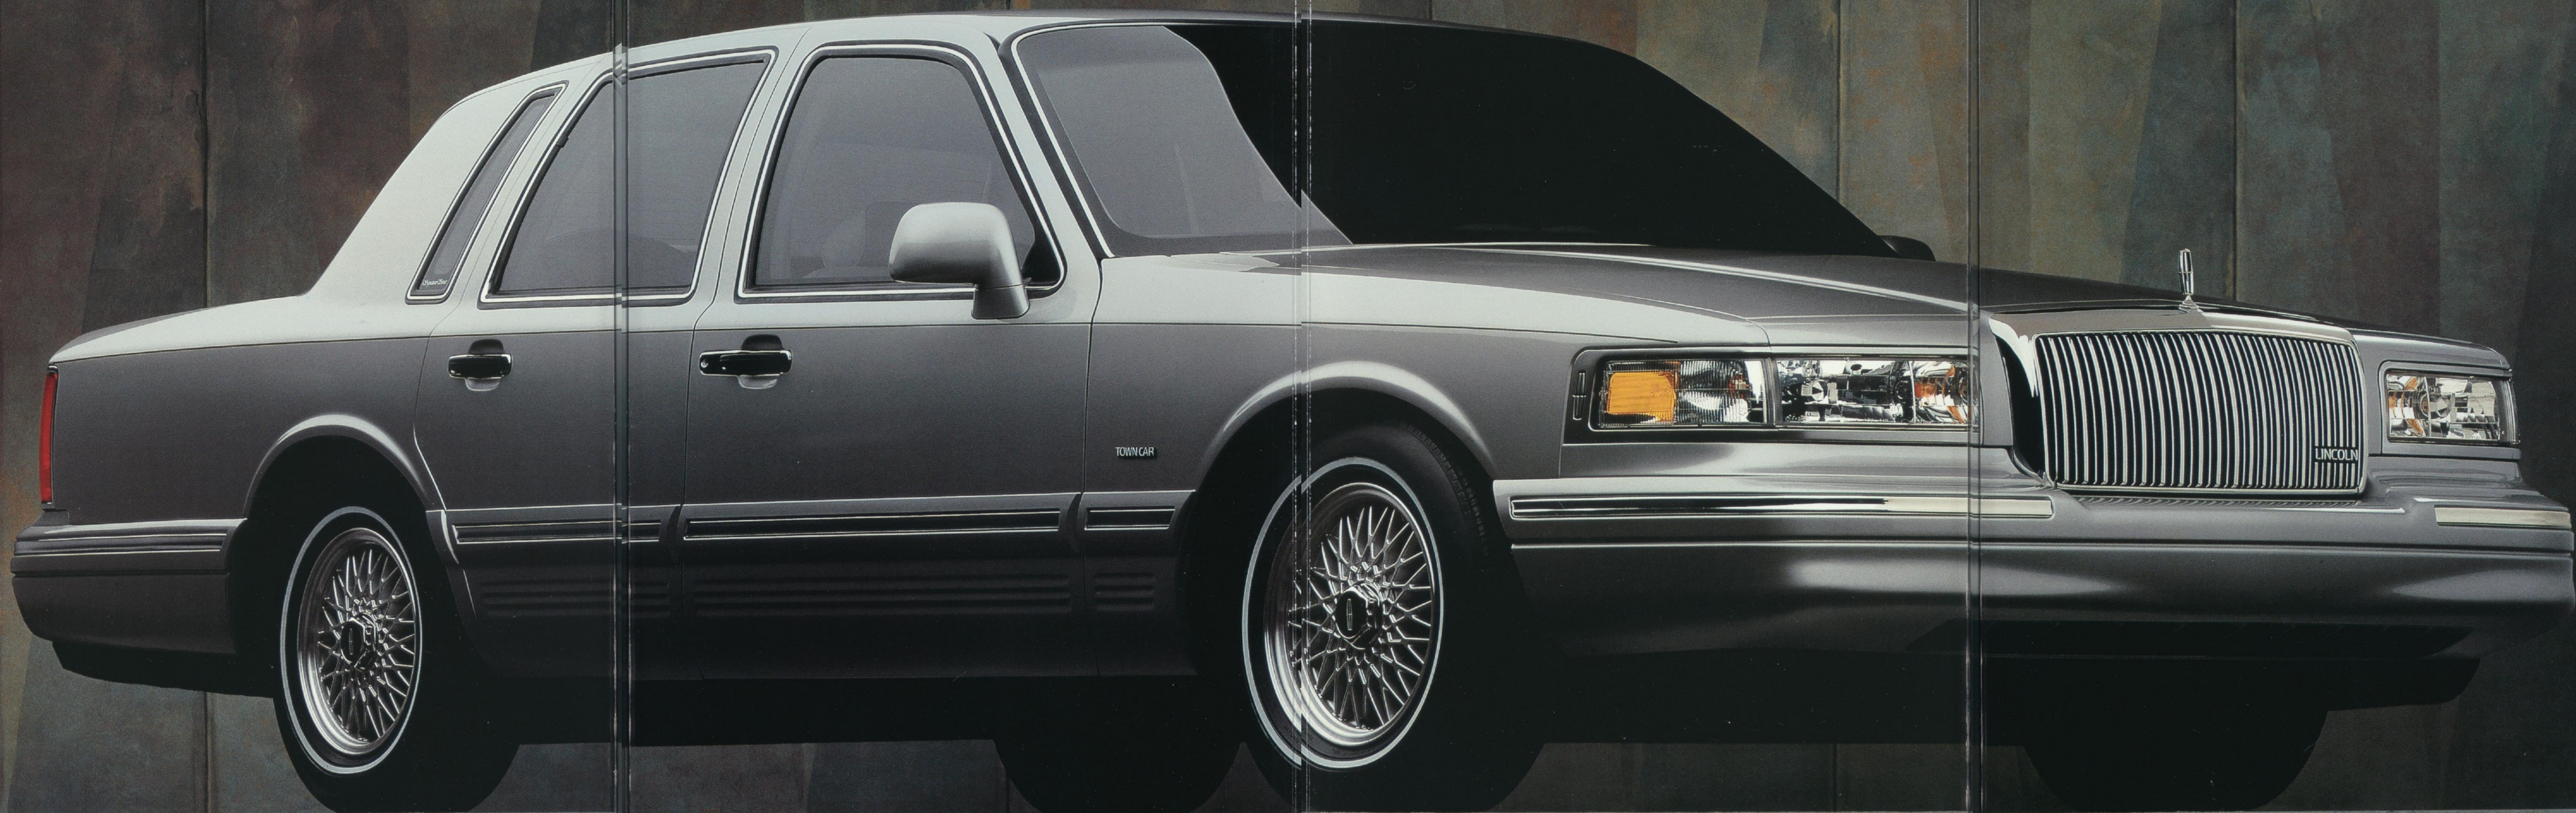

You'll find luxury in Town Car no matter where you look, feel, or listen. Solar tint glass helps protect fabrics against sun fading and reduces air-conditioning cool-down times. A keyless entry system conveniently unlocks doors via a five-digit code. And Town Car's express-down power driver window lets you enjoy outside air by opening the window fully with just one touch.

### CARTIER SERIES

The Cartier Series takes Lincoln Town Car to its most lofty level. With sumptuous leather seating surfaces with heated cushions and backs, JBL Audio System with Digital Signal Processing, and many other elegant features, Cartier is the jewel in Town Car's crown.

# Features And Specifications

## STANDARD FEATURES

Here are just a few of Lincoln Town Car's many standard features:

- Electronically controlled four-speed automatic overdrive transmission with overdrive lockout
- Speed-sensitive, variable-assist power steering with selectable steering effort switch
