Personalize Your Ford Expedition With  
Ford Quality Care Brand Accessories...

## QUALITY THAT STANDS APART

With Ford Quality Care Brand Accessories, you can add your own style to your vehicle – and do it with confidence. Every Ford Quality Care Brand Accessory represents:

- A strong commitment to quality, value and integrity
- Rigorous engineering and safety specifications
- Engineering and design that blends seamlessly with Ford-built vehicles
- One of the best warranties in the business\*
- Competitive pricing
- Product availability at vehicle release

In addition, select accessories are eligible for residualization when added to a Ford Red Carpet Lease.\*\*

\* For additional information, see  
Limited Warranty Information.

\*\* Ford Quality Care Brand Accessories which are eligible for residualization are designated with an asterisk. For a complete listing of qualified accessories, consult your dealer.

NOTE: The product descriptions and specifications in this catalog were in effect at the time of printing. Our policy is one of continuous improvement and we reserve the right to change design or specifications without notice and without incurring obligation.

## EASY TO ORDER

All Ford Quality Care Brand Accessories are available through your Ford dealer's parts department.

Each accessory in this catalog includes the base part number to facilitate ordering *and* help ensure correct part application.

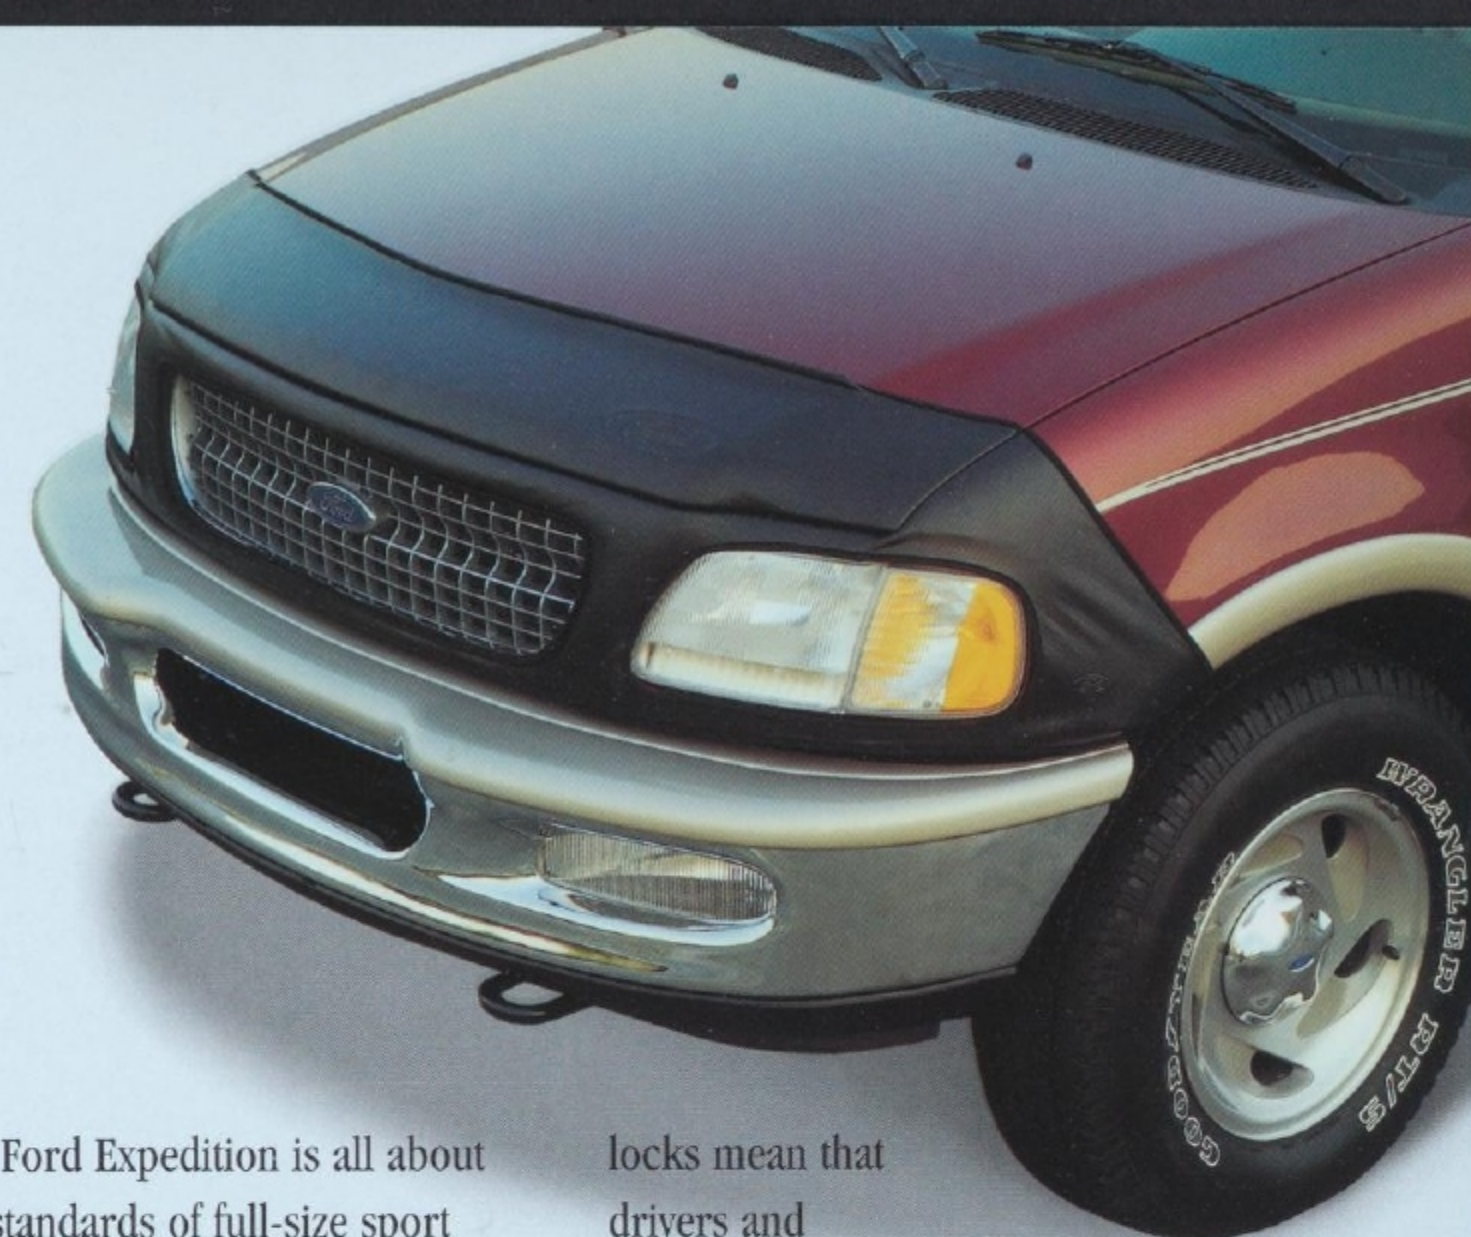

## LIMITED WARRANTY INFORMATION

Ford Motor Company will repair or replace any properly installed Ford Quality Care Brand Accessory found defective in factory-supplied material or workmanship during the warranted period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides the greater benefit:

- 12 months or 12,000 miles/20,000 km (whichever occurs first)
- The remainder of your new vehicle limited warranty

This means that Ford Quality Care Brand Accessories purchased with your new vehicle and installed by your dealer are covered for up to the full length of your new vehicle limited warranty – 3 years or 36,000 miles/60,000 km (whichever occurs first).

Contact your dealer for complete warranty coverage information.

The new Ford Expedition is all about raising the standards of full-size sport utility vehicles. Its nine-passenger seating\* wrapped in clean, athletic styling captures second looks wherever your busy days take you. With the rugged sportiness and nimble agility you've longed for, the Expedition is everything a full-size sport utility vehicle should be.

The Ford Expedition should exceed your expectations in interior passenger and cargo space, exterior styling *and* performance. With its standard 4.6 liter V-8 engine, the Expedition features best-in-class towing and payload. Set on a 119-inch/305 cm wheelbase and allowing for 115 cubic feet/13.25 cubic meter of cargo space, the Expedition is large enough to carry everyone or everything you need, yet is designed to fit easily into standard garages.

With the amount of time you and your family are on the road these days, you want to make sure your vehicle performs and protects...and protection is the Expedition's specialty. In addition to the Expedition's size, standard features such as dual air bags, anti-lock brakes and child safety

locks mean that drivers and passengers are wrapped in all the security Ford Expedition offers.

The Ford Quality Care Brand Accessories featured in this 1997 Expedition Accessories Catalog give you the opportunity to really make your new Expedition your own. Select the Ford brand accessories that best meet your needs – from speed control and vehicle security systems to front end covers and cargo liners, we've included the Ford Quality Care Brand Accessories that allow you to tailor your Expedition to your standards. Ford Quality Care Brand Accessories are only available through your Ford dealership. They're also the only accessories that are backed by Ford with one of the best warranties in the business. Look no further for Ford Expedition accessories to help you enhance the excellent performance, security that goes the extra mile, and attention grabbing design that make the Ford Expedition the vehicle you've been waiting for. The new Ford Expedition. Now your wait is over.

## FORD QUALITY CARE BRAND A C C E S S O R I E S

### SPORT HOOD COVER

Tapered design adds a stylish accent while helping protect hood from road debris

- Made of heavy-duty, 22-oz. black vinyl
- Soft, flannel backing helps minimize moisture buildup between cover and vehicle finish
- Features embossed Ford logo
- One-piece construction allows opening of hood without removing cover
- **Base Part Number: 19A414**

### FRONT END COVER

Helps protect front end of vehicle from airborne road debris

- Custom fit accentuates vehicle body lines
- Two-piece design allows opening of hood without removing cover
- Made of 22-oz vinyl with flannel backing
- Specially-designed airfoils help reduce flutter
- Features embossed Ford logos
- **Base Part Number: 19A414**

### FOG LIGHTS

Help improve driving visibility by penetrating rain, fog, and snow

- Utilizes Original Equipment lights and switch
- Integrated into the front bumper
- Dealer installation recommended
- **Base Part Number: 15200**

### SIDE WINDOW DEFLECTORS\*

Help provide additional protection to vehicle interior and occupants from rain, wind and sun

- Durable, smoke-colored acrylic complements all exteriors
- Easily installed with self-adhesive tape provided
- Packaged in four-deflector set
- **Base Part Number: 18246**

### FACTORY LUGGAGE RACK\*

Versatile, multi-purpose rack provides extra cargo carrying capacity

- Original Equipment design blends with Expedition's lines
- Corrosion-resistant steel construction
- Dealer installation recommended
- **Base Part Number: 7855100**

### MOLDED RUNNING BOARDS\*

These running boards provide a customized look and convenient means of entry

- Constructed of steel substrate to help provide corrosion resistance
- Original Equipment design with integrated front and rear running lights
- Molded step pad offers added step safety
- Running boards offer extra splash protection
- Dealer installation recommended
- **Base Part Number: 16450**

# FORD EXPEDITION

*\*Ford Quality Care Brand Accessories eligible for residualization on Red Carpet Lease.*

### CARGO ORGANIZER

Features a removable divider system that permits separation and securing of cargo

- Divider allows you to keep perishables such as groceries separate from items like sports equipment and tools
- Extra deep, offers increased protection from accidental spills and cargo sliding
- Easy to install and remove; no tools required
- Quality crafted from premium grade polyethylene
- Lightweight and durable
- **Base Part Number: 115A00**

### CARGO NET

Helps keep cargo area neat and organized

- Helps prevent damage due to shifting cargo
- Net stretches easily to fit around bulky items
- Soft, braided cording won't damage finished surfaces
- Easy to install
- **Base Part Number: 78550A66**

### CARGO TRAY

Helps minimize cargo-area carpet soiling and staining

- Constructed of high-strength, industrial polyethylene blend
- Available in black, medium graphite, medium prairie tan and willow
- Corrosion resistant
- Raised lip helps prevent spills
- Precisely conforms to Expedition's cargo area
- **Base Part Number: 7811600**

### MOLDED VINYL FLOOR MATS

Offer easy-to-care-for features with a customized look

- Easy to keep clean
- Conform exactly to interior contours of vehicle for maximum protection
- Available in medium graphite, medium prairie tan, willow and black
- Molded grid surface collects rain, snow and dirt
- Front driver's side mat includes positive retention feature, for added safety
- Packaged in pairs for front or rear; full-length third row mat also available

- **Base Part Number: Front – 7813086; Rear – 7813106; Third Row – 7813106**

### SOFT CARGO LINER

Helps protect cargo area from wear and tear

- Helps shield cargo area from soiling and stains
- Available in black, medium graphite, medium prairie tan, and willow
- Ideal for hauling gardening supplies, fishing gear, construction materials, etc.
- Made of vinyl reinforced with nylon
- Easy installation and removal
- Features embossed Ford oval
- Folds into compact package for easy storage
- **Base Part Number: 78642A94**

### CARPETED FLOOR MATS

Designed for an exact fit and color match with vehicle interior

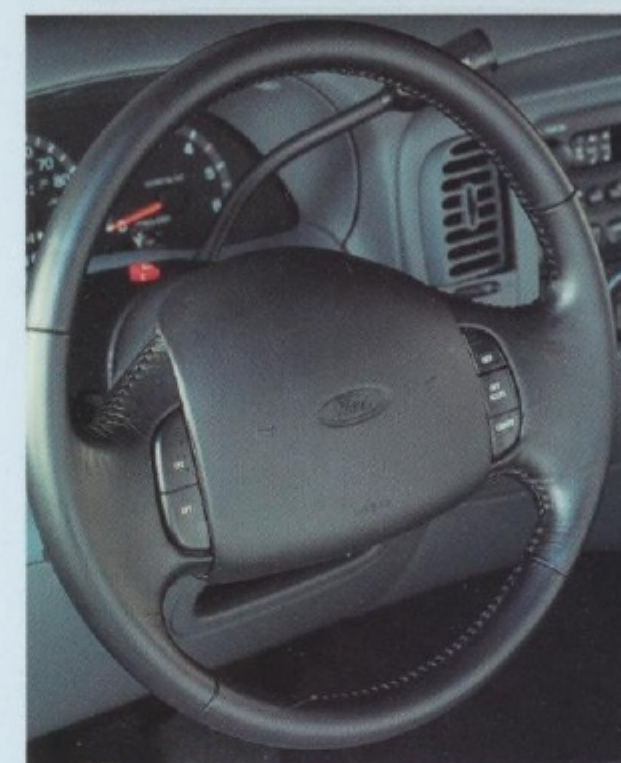

- Available in medium graphite, medium prairie tan and willow
- Feature embroidered vehicle name
- Nibbed rubber backing helps keep mats in place
- Front driver's side mat includes positive retention feature, for added safety
- Packaged in pairs for front or rear; full-length third row mat also available
- **Base Part Number: Front – 7813086; Rear – 7813106; Third Row – 7813106**

### SPEED CONTROL\*

Attractive steering wheel mounted system provides driving comfort with an O.E. appearance

- Microcomputer-controlled system automatically adjusts to maintain desired cruising speed
- Control disengages when brake is depressed and returns to previous speed when "Resume" feature is activated
- Helps reduce fatigue on long trips
- Helps improve fuel economy and maintain highway speed limits
- Specifically designed and engineered for Expedition; features Original Equipment parts
- Available on either vinyl- or leather-wrapped steering wheel
- **Base Part Number: 9A818**

### LEATHER-WRAPPED STEERING WHEEL

Helps improve driver's grip on steering wheel

- Lends attractive, sporty appearance to vehicle's interior
- Available in black
- Only available for vehicles equipped with speed control
- **Base Part Number: 3600**

### PERMANENT TRAILER TOWING MIRROR

Heavy-duty mirror helps increase field of vision when towing large trailers and RVs

- Positive pivot stops prevent mirror from contacting side of vehicle
- Constructed of heavy-duty plastic with zinc die cast mounting bracket
- Mounts in original O.E. mirror location, manual adjustment only
- Dealer installation recommended
- **Base Part Number: 17696**

### SNOW TRACTION CABLES

Help improve vehicle's traction on snowy or ice-covered roads

- Patented "Z" design allows for greater control
- ABS-compatible
- Close-fitting, snug-to-tire design
- **Base Part Number: 17A089**

### CLASS III TRAILER HITCH

Designed to mount easily to vehicle frame

- No need to reposition underbody spare tire carrier
- For towing needs up to 5,000 lbs., or with a weight distributing receiver, up to 8,000 lbs.
- Dealer installation recommended
- **Base Part Number: 17D826**

**NOTE: Load rating will vary depending on vehicle equipment. Check your Owner's Guide for hitch type and load capacity.**

### TRAILER BALL MOUNTS

Designed for use with trailer hitch balls, described below

- Can be used in rise or drop position to match tow vehicle to trailer coupler height
- Must be ordered separately
- **Base Part Number: 19A282**

### TRAILER HITCH BALLS

- Available in two sizes; 1-7/8" or 2"
- Must be ordered separately
- **Base Part Number: 19F503**

### 7-PIN TRAILER WIRING HARNESS

- Must be ordered separately
- **Base Part Number: 13A576**

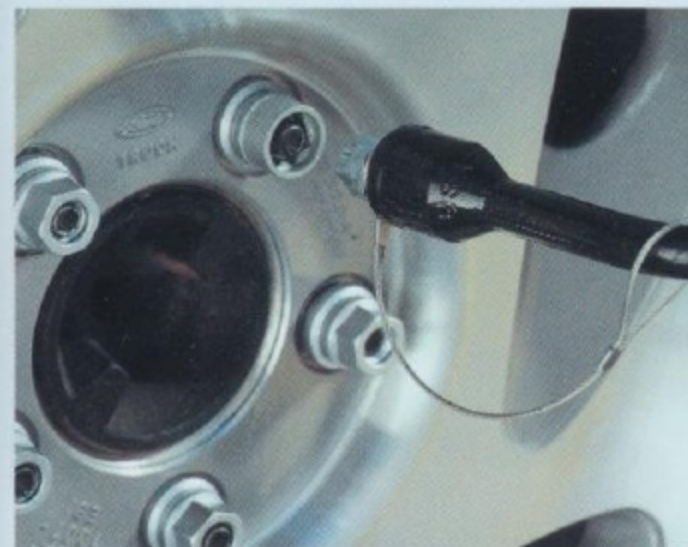

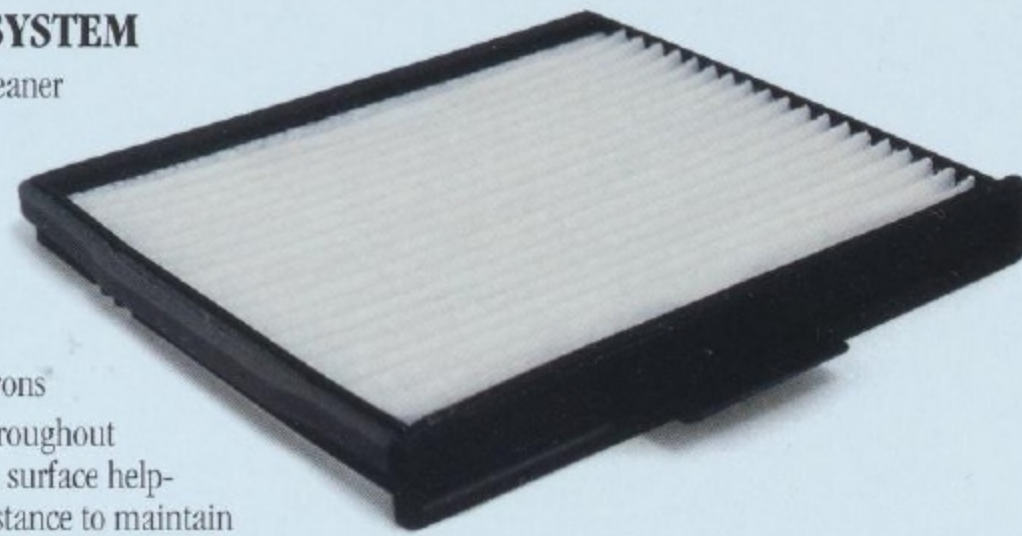

*\*Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease.*

## AIR FILTRATION SYSTEM

Helps keep passenger air cleaner

- Contains electrostatically charged fibers which remove over 90% of pollen, mold spores, road dust and other particulates larger than 3 microns
- Particles are trapped throughout the filter, not just at the surface helping reduce air flow resistance to maintain heating, ventilation and air conditioning efficiency
- Filters both incoming outside air and recirculated inside air of particulate matter
- **Base Part Number: Kit – 18D477, Replacement Filter – 19N619**

## WHEEL PROTECTOR LOCKS

Designed to provide tire and wheel theft deterrence

- Constructed of through-hardened steel
- Dacromet®-coated, no-rust finish
- Kit includes four locks and unique, coded key (locks replace one lug nut on each wheel)
- **Base Part Number: 1A043**

## LOCKING GAS CAP

Helps deter gas siphoning

- Packaged with two keys
- Cap attaches to tank, helps reduce gas cap loss
- **Base Part Number: 9030**

## TIRE STEP

Fits over your vehicle's tires to allow convenient access to the roof and engine compartment

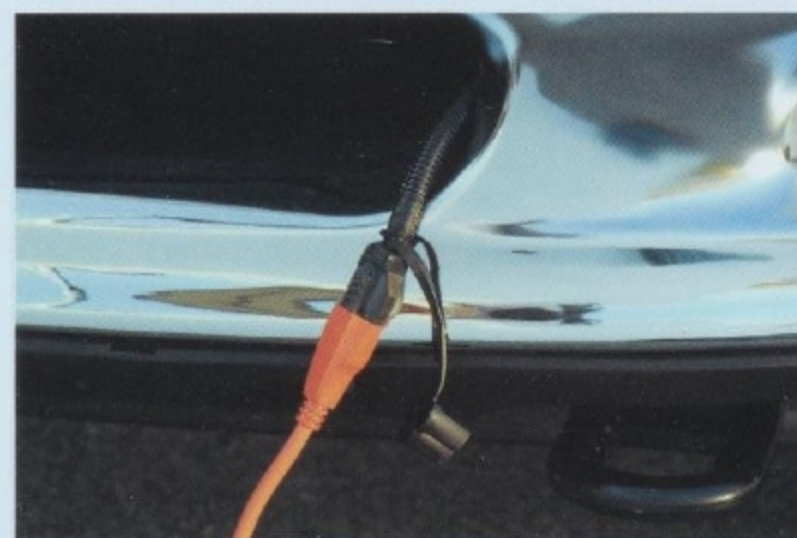

- Fully adjustable to accommodate tire sizes
- Folds neatly together for compact storage
- Non-skid step tread allows for surer footing
- Comes with cord and hooks to secure under rear seat or to cargo area
- Not recommended for use on Eddie Bauer
- **Base Part Number: 19G215**

## SPLASH GUARDS

An economical way to help protect vehicle's lower body finish

- Made of durable polyethylene
- Feature Ford oval imprint
- Packaged two per set
- **Base Part Number: 16A550**

## ENGINE BLOCK HEATER

Helps provide faster cold weather starts with less battery drain

- Original Equipment design heater coil installs permanently
- Helps passenger compartment heater deliver warm air sooner
- Plug into any 110-volt outlet
- Includes protective cap
- Dealer installation recommended
- **Base Part Number: 6D008**

## VEHICLE SECURITY SYSTEMS\*

Only accessory vehicle security system approved by Ford

- Two remote controls lock or unlock all doors from up to 50 ft./15 m. away
- An audible chirp pattern and flashing parking lights identify when the alarm is turned on or off
- Remote control personal protection panic buttons activate the alarm's flashing lights and 125 decibel weather-proof siren (loudest allowed by law)
- An adjustable impact/shock sensor activates the alarm/siren if the vehicle is bumped or glass is broken
- A highly visible flashing red warning light indicates the system is on and operating
- Remotely illuminated interior dome lights turn on upon vehicle entry and exit so that you never enter or leave a dark vehicle
- Valet parking mode switch allows you to safely override the system when utilizing parking attendants, car washes, etc.
- After alarm is triggered, system will sound for 60 seconds then automatically re-arm/re-set to protect the vehicle
- **Base Part Number: 19A361**

**NOTE: Vehicles equipped with security systems may be eligible for insurance discounts in some states/provinces.**

## TRACK RIDER

Increases the carrying capacity of the Factory Luggage Rack

- Mounts to Factory Luggage Rack; no drilling required
- Can accommodate frame mount bike adapters or ski adapters
- **Base Part Number: 7855100**

## SKI CARRIER ADAPTERS

Three different adapters offer a wide range of ski/snowboard capacity

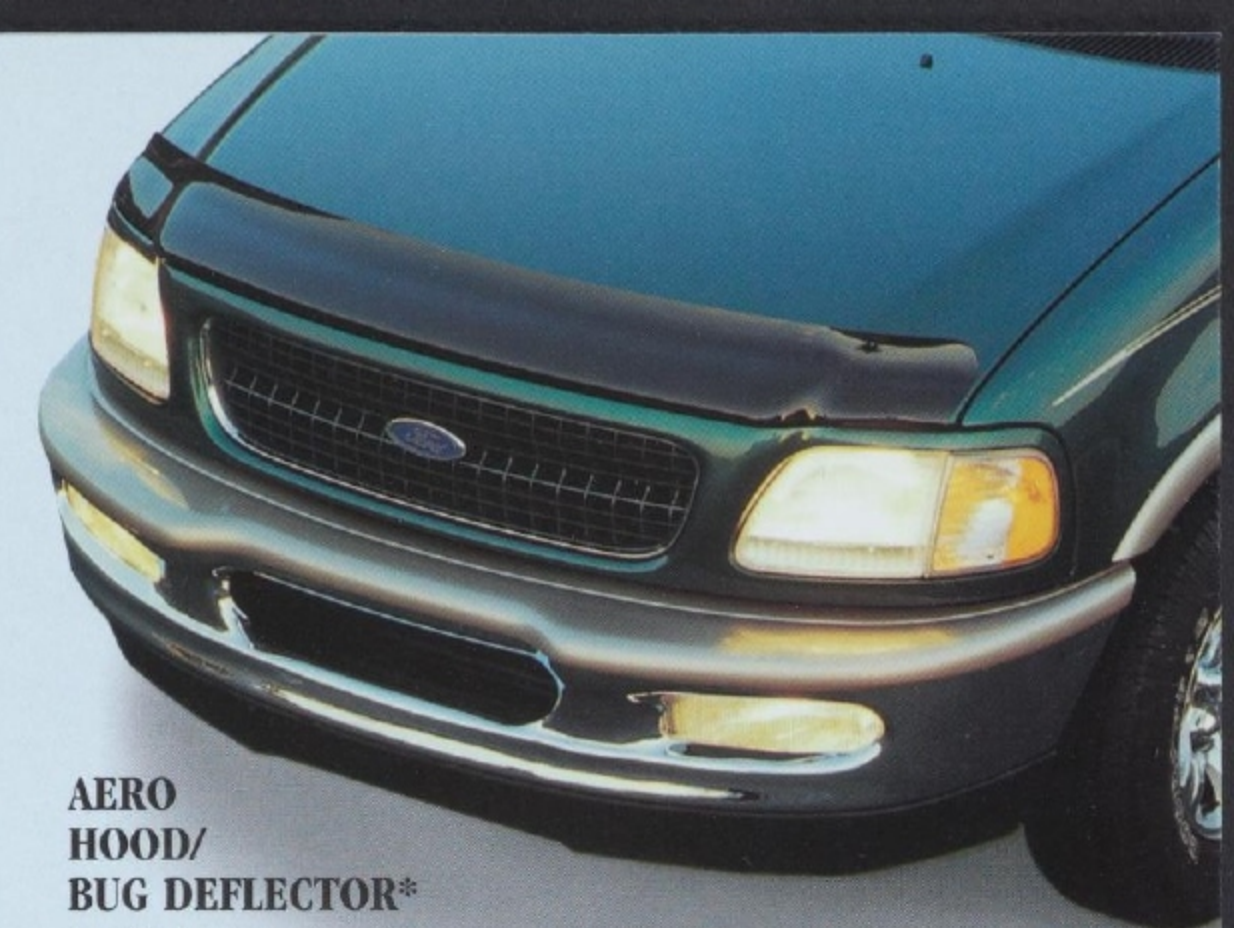

- Designed to combine convenience, durability and attractive styling
- Diagonal racks carry up to four pairs of Alpine or Nordic skis
- Small horizontal racks hold up to 4 pairs of Alpine skis, 5 pairs of Nordic skis or 2 snowboards; large horizontal racks carry 6 pairs of Alpine skis, 7 pairs of Nordic skis or 4 snowboards
- Padded clamp assemblies help guard against equipment damage
- All models include locking mechanism for added security
- All models can be easily attached or removed
- **Base Part Number: Racks – 7855100**

## BIKE CARRIER ADAPTERS

Designed for safe transportation of bikes

- Adapter locks and attaches securely and easily
- Bikes can be secured or removed in minutes
- Each adapter carries one bike
- Padded clamp assemblies help guard against damage to bike frames
- Factory Luggage Rack can accommodate up to three bike adapters
- Track Rider can accommodate up to four bike adapters
- **Base Part Number: 7855100**

## AERO HOOD/BUG DEFLECTOR\*

An effective way to help deflect rain, snow and insects away from the windshield

- Available in both standard and wraparound models
- Built-in vents are designed to reduce wind-resistance and improve drainage (wraparound model only)
- Deflects insects and other debris from vehicle hood
- Made of durable, smoke-colored Lexan®
- Attaches easily and securely to underside of hood; no drilling required
- **Base Part Number: 16C900**
