

Your own XC70. Is in reach.

The XC70 has been designed to get you to your destination, in luxurious comfort, no matter how demanding the journey. It's both a rugged, sure-footed thoroughbred and a refined on-road cruiser. Which means behind the wheel you can feel totally at ease, knowing you're in control. And knowing that nothing will be too much for your car or you.

Over the next few pages is everything you'll need to make the decision about your next car even easier. And to make your XC70 really... yours.

The muscular looks and the practical versatility of the XC70 come as standard. So too does the superior all-road and all-weather performance. But finalising the styling and choosing from the fantastic range of responsive engines is up to you. As is personalising the interior – selecting Swedish designs and state-of-the-art technology to make sure your XC70 gives you the journey you deserve.

So let's get started. The promise of a naturally empowering driving experience is only a few pages away. **And with this guide, you're already in the driving seat...**

XC70

Volvo has always led the way in innovation, with products that continue to influence and shape the entire car industry. But that's never been our motivation. You are.

Every car, and every world first we introduce, is designed around you... to keep you safer on the road and more at ease behind the wheel. To bring extra excitement to every journey and improve your whole driving experience.

SE NAV

Beyond the innovative City Safety technology, the SE Nav model brings added luxury with leather-faced upholstery, an 8 speaker high performance multimedia audio system, DAB (Digital Audio Broadcasting) Radio, Bluetooth®, an integrated satellite navigation system and innovative features such as automatic rain sensor and an autodimming rear view mirror. On the outside, distinctive 17" Valder alloy wheels along with rear park assist, retractable rear view mirrors and a power operated tailgate enhance the exterior style.

SE LUX

The SE Lux model is the ultimate word in luxury, with a power driver seat and an active TFT crystal driver's information display further enhancing the interior. For the exterior, active bending xenon headlights with headlight cleaning offer both style and protection, along with 18" Pan alloy wheels to complete the visual enhancements.

Your XC70 Range. At a glance.

NAV

All XC70 models include a fully integrated satellite navigation system with voice activated control, high performance multimedia audio player, a 7" colour display screen and DVD player. As well as full European mapping, two complimentary annual map updates are included (register at navigation.com/volvomapcare).

This is the first exciting step in the journey to driving and owning a Volvo XC70. And getting started is easy – simply decide which model, engine and price are right for you.

P11D value for BIK purposes is the retail price plus delivery charge. *BIK % shown for the 2013/14 tax year.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £550 and vehicle tax as of 1st April 2013 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

Your XC70. On the road.

Here you'll find all the interior features that come as standard for each XC70 model variant as well as the upholstery options. As you'd expect, cutting edge innovations and luxurious Scandinavian design touches are already included.

Interior features. Yours to enjoy.

Alloys

Your choice of wheels can make a dramatic difference to the look of your car. Which is why Volvo alloy wheels come in a variety of styles, cuts and finishes – each with its own character – for you to choose from.

In your XC70 you'll be in safe hands. Because your new car comes with the option to add an incredible array of advanced features to give both driver and passengers all the support and protection they need. Which is not surprising, because no other carmaker in history can match Volvo's record of industry-leading safety innovations.

Included as standard on your XC70 is City Safety, which senses potential collisions (active from 2 to 31 mph) and can activate the brakes should you not react in time.

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg
- (v) All diesel models are fitted with a particulate filter

Notes: The weight of the vehicle will influence the level of CO₂ emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂. However, vehicle tax is paid according to the weight and CO₂ emissions of the standard vehicle, as published in this price list. A weighbridge must be used to determine specific weights.
