The BMW Z4 2.0i Roadster

BMW UK

Introduction

BMW Z4 Roadster

An auditorium for the senses. Pure, finely-honed, authentic. This is the new Z4 Roadster, the very essence of dynamism. A perfect balance between nature's elements and the BMW experience. The sun, wind, sky and road. The poise, power, precision – and your driving pleasure.

Permitted load 300
Permitted axle load, front/rear 750/840

Accessories - Introduction

When a car looks as good as the Z4 and delivers such awesome performance, who cares about practicality? Well BMW does. Year-round use in all conditions only serves to prove the depth of its engineering integrity - especially when you select the accessories to suit your needs from a wide range of BMW-approved items.

Accessories - Exterior styling

Double spoke 125

Complete wheel set with runflat Bridgestone tyres. 8x18" 225/40 ZR18 (front), 8.5x18" 225/35 ZR18 (rear).

Star spoke composite wheel 108

Two-piece, with titanium bolts. Bright-turned rim flange. Casting/rolling technology.

Star spoke 104

7x16" single wheel.

M cross spoke composite wheel 101

Two-piece, with titanium bolts. Bright-turned rim flange. Casting/rolling technology. Complete wheel set with runflat Bridgestone tyres. 8x18" 225/40 ZR18 (rear), 8.5x18" 255/35 ZR18 (rear).

Mudflaps

Protect the lower wheel arches against dirt and loose chippings. Available for both front and rear wheels. Not compatible with the aero package.

Aerodynamic package

Consisting of front apron, extended side skirts and rear apron diffuser.

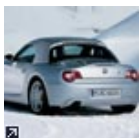

Rear lights with white direction indicators

This package comprises rear lights with white direction indicators, a third brake light in white and the side direction indicators in white behind the BMW emblem. An attractive and highly effective detail.

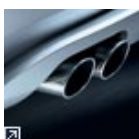

Wind deflector (mesh)

Reduces air draught and turbulence. The wind deflector is pulled over the roll bars and secured with hooks to the interior trim. When not in use, it can be stowed in a storage pocket in the luggage compartment.

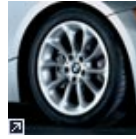

Hardtop

The fibre-reinforced plastic hardtop available in the car's paint finish transforms the BMW Z4 quickly and easily into an individual coupé and increases in-car comfort in the winter months. Incorporating window heating within the tinted glass. The hardtop has an integrated roof spoiler which further accentuates the Z4's sporty appearance.

Tailpipe trims

Matching tailpipe trims are available in chrome, their sporty appearance complementing the powerful sound.

Turbine style 106

8x17" single wheel.

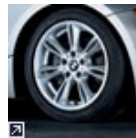

Star spoke 102

7x16" single wheel.

Double spoke composite wheel 71

Two-piece, with titanium bolts. Bright-turned rim flange. Complete wheel set with runflat tyres. 8x17" 225/45 ZR17 (front and rear).

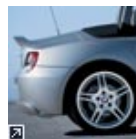

7 Double spoke 103

8x17" single wheel.

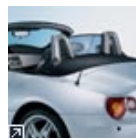

RUD-matic disc snow chains

These snow chains come ready-to-fit and are quick and easy to use. The high-quality chain structure can be easily adapted to fit different tyre sizes.

Rear spoiler

The rear spoiler adds an extra note of dynamism to the Z4.

Wind deflector (honeycomb)

Permanently installed rails on the roll bars enable the wind deflector to be swiftly fitted and removed. When the net is not in use, it can be stowed in a special holder in the luggage compartment.

Convertible top cover

Elegantly conceals the convertible top frame when driving with the convertible top down. The top cover is colour-matched to the interior trim.

Hardtop transport trolley

The sturdy design with rollers is used for practical storage of the hardtop in the summer months.

The BMW Z4 2.0i Roadster

BMW UK

Accessories - Interior styling

Chrome line interior trim

Enhances still further the exclusive feel of the BMW Z4's interior. The door handle trims of this high-quality interior trim are framed in chrome, the gear lever knob or selector lever grip in ruthenium. Complemented by the galvanised sport steering wheel.

Halogen reading light

Anti-dazzle light for map reading. The light beam can be pointed in any direction thanks to the flexible arm.

Velour floor mats

Superior-quality soft velour. Available in anthracite, grey and beige.

Illuminated entry strips

The decorative feature set in the aluminium strip has a chrome appearance in daylight. When the light fades this is subtly illuminated.

High-grade plane tree wood interior trim

The highly-polished plane tree wood trim is a real feast for the eyes, comprising the interior trims for the dashboard, centre console and doors. A matching wood/leather-covered steering wheel rim with plane tree grip and selector lever grip-gear knob in plane tree wood are also available.

"City" floor mats

Thick short-hair velour with ellipsoid design patterns. Available in anthracite, grey and beige.

Drink holders

Two drink holders, which pop out when touched, are integrated underneath the left and right-hand air vents.

Accessories - Mobile communications

Professional navigation system with route map

The BMW Professional navigation system, with its 16:9 display which pops up out of the dashboard, directs you with the aid of the Global Positioning System (GPS) with reliable accuracy to within ten metres of your destination. Navigation is performed by means of a route map - different scales can be selected - and/or direction arrows. In each case you are supported by voice messages.

BMW Approved Portable Navigation from Garmin® - StreetPilot® c320

- Full turn-by-turn guidance with voice prompts
- Pre-loaded SD card with regional mapping (UK & Ireland) plus downloadable European mapping on CD Rom
- Full UK postal code search
- Touch screen display
- Detailed 3D or 2D birds-eye view mapping
- Voice guidance
- 8 hours li-ion battery life
- Downloadable speed camera databases
- Detailed points of interest
- Detailed street level guidance
- Vehicle suction cup mount with 12V adapter
- PC/USB interface cable
- Size: 11.3W x 8.2H x 7.2D cm

Accessories - Versatility

Boot lid railing

This particularly elegant railing is permanently mounted on the boot lid and is used to accommodate the luggage rack or the ski and snowboard set.

Hard-sided case

This lightweight case is specially designed for the luggage rack and can be fitted in no time at all. The multifunction handle locks and secures the case to ensure protection against theft. There is a removable inner bag made of hard-wearing material that goes with the case, allowing you to transport your travel utensils without having to repack.

Net for seat back

Attached to the seat backs. For practical and safe storage of smaller-sized objects.

Coolbag

CFC-free, electric cooler which cools its contents to approx 20 degrees centigrade below the temperature inside the car. Capacity: 12ltr.

Luggage rack

Custom-built for swift and problem-free attachment to the boot lid railing.

Ski and snowboard set

Can be attached to the boot lid railing. Up to two pairs of skis or two snowboards can be safely transported.

Luggage compartment floor net

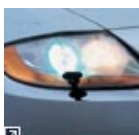

Secured to existing eyelets.

Fitted luggage compartment mat

Fitted anti-slip luggage compartment mat made of heavy-duty synthetic material. Resistant to oil and solvents.

Accessories - Safety and security

Headlight washer system

The headlight washer system prevents dirt accumulation on the headlights. This ensures better illumination of the road.

Fog lights

These fog lights throw a wider beam onto the road and also reduce backglare.

Accessories - Safety and security

Hand lamp

This small hand lamp with storage battery can be connected to the cigarette lighter and charged as required. With magnifying glass.

Passenger airbag deactivation

The passenger airbag can be deactivated with the ignition key so that the child seats can be fitted. A display in the centre console indicates when the passenger airbag is deactivated.

Car Cover Indoor

Antistatic, easy-stretch material. With BMW logo.

Tarpaulin

This tarpaulin is used to protect the Z4's interior against dust and rain. Can also be used with the convertible top closed.

Park Distance Control

Makes parking and manoeuvring the car easier. Obstacles closer than a distance of approximately 1.5m are detected and signalled by an acoustic warning.

Cruise control

Stores the desired speed (from approx 30 km/h) and keeps it constant. Operated from the steering column stalk. Braking or manual deactivation cancels the function. The stored speed is automatically resumed at the touch of a button.

Car Cover Outdoor

Thermo-reflective, fully water-proof. Silver-coloured, dirt-repellant surface. With BMW logo.
