DESIGN

Drive a MINI Cooper S Cabrio and you'll stand out from the crowd, no doubt about it. What with its unique styling, fully automatic roof (which opens in 15 seconds flat), Easy Load boot system and heated glass rear window, a dazzling choice of paints, upholstery and roof colours, heads are going to turn. Everyone will want a go in your MINI Cooper S Cabrio. It seats four in spacious comfort, so everyone else will have to wait. Or get their own.

SAFETY

The MINI Cooper S Cabrio sticks to the road like glue, with a single-link spring-strut front axle, a multi-link rear axle and anti-roll bars. It has four airbags, a roll-over bar and a dizzying array of safety features. Cornering Brake Control improves braking in bends and prevents understeer, while Electronic Brakeforce Distribution ensures short stopping distances. All this safety is rounded off by disc brakes and electronic ABS, leaving you to the serious business of driving.

ENGINE

The MINI Cooper S Cabrio boasts a supercharged four-cylinder engine that develops 170 bhp, 220 Nm of torque and reaches 100 km/h in just 7.4 seconds. Or to be technical – its very, very quick. Touch the pedal and the only thing accelerating faster than the car will be your heart rate.

Fuel consumption combined ltr/100 km) 8.8 (9.2)
CO₂ emission (g/km) 211 (221)

DRIVING EXPERIENCE

Above you, the open sky. Below you, the open road. You get the best of both in the new MINI Cooper S Cabrio – the unique point and squirt driving experience of the MINI, with panoramic views thrown in. Sporty, super-charged six-speed performance, agile handling, unique design. The MINI Cooper S Cabrio is ready for anything. Are you?
