Accessories - Introduction

The new BMW 1 Series. Nothing comes close to touching this masterpiece. Push the start button and you're poised for a new driving experience. The only car of its size to boast the combination of rear-wheel drive and a longitudinally mounted engine, along with everything they stand for: superb agility and solid stability. And then there's the power. The sheer energy of a BMW engine, efficient and so smooth it purts. You expected a lot from the new BMW 1 Series and that's what you've got. But there's more. This brochure shows a range of accessories for the BMW 1 Series that are every bit as well made and stylish. Add individuality to your choice of car.
