Permitted axle load, front/rear 1050/1300

Accessories - Introduction

Tour de force. However long the journey, the 5 Series represents sheer driving pleasure. Thanks to its use of lightweight materials, this touring marvel sets new standards among its executive peers for performance, fuel economy, accommodation and handling. And of course, its dramatic lines and immaculate cabin architecture will always stand out from the crowd. With such a brilliant starting point, it's hard to suggest ways to improve on the 5 Series. But a BMW-approved accessory really can make it even more appealing, either for style, performance or practicality.

Accessories - Exterior styling

18" M double spoke styling 184

Complete wheel and tyre set with Run-flat tyres. 8x18" 245/40 R18 93Y (front and rear).

19" M Double spoke styling 172

Complete with wheel and tyre set with standard tyres. 8.5x19" 245/35 R19 93Y (front). 9.5x19" 275/30 R19 96Y (rear).

18" M Double spoke styling 135

Complete wheel and tyre set with Run-flat tyres. 8x18" 245/40 R18 93Y (front and rear).

17" Star spoke styling 122

Complete wheel and tyre set with Run-flat tyres. 8x17" 245/45 R17 95W (front and rear).

18" Star spoke styling 123

Voice input

Enable operation of navigation, telephone and most iDrive commands via voice command. Only for cars with Professional Navigation System.

Business Navigation

Smartnav

Intelligent, real time vision of the road - available at your fingertips. The system can be fitted with a button and/or a touch screen. Ask your BMW Dealer for further information.

Accessories - Versatility

Ski holders

Easy-use ski holder and standard ski holder for up to four of six pairs of skis.

Snowboard holder

Lockable, for up to two snowboards.

Surfboard carrier

With board supports made of impact-resistant plastic and integrated mast carrier, belt eyelets and tensioning straps.

Ski and snowboard set

(Not shown) Lockable. A ski holder for up to three pairs of skis can be fitted alongside one of the snowboard holders.

The BMW 5 Series 525d Touring

BMW UK

Accessories - Versatility

Luggage racks

High-load carrying capacity. Corrosion-resistant tubular steel construction. A small luggage rack (not shown) enables combination with other attachments from the multifunctional BMW roof rack system.

Trailer tow hitch

Suitable for higher trailer loads of up to 2275kg (with a noseweight of up to 75kg). The trailer tow hitch is invisible when the towball is removed. Also available in a fixed version.

Touring cycle holder

Lockable. Sturdy attachment for transporting a wheel with frame tube diameter of up to 80mm. Also suitable for mountain bikes. Single locking set for fitting up to four touring cycle holders on the base support system.

BMW Roof boxes

With anti-theft five-part lock. Available in three sizes in silver (320, 350 and 450) and two sizes in black (320 and 450). Capacity: 320 litres approx. LxHxW: 2260 x 550 x 350mm. Capacity: 350 litres approx. LxWxH: 1400 x 900x 390mm. Capacity: 450 litres approx. LxWxH: 2300 x 830 x 350mm

Ski and luggage box

Lockable. For up to six pairs of skis including accessories or extensive luggage (Capacity: approx. 450 litres). Available in BMW car paint finish or white.

Anti-slip mat

Luggage compartment floor net

Secures to existing eyelets using S hooks.

Luggage boxes

Manual sun blind

Cool bag

CFC-free, electric cooler which cools its contents to approximately 20 degrees C below the temperature inside the car. Capacity: 12ltr.

Dog guard

Black anodised grille partition, permanently secured. (Not shown).

Base support system

Lockable. The support bars are made of high strength aluminium tubing and are therefore particularly strong and resistant to corrosion. The supports are designed for your BMW, making them easy to fit. The anti theft base support system using coded bolts offers a high degree of security.

Racing cycle holder

Suitable for racing cycles with quick-release skewers on the front wheel. A holder to secure the front wheel to the base support is also available.

Bicycle lift

For all BMW roof rack systems. A bicycle can be lifted on the roof rack and taken down again effortlessly. Suitable for different sized bikes.

Universal lift for roof boxes

The simple way to fit and remove all BMW roof boxes. Can be used to save space by storing the roof box under the garage roof.

Luggage box

A shorter but wider version of the ski and luggage box which offers lots of stowage space (approx 475 litres), lockable. Available in body colour or white. (L x H x W: 1320 x 1030 x 410mm).

Fitted boot mat

Fitted non-slip luggage compartment mat made of heavy duty plastic. Resistant to oils and solvents.

Luggage compartment tray

The tray completely fills the luggage compartment floor. Shatter-proof, acid-proof and impact resistant.

Luggage compartment tensioning straps

Two tear-resistant nylon straps which are secured to the fixing eyelets in the luggage compartment. The easy way to secure items of all shapes and sizes both quickly and safely.

Universal protective rear cover

Cover made of waterproof leatherette which is simply hooked over the head rests. Protects the door panels on both sides.

Umbrella bag

Installed in the front passenger footwell for ease of use.

Accessories - Safety and security

Motor Insurance for your BMW, by BMW

For an insurance quote, call BMW Motor Insurance on 0870 0240 520. Lines open 8am-8pm weekdays and 9am-5pm Saturdays. Calls may be recorded. BMW Motor Insurance is underwritten by UK Insurance Limited. Conditions apply.

Solarius

Protects the car battery against discharge. The solar panel is operated by the cigarette lighter and placed on the dashboard. When the sun shines, the car battery is charged and thus remains able to start for several months even after long periods of non-use.

Rear view mirrors

Automatic anti-dazzle. Available with either a universal remote control which activates most garage doors, alarms and door locking systems or with a digital compass.

Park Distance Control

Tow cable

Powder type fire extinguisher

Dog safety harness

Suitable for securing dogs on the rear bench seat and thereby enhances passenger protection. A lead can also be secured to a metal ring. Available in three sizes.

First aid pouch or first aid box

Torch with rechargeable battery

Recharges from the standard socket in the glove box.

Reversing camera

Ensures maximum safety when reversing. With the aid of a camera integrated in the boot lid, the area of the rear of the car is filmed and displayed on the on-board monitor.

Headlight washer system

The headlight washer system prevents dirt accumulation on the headlights. This ensures better illumination on the road.

Exterior mirror for trailer towing

A special mount ensures vibration-free vision.

Tow bar

Jump leads

In original BMW pouch with electronic protective circuit.

Warning triangle

Not shown.

Warning jackets

Neon-colour safety jackets for adults.

Outdoor protective cover

Thermo-reflective, fully waterproof, dirt-repellant surface.

Baby Seat 0+

The ideal seat for the smallest of children weighing up to 13kg (approx. 18 months). The system consists of a frame installed in the vehicle and a portable baby shell. The BMW Baby Seat 0+ is fitted in the opposite direction of travel. This significantly reduces the pressure exerted on the child's cervical spine in the event of a frontal collision. With the optionally available seat size reducer, the BMW Baby Seat 0+ can be ergonomically adapted to fit newborns.

Accessories - Safety and security

Junior Seat I-II

The BMW Junior Seat I-II with height and tilt adjustable backrest and restraint cushion is an ideal solution for children between 9 months and 7 years (9 to 25 kg body weight). The restraint cushion offers ideal protection to children from 9 months up to approx. 4 years: It reduces the impact of the forces acting on the cervical spine in the event of an accident. For children with a body weight in excess of 18kg or approx. 3.5 years, the restraint cushion is no longer used. Your child is then secured in using the vehicle seat belt.

Junior Seat III

Ideal comfort for passengers over 22kg and approx. 6 years. The seat cushion provides the necessary restraint with optimal belt fitting layout whilst also providing a better all round view. The simple positioning of the seat belt also allows "big kids" the ability to buckle themselves in.

Junior Seat II

The BMW Junior Seat II is offered without restraint cushion for children over 25kg and approx 3.5 years. The ISOFIX preparation may only legally be used for children up to 18 kg. Accordingly, the BMW Junior Seat II and the BMW Junior Seat III are not available in the ISOFIX version.

Accessories - Car care

Wash & wax, 500ml

Liquid car wax for adding to the washing water. Cleans and protects in one.

Car wax, 500ml

Gives all new and clean multi-coloured or metallic paintwork a long-lasting high gloss finish without smearing.

Leather care agent, 375ml

Protects the leather after general cleaning.

Silicone spray, 300ml

A colourless universal lubricant that can be used on hinges, etc. Also cleans and cares for rubber plastic parts.
