

A NEW JOURNEY

TF
LE
500

Reach for the
sun. For people
whose glass is always
half full. And who don't stick
a toe in the water; they jump
right on in. For free thinkers. And
free expression. And self-starters.
And absolutely everyone with a lust
for life. People who leap out on is
out of bed, first thing they put on is
a smile. Who dare to try something
different. Ever been on a blind
date? Of course you have.
Let work become play.

The MG TF LE500

MG TF LE500 fuel consumption mpg (L/100km): Urban 25.4 (11.1), Extra Urban 46.3 (6.1), Combined 35.8 (7.9). CO2 mass emission (combined) 185 g/km.

The fuel consumption figures were obtained in tests carried out in line with the Passenger Car Fuel Consumption and CO2 Emissions Information Regulations 2001 (Reflecting EU Directive 80/1268/EEC as amended by 2004/3/EC). However under normal use a car's actual fuel consumption figures may differ from those achieved through the test procedure, dependant on driving technique, road and traffic conditions, environmental factors and vehicle condition.
