

# VOLVO XC70

# The XC70 range at a glance.

## XC70 SE

The SE aims to spoil. Its luxurious interior boasts supportive seats, power adjustable for the driver. Then there's the 8 speaker High Performance audio system with 160 W output and intuitive features such as automatic rain sensor and autodimming rear view mirror with compass. On the outside, 17" Sargas alloy wheels, extended XC roof rails and tough XC body cladding and mouldings make sure your presence doesn't go unnoticed on or off road.

## XC70 SE LUX

The SE Lux model is the ultimate in luxury. Modern wood inlays, Leather-faced upholstery and both front seats are powered and heated. Active bending headlamps, chrome window trim, power tailgate and rear park assist offer both style and protection.

## PREMIUM

The Premium model is the ultimate upgrade, available on all specification levels. The combination of Leather-faced Upholstery, Satellite Navigation System (RTI) and DAB Radio are all designed to complement the existing high level of specification whichever model you choose.

## XC70 DRIVE

The DRiVe badge is given to cars in the Volvo range that have the best environmental performance. The 2.4D DRiVe model is equipped with a conventional diesel engine and manual gearbox optimised for extra-low fuel consumption as well as being tailored specifically for low rolling resistance and reduced air drag. With CO<sub>2</sub> at just 159 g/km and fuel consumption of up to 47.1 mpg on a combined cycle, this makes the 2.4D DRiVe an attractive choice without compromising on driving pleasure. DRiVe is not currently available as a Geartronic.

# On the road.

How much will it cost to get behind the wheel of your own Volvo XC70? Simply decide which model variant and engine type are right for you and then take a look at the full price list below.

## XC70 SE

# Inside information.

Here you can learn more about the features and technology of your New Volvo XC70. Some are standard, some are optional. For more detailed information, please contact your Volvo dealer or visit [www.volvocars.co.uk](http://www.volvocars.co.uk)

## Dynamic Stability and Traction Control (DSTC)

Dynamic Stability and Traction Control, DSTC, enhances driving stability and helps you maintain traction in a wide range of situations. At the core of DSTC, a gyroscope senses the car's direction and compares this with steering wheel movements as well as the actual rotation of the car's wheels. DSTC is able to detect a potential skid and help counteract one by reducing the engine's power output, or braking on one or more wheels.

## Whiplash Protection System (WHIPS)

Integrated in the front seats, Volvo's WHIPS cradles the occupant to help reduce the risk of whiplash injury (one of the most common types of traffic injury and often the result of a low-speed rear impact collision). The function is activated by a collision of sufficient force from behind. Independent research has shown that WHIPS is one of the most effective systems in the world and can reduce the risk of long-term injuries by 50%.

## Side Impact Protection System (SIPS)

SIPS is a Volvo unique safety system that has been developed to help protect where occupants are most exposed to the crash forces. The steel framework of the car – including the front seats – is designed and reinforced to help displace the impact of a side-collision away from the occupants to other parts of the car body and help prevent intrusion into the cabin. The side structure is extremely strong to help withstand a severe side impact – even with a larger vehicle.

## ISOFIX

ISOFIX attachments only allow you to fit the child seat in the correct way. They also make the child seat easier to fit and remove. We offer two rearfacing child seats with ISOFIX attachments: one for infants and small children up to 13 kg, and one for children weighing between 9 and 18 kg.

## Dual-stage airbags, driver and front passenger

Helping to optimise protection, the dual-stage airbags adapt the level of inflation depending on the force of the collision. The driver's airbag also interacts with the deformation of the collapsible steering column.

## Inflation Curtain (IC)

The Inflation Curtain (IC) helps protect the heads of both front and rear outboard occupants. It also stays inflated for some seconds to provide prolonged protection for subsequent impacts.

**Personal Car Communicator (PCC)**

PCC is an advanced remote control that combines keyless drive with two-way communication with your Volvo. Keep the PCC with you and the car unlocks automatically as you pull the door handle. Start the engine by pressing a button on the dash, lock the car by pressing a button in the door handle. Later in the day, if you're wondering whether you've locked the car, PCC can remind you; no matter where you are. On your return to the car – within a radius of 60 to 100 metres – pressing the PCC information button will give you a current report on its status. If the alarm has been activated, the onboard heartbeat sensor will give you advanced warning if there's somebody in your car and an opportunity to evaluate the situation safely.

**Integrated Bluetooth® handsfree system**

Bluetooth® technology enables a mobile phone to be connected to the infotainment system in your Volvo, wirelessly. Once configured for a mobile phone, the system automatically recognises your phone as you enter the car. And as you climb in and out of the car, the system automatically allows you to switch freely from the phone to the handsfree system and back again. With Volvo's integrated Bluetooth® handsfree system you conveniently operate your phone using the buttons in the steering wheel or the centre console keypad. Available as an accessory, there's also a voice-controlled Bluetooth® handsfree system that will listen to your command and make calls for you.

The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Volvo Car Corporation is under licence. Other trademarks and trade names are those of their respective owners.

**Blind Spot Information System (BLIS)**

BLIS uses rear-facing cameras installed in the door mirrors to keep a lookout on either side of the car. As a vehicle enters your blind spot, this function can alert you with a lamp built into the front door post – left or right. Together with the door mirrors, this helps you assess the feasibility of a lane change. BLIS is activated once the car exceeds 10 km/h, and reacts to almost any type of vehicle from a motorcycle upwards, day or night.

**Park assist**

Activated when you engage reverse gear, rear park assist helps you when reversing into tight spaces. The audio system is turned down and a pulsating sound from the rear loudspeakers becomes a continuous tone as you approach an obstacle. Front park assist performs a similar function at the front of the vehicle – alerting you via the front loudspeakers. The remaining distance is also shown on the audio display.

**Road and Traffic Information (RTI)**

Volvo's GPS-based RTI navigation system offers both voice guidance and graphic navigation all the way to your destination. Via TMC (Traffic Message Channel) radio data broadcasts, RTI also lets you know if there's weather-related trouble en-route and recommends an alternative. Extremely swift and precise, this new generation RTI features a hard disc drive covering maps for major parts of Europe. The system is fully integrated in your Volvo and is easily controlled from the steering wheel or optional remote, and the screen is positioned so you can keep your attention on traffic. You can choose between two operating modes – Easy and Advanced. When RTI is not needed, the screen is hidden into the dash. To help you keep track of new roads and points of interest, you can join our MapCare programme for two free map updates.

# Accessories from Volvo.

Of course, your Volvo XC70 won't be perfect until it's exactly how you want it. So here's a selection of our range of accessories to completely personalise your new car.

**Towbars**  
Our lockable, easy-to-remove towbars are designed specifically for your Volvo.

**USB and iPod® Music Interface**  
Simply connect your iPod® or USB device and seamlessly integrate with your Volvo's audio system.

**'Space design' roof box**  
A lightweight, aerodynamic roof box available in two sizes: 380 and 480 litres.

**Portable navigation system**  
Designed to complement your Volvo, this easy-to-use Garmin nüvi® navigation unit guides you all the way.

19" Erakir  
Black Chrome

19" Erakir  
Diamond Cut/Dark Grey

**Rear seat entertainment**  
Rear seat passengers can watch a DVD or play a game via two, integrated, 8-inch widescreen displays.

**Frame-mounted bicycle holder**

This holder secures the bicycle at the frame and both wheels and fits most frame sizes.

**Park assist camera**

Discreetly mounted on the tailgate, this camera increases your field of vision behind the car.

**Infant seat (up to 13 kg)**

Infants can travel safely backwards in this comfortable, easy-to-carry seat with five-point harness.

**Cargo floor mats**

Equipped with a high-friction coating, these mats stop dirt and water seeping into the cargo compartment.

**Styling**

Accentuate your car's sporty, rugged looks with accessories such as aluminium sill mouldings and scuff plates.

Take a look at all our accessories and full pricing information at [www.volvocars.co.uk/accessories](http://www.volvocars.co.uk/accessories)

**COLOUR YOUR VOLVO.** When it comes to the appearance of your Volvo, the choice of exterior colour and wheels are probably your most important design decisions. For more exterior styling options and to build your new Volvo online, please visit [www.volvocars.co.uk](http://www.volvocars.co.uk)

019 Black Stone

426 Silver metallic

452 Black Sapphire metallic

454 Ruby Red pearl

472 Oyster Grey pearl

477 Inscription™ Electric Silver coarse flake metallic  
(sparkling metallic, shifts from silver to blue effect  
depending on light)

484 Seashell metallic

493 Caper Green pearl

498 Caspian Blue metallic

614 Ice White

**Clean colours**

To reduce usage of environmentally hazardous solvents all Volvo exterior colours are water-based. What's more, our painting facilities are among the cleanest in the world.

**Please note:** It's not possible to reproduce exact original shades in printed matter. Please ask your dealer to show you samples.

**EXTERIOR DESIGN.** The XC70's muscular yet lean design characteristics can both seduce and deceive. Its seductive nature is obvious. Horizontal lines give the car a wide, low look while the vertical design qualities have been emphasised to create a tough, rugged and stable impression. As for deceptive, we were referring to load capacity. And in the case of the XC70, this is anything but lean. The XC70 is also a blank page on which you can write your own personal signature by adding side scuff plates, aluminium crossbars, a roof spoiler or any one of many other eye-catching touches.

**Side scuff plate**

The matt aluminium finish side scuff plates add an extra touch of attitude to the Volvo XC70, perfectly matching the design of the sill and other XC70 exterior styling details.

**Aluminium crossbars**

An aerodynamic design element that complements the roof rails and the design of your Volvo. These aluminium crossbars also allow you to exploit the roof's load-carrying capacity to the full.

**Roof spoiler**

The stylish roof spoiler enhances the sporty lines of your Volvo estate and is colour coordinated with the body.

**Exterior design** Aluminium wheels

18" Merac  
Silver Bright

17" Sargas  
Silver Bright

**IMAGINE YOUR NEW INTERIOR.** Crafted according to your requirements, the interior of your Volvo can take on any number of personalities. Choose between two interior colours, Anthracite Black and Sandstone Beige, and different upholstery variants. Pick the interior that suits you and add the finishing touch with the interior trim, steering wheel, gear knob and floor mat of your choice. After all, you're probably going to spend a lot of time here.

**Ergonomic design** Developed in cooperation with ergonomic specialists to provide generous support for the body during hours of driving, the seats in the Volvo XC70 are among the most comfortable in the automotive world. Multiple adjustment possibilities and adjustable lumbar support make it easy to find the perfect driving position.

**Leather-faced**

This is a hide quality that's comfortable, durable and has a coarse grain pattern. Like all Volvo leather, it's organically tanned and ages beautifully.

**Ventilated leather-faced**

Designed for use with ventilated seats, this upholstery is made with buffed leather. Central seat panels are perforated, efficiently managing body moisture while adding an aesthetic quality.

**Duved textile/vinyl**

This rugged looking upholstery combines two materials. The contemporary textile upholstery is trimmed with durable vinyl hide that has a leather look and feel.

**INTERIOR DESIGN** Anthracite Black

- (i) The results do not express or imply any guarantee of the fuel consumption of a particular car.
- (ii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.
- (iii) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (iv) For best performance and lowest fuel consumption 98 RON is recommended. 95 RON can be used for normal driving.

#### Notes

The weight of a vehicle will influence the level of CO<sub>2</sub> emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO<sub>2</sub>. However, Vehicle Excise Duty is charged according to the weight and CO<sub>2</sub> emissions of the standard vehicle, as published in this price list. The weight effect of any additional items does not affect the amount of Vehicle Excise Duty payable.

A weighbridge must be used to determine specific weights.

Data valid for manual transmission unless specified.

All measurements in mm.

The Max. output figures are quoted in PS (Pferdestärke), which is the metric equivalent of brake horsepower.

NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to price, colour, materials, specifications and models. Volvo Car UK Limited, Globe Park, Marlow, Buckinghamshire, SL7 1YQ.

# Meet the family.

## Fuel consumption and CO<sub>2</sub> emissions for the Volvo range:

Fuel consumption mpg (l/100 km):  
Urban: 57.7 (4.9) – 14.1 (20.0).  
Extra Urban: 83.1 (3.4) – 28.8 (9.8).  
Combined: 74.3 (3.8) – 20.9 (13.5).  
CO<sub>2</sub> emissions: 99 – 322 g/km.

**Please note:** Some of the information in this brochure may be incorrect due to changes in product specification that may have occurred since printing. Some of the equipment described or shown may now only be available at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time and without notice, to prices, colours, materials, specifications and models.

**Furthermore:** There are options, accessories and packages that can be chosen separately or combined as you like. For more information, please contact your Volvo dealer.

# S

For details of the current promotions available, please visit [www.volvocars.co.uk/financepromotions](http://www.volvocars.co.uk/financepromotions).

**WHAT NEXT?** If you'd like to find out more about the range of products and services that make up Care by Volvo, the story continues at [www.volvocars.co.uk](http://www.volvocars.co.uk). Alternatively you can contact your nearest Volvo dealer or request relevant brochures.

(i) Finance subject to status. Terms and conditions apply. Guarantees/Indemnities may be required. Applicants must be 18 or over. Volvo Car Financial Services RH1 1SR.

(ii) When using a Volvo approved Body and Paint repairer.

(iii) Volvo Car Insurance is underwritten by Royal & Sun Alliance Insurance plc (No. 93792). Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection telephone calls will be recorded and may be monitored. All benefits are subject to qualifying status, terms and conditions, cover level and underwriting criteria. Service and repair benefits are subject to being carried out by a recommended repairer.

## **INSURANCE**

Volvo Car Insurance is designed for Volvo drivers and because we know Volvos inside out, we can offer exactly the right tools and expertise, fitting only genuine Volvo parts by trained Volvo technicians<sup>(i)</sup>. Your Volvo will come with seven days drive away insurance, so you've already got peace of mind. Because Volvo drivers have an excellent reputation, we can also offer extensive cover at a reasonable price<sup>(ii)</sup>.

Call now for your insurance quote on **0800 238 239**, quoting reference BROCH.

## **SERVICING YOUR VOLVO**

**Your Volvo dealer has the unique know-how to tailor a service programme according to Volvo's strict recommendations and guarantees you years of safety and driving pleasure. In addition, why not save yourself money on service costs by taking out a Volvo Service Plan? They're designed to spread servicing costs on an interest-free monthly basis, providing you with economic, convenient servicing and peace of mind.**

**Whatever option you choose your costs are fixed no matter what happens to labour, parts or oil prices. You will also have the satisfaction of being able to have your Volvo serviced at any one of our UK Volvo dealers and Service Centres. For further information and to purchase online please go to [www.volvocars.co.uk/serviceplan](http://www.volvocars.co.uk/serviceplan)**

## **VOLVO ON CALL**

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. See the Volvo On Call brochure for more information.

## **LOOKING AHEAD**

**You'll probably never find out just how good some of these services are. But should the unexpected happen, we'd like to think that you'd be even happier you chose a Volvo.**

## **ROADSIDE ASSISTANCE**

Every new car comes with one year's Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can even extend cover for £85 for one year or £155 for two years. Call Volvo Assistance on **08701 650 978**.

## **WARRANTY**

Every new Volvo comes with comprehensive protection. Our warranty covers the first three years or 60,000 miles, whichever comes first. There's a three year unlimited mileage warranty on the paintwork, and either eight or twelve years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

**THERE'S MORE TO LIFE THAN A VOLVO.**

Volvo. for life

**THAT'S WHY YOU DRIVE ONE.**

**VOLVO**

**Volvo Car UK Limited**  
[www.volvocars.co.uk](http://www.volvocars.co.uk)

All "On The Road" prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £535 and the VED (Vehicle Excise Duty) car tax as of 1st May 2009. This charge does not include any provision for fuel. The "On The Road" price also includes a £55 vehicle first registration fee (as set by the government - excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.
