

NEW VOLVO C30

THERE'S MORE TO LIFE THAN A VOLVO. THAT'S WHY THE VOLVO C30 HAS AS MANY LOOKS AS YOU DO, WHY THERE ARE MORE PERSONALISATION POSSIBILITIES THAN EVER, WHY WE OFFER THE VOLVO DRIVE WITH LOWER EMISSIONS, WHY THIS FOUR-SEATER IS A WORLD BEATER AND WHY YOUR INDIVIDUALITY STILL COULDN'T BE IN A SAFER PLACE. THAT'S WHY YOU DRIVE ONE.

It's different. But that's not the only benefit.

Nature makes sure we all start out unique. And the Volvo C30 can help you stay that way. First-class comfort, world-class safety and elegant Scandinavian design are all part of the special Volvo DNA and instantly apparent here. At first glance you'll notice unique Volvo design details such as the bigger, bolder iron mark on a larger, trapezoidal grille, aggressive headlights that sweep back gracefully, yet peer out protectively and demonstrative rear lamps that include state-of-the-art Adaptive Brake Lights that warn cars behind when you brake harder than normal. Add to that exceptional road holding and scores of exterior and interior customisation possibilities, including the sporty R-DESIGN trim, and you'll discover the Volvo C30 is highly qualified to protect you and yours, especially from boredom.

THERE'S MORE TO LIFE THAN A VOLVO. THAT'S WHY WE DESIGN OUR CARS TO SUPPORT YOU IN ANY SITUATION ON THE ROAD. THAT'S WHY OUR SAFETY TECHNOLOGY HAS PUSHED AUTOMOTIVE DEVELOPMENT FOR MORE THAN EIGHTY YEARS. THAT'S WHY WE AIM FOR A FUTURE WHERE CARS DON'T CRASH. THAT'S WHY WE LEAD THE WAY TO ZERO EMISSIONS, AND OFFER ONE OF THE PREMIUM SEGMENT'S STRONGEST RANGES OF LOWER CO₂ ALTERNATIVES. AND THERE ARE ALL THE REASONS IN THE WORLD TO MOVE THE BOUNDARIES FOR WHAT'S POSSIBLE AND WHAT'S NOT. THAT'S WHY WE INNOVATE FOR LIFE.

Innovated for your enjoyment, the Volvo safety technologies will protect more than the fun of driving.

Across the world, Volvo equals safety. And that comes with good reason, because few carmakers can match our record of safety innovations and the commitment for safety that has guided us for more than 80 years. Of course, this makes us extremely proud. But we're not satisfied. Because we know what we want to achieve: zero accidents. This huge task calls for innovative thinking and a brand new approach to the way we design cars. The good news is we've already come a long way. For starters, our cars are more fun and engaging to drive than ever (because a bored driver will never be a safe driver). And the technology needed is no figment of the imagination, some is already available in your Volvo. This means driving a Volvo today is like having a first peek at a very exciting automotive future – a future where passionate engineering and design do more to help you get the most out of life.

After all, there's more to life than a Volvo.

EYES IN THE BACK.

Park Assist alerts you if you're too close to an obstacle behind your car when reversing.

PERSONAL GATEKEEPING.

Inspired by fighter aircraft technology, the IDIS (Intelligent Driver Information System) can help reduce your workload in stressful situations.

RAIN SUPPORT.

For more comfort in wet conditions, the rain sensor automatically engages the wipers if it begins to rain or if water splashes onto your windshield.

AN EYE ON THE BLIND SPOT.

BLIS (Blind Spot Information System) helps you detect vehicles entering your blind spot.

STAY ON TRACK.

Volvo's DSTC (Dynamic Stability and Traction Control) improves handling and safety in a wide range of challenging situations.

ON-ROAD ENLIGHTENMENT.

ABL (Active Bending Lights) with Dual Xenon technology expands your vision range when driving in the dark and provides considerably improved illumination around bends.

EXHILARATING COMFORT.

Ergonomic design in seats and driver's environment makes you relaxed and helps maintain your concentration on driving.

24/7 PEACE OF MIND.

Stay cool. Volvo On Call is Volvo's integrated emergency and roadside assistance technology.

99 G CO₂ PER KM.

Our latest eco-progress, the Volvo C30 DRiVe Start/Stop, satisfies itself with up to 74.3 mpg*, for minimum emissions and maximum style.

*Based on a combined cycle.

GREEN AT THE RED LIGHTS.

To further reduce fuel consumption and CO₂ emissions when driving in the city, the DRiVe turbodiesel is available with Volvo's new Start/Stop technology.

85% RECYCLABLE.

To help minimise its total environmental impact, every Volvo is designed to facilitate recovery and recycling at the end of its useful life.

FRESH CABIN AIR.

Continuously monitoring incoming air and shutting out carbon monoxide, ground-level ozone and nitrogen dioxide, Volvo's Interior Air Quality System helps ensure that the air you breathe in the car is cleaner than that outside when driving in heavy city traffic.

ALLERGY-TESTED INTERIOR MATERIALS.

All our upholsteries and interior textiles are tested for certain allergy-inducing or harmful substances and comply with Oeko-Tex Standard 100. And several interior metal details are tested for contact allergies. Good for you, and for anyone who shares your ride.

ECO DRIVING SUPPORT.

Displaying when it's optimum to shift gear, the gear shift indicator in the DRiVe variants helps you save fuel and reduce your CO₂ emissions.

FUEL-SAVING DESIGN.

To reduce energy loss from wind and roll resistance, we utilise advanced aerodynamic design, light-weight materials and low-friction technology. Together with state-of-the-art engine technology, this lowers your CO₂ emissions and helps you travel further on less fuel.

BRAKE FOR ENERGY.

Driving any of the turbodiesels, the battery is fed with extra power everytime you brake. Smart and fuel-saving.

CLEANER EXHAUST.

Fast responding after a cold start, Volvo's advanced emission control eliminates between 95 and 99% of carbon monoxide, hydrocarbons and nitrogen oxides from petrol engine exhaust gases. The Volvo turbodiesels feature a particulate filter that removes about 95% of the particles from the diesel exhaust gases.

Designed to catch the light brilliantly, this car also reflects a promise.

Thankfully, the automotive industry is moving away from fantasyland to the real world. Our journey towards a better environment started in the early 70s. Then we were among the first carmakers to acknowledge the environmental downside of cars and to do something about it. Since then we are constantly innovating to reduce the environmental impact of our cars and how we make them.

Today's biggest challenge is, of course, to reduce the carbon dioxide emissions that cause climate change. Today we offer one of the premium segment's strongest ranges of lower CO₂ alternatives: the Volvo DRiVe variants. Utilising innovative power train technology together with advanced aerodynamics, low friction technology and lightweight materials, the DRiVe range is an important step towards zero emissions.

In the near future we will introduce new technology such as plug-in hybrid vehicles that will further reduce CO₂ emissions and can be charged from a standard wall socket. And we're heavily engaged in the development of electrical vehicles – a technology that will dramatically reduce the environmental footprint of our cars and make them even more fun to drive.

Good for you, and for the world we share.

Do the green light proud.

240 Nm of maximum torque makes it easy to believe green is the way to go. Yet, the source of this power is a modified 1.6 litre turbodiesel with technology achieving up to 74.3 mpg* while emitting only 99 grams of CO₂ per kilometre. These numbers help the new Volvo C30 DRIVe Start/Stop achieve eco-car status, but it might be the aerodynamic enhancements – from the special tyres, wheels and grille to the roof spoiler and even the undercarriage – that make sure this hyper-efficient automobile is even friendlier to the environment and more fun to drive.

*Based on a combined cycle.

There is nothing normal about these factory settings.

R-DESIGN removes embarrassing sameness with one sweet application. Features factory-installed bodykit, tailgate spoiler, 17" 5-spoke Cratus aluminium wheels, front grille and side mirrors in a special silver matt finish and dual 90 mm tailpipes (with T5 or D4). Inside, superbly comfortable seats with unique upholstery show off an embossed R-DESIGN logo across the front seats. Other exclusive R-DESIGN touches throughout the cabin help define a style that moves beyond the ordinary without fear of being fabulous.

R-DESIGN upholstery

Settle back in unique Off Black or Off Black/Cream leather-faced/T-Tec seats with embossed R-DESIGN logo.

R-DESIGN deco inlay

The centre stack and door handle inlays convey a sporty, contemporary feel.

Sports gear knob

Leather and aluminium are combined to give the gear knob an exciting look and feel.

Sports pedals

Enhance the driving experience with these tough, ridged sports pedals.

Sports steering wheel

Every R-DESIGN model features an exclusive sports steering wheel with embossed logo.

Combi instruments

At the centre of the instrument panel, the speedometer and rev counter feature attractive blue inserts.

Sports floor mats

Look down and you'll see exclusive sports floor mats are brought to life with piping.

A selection of R-DESIGN items is also available in our Accessory range. Please contact your local dealer for further information.

One good turn deserves another.

The excellent handling characteristics of this car are made even more responsive when you choose the lowered sports chassis*. Its stiffer springs, stiffer bushings, and sport-tuned roll bars make it easy to establish a fondness for the roads you travel. Along the way, you may discover a few favourite turns that always seem happy to see you, too. By all means, downshift and say hello.

* Standard on the C30 R-DESIGN.

Improvise.

Modern physics suggests a certain amount of fundamental randomness in the universe, which makes the versatile Volvo C30 perfect for impromptu shopping. Like every Volvo, this car is built to provide an intelligent mix of performance and practicality. For example, the seating and storage configurations are flexible enough to provide 876 litres of loading capacity as well as a flat cargo space almost 150 cm long. Of course, roof-mounted carrying accessories are also available and, if you're really serious about shopping, a tow bar might be an option.

Buckle up.

Settle in to one of the world's most comfortable driver's seats and you'll find everything you need close at hand. The unique floating centre console presents intuitive controls for the infotainment and climate systems and is available in a variety of finishes including the Hagstrom guitar inspired Oyster Burst. The overall effect is stimulating, yet the elegant simplicity of pure Scandinavian design also invites you to relax, while wearing the stylish 3-point safety belt Volvo invented for you, of course.

Lean back.

The seats in your Volvo C30 are an extremely comfortable example of ergonomic excellence. In fact, year after year Volvo seats are said to be the most comfortable in the automobile industry. Part of that comfort, we believe, comes from riding in one of the safest cars on the road. The back seats, set closer together for a better view forward, have a VIP lounge feeling with a centre armrest, tilted backrests and convenient amenities such as side storage and a clever table that is the flip-side of the front-centre armrest.

Be quiet, tomorrow.

Music is life. And Volvo's modern sound systems are among the best in class, especially with the latest generation of Dolby® Pro Logic® II Surround Sound and extremely efficient digital Class D amplification. The Dolby® Pro Logic® II Surround Sound utilises a centre loudspeaker and sophisticated sound processing calibrated especially for the interior of the Volvo C30. This system ensures that every passenger enjoys a well-balanced stereo presence regardless of seating position, a remarkable achievement considering how nobody sits in the middle of the car. Connect your iPod® or USB player and your playlists are easy to select and your music is ready to travel, non-stop.

Performance audio system

A console-integrated radio and CD player. It sounds good, looks good and it's easy to use. Performance equipment includes:

- RDS radio
- CD player
- Aux Input in front centre armrest
- 4 x 20 W amplifier
- 6 loudspeakers

Options: Steering wheel remote audio controls and 6 x CD player (in place of 1 x CD player)
Accessories: USB and iPod® Music Interface.

High Performance audio system

A powerfully versatile system. Each loudspeaker is fitted with a more powerful magnet and a larger coil. In combination with the amplifier, this system promotes excellent transient reproduction and high power, quite simply superb sound. High Performance audio system includes:

- RDS radio
- MP3 and WMA compatible CD player
- USB and Aux Input in front centre armrest
- 4 x 40 W High Performance amplifier
- 8 High Performance loudspeakers

Options: Steering wheel remote audio controls and 6 x CD player* (in place of 1 x CD player)
Accessories: USB and iPod® Music Interface.

*This option deletes the USB input

Premium Sound

Our top-of-the-line audio system designed for perfect sound dynamics, boasting 5 x 130 W and ten high-end loudspeakers. With Dolby® Pro Logic® II Surround Sound for an authentic audio experience in all seats. Premium Sound equipment includes:

- RDS radio
- MP3 and WMA compatible CD player
- USB and Aux Input in front centre armrest
- 5 x 130 W digital class D amplifier
- Dolby® Pro Logic® II Surround Sound with centre loudspeaker and digital sound processor
- 10 high-end Premium Sound loudspeakers

Options: Steering wheel remote audio controls and 6 x CD player* (in place of 1 x CD player)
Accessories: USB and iPod® Music Interface.

*This option deletes the USB input

The C30 range at a glance.

C30 ES

The comprehensive standard specification includes ECC (Electronic Climate Control), 16" alloy wheels, DSTC (Dynamic Stability and Traction Control), passenger airbag cut-off switch, power windows, a leather steering wheel and gear knob, information centre, floor mats, a CD player and an Aux input for MP3 players.

C30 SE

The SE model brings added luxury. Leksand Textile/T-Tec upholstery, aluminium inlays, cruise control and steering wheel remote controls on the inside are complemented by the 17" Styx White alloy wheels, autofolding power door mirrors with ground lights and fog lights on the outside.

C30 SE LUX

The most luxurious version of the Volvo C30 offers leather-faced upholstery, 17" Spartacus alloy wheels and active bending lights with headlight cleaning system.

C30 *R*DESIGN

The striking exterior lines are enhanced with 17" Cratus alloy wheels with full bodykit, lowered sports chassis, and logo on the grille. The unique interior design is complemented with embossed leather/T-Tec upholstery, sports steering wheel and unique aluminium inlay.

C30 *DRIVE*

DRIVE is a series of modifications, adjustments and enhancements designed to make it easy to reduce both your impact on the environment and your running costs. All C30 DRIVE models come with Start/Stop technology to produce only 99 g/km CO₂ and fuel consumption up to 74.3 mpg*, which means there is no vehicle excise duty payable.

* Based on a combined cycle.

On the road.

How much will it cost to get behind the wheel of your own Volvo C30? Simply decide which model variant and engine type are right for you and then take a look at the full price list below.

● = standard, o = option, n/a = not available, nco = no cost option, u (£) = upgrade, ® = Registered Trademark.

(i) If ordered with DRIVE model, energy saving tyres will be fitted.

(ii) Cannot be combined with Lowered Sports Chassis on 2.0 petrol. Dynamic Chassis becomes standard.

(iii) Must be ordered in conjunction with High Performance or Premium Sound Audio Systems.

(iv) If a 6 x CD Player is ordered, standard USB port is removed from the audio system.

(v) Dolby and Pro Logic Surround Sound™ are trademarks of Dolby Laboratories Licensing Corporation.

(vi) Bluetooth® Handsfree System must be ordered in conjunction with Steering Wheel Remote Audio Controls on ES. Aux Input is removed when Bluetooth® Handsfree System is ordered in conjunction with Performance Sound Audio System. For details of compatibility, please go to: www.volvocars.com/Bluetooth

(vii) Volvo On Call includes Safety package (Security package available at additional cost).

Inside information.

Here you can learn more about the features and technology of your Volvo C30. Some are standard, some are optional. For more detailed information, please contact your Volvo dealer or visit www.volvocars.co.uk

Dynamic Stability and Traction Control (DSTC)

Dynamic Stability and Traction Control (DSTC) enhances driving stability and helps you maintain traction in a wide range of situations. At the core of DSTC, a gyroscope senses the car's direction and compares this with steering wheel movements as well as the actual rotation of the car's wheels. DSTC is able to detect a potential skid and help counteract one by reducing the engine's power output, or braking on one or more wheels.

Whiplash Protection System (WHIPS)

Integrated in the front seats, Volvo's WHIPS cradles the occupant to help reduce the risk of whiplash injury (one of the most common types of traffic injury and often the result of a low-speed rear impact collision). The function is activated by a collision of sufficient force from behind. Independent research has shown that WHIPS is one of the most effective systems in the world and can reduce the risk of long-term injuries by 50%.

Active Bending Lights (ABL)

Compared to conventional halogen headlights, Active Bending Lights use Dual Xenon technology to expand your vision range by about 230%. This will help you gain 45 metres more for braking. And using motorised lamps that turn up to 15° in either direction, this technology gives a 90% boost to your vision round bends at night. You can enjoy highly effective low beam illumination on narrow, winding roads and extremely powerful full beams on the motorway. A daylight sensor disengages the adaptive function during daytime to extend its lifespan. Independent of any load you're carrying, these headlights self-adjust to maintain the correct angle to the road – even during hard acceleration or braking.

Inflatable Curtains (IC)

The Inflatable Curtains (IC) protect the heads of both front and rear outboard occupants. They also stay inflated for some seconds to provide prolonged protection for subsequent impacts.

ISOFIX

ISOFIX attachments only allow you to fit the child seat in the correct way. They also make the child seat easier to fit and remove. We offer two rear-facing child seats with ISOFIX attachments: one for infants and small children up to 13 kg, and one for children weighing between 9 and 18 kg.

Side Impact Protection System (SIPS)

SIPS is a Volvo unique safety system that has been developed to help protect where occupants are most exposed to the crash forces. The steel framework of the car – including the front seats – is designed and reinforced to help displace the impact of a side collision away from the occupants to other parts of the car body and help prevent intrusion into the cabin. The side structure is extremely strong to help withstand a severe side impact, even with a larger vehicle. The Inflatable Curtains (IC) for all the occupants and the front seat side airbags interact to help provide further protection.

Dual-stage airbags, driver and front passenger

Helping to optimise protection, the dual-stage airbags adapt the level of inflation depending on the force of the collision. The driver's airbag also interacts with the deformation of the collapsible steering column.

Satellite Navigation System

Volvo's GPS-based satellite navigation system offers both voice guidance and graphic navigation all the way to your destination. Via TMC (Traffic Message Channel) radio data broadcasts, it also lets you know if there's weather related trouble en-route and recommends an alternative. Extremely swift and precise, it features a hard disc drive covering maps for major parts of Europe. The system is fully integrated in your Volvo and is easily controlled from the steering wheel or optional remote, and the screen is positioned so you can keep your attention on traffic. You can choose between two operating modes – Easy and Advanced. When it is not needed, the screen is hidden into the dash. To help you keep track of new roads and points of interest, you can join our MapCare programme for two free map updates.

Hard Load Cover

This load cover keeps cargo out of sight. It also provides a shelf where you can put light objects such as gloves and hats. To access your load, simply open up the convenient hatch. And when the load cover's not needed, it's easy to remove.

Integrated Bluetooth® Handsfree System

Bluetooth® technology enables a mobile phone to be connected to the infotainment system in your Volvo, wirelessly. Once configured for a mobile phone, the system automatically recognises your phone as you enter the car. And as you climb in and out of the car, the system automatically allows you to switch freely from the phone to the handsfree system and back again. With Volvo's integrated Bluetooth® handsfree system you conveniently operate your phone using the buttons on the steering wheel or the centre console keypad. Available as an accessory, there's also a voice-controlled Bluetooth® handsfree system that will listen to your command and make calls for you.

The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Volvo Car Corporation is under licence. Other trademarks and trade names are those of their respective owners.

For details of compatibility, please go to: www.volvocars.com/Bluetooth

Keyless Drive

Keep the car key in your pocket or handbag. Using the keyless drive technology you can unlock the doors and drive away without using the car key. To start the engine, just turn the starter control in the instrument panel.

Autofolding Power Door Mirror with Ground Lights

At the touch of a button, these door mirrors can be folded flat against the car where they are less likely to get damaged after you've parked. They also fold or unfold automatically every time you lock or unlock the car. The integrated ground lighting is activated with the remote control. Beyond enhancing security to and from your car at night, this is also convenient when getting in and out.

Park Assist

Activated when you engage reverse gear, rear park assist helps you when reversing into tight spaces. The audio system is turned down and a pulsating sound from the rear loudspeakers becomes a continuous tone as you approach an obstacle.

Accessories from Volvo.

Of course, your Volvo C30 won't be perfect until it's exactly how you want it. So here's a selection of our range of accessories to completely personalise your new car.

Floating centre console
Add your own personality by choosing from a range of specially designed centre consoles.

USB and iPod® Music Interface*
Simply connect your iPod® or USB device and seamlessly integrate with your Volvo's audio system.

'Space design' roof box
A lightweight, aerodynamic roof box available in two sizes: 380 and 480 litres.

Towbars
Our lockable, easy-to-remove towbars are designed specifically for your Volvo.

Sill protection
Add extra protection to the sill with this stylish sill deco, featuring the same pattern as the front grille.

Towbar-mounted bike rack
This state-of-the-art holder secures your bicycles conveniently and safely on the back of your Volvo.

Portable navigation system
Designed to complement your Volvo, this easy-to-use Garmin nüvi® navigation unit guides you all the way.

Infant seat (up to 13 kg)
Infants can travel safely backwards in this comfortable, easy-to-carry seat with five-point harness.

Cargo floor mats
Equipped with a high-friction coating, these mats stop dirt and water seeping into the cargo compartment.

Styling
Enhance the youthful, sporty feel of your Volvo C30 with this exclusive exterior styling kit.

Take a look at all our accessories and full pricing information at www.volvocars.co.uk/accessories

COLOUR YOUR VOLVO. When it comes to the appearance of your Volvo, the choice of exterior colour and wheels are probably your most important design decisions. For more exterior styling options and to build your new Volvo online, please visit www.volvocars.co.uk

EXTERIOR DESIGN Contrast Colour Collection

The design of the new Volvo C30 features lower body panels that enhance the appearance of the wheels at the car's corners while making the wheels look bigger. The C30 ES comes with black plastic lower body panel but when you choose the SE or SE LUX trim levels, many more dramatic possibilities are available. The contrast colour collection, shown here, offers some combinations suggested by our designers. To see more possibilities, mix and match your colour choices online at www.volvocars.co.uk

IMAGINE YOUR NEW INTERIOR. Crafted according to your requirements, the interior of your Volvo can take on any number of personalities. Choose between three interior colours – Off Black, Off Black/Blond, Espresso/Blond – and different upholstery variants. Pick the interior that suits you and add the finishing touch with the interior trim, steering wheel, gear knob and floor mat of your choice. After all, you're probably going to spend a lot of time here.

ERGONOMIC DESIGN Developed in co-operation with ergonomic specialists to provide generous support for the body during hours of driving, the seats in the Volvo C30 are among the most comfortable in the automotive world. Multiple adjustment possibilities and adjustable lumbar support make it easy to find the perfect driving position.

Leather-faced
This is the upholstery that affords the Volvo C30 an atmosphere of luxury. It's a new hide quality that's smooth, durable and has a fine grain pattern. Like all Volvo leather-faced upholstery, it's organically tanned and ages beautifully.

Leksand
Contemporary textile upholstery trimmed with ultra-modern T-Tec, inspired by wetsuits and durable outdoor gear. The ribbed backrest and contrasting seams add further zest.

Falsterbo
Textile upholstery reflects the sporty yet relaxed elegance of the Volvo C30.

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car.
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 700 kg.

Notes
The weight of the vehicle will influence the level of CO₂ emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂. However, Vehicle Excise Duty is charged according to the weight and CO₂ emissions of the standard vehicle, as published in this price list. The weight effect of any additional items does not affect the amount of Vehicle Excise Duty payable.

A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified.

All measurements in mm.
Auto = Geartronic Automatic Transmission.
The Max. output figures are quoted in PS (Pferdestärke), which is the metric equivalent of brake horsepower.

The end is just the beginning.

VOLVO TOTAL CARE

We want your experience of buying and owning a Volvo to be one of life's pleasures, that's why we're here to make it as care-free and easy as possible. It's simple - Volvo Total Care is a single port of call for all your motoring requirements, from funding your purchase to protecting your investment with Volvo Car Insurance to monthly payment plans for servicing. We will even provide you with special offers during your ownership. Volvo Total Care is designed to make owning a Volvo rewarding. For further information on Volvo Total Care please contact your dealer or go to www.volvocars.co.uk/totalcare

FINANCE

Volvo Car Financial Services have developed a series of funding plans that will provide you with a range of choices and flexibility when acquiring a Volvo®. For details of the current promotions available, please visit www.volvocars.co.uk/financepromotions

WHAT NEXT? If you'd like to find out more about the range of products and services that make up Care by Volvo, the story continues at www.volvocars.co.uk. Alternatively you can contact your nearest Volvo dealer or request relevant brochures.

(i) Finance subject to status. Terms and conditions apply. Guarantees/Indemnities may be required. Applicants must be 18 or over. Volvo Car Financial Services RH1 1SR.

(ii) When using a Volvo approved Body and Paint repairer.

(iii) Volvo Car Insurance is underwritten by Royal & Sun Alliance Insurance plc (No. 93792). Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection telephone calls will be recorded and may be monitored. All benefits are subject to qualifying status, terms and conditions, cover level and underwriting criteria. Service and repair benefits are subject to being carried out by a recommended repairer.

INSURANCE

Volvo Car Insurance is designed for Volvo drivers and because we know Volvos inside out, we can offer exactly the right tools and expertise, fitting only genuine Volvo parts by trained Volvo technicians⁽ⁱ⁾. Your Volvo will come with seven days drive away insurance, so you've already got peace of mind. Because Volvo drivers have an excellent reputation, we can also offer extensive cover at a reasonable price⁽ⁱⁱ⁾. Call now for your insurance quote on **0800 238 239**, quoting reference BROCH.

SERVICING YOUR VOLVO

Your Volvo dealer has the unique know-how to tailor a service programme according to Volvo's strict recommendations and guarantees you years of safety and driving pleasure. In addition, why not save yourself money on service costs by taking out a Volvo Service Plan? They're designed to spread servicing costs on an interest-free monthly basis, providing you with economic, convenient servicing and peace of mind.

Whatever option you choose your costs are fixed no matter what happens to labour, parts or oil prices. You will also have the satisfaction of being able to have your Volvo serviced at any one of our UK Volvo dealers and Service Centres. For further information and to purchase online please go to www.volvocars.co.uk/serviceplan

VOLVO ON CALL

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. See the Volvo On Call brochure for more information.

LOOKING AHEAD

You'll probably never find out just how good some of these services are. But should the unexpected happen, we'd like to think that you'd be even happier you chose a Volvo.

ROADSIDE ASSISTANCE

Every new car comes with one year's Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can even extend cover for £85 for one year or £125 for two years. Call Volvo Assistance on **0845 641 9747**.

WARRANTY

Every new Volvo comes with comprehensive protection. Our warranty covers the first three years or 60,000 miles, whichever comes first. There's a three year unlimited mileage warranty on the paintwork, and either eight or twelve years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

THERE'S MORE TO LIFE THAN A VOLVO.

Volvo. for life

THAT'S WHY YOU DRIVE ONE.

VOLVO

Volvo Car UK Limited
