01 50.8 cm (20-inch)
10-spoke wheel

Design meets performance

Few cars combine outstanding, elegant design and impressive performance as convincingly as the GL-Class.

The light-alloy wheels featured in the range of Mercedes-Benz Genuine Accessories reflect those design and performance characteristics. The diverse, large-format wheel models are designed to give your GL an unmistakable character.

After all, isn't a strong, distinctive character what this exceptional vehicle and its drivers have in common?

Because of differences in national regulations, various different versions of each vehicle exist. Please also bear in mind that vehicle development is permanently ongoing. As a result, not all of the wheel/tyre combinations shown in this brochure will be approved for your particular Mercedes-Benz. Your Mercedes-Benz dealer has access to constantly updated information on every Mercedes-Benz wheel, including the relevant technical inspection findings and licensing conditions, and will be happy to advise you.

Mercedes-Benz light-alloy wheels are supplied without tyres, hub caps, valve caps or wheel bolts. To help prevent theft, we recommend the use of Mercedes-Benz rim locks

01 10-spoke wheel

Finish: himalayas grey, high-sheen

Wheel: 8.5 J x 20 ET 62 | Tyre: 275/50 R20
A166 401 2802 7X21

Choose your favourite wheels online

Our Accessories Configurator shows you at a click of the mouse how the various Mercedes-Benz light-alloy wheels will look on your vehicle. Visit our website at www.mercedes-benz-accessories.com

QUALITY

The long road to perfection

Mercedes-Benz light-alloy wheels not only boost your vehicle's looks, they also offer the ultimate in safety.

All wheels are precision-tailored to your vehicle in terms of load profile and dimensions. Before your light-alloy wheels are allowed to accompany you safely on your travels, they are subjected to an extensive development and testing programme. Each wheel design has to pass a variety of endurance tests, based on exacting Mercedes-Benz guidelines, all of which exceed statutory requirements. These include special test routines which simulate real challenges on the road and material tests in cutting-edge x-ray facilities.

High-shine wheels undergo additional tests such as exposure to highly corrosive salt spray or a 28-day variable climate programme. Only once all of the tests have been passed may the wheels be included in the range of genuine Mercedes-Benz light-alloy wheels. Add an individual touch to your vehicle with a tested and approved genuine Mercedes-Benz light-alloy wheel and head for the open road

Exterior

Light-alloy wheels

Hub caps

Protect the hub from dirt. Available in the following versions:

- | | |
|-------------------------------------|-------------------------------------|
| 01 black with chrome star | 04 himalayas grey with chrome star |
| 02 classic roadster design in black | 05 titanium silver with chrome star |
| 03 classic roadster design in blue | 06 sterling silver with chrome star |

07 Valve caps, black
Stylish highlights in a new design.

08 Rim locks
Set consisting of coded key
and one lock per wheel.

09 Tyre pressure gauge
Allows you to carry out a quick tyre
pressure check on the road or at
home. Keeping tyres at the optimum
pressure saves fuel and reduces
tyre wear. Suitable for all motor vehicle
tyre valves and for cycle valves.
Supplied with leather pouch.

Telephony

01

01 iPad® Docking Station Plus
for rear compartment

Technology meets entertainment

A vehicle built for long journeys, the GL-Class knows no limits – just like the telematics products shown here.

There are no limits to the good mood to be had in the rear, thanks to entertainment systems for passengers of all ages. Plus unlimited communication options for the driver and front passenger – from the internet to Facebook®, from Convenience Telephony to navigation.

01 Rear Seat Entertainment System

This elegant DVD system allows the rear passengers to watch DVDs, look at their favourite pictures and even play video games on two superb 17.8 cm screens with TFT technology, without disturbing the driver or restricting the rear field of vision. Rear-seat passengers have the option of watching a different video source on each screen, allowing each to select their own individual entertainment. The AV-IN connection and USB and SD card interfaces allow other storage media to be used too.

Supplied with two sets of infrared headphones and remote control. A separately available video cable allows users to watch videos and view images from external sources.

Can be retrofitted in models with or without Code 866 (pre-installation for Rear Seat Entertainment System)

01

A

B

C

A remote control [A], 2 sets of infrared headphones [B] and a range of multimedia connections [C]: the Rear Seat Entertainment System offers everything you need for in-car entertainment

02

02 SD memory card

The COMAND Online system in your vehicle features a slot for SD memory cards. Play music directly from the SD memory card or upload it to your COMAND system's hard drive.

03 iPad® Docking Station Plus for rear compartment

The ergonomic, crashproof Docking Station introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones, remain accessible. The mount can be tilted and rotated around 90°. An integral USB port means you can also charge your iPad®'s battery using your charging cable. Suitable for iPad®, iPad® 2 and iPad® 3.

04 iPad® Docking Station for rear compartment

The mount for your iPad®, iPad® 2 or iPad® 3 is simple to attach to the head restraint posts and can be removed at any time. The mount tilts and can be rotated around 90°. Openings at the side ensure that all of your iPad®'s connection points are still accessible.

01 Drive Kit Plus for the iPhone®¹

The "Drive Kit Plus for the iPhone®" comprehensively integrates your iPhone® 4/4S into the GL-Class. Integration is based on the combination of the Mercedes-Benz "Digital DriveStyle" app and the "Drive Kit Plus for the iPhone®" - the on-board interface to which the iPhone® is connected and via which it is charged.

The "Digital DriveStyle" app is available free of charge from the iTunes® App Store². In the app an extensive range of functions are seamlessly integrated into the new, revolutionary user interface which appears on the vehicle display³. When an iPhone® is connected, the "Digital DriveStyle" app can be operated safely and conveniently using the ergonomic controller.

Some functions of the “Digital DriveStyle” app:

- Advanced navigation solution from Garmin®, with internet-based, real-time traffic information, point of interest search and 3D map views.
- Local search for points of interest powered by Google™ – with Street View™ and transfer of destination to navigation system.
- AUPEO! Personal Radio for an individual music programme.
- Internet radio from national and international broadcasters.
- Access to songs saved on your iPhone®.
- Facebook® feeds and Twitter® tweets from friends are read aloud¹.
- Socially interactive experience with option, for example, of sharing and posting current song choice or navigation destination on Facebook® and Twitter®.
- Glympse™: share your location, vehicle speed and estimated time of arrival with your friends in real time.
- Intuitive CarFinder – automatically stores vehicle’s location in iPhone®. Integral pedestrian navigation on the iPhone® makes it easy to find your vehicle again.

Social: feeds and tweets from your friends can be read aloud while you’re on the move⁴

Media: select your favourite music from your iPhone® via Cover Flow

Places: search for points of interest via Google™ and transfer them directly to your navigation system

For further information, go to
<http://digitaldrivestyleapp.com>

¹ Expected to be available from 1st quarter of 2013

² “Digital DriveStyle” app available in iTunes® App Store in Germany, France, Italy, UK, Austria, Switzerland. iTunes® App Store for other countries to follow

³ In conjunction with Audio 20 CD or COMAND Online

⁴ Languages: German, English, Italian, French

01 COMAND Online with 6-DVD changer

High-performance multimedia system with 6-DVD changer, hard-drive navigation system, telephone keypad and internet browser, shown on high-resolution, 17.8 cm display with TFT technology.

- Navigation system with 2D/3D map views, Speed Limit Assist and automatic congestion avoidance (TMC Pro).
- Unrestricted internet access – when vehicle is stationary.
- MUSIC REGISTER with 10 GB storage for diverse audio files (MP3, WMA, AAC), USB interface incl. CD cover display and AUX-IN socket (in centre armrest), Bluetooth® interface with hands-free function and audio streaming for music playback, slot for SD memory cards, DVD Video.
- LINGUATRONIC voice-operated control system for audio, phone and navigation.
- Use of Mercedes-Benz Apps for COMAND Online

 **News:** Access to news from around the world, in categories such as finance, politics and technology.

 **Parking Finder:** Search for parking options near your current position or destination, with details of free parking, parking charges and opening hours.

 **Morningstar Finance¹:** Receive details of indexes and share prices from funds rating agency Morningstar. Please note that the market details are not delivered in real time.

For further information about Mercedes-Benz Apps, go to <http://apps.mercedes-benz.com>

Mercedes-Benz Apps are available at www.apps.mercedes-benz.com for the following markets: Germany, Austria, Switzerland, France, Italy and the UK

Please ask your Mercedes-Benz partner whether your mobile phone is suitable for use with COMAND Online

The Mercedes-Benz Bluetooth® (SAP) telephone module with integral UMTS module and a direct connection to the vehicle aerial ensures that COMAND Online has a fast, stable and reliable internet connection (see page 20)

¹ App available from 4th quarter of 2012

02 Europe travel and restaurant guide SD card for COMAND Online

Version 2012/2013

Hotels, restaurants, sightseeing destinations and specially selected routes throughout Europe: information from the famous, dependable Michelin Guides shows you the way. Details include images, explanations and even audio files for you to use along your route. The travel guide is available on an SD card from your Mercedes-Benz retailer.

Available from the online shop at <http://apps.mercedes-benz.com> from 4th quarter of 2012 for the following markets: Germany, Austria, Switzerland, France, Italy, Sweden, Spain, the Netherlands, Belgium and the UK

03 Europe navigation DVD for COMAND Online

Did you know that we update around 20% of the information on our navigation CDs and DVDs every year? Changes include new roads and junctions, altered priorities, new points of interest such as filling stations and restaurants and additional countries, above all in Eastern Europe.

For the latest navigation CDs/DVDs, visit our online shop at <http://shop.mercedes-benz.com>

04 Audio 20 CD with 6-CD changer

Double-tuner radio with 14.7cm TFT colour display.

Bluetooth® interface with hands-free function and audio streaming. CD changer is MP3-compatible.

05 Becker® MAP PILOT

Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Becker® MAP PILOT uses the standard-fit 14.7 cm display with TFT technology and is conveniently operated via the vehicle controller and the Audio 20 keypad.

The plug-in navigation module can be connected to your PC via USB to download the latest updates and additional services from the Becker® MAP PILOT website.

Available in Europe, Russia, Turkey and China

01

Telephone module + SIM

02

01 Mercedes-Benz InCar Hotspot

Adds the internet to your Mercedes-Benz. All you need is a WLAN end device (laptop, mobile phone, MP3 player). The system provides a quick, stable connection to data networks such as HSDPA/UMTS or GSM/GPRS/EDGE via your car's external aerial. Up to four devices can be connected at the same time.

System requirements: Convenience Telephony (Code 386), WLAN device with WLAN IEEE 802.11 b/g interface, data-enabled SIM card

For further information about the telephone module, software updates and a list of supported mobiles, go to www.mercedes-benz.com/connect and select Convenience Telephony

02 Mercedes-Benz Bluetooth® (SAP¹) telephone module²

Experience a new dimension of web access, telephony and navigation support in your GL-Class – with the combination of the Mercedes-Benz Bluetooth® (SAP) telephone module and the COMAND Online multimedia system. The telephone module with integrated UMTS module and a direct connection to the vehicle aerial ensures that COMAND Online has a fast, stable and reliable internet connection. You can use the phone and simultaneously use Mercedes-Benz Apps via COMAND Online and have the system read SMS messages to you.

You can simultaneously make full use of the Convenience Telephony functions: convenient operation via your multimedia system, hands-free using the personal contact details saved on your mobile's SIM card and much more. If required, your mobile is also charged via the USB interface. The Bluetooth® (SAP²) telephone module can either use your mobile's SIM card or a SIM card can be inserted directly into the module, for a connection that is independent of your mobile phone. Many mobile phone providers offer multi SIM cards for your existing contract.

¹ SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card

² Only in conjunction with Convenience Telephony (Code 386). Available from 4th quarter of 2012

03 Mobile-phone holders

When it comes to selecting a mobile phone for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the mobile-phone holder. It takes a matter of seconds and is as straightforward as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. Top-class telephone technology for enhanced convenience on board.

Other advantages:

- Optimum reception quality as a result of using vehicle's external aerial
- Mobile's battery is charged
- Access to internal phone memory
- Convenient operation using multifunction steering wheel

Only in conjunction with Convenience Telephony (Code 386)

Holders are available for many current mobiles from:

Nokia: N8-00, 6303, 6303i classic, C5-00

Apple®: iPhone® 4S, iPhone® 4, iPhone® 3GS, iPhone® 3G

BlackBerry: 9790 Bold, 9900 Bold, 9780 Bold, 9700 Bold,
9105 Pearl 3G, 8300, 8310, 8320 Curve

Sony Ericsson: K850i

For further information about using the phone while in your car, go to www.mercedes-benz.com/connect or contact your Mercedes-Benz partner

A close-up, low-angle shot of a Mercedes-Benz logo. The logo is embossed on a dark, ribbed surface, likely a car's grille or bumper. The text "Mercedes-Benz" is written in a white, italicized serif font. To the left of the text, there are several thin, parallel horizontal lines that form the left side of the Mercedes-Benz emblem. The lighting is dramatic, with strong highlights on the raised parts of the logo and deep shadows in the recesses of the ribs.

Child safety

01

01 Illuminated door sill panel

Exclusivity meets spaciousness

Let's face it: any journey in a GL-Class is a very special experience. Is it really possible to enhance it?

You can try - by adding a wood/leather steering wheel, for example, perfectly coordinated with the interior of your car. Sit back and savour the stylish look of the fine, grained wood, where it's always in view.

01 Wood/leather steering wheel

Unique items in fine wood. Wood/leather steering wheels from Mercedes-Benz are handcrafted masterpieces, designed to enhance the interior of your vehicle in exclusive style. Ask your Mercedes-Benz partner about steering wheels to match your interior.

02 Coat hanger

Minimise creasing with this stylish and practical coat hanger made from chromed metal. Easy to fit to the front head restraints.

03 Sports pedals in stainless steel

A distinctive touch: elegant brushed stainless steel and non-slip studs signal sporting ambition.

04 Illuminated door sill panels

A distinctive, eye-catching accessory, whether in daylight or at night - "Mercedes-Benz" lettering illuminated in brilliant white, set in an elegant ground stainless steel panel.

01

02

03

04

Mercedes-Benz floor mats

Floor mats have to undergo rigorous testing before they are deemed worthy of the star logo: durability, fade-resistant colour and a neutral odour, even after three winters of use, are all specifications which must be met without compromise. The mats are precision-tailored to your Mercedes-Benz using the vehicle's original CAD data. Can be clip-fastened to the floor to prevent slipping.

05 CLASSIC velour floor mats

Elegant, high-quality, black tufted velour mats, featuring metal badge with Mercedes-Benz lettering. Available in your vehicle's interior colours.

QUALITY

Made to last

Floor mats from Mercedes-Benz offer quality you can rely on. Every floor mat has to earn its star logo before it is allowed to keep your vehicle clean and dry. The mats undergo the toughest endurance and scuffing tests and have to prove resistant to sunlight, dirt and weight loading, emerging with their outstanding quality undiminished.

Inside your vehicle you can check the quality of Mercedes-Benz floor mats for yourself. They are precision-tailored to the dimensions of the footwell, clip-fastened to the floor of the vehicle to prevent slipping and absolutely dimensionally stable, thanks to their special layered format. Your floor mats are made to cope with any demand you place on them

01

02

Mercedes-Benz child safety

Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition (Code U18), the front passenger airbag is automatically deactivated when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points.

Mercedes-Benz child seats are available in the "Limited Black" design. The covers are washable and very hardwearing. Optional replacement headrest covers are available for the "BABY-SAFE plus II", "DUO plus" and "KIDFIX" child seats in flannel grey and chilli red [pictures 04 and 05].

03

01 “BABY-SAFE plus II” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg).

02 “DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with ISOFIX attachment points, top tether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. Available with automatic child seat recognition as an option. Adjustable tilt.

03 “KIDFIX” child seat

Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KIDFIX” seat is secured using the 3-point seat belt and ISOFIX attachment points. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (15 to 36 kg).

04–05 Headrest covers

Available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in flannel grey [picture 04] and chilli red [05].

06

Mercedes-Benz roof boxes

Aerodynamic design, tailored to your Mercedes-Benz. Extremely durable material. Designed for quick, simple attachment to your basic carrier bars for roof rails. Boxes open on both sides for particularly easy loading and unloading. Lockable on both sides.

07

03 Mercedes-Benz roof box 450

Family box. Capacity approx. 450 litres. Available in black metallic and matt silver. Maximum payload 75 kg. Please, however, bear in mind your vehicle's permissible roof load. Optional accessories: luggage set and ski rack insert.

04 Mercedes-Benz roof box 330

Sports box. Capacity approx. 330 litres. Available in titanium metallic and matt silver. Maximum payload 50 kg. Please, however, bear in mind your vehicle's permissible roof load. Optional accessories: luggage set and ski rack insert.

05 Mercedes-Benz roof box 400

Multipurpose box. Capacity approx. 400 litres. With handle strip for easier opening and closing. Available in matt silver and black metallic. Maximum payload 75 kg. Please, however, bear in mind your vehicle's permissible roof load. Optional accessories: luggage set and ski rack insert.

06 Luggage set

for Mercedes-Benz roof boxes
Hardwearing, water-repellent polyester bags, designed to make perfect use of the space available in your roof box. All bags supplied with comfortable shoulder strap.

Luggage set for roof box 450

Set of four bags plus two ski bags, each designed to hold max. two pairs of skis.* Ski bag also available separately.

Luggage set for roof box 330

Set of four bags.

Luggage set for roof box 400

Set of three bags plus one ski bag for max. two pairs of skis.* Ski bag also available separately.

*Subject to geometry of skis. Maximum ski length 170 cm. Ski bag's extension function cannot be used

07 Ski rack insert

Insert for securing your skis – precision-tailored to the internal dimensions of the roof box.

Ski rack insert for roof box 450

A secure hold for up to five pairs of skis.*

Ski rack insert for roof box 330

A secure hold for up to three pairs of skis.*

*Subject to geometry of skis

01 Alustyle Easy-Fix II basic carrier bars for roof rails

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes.

Fitted in next to no time without the use of tools, thanks to new, innovative quick-release fasteners. Aerodynamic Mercedes-Benz design with optimised noise level. Crash-tested. Lockable.

02 Transport and stowage bag for Alustyle basic carrier bars for roof rails

Robust bag made from high-quality nylon fabric. Provides protection for your Alustyle basic carrier bars when stowing or transporting them.

- 01 New Alustyle ski and snowboard rack "Comfort"**
For up to 6 pairs of skis* or 4 snowboards. Lockable.
Practical pull-out function makes loading and unloading easier.
- 02 New Alustyle ski and snowboard rack "Standard"**
For up to 4 pairs of skis* or 2 snowboards. Lockable.
*Subject to geometry of skis

Cargo & Care

Carrier systems

03 Coil lock

Available as a separate accessory for the bicycle rack.

04 New Alustyle bicycle rack

Extremely lightweight bicycle rack, designed to be attached to the basic carrier bars. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without cycles. Suitable for cycles with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes).

Up to 2 bicycle racks can be fitted to your basic carrier bars. Please, however, bear in mind your vehicle's permissible roof load.

01 Rear-mounted bicycle rack for trailer coupling, folding

Easy-to-use, lockable rear-mounted bicycle rack, designed to provide secure transport for 2 or 3 cycles. Tried-and-tested product. Rack is easy to attach to trailer coupling, and cycles are equally easy to fit to rack. Maximum payload of up to 30 kg per rail, making it suitable for most ebikes.* An ingenious roller mechanism means that the load compartment can still be opened. The rack is easy to fold for space-saving stowage in the load compartment, at your holiday accommodation or at home.

*Instructions provided with the product include details of loading options

02 Adapter

For trailer with 7-pin plug.

03 Trailer coupling

With electrical unlocking system.
High-quality corrosion-protected finish.
Maximum drawbar load 140 kg.

Cargo & Care

Load compartment
accessories

Carrier systems

04

04 Deep boot tub

Deep edge all round. Made from flexible, impact-resistant HD-PE plastic.
Suitable for transporting foodstuffs.

01 Luggage net

Available for the floor of the load compartment. Prevents lightweight objects from sliding around during your journey. The net is in pocket format.

02 Tie-down strap

Adjustable strap with ratchet fastener – ideal for securing items to the load-securing rings.

03 Shallow boot tub

Made from impact-resistant, non-slip polypropylene. Suitable for transporting foodstuffs. Structured surface holds separately available stowage crate in place. Vehicle's load-securing rings remain accessible. With connection for concertina load sill protector.

04 Stowage crate

A secure hold for items which are prone to tip over or slide around, e. g. shopping bags. Adjustable partitioning elements allow crate to be divided into max. 4 sections. Optimum functionality only in conjunction with shallow boot tub.

05 Shopping crate

Anthracite. Collapsible.

06 Luggage-securing feature

Ingenious solution to the problem of luggage sliding around in the load compartment. Attaches securely around the object in question thanks to Velcro fastening.

07 Concertina load sill protector

Protects the rear of the vehicle from scratches when you're loading the vehicle – and prevents dirt from the car from getting onto your clothes. Practical design – can be connected to shallow boot tub or reversible mat.

Cargo & Care

Load compartment
accessories

01

01 Snap-in module for load compartment floor

Partition your load compartment to suit your requirements and prevent the contents from sliding around. The brackets can be freely positioned along the outer edges of the load floor. The system's telescopic frame provides a secure hold.

02 Reversible mat

One high-quality velour side and one non-slip side. With connection for concertina load sill protector.

03 Coolbox, 24 litres

Not only cools but warms too. Cools to up to 20°C below ambient temperature – to max. -2°C. Can be switched to warming function. Robust, highly insulated hard case with fabric cover, outside pockets and padded shoulder strap. Capacity: 24 litres. Can be connected to 12 V socket in vehicle or to 230 V power source via separately available rectifier.

04 Rectifier

Allows the coolbox to be connected to a 230 V socket at home.

Cargo & Care

Load compartment
accessories

05 Fluorescent jackets

Already compulsory in many countries: fluorescent jackets with high-visibility reflective stripes. Available individually or as a pack of two.

06 Vehicle tool kit

Everything you need to change a wheel – from the wheel wrench to a pair of gloves. All handily stored in compact bag.

07 Charger with trickle charge function

New life for your car's battery: checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems. Available in 3.6 A and 25 A version.

tyres, hub caps, valve caps or wheel bolts*

Mercedes through and through

When you drive a Mercedes-Benz, you do so for the best of reasons. Why should your choice of accessories be governed by different standards? Pioneering when it comes to design and technology, Mercedes-Benz Genuine Accessories deliver on the promises of a major brand.

DESIGN & DEVELOPMENT

Mercedes-Benz Genuine Accessories make your dream car a reality – while ensuring that it remains a Mercedes-Benz through and through:

- ▶ Individualisation options are developed in accordance with the Mercedes-Benz car design philosophy.
- ▶ The use of CAD data from Mercedes-Benz Vehicle Development ensures precision-fit accessories.

QUALITY & SAFETY

When it comes to Mercedes-Benz vehicles, quality and safety are paramount. You can feel equally safe with Mercedes-Benz Genuine Accessories as a result of:

- ▶ Stringent safety measures and extensive load testing, including the use of crash test facilities and the wind tunnel.
- ▶ Harmonised development of both vehicle and Mercedes-Benz Genuine Accessories.
- ▶ The highest of standards, far in excess of those prescribed by law.

FUNCTION & OPERATION

Mercedes-Benz Genuine Accessories form part of the vehicle concept from the outset. This results in impressive functional solutions:

- ▶ Fully integrated telematics products can be operated safely and conveniently using the multifunction steering wheel.
- ▶ Roof-mounted carrier systems can be fitted quickly and without the use of additional tools.
- ▶ Instructions and manuals are in standard format and easy to understand.

ADVICE & FITTING

No one is as familiar with the ins and outs of your vehicle as our employees. And the same goes for Mercedes-Benz Genuine Accessories:

- ▶ Contact your Mercedes-Benz Service and Sales partners for expert advice.
- ▶ Trust our trained specialists when it comes to fitting Mercedes-Benz Genuine Accessories.

Genuine Accessories for the GL-Class

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

Further colour variants for individual products can be found in the separate price list for this brochure

November 2012

Please note: changes may have been made to the products since this publication went to press (01.11.2012). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown, owing to the limitations of the printing process. This brochure is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.
