CAR PRICE GUIDE 2nd July 2012 MANUFACTURER'S RECOMMENDED RETAIL PRICES

RENAULT recommends Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised. Publication date July 2012.

CARMINAT TOMTOM LIVE

At Renault we believe in making technology accessible to all of our customers which is why we have Carminat TomTom as standard on Dynamique TomTom from Clio upward to Grand Scénic. Fully integrated into the vehicle, Carminat TomTom is easy to use and ready to go when you are!

Standard Features

Fastest routes

The IQ application selects the fastest route based on departure time (day and hour)

• **Don't go wrong** Advanced lane guidance provides a pre-indication of lane to avoid taking a wrong turn

• Up to the minute information The built-in TMC connection allows you to receive up-to-date traffic information

• Choose your preferences Choose whose voice and in which language you want to listen to while being given directions

Postcode search

The user can enter their destination using either the post code, the street name, or the complete address. Or simply use google search function via Live services

• Easily updatable

The integrated Carminat TomTom comes with an easy to update SD card with UK and Northern Ireland maps as standard. Create an account with TomTom Home, through www.tomtom.com/home and you can download a free map update within 60 days of delivery of your vehicle. You can then use this account to purchase additional map updates and access the MapShare technology, where the community of TomTom users share their best back routes.

Live services to make life even easier

Every new Renault with Carminat TomTom[®] comes with 3 months free Live services subscription from the delivery of your new Renault. This system offers you a range of additional features:

• Minimise delays even further

HD Traffic report collates information from other vehicles connected to TomTom, providing more reliable data on traffic information in order to minimise your time in congestion.

• Go with the flow

Use the Google search function as if you were on your PC. Search through Google for local places of interest e.g. cinema, car parks, restaurants, and use TomTom to direct you there.

• Stav safe

The only navigation system which informs you of speed cameras in real time; updated with the location of fixed and mobile speed cameras.

Always be prepared

TomTom weather offers you a 5-day weather forecast so you will never be surprised upon arrival!

• What next?

Activate your live services three month trial, upon taking delivery of your vehicle, through the main menu.

Should you wish to extend your free 3 month subscription, a 3 year subscription to Live Services is available to purchase through your Renault Dealer for £125 inclusive of VAT. Please ask your dealer for more information.

2

THE 4+ PACKAGE COMES AS STANDARD WITH YOUR NEW RENAULT CAR, VAN OR Z.E. VEHICLE.

4 - WARRANTY

Your vehicle is covered by a warranty package for up to 48 months. The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Your Dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Renault. **4** - ROADSIDE COVER

Manufacturer's "On The Road" Recommended Retail Price

Includes delivery to the dealer premises, number plates, a one-litre bottle of oil for all cars and two one-litre bottles of oil on Trafic, 12 months government road fund licence (depending on CO₂ emissions) and First Registration Fee at £55. Other goods or services supplied by agreement between the customer and the Dealer are not included.

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, equipment, specifications or accessories may be changed after the publication date given below and can differ from the descriptions given. It is therefore necessary to check with your Renault dealer before purchasing any product that the characteristics, equipment or accessories of the vehicle on order are as advertised. Publication date July 2012.

Vehicles are covered by a warranty package for up to 48 months. The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Please see the warranty terms and conditions (www.renault.co.uk/warranty) for further details. Servicing offer covers cars for 4 years or 48,000 miles, whichever comes first. Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals, and can only be carried out at a Renault Approved outlet. Renault Assistance Roadside Cover is provided in association with the AA. Cover from month 0 to 36 includes assistance at the roadside and home, national recovery, onward travel and European cover. Cover from month 37 to 48 includes Roadside cover is the Automobile Association Limited. For Finance, guarantees and indemnities may be required. You must be at least 18 and a UK resident (excluding the Isle of Man and Channel Islands) to apply. Finance provided by RCI Financial Services Limited, PO Box 149, Watford WD17 1FJ. Available at participating dealers only. Not available in conjunction with any others, please check with your local dealer for information. Offers are available to retail and business customers (but exclude fleet customers with own terms), and are valid on new vehicles, at point of new vehicle registration, when ordered from 1st February 2012 until further notice. Visit www.renault.co.uk/4plus

Renaultsport 200 Cup Renaultsport 200

For Renaultsport versions turn to page 27 and 28

EXPRESSION+ dCi 88 EC02 94g

Benefits over standard Expression+ dCi 88

- CO₂ emissions reduced to 94 g/km from 106 g/km on standard dCi 88
- Combined fuel consumption improved to 78.4 mpg vs 70.6 mpg on standard dCi 88
- Qualifies for London Congestion Charge exemption
- Qualifies for 100% Capital Write Down Allowance

Extra equipment vs standard Expression+ dCi 88:

- 15" 'Aero' wheel trims (with aerodynamic front wings)
- Body coloured 'Aero' rear spoiler
- Ultra-low resistance tyres

7

• Choice of five colours (1 solid: Glacier White; 4 metallic (at extra cost): Pearl Black, Mercury, Ruby Red, Oyster Grey)

Not compatible with the following options: Emergency spare wheel and ESC (Electronic Stability Control). Engine available on three and five door variants only.

CLIO

Deadlocking

• 4 x 20W RDS radio CD player with AUX

SAFETY AND SECURITY

- ABS with Brake Assist
- Airbags (x6) driver and front passenger two stage auto-adaptive, front curtain and front side impact
 Headlights with 'see me home' function
- Airbag front passenger deactivation facility**
- CSV (understeer control) Deadlocking
- Headrests height adjustable front and rear
- Insurance approved alarm (Thatcham category 1)
- Insurance approved engine immobiliser (Thatcham category 2)
- · ISOFIX child seat fixing points on outer rear seats
- R.A.I.D. (Renault Anti Intruder Device) automatic door locking
- Renaultsport Dynamic Management (three-mode ESC) with 'Sport function'
- Renaultsport PerfoHub double-axis front suspension
- Tyres Dunlop Sport Maxx TT 225/40 R18 92 Y
- Seats driver with height and lumbar adjustment, passenger with height adjustment Trip computer
 - Tyre inflation kit
 - Windows electric front with 'one-touch' control

· Renaultsport extended wheel arches and sills

COMFORT AND DRIVING

Renaultsport door sill kick plates

Renaultsport drilled aluminium pedals

· Renaultsport extended rear spoiler

Seats - 60:40 split folding rear

• LED daytime running lights

Limited Slip Differential (LSD)

 Push button start · Remote control central locking

· Front centre storage console with armrest

Renaultsport analogue speedometer and rev-counter

Renaultsport F1-style front blade and rear diffuser in gloss black

· Renaultsport leather steering wheel with stitched centreband and height / reach adjustment

STANDARD EQUIPMENT

RENAULTSPORT 265 CUP Stop & Start Additional Equipment to CORE FEATURES

- 4 x 15W radio CD MP3 with fingertip controls
- Air conditioning manual

· Bluetooth connectivity

Grooved brake discs

Cruise control

AUX and USB input on radio fascia

- Alloy wheels 18" 'Tibor' in matt black with 235/40R18 Michelin Pilot Sport 2 tyres
 - · Parking sensors rear Red brake calliners
 - · Seats Renaultsport with R.S. logo on headrests
 - Speed limiter
 - Upholstery Carbon grey Renaultsport cloth with red stitching

RENAULTSPORT 265 Stop & Start Additional Equipment to CORE FEATURES

• 4 x 15W radio CD MP3 with fingertip controls

• Cup Chassis - stiffer springs / dampers / anti-roll bar

- · Allov wheels 18" 'Tibor' in satin anthracite
- Automatic Dual Zone climate control
- Automatic headlights
- Automatic rain sensitive windscreen wipers
- AUX and USB input on radio fascia
- Bluetooth connectivity
- Cruise control
- Electrochrome rear view mirror
- LED daytime running lights

- · Parking sensors rear · Renault keyless entry
- · Seats electrically adjustable driver's seat with memory function** Seats - heated front seats**
- Speed limiter
- Storage centre armrest with storage
- Sunvisors with illuminated vanity mirrors
- Tyre pressure monitor
- Upholstery Carbon grey Renaultsport leather · Windows - extra tinted rear and tailgate

If you would like more detailed advice on Company Car Taxation please contact an Independent Financial Advisor.

COMPANY CAR TAX

Company car taxation has changed. Following the government's commitment to reducing global warming, company cars are now taxed on their CO_2 emissions. Using the latest in diesel technology, the Renault range has some of the lowest emissions amongst new cars on sale today. This easy guide will help you to calculate the amount of tax you will pay for any new Renault car by following 4 simple steps:

Step 1

Each model in the Renault Car Price Guide has a Benefit In Kind (BIK) percentage rating for tax purposes. (See Car Benefit Table above) Example: Mégane Hatch Dynamique TomTom dCi 110 Stop and Start ECO = **13%**.

Step 2

The price of the vehicle used for taxation (the P11D value) will be the Total Retail Price, plus the delivery charge of £595.00, plus any costed options. Example shown without costed options: Mégane Hatch Dynamique TomTom dCi 110 Stop and Start ECO = £19,150.00 + £595.00 = £19,745.00

Step 3

Using the BIK figure, calculate the percentage of the vehicle that is liable for taxation. Example: Mégane Hatch Dynamique TomTom dCi 110 Stop and Start ECO = **13%** x **£19,745.00** = **£2,566.85**

Step 4

31

Now calculate the amount of tax to be paid annually. This is based on the amount of income tax that you pay, either 20% or 40%. Example: Mégane Hatch Dynamique TomTom dCi 110 Stop and Start ECO Car Benefit Charge = £2,566.85 x Income Tax @ 20% = £513.37

Tax Payable

For an income tax payer of 20% the amount of tax to be paid on the Mégane Hatch Dynamique TomTom dCi 110 Stop and Start ECO is therefore £513.37 (for tax year 2012 to 2013).

Please note: this calculation is illustrative only and may not reflect current vehicle pricing.

CO₂ BANDING

The amount of Vehicle Excise Duty (Road Fund Licence) payable on new cars varies depending on the level of CO_2 (Carbon Dioxide) emissions produced by the vehicle and the type of fuel used. The table below illustrates the ' CO_2 banding' and, therefore, the amount of Vehicle Excise Duty payable. These bandings are effective from 1st April 2012 and supersede any previous bandings.

Bands	CO ₂ Emission Figure (g/km)	First Year Diesel Car (TC 49) and Petrol Car (TC 48) 12 Months Rate	Subsequent Years Diesel Car (TC 49) and Petrol Car (TC 48) 12 Months Rate
Band A	Up to 100	£0	£0
Band B	101 to 110	£0	£20
Band C	111 to 120	£0	£30
Band D	121 to 130	£0	£100
Band E	131 to 140	£120	£120
Band F	141 to 150	£135	£135
Band G	151 to 165	£170	£170
Band H	166 to 175	£275	£195
Band I	176 to 185	£325	£215
Band J	186 to 200	£460	£250
Band K	201 to 225	£600	£270
Band L	226 to 255	£815	£460
Band M	Over 255	£1,030	£475

These are the rates you will pay in the first year of ownership. In the second year, Vehicle Excise Duty rates will revert to the regular rate for that vehicle, as notified at the time of renewal.

The eco² symbol shows the vehicle emits less than 120g/km of CO₂, is manufactured in a plant that has been certified ISO14001. The vehicle can be 95% recoverable at the end of its life cycle. Find out more at www.renault.co.uk

RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault Car Insurance: 0845 603 8256

NOTES

FURTHER INFORMATION

RENAULT TWIZY

The Renault Twizy range has been measured and certified to 62 miles by UTAC* on the ECE-15 cycle. Exactly as with petrol and diesel cars, when driven under real conditions, this range will vary according to: speed, driving style, the terrain of the road, the use of electric accessories. Most of these factors can be influenced directly by the driver so as to help maximise the range of the Renault Twizy. For example, the range will be around 50 miles using eco driving principles and 31 miles when driven under severe conditions. *Union Technique de l'Automobile du Motocycle et du Cycle.

FLUENCE Z.E.

The Fluence Z.E is homologated to 115 miles according to the NEDC (New European Driving Cycle). The NEDC can best be compared to the combined mpg figure for petrol and diesel cars. This range is a comparative indication of range measured under very specific conditions (described below). Exactly as with petrol and diesel cars, when driven under real conditions, this range will vary according to speed, driving style, the terrain of the road, the use of air conditioning / heating.

If the vehicle is driven in temperate conditions then the range could more realistically be approximated to 84 miles for an average suburban trip. If the vehicle is driven in extreme winter conditions then the range could more realistically be approximated to 53 miles for Fluence Z.E for an average suburban trip.

NEDC (New European Driving Cycle) is a standard European measurement of emissions and consumption based on a rolling road test. It is the same standard for petrol and diesel engines as it is for electric cars. It is an objective way to measure the performance gaps between competition models. The car is on a rolling road, undertaking the same urban cycle (ECE-15 cycle) three times, then the extra-urban cycle once. The average of these 4 cycles decides the NEDC range.

PiCG - Plug in Car Grant

In order to help reduce carbon emissions in the UK, the Government has launched the Plug in Car Grant (PiCG) scheme which is intended to run from January 2011 to 31st March 2015. The scheme will be managed by OLEV (Office for Low Emission Vehicles) who are a cross Government team within the Department for Transport. This scheme provides a grant of 25%, up to a maximum value of £5,000, towards the cost of a new ultra-low carbon car, which is provided to a consumer at the point of purchase. The grant is applied to the Basic Price of the vehicle (including VAT, number plates and VED but excluding delivery charge, first registration fee and any optional extras).

THE OPTIMUM PARTNER IN ELECTRIC VEHICLE CHARGING

As one of the nation's leading energy suppliers and Renault's preferred nationwide charging partner, British Gas can deliver a range of charging solutions tailored to your needs.

Charge with confidence as our solutions make charging your electric vehicles more convenient, effective and safer. From single wall mounted solutions to freestanding charging posts for multiple vehicles, British Gas can install a bespoke charging infrastructure, upgrading it as the needs of electric vehicles progress. All charging solutions also come with a 3 year warranty and for residential customers, 3 years Home Electrical Care[™] which provides you with professional help from our fully trained engineers for the whole home*.

For more information and to discover how your business could benefit, call us on 0800 980 8175**.

*For terms and conditions visit brittishgas.co.uk/electricvehicleterms. Home Electrical Care™ is available in mainland Great Britain only. Customers in Northern Ireland, the Channel Islands and the Isle of Man will receive three year charging solution service and repair warranty. **Phone lines are open 8am-5pm Mon to Fri. Calls may be recorded and/or monitored for quality assurance and compliance purposes.
