VOLVO S60/V60

Vehicle Price List

Vehicle Price List MY12 Edition 6 January 10, 2012

Volvo Car UK Limited www.volvocars.co.uk

The Volvo S60 and V60 range at a glance.

ES

The ES model comes with all the features you would expect from Volvo. Beyond the innovative City Safety technology, 16" Oden alloy wheels, DSTC (Dynamic Stability Traction Control) system and dynamic chassis, the ES offers electrically adjustable door mirrors, electronic climate control, information centre, cruise control, leather steering wheel with remote audio controls, charcoal trim and a performance sound audio system with 5" colour screen.

SE

The SE is further enhanced with a rain sensor, rear park assist and autofolding power door mirrors with ground lights. Added luxury includes Tylossand T-Tec/Textile upholstery, autodimming rear view mirror, shimmer graphite aluminium trim, a high performance audio system, Bluetooth® handsfree system and 17" Balder alloy wheels.

SE LUX

Our most luxurious variant is the SE Lux. Above and beyond SE specification, the SE Lux has leather-faced upholstery, power adjustable driver's seat with memory function and active bending lights with headlight cleaning system.

R-DESIGN

A unique power steering system and 18" Ixion alloy wheels together with the R-DESIGN chassis enhance the handling of this model. Visual presence is complemented with silver matt door mirrors, unique rear exhaust pipes, together with it's unique R-DESIGN upholstery, front sport seats with side support, unique aluminium interior trim and R-DESIGN leather steering wheel.

DRIVe

The DRIVe model is equipped with a conventional diesel engine with start/stop technology and a choice of manual or automatic gearbox optimised for extra-low fuel consumption. With CO_2 as low as 114g/km and fuel consumption of up to 65.7 mpg (Volvo S60 DRIVe) on a combined cycle, this makes the DRIVe variant an attractive choice without compromising on driving pleasure. In addition, there is no vehicle tax payable on this variant for the first twelve months.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge (inclusive of number plates and VAT at £550) and vehicle tax as of 1st April 2011 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

Standard features. The right equipment.

It's essential that your Volvo comes equipped with everything you need. Below you'll find the standard equipment lists for each model variant and as you'd expect, there is an array of industry-leading, cutting-edge safety innovations.

- 1		
	INSURANCE RATINGS	Insurance ratings may vary depending on model line and specification. For details, please refer to: www.thatcham.org/abigrouprating

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.
- The results do not express or imply any guarantee of the fuel consumption of a particular car.

 The results do not express or imply any guarantee of the fuel consumption of a particular car.

 Difficial fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Feators including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.

 (v) All diesel models are fitted with a particulate filter.

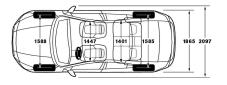

The weight of the vehicle will influence the level of CO2 emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO2. However, vehicle tax is paid according to the weight and CO2 emissions of the standard vehicle, as published in this price list.

A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified.

All measurements in mm Auto = Geartronic Automatic Transmission

NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models. Volvo Car UK Limited, Globe Park, Marlow, Buckinghamshire, SL7 1YQ.

INSURANCE RATINGS	Insurance ratings may vary depending on model line and specification. For details, please refer to: www.thatcham.org/abigrouprating

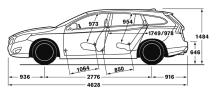

- For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.
- The results do not express or imply any guarantee of the fuel consumption of a particular car.
- Official fuel consumption figures are obtained in accordance with Directive 93/116/FC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved. (iii)
- Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- All diesel models are fitted with a particulate filter.

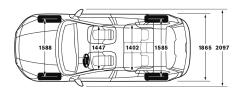

The weight of the vehicle will influence the level of CO2 emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO2. However, vehicle tax is paid according to the weight and CO2 emissions of the standard vehicle, as published in this price list.

A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified

All measurements in mm
Auto = Geartronic Automatic Transmission

NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models. Volvo Car UK Limited, Globe Park, Marlow, Buckinghamshire, SL7 1YQ.
