# VOLVO S80/V70 Vehicle Price List

Vehicle Price List MY12 Edition 4 October 31, 2011

Volvo Car UK Limited www.volvocars.co.uk

### The Volvo V70 & S80 range at a glance.

#### ES

The ES aims to spoil. Beyond the innovative City Safety technology, the interior boasts supportive seats with Sundby Textile/T-Tec upholstery, electronic climate control and aluminium trim. Then there's the 6 speaker performance audio system with 80W output, a 5 inch integrated colour display screen and features such as cruise control and DSTC (Dynamic Stability Traction Control). On the outside, 16" Oden alloy wheels, front fog lights and a chrome window trim surround make sure your presence doesn't go unnoticed.

#### SE

The SE model brings added luxury with leather-faced upholstery and an 8 speaker high performance audio system with 160W output and features such as automatic rain sensor, autodimming rear view mirror and Bluetooth® handsfree system. On the outside, 17" alloy wheels, retractable rear view mirrors, rear park assist and a power operated tailgate for the V70 enhance the exterior style.

#### SE LUX

The SE Lux model is the ultimate word in luxury, with a power driver seat and power folding rear headrests further enhancing the interior as well as the integrated satellite navigation system (including two free annual map updates) and a 7 inch colour display screen. The exterior benefits from active bending xenon lights and headlight cleaning as well as silver roof rails on the V70.

#### DRIVe

The DRIVe badge is given to cars in the Volvo range that have the best environmental performance. This model is equipped with a conventional diesel engine and manual gearbox optimised for extra-low fuel consumption as well as being tailored specifically for low rolling resistance and reduced air drag. With  $CO_2$  at just 119 g/km for the S80 and V70 DRIVe variants, and fuel consumption of up to 62.8 mpg on a combined cycle, this makes the DRIVe an attractive choice without compromising on driving pleasure.

#### **V70 R-DESIGN**

The R-DESIGN model combines the luxury features of the ES, with sports styling and handling enhancements. Unique power steering system and 18" Ixion alloy wheels together with the unique R-DESIGN chassis upgrade the handling chracteristics. Visual presence is further enhanced with unique rear exhaust pipes, R-DESIGN leather-faced upholstery, front sports seats with side support, a R-DESIGN leather steering wheel and unique aluminium interior trim.

#### **S80 EXECUTIVE**

The Executive is the ultimate Volvo S80 variant. Elegant 18" Magni alloy wheels differentiate the exterior, whilst the unique walnut wood executive console extends a warm welcome to the interior and ventilated soft leather upholstery, with massage function and contrasting seams and piping, adorns the seats and armrests. Additional features include rear headphone sockets with heated rear seats and front park assist.

	230,700.00	20,140.00	230,040.00	230,233.00

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £550 and vehicle tax as of 1st April 2011 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

### Standard features. The right equipment.

It's essential that your Volvo comes equipped with everything you need. Below you'll find the standard equipment lists for each model variant and as you'd expect, there is an array of industry-leading, cutting-edge safety innovations.

INSURANCE RATINGS Insurance ratings may vary depending on model line and specification. For details, please refer to http://www.thatcham.org/abigrouprating

(i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.

(i) To best performance and works to be consumption of took is economicated by 10 where the consumption of a particular car.
 (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car.
 (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.

(iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.

(v) All diesel models are fitted with a particulate filter.

Notes The weight of the vehicle will influence the level of CO2 emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO2. However, vehicle tax is paid according to the weight and CO2 emissions of the standard vehicle, as published in this price list.

A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified.

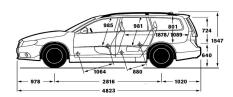

Auto = Geartronic Automatic Transmission The maximum power output figures are quoted in hp (Brake horsepower)

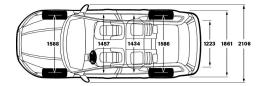

Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models. Volvo Car UK Limited, Globe Park, Marlow, Buckinghamshire, SL7 1YQ.
