

NEW PEUGEOT RCZ

FORCE AND **DISTINCTION**

A perfect combination of elegance and power, the New RCZ has evolved into a truly sleek and exclusive vehicle. Keeping all the audacity it demonstrated as a concept car, it has reinvented

its uniqueness with strength and subtlety. The New RCZ is the ultimate combination of mechanical strength and sophistication.

STYLE AND SEDUCTION

The New RCZ adopts an even more dynamic and distinctive style than its predecessor. Signature LED lights complement new shaped halogen headlights – also available as an option in xenon,

self-levelling, directional format. A re-designed front face complements the RCZ's beautiful double bubble roof and distinctive roof arches – details you just won't find on any other car.

The muscular rear bumper of the New RCZ is a perfect companion to the sporting rear tailpipe and active rear spoiler. More sporting credentials

are demonstrated by the RCZ GT's stunning 19" 'Technical' alloy wheels.

PURITY AND **EMOTION**

PRECISION AND **AGILITY**

In terms of handling, the New RCZ delivers precision and driving pleasure of the highest level. Immerse yourself in the New RCZ's elite cabin and feel its low centre of gravity give you more

responsive steering and satisfying control on corners. An active rear spoiler also optimises agility and strengthens downforce.

FEELING AND COMFORT

The New RCZ interior perfectly matches its sophisticated exterior. Stylish sport seats give the feeling of being in perfect harmony with the car. The stunning soft-touch steering wheel makes for an easier and smoother ride and perfectly

positioned instruments enhance the sense of control and comfort. This atmosphere is enhanced by the sound quality of the acoustics, making the comfort level remarkable.

REFINEMENT AND PLEASURE

Your journey begins at the moment you sit in the refined cockpit of the New RCZ. The sleek and fluid lines of the dashboard tie in beautifully with the car's sultry exterior and, on GT models, leather trim accentuates the curves.

Combine this with a fully interactive Peugeot Connect Navigation (RT6) system*, a high-res 7" screen, plus USB connection and Bluetooth and you see the New RCZ's indulgence levels rise.

* Optional Extra.

CONSIDERATION AND **DETAIL**

Sophistication is everything in the New RCZ. You'll sit low on luxurious, comfortable seats in a choice of trims. Cloth, half leather and leather

are available according to version. Meticulous care and attention ensures that every aspect of the New RCZ is of the highest standard.

Aesthetic qualities are combined with practical ones. Two back seats are perfect for the occasional 3rd or 4th passenger. Their carefully sculpted des-

ign is in harmony with the front seats, while the double bubble roof accentuates the space available.

DESIGN AND **VOLUME**

The boot of the New RCZ offers further practicality, with a generous amount of space (384 litres), as well as under floor storage, making it perfect for weekends away. This can be further increased to 760 litres by folding down the rear seats.

Meticulous care has been taken over the style and

finish of the boot. The side trims and boot floor are carpeted and the luggage tie rings are in chrome.

1.6 Litre THP 200 bhp 6 Speed Manual

This engine works perfectly with the car's chassis. With its maximum torque of 275 Nm at 1,700 rpm and maximum power of 200 bhp at 5,800 rpm, the New RCZ offers exhilarating acceleration: 0 – 62 mph in 7.6 s, with fuel consumption of 42.1 mpg on a dual cycle (155 g/km CO₂).

PETROL

1.6 Litre THP 156 bhp 6 Speed Manual

This turbocharged direct petrol injection achieves a remarkable blend between performance (with a torque of 240 Nm at 1,400 rpm and a maximum power of 156 bhp at 6,000 rpm) and consumption (44.1 mpg, 149 g/km CO₂ with manual gearbox).

PETROL

1.6 Litre THP 156 bhp 6 Speed Automatic

The same engine is available with a six-speed sequential automatic gearbox (combined consumption 38.6 mpg and CO₂ emissions of 168 g/km).

PETROL

2.0 Litre HDi FAP 163 bhp 6 Speed Manual

This 1,997cm³ engine has maximum power of 163 bhp at 4000 rpm and a maximum torque of 320 Nm at 2,000 rpm. Combined consumption is 53.2 mpg and CO₂ emissions are 135 g/km.

DIESEL

SPORTS AND PERFORMANCE

The New RCZ uses a range of performance engines offering torque, power, controlled fuel consumption and surprisingly low CO₂ emissions.

PEUGEOT AND THE ENVIRONMENT

Peugeot is a leading manufacturer of low-emission vehicles* with more than half its global sales for vehicles emitting less than 140g of CO₂ per km. This performance is based on proven technology: the Diesel Particulate Filter.

Launched in 2000, and now equipped in more than 2.1 million vehicles, it reduces particle emissions by 99.99%. Peugeot have also led the way on other breakthrough technologies, including Stop & Start and a new generation of HDi engines.

* PSA European leader in terms of CO₂ emissions, with an average of 122.9 grams of CO₂ per km.

HDi FAP

The environmentally friendly diesel engine combines HDi technology and a highly efficient emission control system with a particulate filter. A self-cleaning device, it processes the gases emitted from the combustion of diesel in the engine. The filter helps to cut down diesel particles, reducing them to the measurable limit (0.004 g/km).

CONSUMPTION AND EMISSIONS

	Transmission	Fuel Consumption (MPG)			CO ₂ (g/km)
		Urban	Extra-Urban	Combined	
Petrol Engines					
1.6L THP 200 bhp	6 speed manual	32.1	50.4	42.1	155
1.6L THP 156 bhp	6 speed manual	31.7	55.4	44.1	149
1.6L THP 156 bhp	6 speed automatic	27.4	51.3	38.6	168
Diesel Engines					
2.0L HDi FAP 163 bhp BLUE LION	6 speed manual	41.5	62.7	53.2	135

The fuel consumption detailed in the table above corresponds to the values approved following European regulations, applicable to all manufacturers and all cars sold in Europe. These values allow you to compare vehicles, and inform your choice:

- Urban consumption is obtained over an approximate 4km course of urban type driving.
- Extra-urban consumption is obtained over an approximate 7km course of extra-urban type driving.
- The combined fuel consumption is an average of two courses, over an approximate course of 11 km.

These values are obtained under strict test conditions (temperature, mass, characteristics of roller test bench, etc ...) and a very steady driving profile. The real traffic conditions, weather conditions, driving style, tyre pressures, extensive use of air conditioning and/or heating, vehicle condition can lead to a variance of consumption different from those approved.

SAFETY

Braking system and ESP ®

To maintain an optimal balance and preserve driving pleasure in difficult situations, the Peugeot RCZ has a complete braking system that combines several functions:

- ESP ® (Electronic Stability Program / Dynamic Stability Control) with its traction control system (ASR), which acts on the brakes and engine control to limit wheelspin in case of loss of grip.
- Dynamic Stability Control (CDS) continuously compares stability information to detect any incipient understeer or oversteer. It then replaces, within the laws of physics, the RCZ on its initial trajectory.
- Anti-lock Braking System (ABS) helps you to control any loss of traction during emergency braking.
- The Electronic Brake Force Distribution (EBFD) works wheel by wheel for greater efficiency, particularly when braking in curves.
- Emergency Brake Assist (EBA) increases the effectiveness of braking when necessary.

Intelligent Traction Control

This clever traction control system brings a new feature to classic traction. It helps to identify situations that could hinder grip and the progress of the vehicle on icy or snowy roads. In these situations, the system of Intelligent Traction Control replaces ASR to reduce wheelspin and promote good traction.

Enhanced Security

In keeping with the philosophy of the Peugeot RCZ, many facilities are available to provide you with maximum security. In addition to handling, a strong structure helps to withstand and absorb the energy of frontal and side impacts.

Active Rear Spoiler

The New RCZ has an active rear spoiler, which extends automatically as a function of the vehicle's speed or the driver's request and optimizes the flow of air and improves downforce.

Airbags

The New RCZ is equipped with 4 airbags for a high level of driver and passenger protection.

PEUGEOT CONNECT SOS*

Peugeot Connect SOS is now in use in most major European countries including the UK. It is technology that could prove vital in an emergency. In the event of a serious accident (measured by the triggering of airbags), the system will contact the appropriate emergency services automatically and tell them the exact location of the vehicle. The system can also be triggered manually by the driver or passenger when, for example, an accident is witnessed.

* Peugeot Connect SOS is available as an option on RCZ, subject to terms and conditions, available at your Peugeot dealership.

UNIQUE AND PERSONAL

The new RCZ meets all your requirements. Its freedom of customisation is characterised by a level of quality and finish that goes down to the smallest of details. The use of high

quality, contemporary materials offers multiple options to personalise and makes the new RCZ an exclusive vehicle.

TRIM

FRISSON BLUE/MISTRAL BLACK INTEGRAL LEATHER*

Developed specifically for the new RCZ, this two-tone leather with a fine, smooth grain in elegant grey-blue and black, echoes the elite sporting world. Mistral black leather covers the side portions of the seat while the Frisson blue leather covers the inside and visually

enhances the appearance of the bucket seats. The dashboard covered with Frisson blue leather and enhanced with aluminium inserts creates a contemporary, elegant and stylish interior.

*Option. See price and specification guide for details.

COHIBA BROWN/MISTRAL BLACK SIMPLE LEATHER*

This new two-tone leather combination creates a harmonious contrast between the Cohiba brown seat interior and the Mistral black base.

*Option. See price and specification guide for details.

BLACK LEATHER & DARK GREY ALCANTARA*

*Option. See price and specification guide for details.

COHIBA BROWN LEATHER & MID-GREY ALCANTARA*

*Option. See price and specification guide for details.

Bike rack

NETWORK AND SERVICES

When you choose Peugeot, you have the reassurance of knowing that your vehicle has been designed and built to give you years of worry free motoring. As a Peugeot owner, you can also rely on the customer care services of your Dealer. This will ensure that you're talking to a specialist who'll listen to you, understand your problems and respond efficiently - someone who also has the expertise to maintain your Peugeot correctly, using trained technicians, Peugeot Diagnostic Equipment and Peugeot Original parts.

FOR YOUR PEACE OF MIND

MANUFACTURER WARRANTY

Any Peugeot RCZ first registered in the UK and purchased from a UK Peugeot Dealer will benefit from a 2 year unlimited mileage manufacturer warranty and a free optional additional year of warranty (up to 60,000 miles) provided by the Peugeot Dealer Network. At the end of the 3 year Warranty period (or after 60,000 miles) you have the option to purchase a Peugeot Platinum Extended Warranty. Our cars also come with a 12 Year Anti-Perforation and 3 Year Paint Warranty (6 and 2 years on vans). For full terms and conditions on all of these, please contact your Peugeot Dealer.

PEUGEOT ASSISTANCE

All new Peugeots come with 12 months of Peugeot Assistance - our breakdown assistance service. This covers all incidents involving vehicle based faults for you and anyone else driving your car with your permission. It is available 24/7, 365 days a year. Peugeot Assistance includes European cover, homestart, roadside assistance, vehicle recovery and a free replacement car or accommodation if required. It can be extended for a further 12 months, or 24 months, and to protect you against non-vehicle faults (such as punctures) at specially discounted rates, by calling 0870 752 7050.

PEUGEOT SERVICE CARE

Please refer to the maintenance book for details of the service intervals for RCZ and the specifics of vehicles operating in arduous conditions.

FINANCE - LET THE SPECIALISTS HELP

Peugeot Financial Services offer a range of flexible finance plans to make owning a new Peugeot easy. As specialists, we will provide choice, convenience and flexibility. Written quotations are available on request from Peugeot Financial Services, Quadrant House, Princess Way, Redhill RH1 1QA. Over 18s only, a guarantee may be required.

FURTHER INFORMATION
