- 01 Rear Seat Entertainment System 07
- 02 iPad® Docking Station Plus for rear compartment 06

Relax. And let the high-end entertainment options do their job.

01 iPad® Docking Station Plus for rear compartment

This ergonomic, crashproof device introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones, remain accessible. The mount can be tilted and rotated around 90° in any direction. Plus the battery can be charged via an integral USB interface using your charging cable. Available for iPad®, iPad® 2, iPad® 3 or iPad® 4.

02 iPad® Docking Station for rear compartment

This ergonomic, crashproof Docking Station introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones or charging cable, remain accessible. The mount is fitted to the head restraint and can be tilted and rotated around 90°. Available for the iPad®, iPad® 2, iPad® 3 and iPad® 4.

03 Rear Seat Entertainment System

This elegant DVD system allows the rear passengers to watch DVDs, look at their favourite pictures and even play video games on two superb 17.8 cm colour TFT screens, without disturbing the driver or restricting the rear field of vision. Rear-seat passengers have the option of watching a different video source on each screen, allowing each to select their own individual entertainment. The AV-IN connection and USB and SD card interfaces allow other storage media to be used too.

Supplied with two sets of infrared headphones and remote control. A separately available video cable allows users to watch videos or view images from external sources.

A remote control [B], 2 sets of infrared headphones [C] and a range of multimedia connections [A]: the Rear Seat Entertainment System offers everything you need for in-car entertainment.

01 Mercedes-Benz Bluetooth® (SAP¹) telephone module²

Experience a new dimension of web access, telephony and navigation support – with the combination of the Mercedes-Benz Bluetooth® (SAP) telephone module and your COMAND Online multimedia system. You can simultaneously talk on the phone, use Mercedes-Benz Apps and have your text messages read aloud. The telephone module ensures that COMAND Online has a fast, stable and reliable internet connection via the integral UMTS module and the direct link to the vehicle's external aerial.

The module is compatible with all COMAND systems from NTG4.5. From NTG5 you even have access to high-speed internet: the data transfer speed via the USB cable is up to 7x faster than a Bluetooth® connection!

The telephone module can be used as a permanently installed telephone and as a data modem. The module's gateway functionality allows parallel phone use – with all the functions of Convenience Telephony (Code 386): convenient operation via your multimedia system, hands-free functionality using the personal contact details on your mobile's SIM card and much more besides. When necessary, your mobile is charged via the USB port. The Bluetooth® (SAP) telephone module can either use your mobile's SIM card or a SIM card can be inserted directly into the module, for a connection that is independent of your mobile phone. Many mobile phone providers offer multi SIM cards for your existing contract.

- 1 SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card.
- 2 Only in conjunction with Convenience Telephony (Code 386). For further information about the telephone module, software updates and a list of supported mobiles, go to www.mercedes-benz.com/connect and select Convenience Telephony.

Product is only available for Coupé and Shooting Brake models manufactured up until 08/14.

02

02 Mobile-phone holders

When it comes to selecting a mobile phone for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the mobile-phone holder. It takes a matter of seconds and is as straightforward as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. Enjoy the benefits of Convenience Telephony to the full.

Other advantages:

- Optimum reception quality as a result of using vehicle's external aerial.
- Mobile's battery is charged.
- Access to internal phone memory.
- Convenient operation using multifunction steering wheel.

Only in conjunction with Convenience Telephony (Code 386).

Product is only available for Coupé and Shooting Brake models manufactured up until 08/14.

Holders are available for a range of current mobiles from:

Nokia: N8-00, 6303, 6303i classic

Apple®: iPhone® 5, iPhone® 4s, iPhone® 4

BlackBerry: 9790 Bold, 9900 Bold, 9780 Bold, 9700 Bold, 9105 Pearl 3G

Further information about using the phone while in your vehicle can be found on our website.

For further information about using the phone while in your vehicle, go to www.mercedes-benz.com/connect or contact your Mercedes-Benz partner.

01 COMAND Online with 6-disc DVD changer

High-performance multimedia system with 6-disc DVD changer, hard-drive navigation system, telephone keypad and internet browser, shown on high-resolution, 20.3 cm colour TFT display.

- Navigation system with 2D/3D map views, Speed Limit Assist and automatic congestion avoidance (TMC Pro).
- Unrestricted internet access – when vehicle is stationary.
- Music Register with 10 GB storage for diverse audio files (MP3, WMA, AAC), USB interface incl. CD cover display and AUX-IN socket (in centre armrest), Bluetooth® interface with hands-free function and audio streaming for music, SD card slot, DVD Video.
- LINGUATRONIC voice control system for audio, phone and navigation.
- WLAN hotspot functionality (wifi internet access requires mobile phone).

02 Mercedes-Benz Apps

Take advantage of Mercedes-Benz Apps for COMAND Online and Audio 20 CD:

-  **News:** Access to news from around the world, in categories such as finance, politics and technology.
-  **Parking Finder:** Search for parking options near your current position or destination, with details of free parking, parking charges and opening hours.
-  **Morningstar Finance:** Receive details of indexes and share prices from funds rating agency Morningstar. Please note that market details are not delivered in real time.
-  **Flight Info:** The latest flight information shown on your Audio 20 or COMAND Online system: arrivals and departures, gates, flight status, etc.
-  **Fuel Prices:** Shows the current fuel prices at filling stations in your vicinity and transfers the selected address to your navigation system.

Mercedes-Benz Apps are available at <http://apps.mercedes-benz.com>

Audio 20 only supported in models manufactured from 09/14.

For further information about Mercedes-Benz Apps, go to apps.mercedes-benz.com

Mercedes-Benz Apps*Parkplatzsuche**Nachrichten**Fluginformationen**Stocks
MORNINGSTAR*

01 Garmin® MAP PILOT

Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Garmin® MAP PILOT uses the standard-fit 17.8 cm colour TFT display and can be conveniently operated via the vehicle's Controller and the Audio 20 keypad. Available for a whole range of countries. For details and the latest updates, visit the Mercedes-Benz Shop at shop.mercedes-benz.com

Product is only available for Coupé and Shooting Brake models manufactured from 09/14.

02 Becker® MAP PILOT

Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Becker® MAP PILOT uses the standard-fit 14.7 cm colour TFT display and is conveniently operated via the vehicle's Controller and the Audio 20 keypad. The plug-in navigation module can be connected to your PC via USB to download the latest updates and additional services from the Becker® MAP PILOT website.

Available in Europe, the USA, Australia/New Zealand, Russia, Turkey and China.

Product is only available for Coupé and Shooting Brake models manufactured up until 08/14.

03

04

03 Europe navigation update for COMAND Online

Did you know that we update 20% of the information on our navigation media every year? Changes include new roads and junctions, altered priorities, new points of interest such as filling stations and restaurants and additional countries, above all in Eastern Europe. Equipped with the latest map updates, your navigation system continues to deliver consistently good results. Mercedes-Benz recommends that updates be carried out regularly.

04 Media Interface consumer cable

Control your iPod®, your iPhone® or other devices with a micro USB connection via the multifunction steering wheel or your audio system. Display the song, artist or album/playlist of your choice in the instrument cluster or on the monitor of your audio system. And charge your device's battery – via the universal interface in the centre console.

For further information, go to www.mercedes-benz.com/connect

05 Reversing camera

The reversing camera is automatically activated when reverse gear is engaged. It assists the driver when reversing into a parking space. Static and dynamic guide lines show the driver the steering angle and the available clearance.

01 Mercedes-Benz Drive Kit Plus for the iPhone®

The “Drive Kit Plus for the iPhone®” comprehensively integrates your iPhone® 5/5s/5c/4/4s on board. Integration is based on the combination of the Mercedes-Benz “Digital DriveStyle” app and the “Drive Kit Plus for the iPhone®” – the on-board interface to which the iPhone® is connected and via which it is charged.

The “Digital DriveStyle” app is available free of charge from the iTunes® App Store¹. In the app an extensive range of functions are seamlessly integrated into the new, revolutionary user interface which appears on the vehicle display². When an iPhone® is connected, the “Digital DriveStyle” app can be operated safely and conveniently using the ergonomic Controller.

Some functions of the “Digital DriveStyle” app:

- Advanced navigation solution from Garmin®, with internet-based real-time traffic information, point of interest search and 3D map views.
- Local search for points of interest powered by Google™ – with Street View™ and transfer of destination to the navigation system.
- Google Places™: search for points of interest (POIs) is internet-based, which means the latest information is available.
- Google™ Traffic: overview of current traffic situation via Google Maps™.
- Siri™³ can act as a personal assistant, providing answers to questions or carrying out commands which would otherwise require manual input.
- AUPEO! Personal Radio for an individual music programme.
- Internet radio from national and international broadcasters.
- Access to songs saved on your iPhone®.
- Facebook® feeds and Twitter® tweets from friends are read aloud⁴.
- Socially interactive experience with option, for example, of sharing and posting current song choice or navigation destination on Facebook® and Twitter®.
- Glympse™: share your location, vehicle speed and estimated time of arrival with your friends in real time.
- Intuitive CarFinder – automatically stores vehicle’s location in iPhone®. Integral pedestrian navigation on the iPhone® makes it easy to find your vehicle again.

1 “Digital DriveStyle” app available from iTunes® App Store in Germany, France, Italy, Switzerland, Austria, the United Kingdom, Luxembourg, the Netherlands, Belgium, Spain, Portugal, Denmark, Norway, Sweden, Finland, the Czech Republic, Slovenia, the Slovak Republic, Hungary, Greece, Serbia and Montenegro. Other countries to follow.

2 In conjunction with COMAND Online.

3 Audio support only. A list of Siri™ commands can be found at <http://digitaldrivestyleapp.com>

4 Languages: German, English, Italian, French, Spanish, Dutch, Danish, Swedish, Norwegian, Finnish, Portuguese.

Product is only available for Coupé and Shooting Brake models manufactured up until 08/14.

Mercedes-Benz Drive Kit Plus for Android™ | not pictured

The “Drive Kit Plus for Android™” comprehensively integrates your Android™ smartphone on board. Integration is based on the combination of the Mercedes-Benz “Digital DriveStyle” app and the “Drive Kit Plus for Android™” – the on-board interface to which the smartphone is connected and via which it is charged. The “Digital DriveStyle” app is available free of charge from the Google™ Playstore⁵.

The functionality is virtually identical to that of the Drive Kit Plus for the iPhone®. For more detailed information, go to www.drive-kit-plus.com or contact your Mercedes-Benz partner.

5 The “Digital DriveStyle” app is available free of charge from the Google™ Playstore in Germany, France, Italy, Switzerland, Austria, the United Kingdom, Luxembourg, the Netherlands, Belgium, Spain, Portugal, Denmark, Norway, Sweden, Finland, the Czech Republic, Slovenia, the Slovak Republic, Hungary, Greece, Serbia and Montenegro. Other countries to follow.

Available from 4th quarter of 2014.

Product is only available for Coupé and Shooting Brake models manufactured up until 08/14.

02 | 48.3 cm | 19"

QUALITY

The long road to perfection.

Mercedes-Benz light-alloy wheels not only boost your vehicle's looks, they also offer the ultimate in safety.

All wheels are precision-tailored to your vehicle in terms of load profile and dimensions. Before your light-alloy wheels are allowed to accompany you safely on your travels, they are subjected to an extensive development and testing programme. Each wheel design has to pass a variety of endurance tests, based on exacting Mercedes-Benz guidelines, all of which exceed statutory requirements. These include special test routines which simulate real challenges on the road and material tests in cutting-edge x-ray facilities.

High-shine wheels undergo additional tests such as exposure to highly corrosive salt spray or a 28-day variable climate programme. Only once all of the tests have been passed may the wheels be included in the range of genuine Mercedes-Benz light-alloy wheels. Add an individual touch to your vehicle with a tested and approved genuine Mercedes-Benz light-alloy wheel and head for the open road.

* Not compatible with snow chains.

07 Snow chains

High-performance chain for the toughest of conditions and excellent traction on snow and ice. Easy to fit - fastens on outside.

07

Hub caps

Protect the hub from dirt. Available in the following versions:

- 01 black with chrome star
- 02 matt black with chrome star
- 03 himalaya grey with chrome star
- 04 titanium silver with chrome star
- 05 classic roadster design in black
- 06 classic roadster design in blue

07 Valve caps, black

Stylish highlights in a new design. Protect the valves from dirt. Set of 4.

08 Rim locks, black

Protect your valuable light-alloy wheels from theft. Set consisting of coded key and one lock per wheel.

09 Rim locks, silver

Protect your valuable light-alloy wheels from theft. Set consisting of coded key and one lock per wheel.

10 Tyre pressure gauge

Allows you to carry out a quick tyre pressure check on the road or at home. Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Suitable for all motor vehicle tyre valves and for cycle valves. Supplied with leather pouch.

11

12

13

11 Rear spoiler

A rear spoiler from Mercedes-Benz significantly boosts the car's aerodynamics. Tailored to the contours of the vehicle for a sporty design. Top-class materials produce a high-quality feel. Colour options precision-tailored to the vehicle. Simple to retrofit: secured using double-sided adhesive tape. Does not need to be entered in the vehicle documents.

Not suitable for models with AMG bodystyling (Code 772) or for AMG model variant CLS 63 (Code M157).

Product is available for Coupé only.

12 Illuminated Mercedes star

Let your star shine. Thanks to fibre-optic cables and LED technology, the central star emblem in your Mercedes' radiator grille lights up when you remotely lock/unlock the vehicle or open the door or tailgate/boot lid. Only functions when engine is switched off. Not in conjunction with DISTRONIC (Code 233). For models with central star emblem.

13 High-gloss black exterior mirror housings

For an individual, sporty and dynamic look. Set of 2.

02

01

Mercedes-Be

Making a statement. In exceptional style.

01 Illuminated door sill panels

A distinctive, eye-catching accessory, whether in daylight or at night – “Mercedes-Benz” lettering illuminated in brilliant white, set in an elegant ground stainless steel panel.

02 Sports pedals in stainless steel

A distinctive touch: elegant brushed stainless steel and non-slip studs signal sporting ambition.

For vehicles with automatic transmission.

Not for AMG model variants or vehicles with AMG Line (Code 950).

**03 CLASSIC velour mats**

Elegant, high-quality tufted velour mats, with embroidered Mercedes-Benz lettering. Available in various colours to match your interior.

04 CLASSIC rep mats

Durable, extremely hardwearing needle felt mats, with embroidered Mercedes-Benz lettering. Available in various colours to match your interior.

05 CLASSIC all-season mats

Made from dirt and water-repellent rubber, these mats help protect the vehicle's carpet flooring and are non-slip and easy to clean. Their shape and design are also, of course, precision-tailored to the interior. With embossed Mercedes-Benz logo.

01 Style & Travel Equipment

These head restraint elements are simple to fit and remove. The modular system centres around a base support which can be combined with the product of your choice – coat hanger, universal hook or folding table.

Products designed to be attached to head restraint posts.

Mercedes-Benz child safety

Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition (Code U18), the front passenger airbag is automatically deactivated when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points. Mercedes-Benz child seats are available in the “Limited Black” design.

The covers are washable and very hardwearing. Optional replacement headrest covers are available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in flannel grey and chilli red [pictures 05 and 06].

02 “BABY-SAFE plus II” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg). Equipped as standard with automatic child seat recognition.

03 “DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable harness, ventilation channels and ISOFIX attachment points. Adjustable tilt.

04 “KIDFIX” child seat

Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KIDFIX” seat is secured using the 3-point seat belt and ISOFIT attachment points. For children between the ages of around 3.5 and 12 (15 to 36 kg).

05–06 Headrest covers

Available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in flannel grey [05] and chilli red [06].

06

Wherever your journey takes you. Make sure you're ready.

01 Alustyle basic carrier bars

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes. With integral tool for quick, easy fitting. Aerodynamic Mercedes-Benz design with optimised noise level. Crash-tested. Lockable.

02 Transport and stowage bag

Robust bag, made from a high-quality nylon fabric. Provides protection for your basic carrier bars when stowing or transporting them.

Mercedes-Benz roof boxes

Aerodynamic design, tailored to your Mercedes-Benz. Extremely durable material. Designed for quick, optimised attachment to your basic carrier bars. Boxes open on both sides for particularly easy loading and unloading. Lockable on both sides.

03 Mercedes-Benz roof box 330

Capacity approx. 330 litres. Available in titanium metallic. Maximum payload 50 kg¹.

04 Mercedes-Benz roof box 400

Capacity approx. 400 litres. Available in matt silver and black metallic. Maximum payload 75 kg¹. With handle strip on each side for easier opening and closing.

05 Mercedes-Benz roof box 450

Capacity approx. 450 litres. Available in matt silver and black metallic. Maximum payload 75 kg¹. With handle strip on each side for easier opening and closing.

06 Ski rack insert for Mercedes-Benz roof boxes

Insert for securing your skis – precision-tailored to the internal dimensions of the roof box.

Ski rack insert for roof box 330:

A secure hold for up to three pairs of skis².

Ski rack insert for roof box 400:

A secure hold for up to four pairs of skis².

Ski rack insert for roof box 450:

A secure hold for up to five pairs of skis².

¹ Please, however, bear in mind your vehicle's permissible roof load.

² Subject to geometry of skis.

01 New Alustyle ski and snowboard rack “Comfort”

For up to 6 pairs of skis* or 4 snowboards. Lockable.
Practical pull-out function makes loading and unloading easier.

* Subject to geometry of skis.

02 New Alustyle ski and snowboard rack “Standard”

For up to 4 pairs of skis* or 2 snowboards. Lockable.

* Subject to geometry of skis.

03 New Alustyle bicycle rack

Extremely lightweight bicycle rack, designed to be attached to the basic carrier bars. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without cycles. Suitable for cycles with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). Please bear in mind your vehicle’s permissible roof load.

04 Coil locks

Available as a separate accessory for the bicycle rack.

05 Rear-mounted bicycle rack for trailer coupling, folding

Easy-to use, lockable rear-mounted bicycle rack, designed to provide secure transport for 2 or 3 cycles. Rack is easy to attach to trailer coupling, and cycles are equally easy to fit to rack. Maximum payload of up to 30 kg per rail, making rack suitable for most ebikes. An ingenious roller mechanism means that the load compartment can still be opened. The rack is easy to fold for space-saving stowage in the load compartment, at your holiday accommodation or at home.

Product is available for Shooting Brake only.

Only in conjunction with trailer coupling, Code 550, or retrofit.

Not in conjunction with external spare wheel.

03

01 Trailer coupling

Mechanically folding trailer coupling, specially for Mercedes-Benz vehicles. High corrosion protection. Supplied with electrical kit and control unit. Maximum drawbar load 84 kg.

Product is available for Shooting Brake only.

02 Adapter

For trailer with 7-pin plug.

03 Snap-in module for load compartment

Partition your load compartment to suit your requirements and prevent the contents from sliding around. The brackets can be freely positioned along the outer edges of the load compartment floor. The system's telescopic frame provides a secure hold.

Factory-fitted pre-installation (Code 942) is not required.

Product is available for Shooting Brake only.

04 Stowage crate

A secure hold for items which are prone to tip over or slide around, e.g. shopping bags. Adjustable partitioning elements allow crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow boot tub.

05 Shallow boot tub

Made from impact-resistant, non-slip polypropylene. Suitable for transporting foodstuffs. Structured surface holds separately available stowage crate in place.

The shallow boot tub can also be used in Shooting Brake models with a wooden floor or the EASY-PACK load-securing kit. In this context it is not possible to use the EASY-PACK load-securing kit's fastening elements.

06 Concertina load sill protector

Protects the rear of the vehicle from scratches when you're loading up – and prevents dirt from the vehicle from getting onto your clothes. Practical design – can be secured to shallow boot tub or reversible mat.

01 Luggage nets

Prevent lightweight objects from sliding around during your journey. All nets are in pocket format.

02 “EASY-PACK” boot box

A practical option for storing objects in the boot. When it is not in use, the box can be folded up at the touch of a button and slid beneath the parcel shelf to save space.

03 Concertina bags

A practical addition to the EASY-PACK load-securing kit (Code 942): these folding, removable bags in robust, washable nylon fabric offer a secure hold for your shopping. Simply insert the supplied brackets into the load system strips in either side of the load compartment floor, slot the bags into place, open them up – and they’re ready to use!

With the extension kit for the snap-in module, concertina bags can be used without factory-fitted load-securing rails.

Product is available for Shooting Brake only.

04 Tie-down strap

Even heavy objects can be secured in place easily using this strap.

05 Luggage-securing feature

Ingenious solution to the problem of luggage sliding around in the boot. Attaches securely around the object in question thanks to Velcro fastening.

Cannot be used in conjunction with wooden load compartment floor.

06 Shopping crate

Anthracite. Collapsible.

07

07 Reversible mat

The reversible mat has a high-quality velour side and a non-slip side. It helps keep the original floor of the boot or load compartment clean. Available in black.

08 Coolbox

Not only cools but warms too. Cools to up to 20°C below ambient temperature – to max. -2°C. Can be switched to warming function. Robust, highly insulated hard case with fabric cover, outside pockets and padded shoulder strap. Capacity 24 litres. Can be connected to 12 V socket in vehicle or to 230 V power source via separately available rectifier.

08 09

10

09 Rectifier

Allows the coolbox to be connected to a 230 V socket at home.

10 Charger with trickle charge function

New life for your vehicle's battery: checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems. Available in 3.6 A and 25 A version for all types of lead-acid battery. Also available in a combination 5 A version for all types of lead-acid or lithium battery.

11 Vehicle tool kit

Everything you need to change a wheel – from a wheel wrench to a pair of gloves. All handily stored in a compact bag.

11

12

12 Fluorescent jacket, compact

Optimum safety in every situation: this fluorescent yellow jacket with reflective stripes makes you more visible to others. Now rolled for compact stowage and supplied in an individual fabric bag.

For the rear axle:

Wheel: 9.5 J x 19 ET 48 | Tyre: 285/30 R19
B6 603 1520

**07 AMG 5-spoke wheel**

Finish: silver, high-sheen

Wheel: 8.5 J x 18 ET 34.5 | Tyre: 255/40 R18
B6 603 1484

Option for rear axle:

Wheel: 9.5 J x 18 ET 48 | Tyre: 285/35 R18
B6 603 1485

**08 AMG 5-spoke wheel**

Finish: black, high-sheen

Wheel: 8.5 J x 18 ET 34.5 | Tyre: 255/40 R18
A218 401 1402 7X23

Option for rear axle:

Wheel: 9.5 J x 18 ET 48 | Tyre: 285/35 R18
A218 401 1502 7X23

AMG floor mats | not pictured
With embroidered AMG lettering.

AMG multifunction sports steering wheel |
not pictured

3-spoke design, flattened at top and bottom,
with aluminium shift paddles. Black nappa leather,
perforated in grip area.

AMG indoor car cover | not pictured
Silver-coloured, with black AMG logo.

*AMG light-alloy wheels are supplied without
tyres, hub caps, valve caps or wheel bolts.*

Mercedes through and through.

DESIGN & DEVELOPMENT

Mercedes-Benz Genuine Accessories make your dream car a reality – while ensuring that it remains a Mercedes-Benz through and through:

- ▶ Individualisation options are developed in accordance with the Mercedes-Benz car design philosophy.
- ▶ The use of CAD data from Mercedes-Benz Vehicle Development ensures precision-fit accessories.

QUALITY & SAFETY

When it comes to Mercedes-Benz vehicles, quality and safety are paramount. You can feel equally safe with Mercedes-Benz Genuine Accessories as a result of:

- ▶ Stringent safety measures and extensive load testing, including the use of crash test facilities and the wind tunnel.
- ▶ Harmonised development of both vehicle and Mercedes-Benz Genuine Accessories.
- ▶ The highest standards, frequently far in excess of those prescribed by law.

FUNCTION & OPERATION

Mercedes-Benz Genuine Accessories form part of the vehicle concept from the outset. This results in impressive functional solutions:

- ▶ Fully integrated telematics products can be operated safely and conveniently using the multifunction steering wheel.
- ▶ Roof-mounted carrier systems can be fitted quickly and without the use of additional tools.
- ▶ Instructions and manuals are in standard format and easy to understand.

ADVICE & FITTING

No one is as familiar with the ins and outs of your vehicle as our employees. And the same goes for Mercedes-Benz Genuine Accessories:

- ▶ Contact your Mercedes-Benz partner for expert advice in matters relating to service and sales.
- ▶ Trust our trained specialists when it comes to fitting Mercedes-Benz Genuine Accessories.

Genuine Accessories for the CLS-Class Coupé and Shooting Brake.

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps.
