Das Auto.

The new
Caravelle

Your companion for the journey.

The beautifully engineered new Caravelle opens a world of possibilities and delivers both space and flexibility. Few vehicles are able to challenge the high levels of practicality, durability and luxury it offers. Seating up to seven, the Caravelle features a clever floor-mounted rail system that enables seats to be easily removed or repositioned, offering literally dozens of interior combinations. Even when fully-loaded with passengers, the Caravelle's rear luggage space ensures occupants have plenty of space to store their kit and still have ample room to relax. When choosing a Caravelle, you choose a vehicle that's equally at home carrying a large family as it is carrying clients to an airport. It's designed to make a statement and stand out from the crowd, but above all, it's a vehicle to use and enjoy.

Designed to make a statement.

The new Caravelle demonstrates great design, yet still remains true to its roots. With assured styling, defined contours, large windows and features like striking LED tail lights, it's designed to make a statement. The Caravelle is now available with a new range of stylish alloy wheels and a wide selection of attractive exterior paint colours – all designed to help it stand out from the crowd.

- 02 Optional App-Connect system.
- 03 Optional Composition Media DAB+ radio system.

The new infotainment systems.

When you get behind the wheel of the new Caravelle, you'll be greeted by an ergonomic, highly-specified interior with high-class finishing and an exclusive atmosphere. With the latest generation Caravelle, we've taken things a step further by introducing range of stylish and innovative radio and infotainment systems.

Radio and navigation. Devices include the standard Composition Colour touch-screen DAB+ radio system and optional Composition Media DAB+ radio system.

Voice recognition. Available as an option, the voice control system allows you to operate the telephone, navigation and audio functions without taking your hands off the steering wheel.

App-Connect. Available as an option, App-Connect allows you to operate special apps. The screen of your smartphone can be shown on the radio system's display.

Connectivity package. Available as an option, external media devices, such as MP3 players, can be connected via the USB port. Additionally, the standard mobile phone interface offers a Bluetooth® hands-free speaking system.

Volkswagen Media Control. Available as an option, your smartphone or tablet is turned into a remote control and able to operate the audio system functions from the rear seats via a Wi-Fi connection.

Comfort and flexibility.

The new Caravelle offers a world of possibility when it comes to combining flexibility and space. Featuring moulded trim and deluxe headlining, sumptuous upholstery, heat insulating glass, rear heating systems, multiple air vents and sunblinds on rear side windows – it delivers a comfortable and controlled atmosphere that feels like home. Seating up to seven including the driver, the Caravelle incorporates 360° swivelling and folding seats on the second row and a newly designed three-seat bench at the rear. The clever floor-mounted rail system enables rear seats and the multi-functional table (which folds, swivels and adjusts for height), to be located securely in countless configurations. If required, rear seating can be removed to create a large, flat load area. In fact, when you need to comfortably carry a large number of passengers, as well as their luggage, the new Caravelle is hard to beat.

Main image shows the Caravelle Executive interior.

- 01 The Caravelle's ingenious floor-mounted rail system shown with optional rubber flooring.
- 02 Standard 360° swivelling and removable seats in the second row.

Adaptive Cruise Control (ACC).

Available as an option, ACC uses a front radar to measure the distance (up to 120m) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the **Front Assist area monitoring system with City Emergency Braking System**. This detects critical distances, warns of hazardous situations and when necessary, triggers emergency braking.

Lane Change Assist - Side Scan.

Available as an option, Side Scan displays a warning signal on the exterior mirror as soon as one of its sensors detects a vehicle in a blind spot during a lane change.

High Beam Assist.

Available as an option, High Beam Assist automatically dips the headlights and prevents dazzle for oncoming vehicles, or vehicles travelling ahead. At night time at speeds of above 37mph, the system automatically switches the headlights to high-beam.

Fog lights with integrated cornering lights.

Fitted as standard on all Caravelles, these help to illuminate curves and bends in the road ahead. This aids the driver in spotting any obstacles where the vehicle is turning.

Advanced driver assistance systems.

To help ensure every journey ends as stress-free as it begins, the new Caravelle is equipped with a number of systems – all of which are activated in critical situations as a preventative measure. Add to this a variety of new and innovative driver assistance systems and you'll discover the new Caravelle offers high levels of safety and peace-of-mind.

01 Optional parking sensor display.

02 Optional rear-view camera display.

Cruise control.

Standard on Executive and optional on SE, cruise control maintains the selected speed, or limits the top speed to a value set by the driver.

Driver Alert System.

Fitted as standard, the Driver Alert System registers deviation from normal steering patterns and uses visual and acoustic warnings to recommend that the driver takes a break.

Brake Assist.

Fitted as standard, the system registers the speed at which the brake pedal is pressed. During emergency braking, it helps ensure full brake pressure is applied more quickly.

Daytime running lights.

Fitted as standard, daytime running lights offer increased visibility. For extra driver convenience, the dipped beam headlights are automatically switched on when you start your vehicle.

Hill Hold Assist.

Fitted as standard, the convenient Hill Hold Assist helps to prevent your vehicle from rolling back when pulling away on an incline. The hold operates for approximately two seconds.

Tyre pressure monitoring.

The standard tyre pressure monitoring display activates a warning signal to highlight significant changes in tyre pressure. This lets the driver know that the tyre pressure should be checked as soon as possible.

New TDI and BiTDI engines with the Euro 6 emissions standard.

The new Caravelle engine range.

EURO
6

2.0 litre TDI 150PS (110kW).¹

Combined cycle fuel consumption: 44.8-47.1mpg
CO₂ emissions: 164-155g/km
Maximum torque: 340Nm

2.0 litre BiTDI 204PS (150kW).¹

Combined cycle fuel consumption: 42.2-44.8mpg
CO₂ emissions: 176-164g/km
Maximum torque: 450Nm

¹ Standard EU test figures for comparative purposes and may not reflect real driving results. For full mpg and CO₂ data refer to page 32.

Euro 6 is achieved by applying the following technologies.

Selective Catalytic Reduction (SCR).

The SCR system uses AdBlue® urea solution to convert nitrogen oxide into nitrogen and water. If the vehicle is equipped with this kind of emission control system for diesel engines, the filler neck for the AdBlue® tank is located below the filler cap for the fuel tank. The AdBlue® consumption figures depend on individual driving style, the system's operating temperature and the ambient temperature that the vehicle is operated in. The vehicle is fitted with a separate tank for AdBlue® which holds approximately 13 litres.

Exhaust Gas Recirculation (EGR).

In our diesel engines, exhaust gas recirculation is a technique that is used to reduce nitrogen oxide (NO_x) emissions. EGR works by recirculating a percentage of the engine's exhaust gas back to the engine cylinders.

Diesel Particulate Filter (DPF).

The DPF captures soot particles in the exhaust gas. Periodically, the soot particles are automatically burnt under high temperatures to regenerate the filter and maintain exhaust gas emissions.

TDI and BiTDI common-rail diesel engines.

The latest generation Euro 6 engines provide excellent economy and an abundance of usable torque. Both fuel consumption and CO₂ emissions have been reduced without sacrificing the driving dynamics.

BlueMotion Technology.

All Euro 6 engines include BlueMotion Technology as standard – consisting of Start/Stop, low rolling resistance tyres and regenerative braking.

Dynamic Chassis Control (DCC).

For optimum handling, optional Dynamic Chassis Control makes it possible to adjust the running gear to a 'normal', 'sport' or 'comfort' set-up at the touch of a button.

Dual clutch direct shift gearbox (DSG).

Our dual clutch direct shift gearbox (DSG) can be used as a fully automatic gearbox, or as a responsive quick-shift manual. The innovative dual clutch system facilitates an instant gear change, whilst helping to maintain swift and smooth progress.

BlueMotion Technology.

BlueMotion Technology (BMT) is included as standard on all Caravelle SE and Executive models. BMT consists of three key elements, namely Start/Stop, low rolling resistance tyres and regenerative braking. Together, they contribute to improvements in fuel consumption and CO₂ emissions.

Standard on all Caravelle engines, BlueMotion Technology consists of three key elements.

Start/Stop.

Automatically turns the engine off when you stop and engage neutral. As soon as it's time to move, the engine starts up again. A simple, but highly-effective system.

Low rolling resistance tyres.

These don't need to work as hard to get your vehicle moving (and keep it rolling) which is especially useful when shifting heavy loads. As friction between the tyre and the road is reduced the engine has to work less.

Regenerative braking.

When you brake, the energy recuperation system uses momentum to turn the alternator and charge the battery. This way the system makes the most of the energy when you brake.

4MOTION all-wheel drive.

The new Caravelle offers a number of innovative features to help retain traction, optimum handling and outstanding steering response when encountering poor surface conditions.

A new generation of 4MOTION all-wheel drive.

The advantages of the new Haldex clutch for the 4MOTION all-wheel drive include reduced weight, a decrease in fuel consumption and an improvement to vehicle handling and dynamics.

4MOTION all-wheel drive with DSG.

The new Caravelle is the only vehicle in its class that's available with 4MOTION all-wheel drive and a 7-speed, dual clutch direct shift gearbox (DSG). Available as an option, this combination enables smooth driving on rugged terrain, thanks to its fully automatic gear changes.

Hill Descent Control.

This useful option allows you to drive down steep slopes in a safe and controlled manner, thanks to the engine management's ability to govern the engine speed and apply the brakes if necessary. The vehicle's speed is maintained at a steady pace, without the driver needing to have additional input.

Mechanical differential lock.

The mechanical differential lock is available for the rear axle together with optional 4MOTION all-wheel drive. This helps to maintain traction when you encounter adverse conditions, such as rain, snow, mud or gravel.

Wading depth.¹

Ramp angle.²

Approach and departure angles.²

Hill climbing ability.³

¹ Measured with a full load and max. 18mph.

² Measured with standard equipment and a full load.

³ Measured with a 180PS BiTDI engine and a vehicle weight of 3.0t.

Caravelle SE.

Designed for families and businesses alike, the new Caravelle SE incorporates practicality, versatility and high levels of desirability. It's robust enough for a wide range of uses, yet cossets passengers in a shell that's as safe as it is luxurious. To increase passenger comfort, features such as deluxe headlining with ventilation strips and integrated swivelling reading lights, Pandu cloth upholstery, heat-reflective glass and roller blinds for the rear side windows, help to create the right atmosphere. Combine this with twin power latching side sliding doors, Clayton or Devonport alloy wheels (depending on engine choice), front fog lights with cornering lights, body-coloured door mirrors, handles and bumpers with chrome detailing on the upper grille and you'll discover the SE is as desirable as it is practical.

Main image features optional 17" Timaru alloy wheels.

01 Control unit for the Caravelle's optional auxiliary heater with programmable parking function, remote control and second battery.

02 Optional Good Night pack with window blinds, bed covering, storage under the three-seat rear bench, mini flashlight and waste bin.

Caravelle Executive.

When your emphasis is on luxury and style, the new Caravelle Executive offers the answer. On top of the comprehensive features found in the SE, you'll find additions that transform the Executive into a highly desirable vehicle for the discerning. From the moment you enter through its twin electric side sliding doors and stainless steel door steps, the quality is evident with sumptuous leather and Alcantara® upholstery, heated front seats, Climatronic three-zone automatic air conditioning and a deluxe instrument panel. Add to this a power latching tailgate, privacy glass, chrome exterior detailing and stylish 17" Cascavel two-tone Black/Silver diamond-turned alloy wheels and the Executive's exterior becomes a perfect match for its opulent interior.

01 The Executive's interior featuring the multi-function table – standard on both Executive and SE.

02 Optional multi-flex board with cushion.
03 Optional above-cab electric sliding sunroof with sunblind.

04 Optional Digital Voice Enhancement (DVE) provides voice amplification in the passenger compartment.

Caravelle SE standard equipment.

Audio and communications.

Bluetooth® phone connectivity with trip computer and multi-function display.

Composition Colour DAB+ radio system with 5" touch-screen, single MP3 compatible CD drive, SD card slot, AUX-IN socket and eight speakers.

USB connection in glove compartment or storage shelf.

Interior.

Carpet floor covering.

Climatic semi-automatic air conditioning with second heater in rear passenger area.

Comfort dashboard with wide centre console and bottle compartment.

Deluxe headlining in passenger compartment with two ventilation strips and integrated swivelling reading lights.

Driver Alert System.

Driver and passenger seats with armrests, height and lumbar adjustment.

Electric front windows.

Grab handle on 'A' pillars for driver and front passenger.

Illuminated interior entry steps.

Interior light and reading lamps.

Leather steering wheel, gearknob and gaiter.

Lockable glove compartment.

Luggage compartment cover for three-seat rear bench.

Multi-functional table.

'Pandu' cloth upholstery.

Rail system for numerous seat and table configurations.

Six securing points in passenger and luggage compartment.

Storage net on lower dash passenger side.

Sunblinds for side windows in rear passenger area.

Three-seat rear bench with ISOFIX child seat mounting points on outer two seats and top tether anchorage.

Two longitudinally adjustable, swivelling and removable seats with ISOFIX child seat mounting points.

12v socket.

Exterior.

Body-coloured door mirrors and handles, rear bumper and front bumper with chrome detailing in upper grille.

Daytime running lights.

Door mirrors – electrically heated and adjustable.

Front fog lights with cornering lights.

Halogen twin headlights.

Heat-reflective glass.

LED tail lights.

Side sliding doors on driver and passenger side with power latching.

Tailgate with heated rear window and wash-wipe.

Safety and security.

Airbags – driver, front passenger (with deactivation switch), front seats with head and side airbags.

Anti-lock Braking System (ABS).

Brake Assist System (BAS).

Electronic Brakeforce Distribution (EBD).

Electronic Differential Lock (EDL).

Electronic Stabilisation Programme (ESP).

First aid kit and warning triangle.

Height and rake adjustable steering column.

Hill Hold Assist.

Remote central locking with interior locking switch and two remote folding keys.

Thatcham Category 1 approved alarm and immobiliser with tow-away protection.

Traction Control System (TCS).

Wheels and tyres.

16" x 6.5J Clayton alloy wheels fitted with 215/65 R16 tyres (150PS short wheelbase).

17" x 7J Devonport alloy wheels fitted with 235/55 R17 tyres (150PS long wheelbase and 204PS engine).

Full size steel spare wheel.

Tool kit and jack.

Caravelle Executive equipment in addition to SE.

Interior.

Automatically dimming rear-view mirror and rain sensor.

Climatronic three-zone automatic air conditioning for driver, front passenger and rear passenger area.

Cruise control.

Deluxe instrument panel with four-eye instrument cluster, including TFT colour display and premium multi-function display.

Folding centre armrest in three-seat bench.

Heated front seats.

Leather and Alcantara® upholstery.

Leather multi-function steering wheel.

Servotronic (speed dependant) power steering.

Exterior.

Chrome package – chrome detailing on the sides, tailgate, front fog lights and lower front grille.

Electric side sliding doors.

Heated windscreen.

Heated windscreen-washer jets

Privacy glass in rear passenger area.

Stainless steel door steps and tailgate load sill.

Tailgate – power latching.

Wheels and tyres.

17" x 7J Cascavel alloy wheels with Black/Silver diamond-turned surface.

235/55 R17 optimised rolling resistance tyres.

- 01 16" Clayton alloy wheels. Standard on SE 150PS short wheelbase.
- 02 17" Devonport alloy wheels. Standard on SE 150PS long wheelbase and 204PS.
- 03 Climatic air conditioning for cab and rear passenger area.
- 04 Composition Colour DAB+ radio system.
- 05 Securing points throughout rear passenger area and load compartment.

- 06 Sunblinds for side windows in rear passenger area.
- 07 17" Cascavel alloy wheels with Black/Silver diamond-turned surface.
- 08 Climatronic three-zone automatic air conditioning and heated seats.
- 09 Cruise control. Featured as part of the leather multi-function steering wheel.
- 10 Electrically operated side sliding doors.

Paint, upholstery and trim.

Formulated to withstand the rigours of everyday life, the new Caravelle's paint and upholstery are designed to stand the test of time. As you'd expect from any Volkswagen, exterior paints offer a smooth and tough finish, while the interior upholstery is made from high-quality materials that are both attractive and robust.

Composition Colour DAB+ radio system.

Fitted as standard, the Composition Colour DAB+ radio system features a 5" TFT touch-screen colour display, USB port, Bluetooth®, SD card slot, AUX-IN interface, MP3 and WMA compatible CD drive, 4 x 20 watt output with eight speakers and a dual tuner with PhaseDiversity for optimum radio reception.

Composition Media DAB+ radio system.

The optional Composition Media DAB+ radio system features an increased touch-screen size of 6.33" with proximity sensor, USB port, Bluetooth®, SD card slot, AUX-IN interface, MP3 and WMA compatible CD drive, 4 x 20 watt output with eight speakers and a dual tuner with PhaseDiversity for optimum radio reception. App-Connect is available as an option for this system.

Discover Media satellite navigation system.

The optional Discover Media satellite navigation system builds on the strengths of the Composition Media DAB+ radio system by adding satellite navigation and a second integrated SD card slot compatible for map data. The system includes free updates for the pre-installed European maps through Volkswagen MapCare. App-Connect is available as an option for this system.

Mobile online services.

Optional App-Connect – Volkswagen apps.¹

Download special Volkswagen apps to your mobile or tablet, such as 'Shared Audio', 'Drive & Track', 'Call & Remind', 'My Guide' and 'Sound Journey' to make every journey more pleasant and interesting. The apps provide you with information about your driving behaviour, guide you to parking spaces in the vicinity, make detailed suggestions about exciting destinations – all taking into account the weather and traffic data.

Optional Car-Net Guide & Inform.²

Use Car-Net Guide & Inform to enhance your vehicle's optional Discover Media navigation system with online-based, up-to-date information services for greater convenience when travelling. For example, utilise real-time traffic information to avoid a sudden traffic jam, or refuel at the cheapest petrol station, or find a free parking space without the need for an infuriating search. Car-Net Guide & Inform helps you to reach your destination quickly and with the least amount of stress.

Online traffic information.

Save time and avoid stress with real-time traffic information, enabling you to avoid traffic jams by dynamically adapting your route.

Petrol stations.³

View the petrol stations with the cheapest fuel prices in your immediate vicinity. Your vehicle's fuel type is automatically identified.

Parking spaces.³

Save time and view available parking options, along with prices and opening hours.

Weather.

Stay up-to-date with the latest weather information while on the move.

Online special destination search.

Customised information about local services is sent directly to your touch-screen display.

News

Subscribe to personalised news categories and use the news feeds to stay up-to-date.

Online destination import.

Conveniently plan your driving destinations from home using the customer portal and retrieve them using the navigation system.

My special destinations.

Use the customer portal to save your preferred destinations while at home and import these into your vehicle's navigation system.

Vehicle status report.

Retrieve the latest service information and error messages from your vehicle.

Car-Net registration in a few easy steps:

1. Create your personal account on the Car-Net website.
2. You will receive a registration code (PIN).
3. Enter your vehicle identification number (VIN).
4. Enter the PIN into your vehicle's navigation system.

● Standard ○ Available

¹ Available as an option, App-Connect is only available in conjunction with the Composition Media DAB+ radio system or the Discover Media satellite navigation system. App-Connect comprises MirrorLink™, CarPlay™ and Android Auto™. The availability of these technologies can vary depending on the country in question. Please note that App-Connect is not currently supported by all mobile telephones on the market. Volkswagen is working closely with major smartphone producers to promote broader compatibility for App-Connect.

² Available as an option, mobile online services (Car-Net) is only in conjunction with the Discover Media satellite navigation system. You will also require a mobile device that is capable of acting as a mobile wireless hotspot. Car-Net services are only available with an existing mobile network contract or one to be agreed separately for this purpose between you and your mobile phone network provider and only within the respective mobile phone network coverage. Depending on your mobile phone tariff, receiving data from the internet may incur additional charges, particularly if you are using the phone abroad. Due to the amount of data needed when using Car-Net services, we strongly recommend signing-up to a data flat rate with your mobile phone provider. Use of Car-Net is governed in a separate agreement with Volkswagen AG online. After taking possession of the vehicle, you have 90 days in which to register the vehicle at www.volkswagen-commercial-vehicles-carnet.com. The availability of Car-Net services may vary depending on the country in question. These services are available for the duration of the contract term agreed and may be subject to changes in terms of content during the contract period. More detailed information on Car-Net is available at www.volkswagen-commercial-vehicles-carnet.com and from your Volkswagen Commercial Vehicles Van Centre. Contact your mobile network provider for information regarding your mobile network tariff.

³ Available at participating petrol stations and car parks.

¹ Fuel consumption and CO₂ figures are obtained under standardised EU test conditions. This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. In addition to the fuel efficiency of a vehicle, driving behaviour as well as other non-technical factors (such as environmental conditions, including weather and traffic) play a role in determining a vehicle's fuel consumption and CO₂ emissions. More information is available at www.dft.gov.uk/vca. Other factors including trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO₂ emissions and driving performance values.

² Unladen weight includes approximately 90% fuel load and 75kg for driver.

³ Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers). Trailer nose weight: 100kg.

Please note: Vehicle drawings are not to scale. All dimensions are in millimeters (mm), unless otherwise stated. The height measurements listed may vary by ± 50mm depending on model and equipment fitted.

Service and warranties.

Finance and insurance.¹

When it comes to paying for your vehicle, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen insurance.

Volkswagen Commercial Vehicles Insurance¹ provides cost-effective and comprehensive motor insurance³, as well as gap insurance⁴, which helps replace your vehicle and protect you from any financial shortfall if it's written off.

Insurance benefits include:

- Complimentary 5-day insurance cover to allow you to drive your vehicle away.
- All repairs performed by approved repairers.
- Volkswagen Genuine Parts[®] used on all repairs.
- Courtesy vehicle provided during repair following an accident.
- Cover for breakage and damage to glass.
- In-vehicle personal belongings cover (up to £250).
- Vehicle recovery.
- 90-day European Union cover.
- Legal expenses cover (up to £100,000).

For more information about motor and gap insurance products, ask at your Van Centre, call **0330 303 6942**, or visit insurewithwcv.co.uk.

¹Business Vans Awards 2014: Best Service Package for Van Owners.

²Class 4 MOT only. This option is available to all new and used vehicles up to four years old or with less than 80,000 miles on the clock. Services must be used consecutively prior to vehicle reaching eight years old.

Servicing and support.

We're here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit www.volkswagen-vans.co.uk/aftersales.

Pay monthly.

This option is available for vehicles that are less than 12 months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only, Service and Maintenance or Service, Maintenance and Tyres.

Pay upfront.⁶

If you can pay for more than one service upfront, we'll help by reducing your costs. Buy two upfront and you'll receive one interim and one full service at a discounted rate. Buy four and you'll receive two interim and two full services, with your next MOT also included.

Pay on demand.

If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your Caravelle, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Caravelle is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual. For more detail, please visit www.volkswagen-vans.co.uk/aftersales.

Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment. For more detail of cover levels, along with terms and conditions, please visit volkswagencvwarranty.co.uk where you'll also be able to obtain a quote and purchase an extended warranty.

Paint and body warranty.

Your Caravelle's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for 12 years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **70 Van Centres** and **24 Authorised Repairers**, means you're only around 45 minutes on average from our door.
