The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting www.mercedes-benz.co.uk/testdrive

For more information visit www.mercedes-benz.co.uk or call 0333 222 0500.

> View the Range Guide

Lightweight, compact, sporty and suitable for everyday use – as a result the Mercedes-AMG GT sets benchmarks in its segment. The upright radiator grille and defining fastback-style rear and electrically extending rear aerofoil give it an unmistakable appearance. In the interior, the claim to dynamism is seamlessly continued in the newly-designed cockpit inspired by aviation

technology, and the V8-inspired centre console. The Mercedes-AMG GT with the newly-developed AMG 4.0-litre V8 biturbo engine with dry sump lubrication is compelling in terms of output and efficiency by comparison with competitors.

Exterior

- 19"/19" AMG alloy wheels
- AMG bodystyling
- AMG Performance exhaust system, switchable
- Brake calipers painted silver
- 'GT' lettering on boot lid
- Rear aerofoil – electrically extending
- Single-louvre radiator grille with AMG badging

Interior

- Memory package
- Silver Chrome Trim package
- AMG door sills in brushed stainless steel
- AMG DRIVE UNIT

- AMG floor mats
- AMG performance steering wheel in nappa leather
- AMG sports seats
- Nappa leather upholstery in black

The already outstanding performance of the Mercedes-AMG GT is boosted still further in the Mercedes-AMG GT S. The AMG 4.0-litre V8 biturbo engine with 510 hp (375 kW) and 650 Nm delivers a further 48 hp (35 kW) of output. The AMG RIDE CONTROL sports suspension is adjustable in

three stages – from comfortable through to sportily taut. Further highlights include the electronic AMG rear axle differential lock with variable locking effect and the additional ‘RACE’ transmission mode, which configures the vehicle systems to make them suitable for circuit racing.

Exterior

- 19"/20" AMG alloy wheels
- AMG bodystyling
- AMG Performance exhaust system, switchable
- Brake calipers painted red
- ‘GT S’ lettering on boot lid
- Rear aerofoil – electrically extending
- Single-louvre radiator grille with ‘AMG’ badging

Interior

- Memory package
- Silver Chrome Trim package
- AMG door sills in brushed stainless steel
- AMG DRIVE UNIT

- AMG floor mats
- AMG performance steering wheel in nappa leather/DINAMICA microfibre
- AMG sports seats
- Nappa leather upholstery in black

Premium equipment line

Reversing camera with dynamic guidelines

Panoramic sunroof

AMG door sill panels with white illuminated 'AMG' lettering

Burmester® surround sound system

Why not look over our equipment packages to enhance and personalise your choice of AMG GT? If you want to increase your comfort and add the best in entertainment to your Mercedes-AMG GT/S, the Premium equipment line does just that. The Premium equipment line features the KEYLESS-GO package for effortless entry, exit and starting; the Mirror package, illuminated AMG door sill panels in brushed stainless steel and a panoramic sunroof

to brighten up the cabin. PARKTRONIC, a reversing camera with dynamic guidelines and the sophisticated Burmester® surround sound system are also part of this package.

Premium equipment line (code DP0) – designed and priced as a package, including items as listed below. **Total incl. VAT £4,195.00**

Premium equipment line comprises:

KEYLESS-GO package

Allows the car to be locked, unlocked and started with this system simply by carrying the electronic key. In addition to this, a sensor in the rear bumper allows contactless unlocking of the boot lid

Mirror package

Automatically dimming rear-view mirror and driver's door mirror. Also includes electrically folding exterior mirrors and projection of the AMG logo

AMG door sill panels in brushed stainless steel, with 'AMG' lettering, illuminated in white

Burmester® surround sound system

10 high-performance speakers, including subwoofer in rear, precisely configured for the vehicle to ensure well-balanced and dynamic music reproduction

Panoramic sunroof

Fixed glass roof spans the entire roof area and includes a mechanical sunblind providing shade in strong sunlight

PARKTRONIC

Issues visual and audible warnings to assist the driver with parking and manoeuvring

Reversing camera with dynamic guidelines

Exclusive driver training for Mercedes-AMG owners

All Mercedes-AMG customers are invited to a complimentary AMG Driving Academy Training experience at Mercedes-Benz World.

With friendly one-to-one tuition from a professional Mercedes-AMG driver, your training will be personalised to you. You'll push Mercedes-AMG driving performance and your driving skills to the limits on our track and purpose-built low friction dynamic handling facilities.

Through high-speed and adrenaline-fuelled exercises you'll experience oversteer, understeer, slaloms and many more performance driving skills. Designed as part of your ownership experience, this will lay the foundations to master a high-performance vehicle, develop driving skills with maximum enjoyment and prepare you to take full command of your own Mercedes-AMG.

TERMS AND CONDITIONS

The following only are eligible: the first purchaser/registered keeper of a newly-registered Mercedes-AMG; the second owner/registered keeper of a Mercedes-AMG purchased from a Mercedes-Benz Retailer, where the vehicle is less than 90 days from registration. The AMG Driving Academy Training experience is the AMG BASIC-Training as detailed in the further information above and must be booked and taken within six months of delivery of your Mercedes-AMG; it cannot be exchanged and cannot be transferred for any other driving experience. The Training experience is available Monday to Friday only and is subject to availability. Mercedes-Benz UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable.

Lane Tracking package and Driving Assistance package

Both of these packages contain highly intelligent features to help you stay safe on the road – by making the drive more effortless, and to alert you to any emergency. The Lane Tracking package includes Blind Spot Assist and Lane Keeping Assist. DISTRONIC PLUS is part of the Driving Assistance package only.

Item	Notes	Lane Tracking package £595.00 ¹ (code 22P)	Driving Assistance package £1,695.00 ¹ (code DP2)
Blind Spot Assist	Blind Spot Assist is able to detect vehicles in the blind spot and give the driver visible and audible warnings	■	■
Lane Keeping Assist	Lane Keeping Assist is able to detect when the vehicle is unintentionally drifting out of lane, duly warning the driver by means of pulsed vibrations through the steering wheel	■	■
DISTRONIC PLUS	Including COLLISION PREVENTION ASSIST PLUS. The innovative drive assistance system automatically helps the driver to maintain a safe distance from the vehicle ahead and relieves driver strain on long journeys and when following vehicles in a tailback. The system provides a visual warning when the following distance becomes unsafe and also an audible warning if there is the risk of a collision	–	■
PRE-SAFE® system	If the system detects a critical driving situation, preventive occupant protection measures are initiated, including reversible seat belt tensioning, adjustment of passenger seat positions and closure of windows	–	■

DISTRONIC PLUS

¹Only in conjunction with Premium equipment line (DP0)

Group rating	50	50
--------------	----	----

Insurance ratings may vary depending on model line and specification. Please refer to <http://www.thatcham.org/abigrouprating/> for further details

¹Figures according to Directive 80/1269/EEC in the currently applicable version ²Figures according to Directive 92/21/EC (kerb weight with fuel tank 90% full, driver, 68 kg, and luggage, 7 kg) for standard-specification vehicles

³All figures are based on a standard specification with the smallest tyre size ⁴The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence

⁵EUDC: extra-urban driving cycle. Testing procedures adhere to EU Directive 93/116 The figures on pages 39-40 are correct at time of publication. Please refer to the government website for latest data - <http://carfueldata.direct.gov.uk/>

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate of Vehicle Excise Duty applies to new cars on their first year of registration. For the second and subsequent years a standard rate for each taxation band will apply.¹ The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on page 40, and the relevant Excise Duty is reflected in the on-the-road prices on page 10.

Band	CO ₂ emissions	First year rate (£)	Standard rate (£)
A	up to 100 g/km	0.00	0.00
B	101 to 110 g/km	0.00	20.00
C	111 to 120 g/km	0.00	30.00
D	121 to 130 g/km	0.00	110.00
E	131 to 140 g/km	130.00	130.00
F	141 to 150 g/km	145.00	145.00
G	151 to 165 g/km	185.00	185.00
H	166 to 175 g/km	300.00	210.00
I	176 to 185 g/km	355.00	230.00
J	186 to 200 g/km	500.00	270.00
K	201 to 225 g/km	650.00	295.00
L	226 to 255 g/km	885.00	500.00
M	over 255 g/km	1,120.00	515.00

¹For further information on vehicle taxation please refer to <http://carfueldata.direct.gov.uk/>

Services and insurance

Mercedes-Benz Service

To get the best out of your car and to keep it running as our Mercedes-Benz engineers intended, we recommend that you have your Mercedes-AMG GT maintained and serviced at regular at any one of our Mercedes-Benz Official Workshops.

Some of the benefits of visiting a Mercedes-Benz Official Workshop include:

- A dedicated Service Team Manager
- Access to Mercedes-Benz trained Technicians
- The use of Mercedes-Benz Genuine Parts
- Free service measure updates
- Fixed pricing – you will always know the cost before any work is undertaken
- Total convenience – whether you need your vehicle picking up from home or want to wait in our lounge
- An up-to-date Mercedes-Benz service record

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at www.mercedes-benz.co.uk/servicecare

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180**.*

The Mercedes that thinks and acts for you.

Imagine if...

...you could connect with your Mercedes-Benz?

With Mercedes me connect, you can; with Remote Online services¹ that include trip planning, maintenance management and vehicle tracking, plus more.

Getting connected is easy. Just set up your Mercedes me account and get in touch with your Mercedes-Benz Retailer to connect your vehicle to your profile to access your Mercedes me connect services.

...you knew beforehand that you need to stop for fuel?

Simply check the fuel level and mileage range from your phone wherever you are. You can also check tyre pressure and washer fluid level. (For electric cars, you can check battery charge state.)

...your Mercedes could tell you where it's parked?

You no longer need to ask yourself where you left your car; with Mercedes me connect you can locate your car from your smartphone or tablet within a mile radius.

1. PARKED VEHICLE LOCATOR
2. VEHICLE TRACKER

3. REMOTE RETRIEVAL OF VEHICLE STATUS
4. PRE-ENTRY CLIMATE CONTROL FOR ELECTRIC DRIVE AND PLUG-IN HYBRID

› View the Range Guide

...you could lock your Mercedes, even if you're miles away?

The uncertainty of whether you've forgotten to lock the car is only human. To make sure your Mercedes-Benz is safe and secure, you can simply lock the car remotely via your PC/Mac, tablet or smartphone.

...your Mercedes told you when your service is due?

Being connected means essential data is constantly sent to your Mercedes-Benz Retailer so they know when it is time for a service. Your Retailer can then contact you with a tailor-made service quote.

...your Retailer already knows which parts need replacing?

As surprising as this sounds, with telediagnosics your Retailer can recognise remotely if certain parts are due for replacement, contacting you to book an appointment and making sure the relevant parts are in stock when you arrive, getting you back on the road as quickly as possible.

...you could just push a button to deal with a breakdown?

Should your car break down, with a simple press of the button everything is taken care of – from breakdown assistance to vehicle recovery.

...your Mercedes called for help?

Your Mercedes comes with an SOS button. Press it if you need urgent help and you will be contacted by the emergency response centre.² In the event of an accident where airbags or seatbelt tensioners have been activated, a call is placed automatically. Your GPS position is sent to the response teams to initiate rescue efforts.³

The Mercedes that thinks and acts for you.

Contact your Retailer to get connected, or go to www.mercedes.me for more details.

¹This is available as an option in conjunction with Audio 20 CD, and standard with COMAND Online. Remote Online is standard with electric drive and plug-in hybrid. Use of the Remote Online equipment option is limited to three years from first registration of the vehicle and can then be extended at extra cost.

²A call is placed via the car's sim card, rather than the customer relying on their mobile phone.

³This feature is still available to customers without Mercedes me connect services. The customer is not required to accept the terms and conditions on the portal to activate this feature. For all other features the customer will have to accept terms and conditions on the portal to activate them.

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,* as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account *To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
