The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

See Mercedes-Benz in a new light. Now is the time to get yourself behind the wheel of a new SL. Choose from a number of attractive finance offers. Please see pages 16-17 for further details, or visit www.mercedes-benz.co.uk/offers

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting www.mercedes-benz.co.uk/testdrive

For more information visit www.mercedes-benz.co.uk or call 0333 222 0500.

The new SL AMG Line presents its classic proportions more dynamically and expressively than ever before – courtesy of 19" AMG alloy wheels in titanium grey and AMG bodystyling, consisting of an AMG-specific front apron in A-wing design, rear apron with diffuser look and a diamond grille in chrome. The stiffened springs and damping of the lowered sports suspension additionally enhance the car's driving dynamics.

Inside, sports seats feature black perforated leather with vertical fluting, and piping in designo platinum white pearl. Further eye-catching highlights of the AMG Line interior are the instrument cluster in a chequered-flag design, THERMOTRONIC automatic climate control and ambient lighting with LED illumination for centre console, armrest and footwell.

Exterior

19" AMG alloy wheels (4) – 5-spoke design, painted in titanium grey with high-sheen finish (SL 400)

19" AMG alloy wheels (4) – 7-twin-spoke design, painted in titanium grey with high-sheen finish (SL 500)

Mirror package – electrically folding mirrors, automatically dimming exterior driver's mirror and rear view mirror

AMG bodystyling – see page 30

Active Parking Assist with PARKTRONIC

Headlamps – LED Intelligent Light System with Adaptive Highbeam Assist Plus

Braking system with perforated rear brake discs

Panoramic vario-roof with blind

Sports suspension, lowered, with stiffened suspension and damper settings

Interior

Memory package – front seats with four-way lumbar support, steering column and exterior door mirrors

Ambient lighting – LED lighting located in centre console, armrest and footwell

AMG floor mats

Chequered flag-design instrument cluster

Sports seats with perforated leather, vertical fluting and designo platinum white pearl piping

THERMOTRONIC automatic climate control with two climate zones

Wind deflector (fabric)

Trim and Upholstery

Dark longitudinal-grain aluminium

Leather – black

SL 400 Edition

Available in a limited edition of only 130 cars, the new SL 400 Edition comes with added excitement and an even more athletic look and feel. Exterior highlights include 19" alloy wheels in a 5-spoke design painted in high-gloss black, and the KEYLESS-GO Comfort package for effortless entry, exit and starting: the vario-roof and boot can be opened and closed remotely, and wind deflectors are electrically operated. The suspension adds to the driving comfort, as the Adaptive Damping System adjusts the damping forces at each wheel to the current vehicle speed and state of the road.

In addition/replacement to AMG Line:

Exterior

Driving Assistance package – see page 42

19" alloy wheels (4) – 5-spoke design, painted in high-gloss black with high-sheen finish (code R82)

Fuel tank – 75 litres

KEYLESS-GO Comfort package

Remote boot opening and closing

Reversing camera

Comfort suspension with Adaptive Damping System

Interior

AIRSCARF neck-level heating

Analogue clock

Cup holders in centre console

Instrument cluster with concentric circle design

Velour floor mats

Wind deflector – electrically operated

The interior is equally stunning with an instrument cluster in concentric-circle design, and black leather matched with light longitudinal-grain aluminium trim. In addition, AIRSCARF neck-level heating for driver and passenger makes open-top driving a pleasure even at low temperatures.

SL 400 Edition upgrade – designed and priced as a package, including items listed below.

Upgrade price (from SL 400 AMG Line)

Total incl. VAT £1,190.00

Paint, Trim and Upholstery

197 obsidian black

775 iridium silver

896 brilliant blue

Light longitudinal-grain aluminium

Leather – black

Luxury package

Active multi-contour seats

Active Body Control (ABC)

Exclusively available for the limited SL 400 Edition, further comfort and entertainment features can be added with the Luxury package. Active multi-contour and comfort ventilated seats as well as a closing aid for the doors are part of the package, as are the Active Body Control for enhanced ride comfort and the sophisticated Harman Kardon® surround sound system.

Luxury package – designed and priced as a package, including items as listed.

SL 400 Edition only

Total incl. VAT £2,730.00

The Mercedes-AMG SL 63 says performance even at a standstill. Its SL 63-specific bodystyling comprises a front apron with front splitter in chrome and A-wing trim strip in high-gloss black, while 10-spoke 19" alloy wheels, AMG sports exhaust system with two chromed twin tailpipes and the 'V8 BITURBO' lettering on the front wings further add to the dynamic look. Climb inside and the racing feel is unmistakable, thanks to the nappa

leather-trimmed AMG Performance steering wheel with flattened bottom section, silver-coloured aluminium gear shift paddles and the twin-tube-look AMG instrument cluster with TFT multi-function colour display. The AMG sports seats come in nappa leather upholstery with trim elements in AMG carbon fibre.

Exterior

19" AMG alloy wheels (4) – 10-spoke design, painted titanium grey with high-sheen finish

AMG bodystyling – Mercedes-AMG SL 63-specific front apron with front splitter in silver chrome and A-wing trim strip in high-gloss black

AMG rear axle limited-slip differential lock

AMG SPEEDSHIFT MCT 7-speed sports transmission with four transmission modes and RACE START function

AMG sports exhaust system with two chromed twin tailpipes

AMG sports suspension based on Active Body Control (ABC) – active suspension system, adjustable in two stages

'V8 BITURBO' lettering on front wings

Interior

AMG Performance steering wheel in nappa leather with perforated grip area, flattened bottom section, silver-coloured aluminium gear shift paddles and black 12-o'clock marking

AMG door sill panels in brushed stainless steel, illuminated in white

AMG instrument cluster – twin-tube look with TFT multi-function colour display including AMG main menu and AMG start-up screen display

AMG sports seats with AMG-specific seat upholstery and embossed AMG emblem in backrests

Seats – multi-contour, heated

Trim and Upholstery

AMG carbon fibre

Nappa leather – black

Nappa leather – ginger beige/espresso brown

Nappa leather – bengal red

Nappa leather – porcelain/black

Mercedes-AMG SL 65

The Mercedes-AMG SL 65 provides a breathtaking driving experience with the unparalleled V12 engine on board. Eye-catching SL 65-specific AMG bodystyling with 19" or 20" AMG alloy wheels in a 10-spoke design and AMG carbon fibre engine cover emphasises the distinctive style. Inside there's an unmistakable air of luxury thanks to comfort-ventilated multi-contour AMG

sports seats with embossed 'AMG' emblem in the backrests and Exclusive nappa leather upholstery. High-sheen chrome AMG door sill panels with white backlighting guarantee a striking welcome, while the Bang & Olufsen BeoSound AMG surround sound system provides a suitably high-end acoustic backdrop.

Exterior

19"/20" AMG alloy wheels (4) – 10-spoke design, forged ceramic high-gloss polished

AMG bodystyling – Mercedes-AMG SL 65-specific front apron with front splitter and A-wing cover in high-gloss chrome

AMG carbon fibre engine cover – high quality genuine carbon fibre engine cover emphasises vehicle's sportiness

AMG SPEEDSHIFT PLUS 7G-TRONIC 7-speed automatic transmission

'V12 BITURBO' lettering on front wings

Interior

Driving Assistance package

AMG door sill panels in high-sheen chrome, illuminated in white, with 'AMG' lettering

AMG sports seats with AMG-specific 'V12' seat upholstery and embossed AMG emblem in backrests

Bang & Olufsen BeoSound AMG surround sound system

Seats – multi-contour, comfort ventilated

Trim and Upholstery

AMG carbon fibre

Exclusive nappa leather – black

Exclusive nappa leather – ginger beige/espresso brown

Exclusive nappa leather – bengal red

Exclusive nappa leather – porcelain

Exclusive driver training for Mercedes-AMG owners

All Mercedes-AMG customers are invited to a complimentary AMG Driving Academy Training experience at Mercedes-Benz World.

With friendly one-to-one tuition from a professional Mercedes-AMG driver, your training will be personalised to you. You'll push Mercedes-AMG driving performance and your driving skills to the limits on our track and purpose-built low friction dynamic handling facilities.

Through high-speed and adrenaline-fuelled exercises you'll experience oversteer, understeer, slaloms and many more performance driving skills. Designed as part of your ownership experience, this will lay the foundations to master a high-performance vehicle, develop driving skills with maximum enjoyment and prepare you to take full command of your own Mercedes-AMG.

TERMS AND CONDITIONS

The following only are eligible: the first purchaser/registered keeper of a newly-registered Mercedes-AMG; the second owner/registered keeper of a Mercedes-AMG purchased from a Mercedes-Benz Retailer, where the vehicle is less than 90 days from registration. The AMG Driving Academy Training experience is the AMG BASIC-Training as detailed in the further information above and must be booked and taken within six months of delivery of your Mercedes-AMG; it cannot be exchanged and cannot be transferred for any other driving experience. The Training experience is available Monday to Friday only and is subject to availability. Mercedes-Benz UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable.

Trim – light longitudinal-grain aluminium	●	○	○	○
Upholstery – sun-reflecting leather and topstitching in a contrasting colour with specific AMG Line vertical fluting design	●	●	–	–
Upholstery – sun-reflecting nappa leather, perforated	○	○	●	–
Upholstery – sun-reflecting Exclusive nappa leather, perforated	–	–	○	●

Item	SL 400 Edition	AMG Line	Mercedes-AMG SL 63	Mercedes-AMG SL 65
Security and Safety				
Driving Assistance package Active Blind Spot Assist, Active Lane Keeping Assist and Distance Pilot DISTRONIC with PRE-SAFE® Brake	○	○	○	●
Active bonnet – pedestrian safety measure	●	●	●	●
ACTIVE BRAKE ASSIST Gives the driver a visual and audible warning if the set safety distance from a vehicle ahead or a stationary obstacle narrows; an autonomous braking function can give the driver a haptic warning by initiating braking	●	●	●	●
Airbags – dual-stage, driver and passenger	●	●	●	●
Airbags – head and sidebags, driver and passenger	●	●	●	●
Alarm system with immobiliser and interior protection (MBSS3)	●	●	●	●
ATTENTION ASSIST Continuously analyses driver behaviour and steering movements. If patterns are recognised which characterise drowsiness, the driver is prompted to take a break, and an audible warning is sounded. COMAND Online offers to search for a rest stop	●	●	●	●
Automatic front passenger airbag deactivation	●	●	●	●
Braking – adaptive brake lamps	●	●	●	●
Braking – ADAPTIVE BRAKE system with HOLD function	●	●	●	●
Braking – AMG high-performance braking system with 390×36 mm composite front brake discs and 360×26 mm rear brake discs	–	–	●	●
Braking – anti-lock braking system (ABS) with Brake Assist (BAS)	●	●	●	●

Item	SL 400 Edition	AMG Line	Mercedes-AMG SL 63	Mercedes-AMG SL 65
Security and Safety (continued)				
Braking – brake calipers, painted grey with ‘Mercedes-Benz’ lettering	–	–	●	●
Electronic Stability Programme (ESP®)	●	●	●	●
ESP® Curve Dynamic Assist Especially when accelerating on bends, the ESP®-based system ensures more stability and handling safety. When the ESP® sensors register a tendency to understeer on bends, this can be reduced by specific braking intervention at the inside wheels	●	●	●	●
First-aid kit and warning triangle	●	●	●	●
Headlamp Assist – automatic headlamp activation	●	●	●	●
Heated rear window with timer control	●	●	●	●
NECK-PRO active head restraints In a rear-end collision, the crash-responsive head restraints can be pushed forward by around 40 mm and upwards by around 30 mm. This enables the head to be supported at an earlier stage and the risk of whiplash injury to be reduced	●	●	●	●
Parking – Active Parking Assist with PARKTRONIC PARKTRONIC monitors the front and rear end while the driver is manoeuvring the vehicle and gives a warning if the risk of a collision is detected. Active Parking Assist makes it easier to find a parking space and also automatically steers the vehicle into parking spaces	●	●	●	●
Parking – electric parking brake	●	●	●	●
Parking – reversing camera	●	○	○	○

Active Body Control (ABC)

ABC is arguably the highest-quality suspension system on the market, offering the ultimate in driving dynamics and comfort by automatically adapting the suspension setting to the prevailing driving situation.

The crosswind stabilisation function which is now additionally integrated in ABC is active from a speed of 50 mph and during straight-ahead driving and gentle cornering. Crosswind stabilisation is deactivated in response to pronounced and fast corrective steering by the driver.

Panoramic vario-roof

The SL combines the unique driving pleasure of a roadster with the everyday practicality and high acoustic comfort of a coupé. To open or close the

folding vario-roof in less than 20 seconds, just push a button. The process can be completed up to a speed of 25 mph.

Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

Driving Assistance package – designed and priced as a package, including items as listed.

AMG Line and Mercedes-AMG SL 63

Total incl. VAT £1,695.00

Standard on Mercedes-AMG SL 65

Driving Assistance package (code 23P)

Active Blind Spot Assist

Displays a red triangle in the exterior mirrors. When a road user is detected in the blind spot, the red triangle flashes and an audible warning sounds if the driver operates the indicators. Includes course-correcting braking intervention

Active Lane Keeping Assist

Detects signs of inadvertent drifting out of lane and warns the driver by vibrating the steering wheel and, if necessary, triggers one-sided braking intervention

BAS PLUS

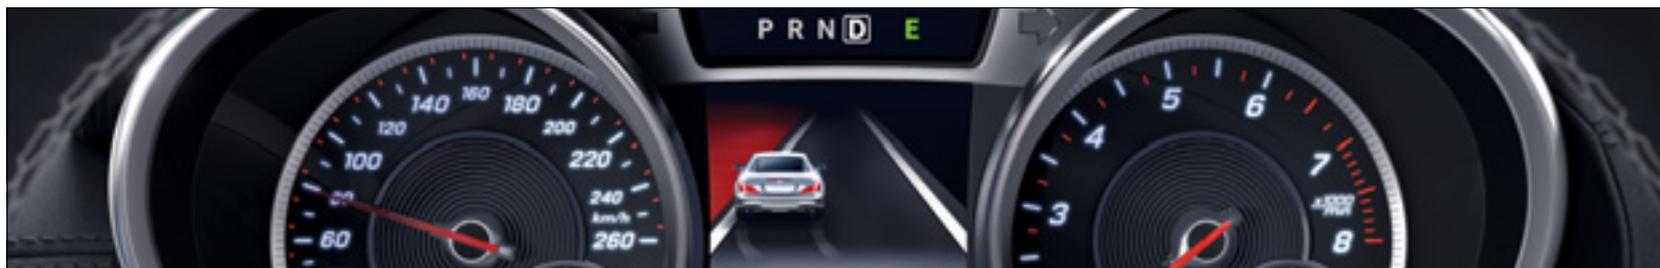

Can lower the risk of rear-end collisions and support the driver during emergency braking by providing additional brake pressure

Distance Pilot DISTRONIC

Helps the driver to maintain a safe distance to the vehicle in front and so relieves the strain on the driver, especially on long journeys or in a traffic jam

PRE-SAFE® Brake

Warns the driver if it detects that a rear-end collision is imminent and, if there is no reaction, can take autonomous action to reduce the speed – even to the extent of full brake application

Suspension and Exterior							
Active Body Control (ABC) with curve tilting function The active suspension improves both comfort and driving dynamics. The chassis includes a curve tilting function - the vehicle leans inwards by up to 2.65°, similar to a motorbike. This reduces the perceived lateral forces and enhances ride comfort. The suspension level can be raised by 50 mm to increase ground clearance. At high speeds, the suspension is automatically lowered by up to 13 mm, helping to reduce aerodynamic drag and improve handling stability		487 △	○	-	-	2,566.67	3,080.00

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles. Illustrations may differ from current specification

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate of Vehicle Excise Duty applies to new cars on their first year of registration. For the second and subsequent years a standard rate for each taxation band will apply.¹ The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on page 60, and the relevant Excise Duty is reflected in the on-the-road prices on page 15.

Band	CO ₂ emissions	First year rate (£)	Standard rate (£)
A	up to 100 g/km	0.00	0.00
B	101 to 110 g/km	0.00	20.00
C	111 to 120 g/km	0.00	30.00
D	121 to 130 g/km	0.00	110.00
E	131 to 140 g/km	130.00	130.00
F	141 to 150 g/km	145.00	145.00
G	151 to 165 g/km	185.00	185.00
H	166 to 175 g/km	300.00	210.00
I	176 to 185 g/km	355.00	230.00
J	186 to 200 g/km	500.00	270.00
K	201 to 225 g/km	650.00	295.00
L	226 to 255 g/km	885.00	500.00
M	over 255 g/km	1,120.00	515.00

Services and insurance

Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your SL, which is why we offer Service Care, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With Service Care we guarantee the price of parts and labour for up to four services and safeguard against further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180**.*

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

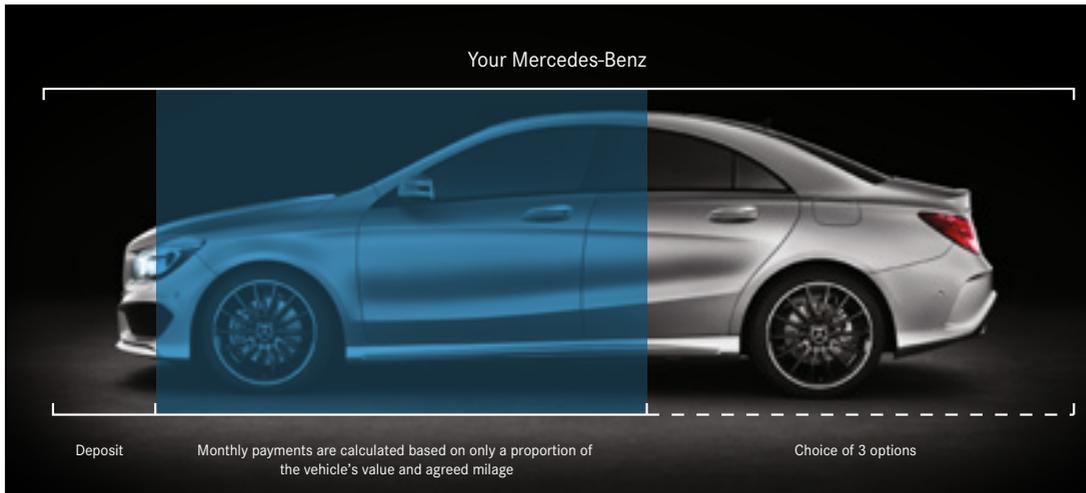

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,* as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account *To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
