

Volkswagen

The Volkswagen CC

SCULPTED TO PERFECTION.

SLEEK LINES. STREAMLINED BODY. BREATHTAKING STYLE.

Elegant and exciting, there's no mistaking the stylish coupé silhouette of the Volkswagen CC. The sloping roofline, sculpted sills, sleek bonnet and streamlined bumpers all define its distinctive character, enhanced by such details as frameless doors that simply flow into the body, chrome side window surrounds and door and rear bumper trims.

Model shown is Volkswagen CC GT with optional 18" 'Chicago' alloy wheels, Dynamic gas discharge (Bi-xenon) headlights with LED daytime running lights and Pure White non-metallic paint.

02 Front cover model shown is Volkswagen CC GT 2.0 litre TDI 150 PS with optional 19" 'Lugano' alloy wheels, Dynamic Chassis Control (DCC), Dynamic gas discharge (Bi-xenon) headlights with LED daytime running lights and metallic paint.

03

04 Models shown are Volkswagen CC GT with optional Dynamic gas discharge (Bi-xenon) headlights with LED daytime running lights and Pure White non-metallic paint.

Elegant and refined, the Volkswagen CC combines contemporary styling with innovative thinking to create a design classic. Sophisticated technology, such as the DSG gearbox facilitating fast gear changing and Dynamic Chassis Control (DCC), with a choice of Sport, Comfort or Normal settings, deliver the sports car feeling or the comfort of a luxury saloon, whichever you prefer.

Dynamic Chassis Control (DCC) is standard on 2.0 litre TDI 184 PS models and optional on all other models.

The Volkswagen CC blends four-door practicality with sleek coupé-like styling. Bi-xenon headlights with automatic range adjustment and headlight washers enhance the black gloss radiator with chrome trimmed radiator grille surround and louvres, creating a look that is refined and strong, characterised by horizontal lines. The front air intake, stylish bonnet, lowered suspension and eye-catching alloy wheels add a dynamic, sporty touch.

AND CONTEMPORARY DESIGN.

The rear of the Volkswagen CC features stylish LED rear tail lights and rear number plate lights, giving a distinctive look that is unmistakably Volkswagen. Model shown features optional metallic paint.

A STORY OF ADVANCED TECHNOLOGY.

CLASSIC STYLING.

PURE DRIVING

ENJOYMENT.

When it comes to comfort and wellbeing, the Volkswagen CC excels, offering the style and refinement of a coupé along with the elegance and interior space of a classic saloon, with seating for up to five occupants. A wealth of optional equipment provides even greater functionality, such as keyless entry with hands free boot opening, enabling you to open the boot without using your hands via a sensor in the rear bumper – extremely useful when loading luggage.

Fitted as standard, the climate control – 2Zone electronic air conditioning with automatic air recirculation regulates air humidity and maintains your desired interior temperature. The Discover Navigation touch-screen navigation/radio system with Car-Net 'Guide and Inform'¹ provides dynamic navigation as well as a broad range of vehicle information and, via Car-Net 'Guide and Inform', online access to a range of useful data, such as traffic, fuel pricing, parking space availability, weather, news feeds¹ and online navigation software updates for the latest map data. There's also a choice of options to upgrade your radio system, the 'Dynaudio' soundpack with 10 speakers, 600 watt output and a 10 channel digital amplifier, provides excellent sound quality, while the Car-Net 'App-Connect'² allows the 'mirroring' of your smartphone display on the infotainment touch-screen via USB connection.

¹ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.
² Only operable in conjunction with compatible smartphones including iPhone 5 and 6. Please see www.volkswagen.co.uk to check smartphone compatibility.

10 Interior shown is Volkswagen CC GT in standard St Tropez/Espresso 'Nappa' leather with optional 'Ebony' decorative inserts and metallic paint.

01

01 The **LEATHER TRIMMED MULTIFUNCTION STEERING WHEEL** is fitted with ergonomically designed switches, making it easy to use the infotainment system, Bluetooth telephone connection and multifunction computer. Standard on all models.

02 The **DISCOVER NAVIGATION TOUCH-SCREEN NAVIGATION/RADIO SYSTEM WITH CAR-NET 'GUIDE AND INFORM'**¹ combines versatile navigation features with advanced in-car multimedia technology. The large 6.5" colour touch-screen allows you to view preloaded European navigation data, 2D/3D map view, dynamic navigation based on TMC+, three calculated route choices (Fast, Short and Eco), branded points of interest and Speed Limit Display², all helping to guide you to your destination. In addition, 3-year's Car-Net 'Guide and Inform'¹ access makes it possible to integrate 'traffic information online' into the route guidance, such as fuel pricing, parking space availability, weather and news feeds, and transfer public and personal points of interest to the navigation system. The Volkswagen CC has technologically advanced multimedia devices fitted as standard. The infotainment system includes a DAB digital radio receiver, single CD player, MDI (Multi Device Interface) via USB connection – compatible products only, music playback from MP3, WMA and AAC files, title and cover art display and SD card reader. Connection for Bluetooth telephone and audio compatible devices³ are available, along with simultaneous pairing of two compatible mobile devices and SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display when the vehicle is stationary (compatible Android smartphones only). Standard on all models.

03 The **CLIMATE CONTROL – 2ZONE ELECTRONIC AIR CONDITIONING** with automatic air recirculation features dual zone temperature control for the driver and front passenger, allowing each to select their individual preferred temperature. Standard on all models.

Interior shown is Volkswagen CC GT with optional 'Ebony' decorative inserts.

02

03

1 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.
 2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
 3 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.

01

02

01 The **AMBIENT LIGHTING PACK** provides soft, low-level lighting when the headlights are switched on, giving an even greater feeling of relaxation. It comprises two front footwell lights, light strips below the trim in the front doors, warning lights in the front doors and reflectors in the rear doors. Optional on Volkswagen CC, GT and R-Line models. There is also a choice of dark brushed aluminium, 'Burr Walnut' or 'Ebony' wood inserts in the dash and door panels.

02 The dashboard mounted **ANALOGUE CLOCK** represents the craftsmanship, attention to detail and build quality that characterises the Volkswagen CC.

03 **HIGH QUALITY MATERIALS**, in metal, leather or polished wood, all colour co-ordinated, surround the clearly designed instruments.

Dark brushed aluminium inserts are standard on GT and R-Line, and optional on Volkswagen CC models. 'Burr Walnut' and 'Ebony' decorative inserts are optional on Volkswagen CC, GT and R-Line models. Some parts of leather interior will contain artificial leather.

Image shown features Dynamic Chassis Control (DCC) which is standard on 2.0 litre TDI 184 PS engines and available as an option on all other models. Keyless entry and Park Assist are optional on all models.

03

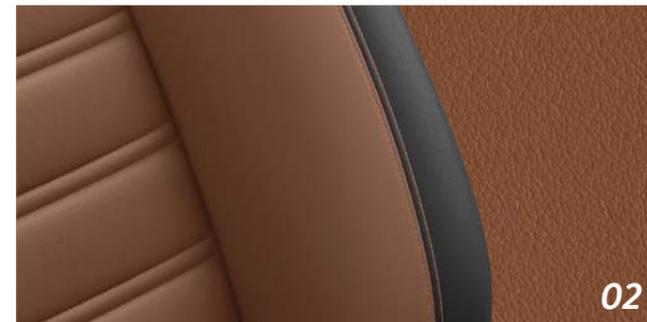

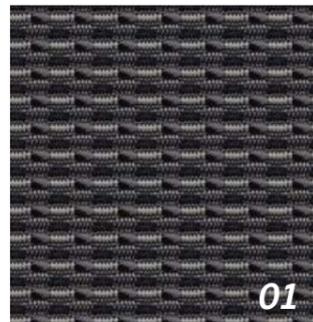

MORE THAN A CONVENTIONAL COUPÉ.

01 Front contoured sports seats upholstered in 'Silversprint' cloth with contrast stitching, offer the front occupants comfort and style. Additionally, the standard **6-WAY ELECTRICALLY ADJUSTABLE DRIVER'S SEAT WITH LUMBAR SUPPORT** offers an impressive level of driving comfort. Images shown feature 'Silversprint' cloth in Black.

02 The Volkswagen CC has four doors, providing easier access to the sumptuous interior, which offers **MORE INTERIOR SPACE** than a conventional coupé. And for ease of loading, the rear backrest can be unlocked via the boot. Images shown feature 'Nappa' leather in Truffle/Black. 'Nappa' leather is standard on GT models and above and optional on Volkswagen CC models.

Some parts of leather interior will contain artificial leather.

GT.

01 The front and rear seats of the GT are upholstered in luxurious 'NAPPA' LEATHER UPHOLSTERY. For an extra touch of finesse, the front seats are electrically heated, while the rear seats can be unlocked via the boot for ease of loading. Image shown features 'Nappa' leather in Truffle/Black.

02 The exclusive style of the 18 inch 'INTERLAGOS' alloy wheels add to the dynamic look of the GT.

03 The distinctive lines of the bonnet, clear contours of the radiator grille and dynamic cut of the headlights all combine to create a strong silhouette to the exterior of the GT. Together with **FRONT FOG LIGHTS, REAR TINTED GLASS FROM B PILLAR BACKWARDS, APPROXIMATELY 65% TINTED**, streamlined door mirrors, chrome trimmed radiator grille surround and louvres, and striking 'Interlagos' alloy wheels, all combining to create a stylish and distinctive look.

Some parts of leather interior will contain artificial leather.

Model shown is Volkswagen CC GT with optional Dynamic gas discharge (Bi-xenon) headlights with LED daytime running lights and Pure White non-metallic paint.

GT BLACK EDITION.

01

18 Model shown is Volkswagen CC GT Black Edition with optional Dynamic gas discharge (Bi-xenon) headlights with LED daytime running lights and no cost optional 18" 'Lisbon Black' alloy wheels and Pure White non-metallic paint.

02

18" 'Lakeville' alloy wheel.

03

18" 'Lisbon Black' alloy wheel.

03

01 The **VOLKSWAGEN CC GT BLACK EDITION** builds over the already impressive GT model and is easily distinguishable by its black gloss door mirrors with integrated indicators, black gloss radiator and radiator grille surround with black gloss window surrounds completing the 'black' theme. Model shown features no cost option 18" 'Lisbon Black' alloy wheels and Pure White non-metallic paint.

02 Stylish '**NAPPA**' LEATHER UPHOLSTERY WITH '**CARBON OPTIC**' SIDE BOLSTERS are extremely comfortable, robust and add style and sportiness to the interior of the GT Black Edition.

03 The 18 inch '**LAKEVILLE**' alloy wheels are eye-catching and are exclusive to the GT Black Edition. 18 inch '**LISBON BLACK**' are also available as a no cost option if you prefer.

04 The **ELECTRICALLY OPERATED PANORAMIC GLASS SUNROOF** provides an extra dimension of space and light. As well as tinted glass to help reduce glare, there's also an electric sunblind for the rear window enabling you to enjoy the sunshine without being in direct sunlight.

Body-coloured door mirrors are fitted as standard when optional Deep Black pearl effect paint is specified. Some parts of leather interior will contain artificial leather.

04

R-LINE.

Model shown is Volkswagen CC R-Line with no cost option Pure White non-metallic paint.

01

01 Sporty, stylish and distinctive, the Volkswagen CC R-Line adds to the already generous specification of the Volkswagen CC GT with enhanced body styling and a number of additional features, providing even greater levels of functionality, comfort and assistance. Externally, this charismatic model exudes confidence and style with the eye-catching 'R-LINE' STYLING PACK comprising uniquely shaped front and rear bumpers, side skirts and unique 'R-Line' badging on the front grille. **DYNAMIC (BI-XENON) HEADLIGHTS FEATURE LED DAYTIME RUNNING LIGHTS** with automatic range adjustment, dynamic curve lighting and headlight washers, while the fog lights with chrome louvre feature a static cornering function for improved visibility. 18 inch 'Mallory' alloy wheels complete the exterior, adding a dynamic, sporty look.

02 The specially designed front grille features the unique 'R-LINE' BADGING, highlighting its sporting prowess and adding charismatic style. Model shown features no cost option Pure White non-metallic paint.

03 18 inch 'MALLORY' alloy wheels add a sporty look, enhanced by unique side skirts and 'R-Line' door sill protectors. Model shown features no cost option Pure White non-metallic paint.

02

03

01

22 Interior shown is Volkswagen CC R-Line DSG with optional 'Nappa' leather climate front seats with massage function.

02

01 Inside, the 'R-Line' styling continues with a **LEATHER TRIMMED THREE-SPOKE MULTIFUNCTION STEERING WHEEL** finished with aluminium inserts and displaying the distinctive 'R-Line' logo. Elegant, eye-catching and exciting, with an excellent level of specification, the Volkswagen CC R-Line is designed to turn heads, combining the comfort and luxury of a saloon with the style and character of a true sports coupé.

02 **DOOR SILL PROTECTORS** feature unique 'R-Line' styling, emphasising the careful attention to detail that distinguishes the Volkswagen CC R-Line. Model shown features no cost option Pure White non-metallic paint.

Model shown is Volkswagen CC R-Line with no cost option Pure White non-metallic paint.

R-LINE BLACK EDITION.

01

02

03

01 Stand out from the crowd even further with the Volkswagen CC R-Line Black Edition. 'R-Line' aesthetics and specification is enhanced further with the addition of **BLACK EDITION STYLING**. The 'black' theme styling includes black gloss door mirrors, side window surrounds, radiator and radiator grille surround which creates a distinctive look to the exterior. Model shown features optional Deep Black pearl effect paint.

02 'CARBON' decorative inserts in the dashboard and doors, along with the 'Gloss Black' trimmed centre console perfectly complement the black 'Nappa' leather interior and leather trimmed three-spoke multifunction steering wheel with Art Grey stitching.

03 The electric sunroof is just as eye-catching from the outside as it is from the inside. Adding light and space, the **ELECTRICALLY OPERATED PANORAMIC GLASS SUNROOF** fills the interior with additional natural light, providing an inviting view of the sky overhead.

04 The exterior of the R-Line Black Edition is accentuated by the addition of 18 inch 'TALLADEGA' alloy wheels. Also available as an option are 19 inch 'Talladega' alloy wheels, which will provide even more presence to the exterior of the R-Line Black Edition.

04

Body-coloured door mirrors are fitted as standard when optional Deep Black pearl effect paint is specified.

ADVANCED SYSTEMS FOR OPTIMUM PROTECTION.

The Volkswagen CC is equipped with a range of innovative driver assistance systems, designed to make driving easier, more comfortable and, above all, make the occupants feel protected. This includes the Driver Alert system, which detects when the driver is becoming tired and recommends taking a break via visual and acoustic warnings. While a tyre pressure loss indicator will alert you to any change in tyre pressure via a warning in the multifunction display, advising you to rectify the situation. The latest generation front and rear parking sensors, using ultrasonic and audible sensors with visual display to help you park, and Speed Limit Display*, that can identify speed limits if they are available in the navigation data. With systems in place to keep you better protected, it leaves you free to enjoy the drive, making the most of the powerful engines on offer.

Parking sensors, front and rear are standard on GT models and above and optional on Volkswagen CC models.
* Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

THE LATEST DRIVER ASSISTANCE SYSTEMS.

DESIGNED TO HELP KEEP YOU BETTER PROTECTED.

01 ADAPTIVE CRUISE CONTROL (ACC) adapts your speed to that of the vehicle ahead using radar sensors and maintains a constant distance, even round town. When travelling at speeds above approximately 19mph, Front Assist detects if the vehicle ahead is getting too close and warns you in two stages: firstly with visual and acoustic signals, and then with a short braking movement, bringing your vehicle to a complete standstill if necessary. Optional on all models.

02 LANE ASSIST is a camera controlled lane tracking aid that countersteers your vehicle if it drifts from your chosen lane, and gives an audible warning if you remove your hands from the steering wheel. It also incorporates Traffic Sign Recognition, advising you of warning signs ahead. Optional on all models.

03 SIDE SCAN helps you change lane safely, using sensors in the rear of the vehicle to monitor areas up to 50 metres behind you. If they detect another road user in your blind spot, the system will alert you via a warning light within the door mirror housing. Optional on all models.

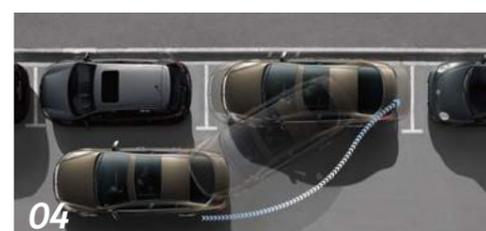

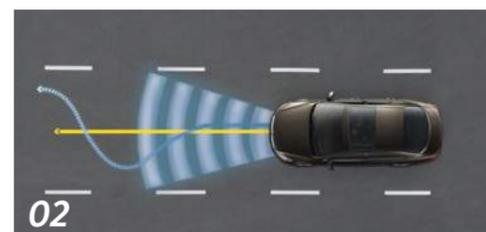

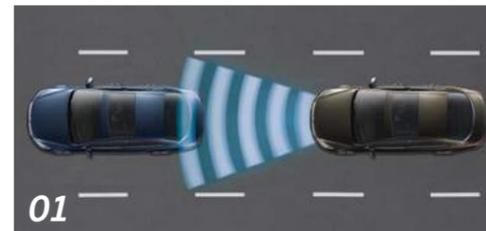

04 PARK ASSIST WITH FRONT AND REAR PARKING SENSORS helps you parallel and reverse park using ultrasonic and audible parking sensors and also sends an optical image via the Discover Navigation display. It can assist with bay parking, and also parallel parking in and out of small spaces just 0.8m longer than the vehicle length. All the driver has to do is operate the pedals and be vigilant of the surrounding area and traffic. Optional on all models.

The **DRIVER ALERT SYSTEM** (not shown) uses sensors to detect if the driver is getting tired. The system works by monitoring driver behaviour closely, noting any erratic steering wheel movements and lane deviations. If the system detects an erratic or unusual driving pattern, it will alert you with a visual display on the dashboard and an audible warning sound, and if you haven't taken a break within 15 minutes, it will repeat the warnings. The system can also be deactivated should the driver require it. Standard on all models.

TRAFFIC SIGN RECOGNITION (not shown) included with optional Lane Assist, uses a camera to detect changes in speed restrictions and warning signs by comparing visual information with navigational data and advising the driver via the dashboard display. Please note: this is only an assistance system and may not recognise all traffic signs. It is still the driver's responsibility to comply with the Highway Code and road sign information.

ADVANCED TELEPHONE CONNECTION (not shown) in front centre armrest includes an integrated USB socket for telephone charging, allowing connection to the vehicle's external aerial for improved reception. Optional on all models.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

Interior shown is Volkswagen CC with optional 'Ebony' decorative inserts.

DYNAMIC CHASSIS CONTROL (DCC) gives you the choice to select Sport, Comfort or Normal settings for your journey with a touch of a button, and adapts the damping control and shock absorption rate to the road conditions and driving style you require within milliseconds. Standard on 2.0 litre TDI 184 PS models, and optional on all other models.

MORE GRIP. MORE CONTROL. MORE ENJOYMENT.

Engine performance requires perfectly matched power transmission to provide the ultimate in ride comfort and enjoyment. To ensure the best possible ride and handling, the Volkswagen CC offers two sophisticated drive systems. Firstly, **DYNAMIC CHASSIS CONTROL (DCC)** adjusts damping control and shock absorption rate to the road conditions and driving style you require within milliseconds. At the touch of a button, you can decide how firm or comfortable you wish to set the suspension, with a choice of three settings: Sport, Comfort or Normal. In Sport mode, the vehicle is noticeably more agile, while Comfort mode gives you the driving experience of a luxury saloon. Irrespective of the setting selected, the system will automatically adjust the damping for each individual wheel, using information from the steering, brake and driver assistance systems, particularly on uneven roads or when changing lane quickly. Standard on 2.0 litre TDI 184 PS models, and optional on all other models.

XDS ELECTRONIC DIFFERENTIAL LOCK, an extension of the well-known EDL (Electronic Differential Lock) function, is linked to the ESC (Electronic Stability Control) hydraulics and works by applying pressure to the inner front wheel during cornering to prevent wheel-spin. The one-sided, precise brake pressure helps to maximise traction, reduce understeer and improve responses, thus making cornering even more accurate. Standard on 2.0 litre TDI 184 PS models, and optional on all other models.

THE LATEST GENERATION OF ENGINES TO SUIT EVERY NEED.

The latest generation petrol and diesel engines, working with modern gearbox technologies, deliver refinement, innovation and torque, ensuring your Volkswagen CC more than meets your expectations.

TSI PETROL ENGINES follow the downsizing principle, using low capacity, highly sophisticated turbocharging and precise direct injection to deliver optimum power and fuel economy. Maximum torque is delivered at low engine speeds, reducing both fuel consumption and noise levels.

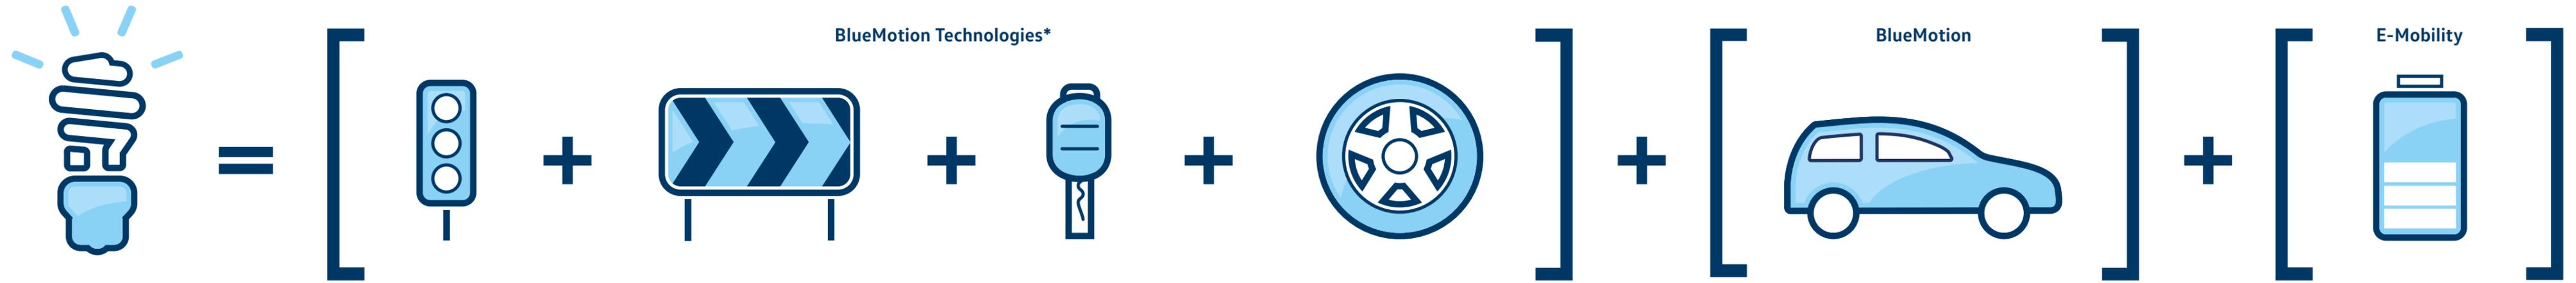

TDI DIESEL ENGINES benefit from sophisticated turbocharging along with the latest common rail direct injection technology, ensuring exceptional pulling power throughout the rev range alongside optimum fuel consumption. This technology not only ensures improved performance, but is also an exceptionally smooth, quiet ride.

The **DUAL-CLUTCH DIRECT SHIFT GEARBOX (DSG)** represents a milestone in the development of gearbox technology. Unlike conventional automatic gearboxes, it shifts smoothly and imperceptibly into the pre-selected next gear within a few hundredths of a second, without disrupting traction. It also offers you a choice of Normal or Sport mode, to suit your driving style, and for more dynamic driving you can change gear manually via the gear knob or paddle shift on the steering wheel. When used in conjunction with a diesel engine, the freewheel function temporarily declutches the engine when the driver takes their foot off the accelerator. Paddle shift is standard on R-Line and R-Line Black Edition models and optional on Volkswagen CC, GT and GT Black Edition models.

The **START/STOP FUNCTION** turns off the engine when the vehicle is stationary, in neutral and the clutch disengaged, notified via a symbol on the multifunction computer display. This occurs when the engine is idle, such as at traffic lights. It then restarts when you depress the clutch and put the vehicle back in gear, thereby helping to save fuel.

Think Blue.

Think Blue.

Start/Stop technology
saves fuel by automatically switching off the engine when the car isn't in motion.

Brake energy recuperation system
makes use of energy that's usually lost when you brake.

Turbocharged engines
deliver more power when you need it and use less fuel when you don't.

Low rolling resistance tyres
reduce the friction between the tyre and the road, meaning it takes less energy – and less fuel – to go further.

Purpose-built BlueMotion cars
include the full range of BlueMotion Technologies as well as an aerodynamically optimised design to reduce wind resistance.

Electric vehicles
comprise both hybrid and fully electric vehicles, offering all the features of their regular counterparts.

*BlueMotion Technologies are available on all Volkswagens and vary between models.

● Standard. ○ Optional. - Not available. * Optional at extra cost. † Some parts of leather interior will contain artificial leather.
 1 Not available on R-Line models. 2 Must be ordered in conjunction with black rooflining. 3 Not available on R-Line Black Edition models. 4 Pure White non-metallic paint is standard on GT Black Edition, R-Line and R-Line Black Edition models.

There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there's bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

Sporty

Golf: As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD and Golf R.

Spacious family cars

New Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf SV, Golf Estate, new Touran and Passat Estate.

Style

Beetle: The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet or the Golf Cabriolet.

City run around

up!: The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around practicality with more versatility and even more space can be found on the iconic Golf.

Executive

Volkswagen CC: Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the Jetta, and executive comfort in the Passat and Passat Estate – winner of 'European Car of the Year 2015'.

4x4

Touareg: The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it, with four wheel drive technology, '4MOTION' as standard.

Go everywhere, do anything in our four wheel drive alternatives: Golf Alltrack, Tiguan and Passat and Passat Estate 4MOTION models.

TECHNICAL SPECIFICATION.

Image shown is for illustration purposes only and may not necessarily reflect UK specification.

TECHNICAL SPECIFICATION NOTES

- 01** The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02** Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48.
- 03** With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04** The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 05** The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 06** Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

TECHNOLOGY.

ENGINES

Front transverse-installed engine

1.4 litre/150 PS ⁽⁰¹⁾ (110 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection twin-charged engine with four valves per cylinder, a supercharger and a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission

2.0 litre/150 PS ⁽⁰¹⁾ (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line engine, four valves per cylinder, aluminium-silicon alloy cylinder head, reduced piston crown volume (improves swirl generation in the cylinder), toothed backlash compensator, intake manifold with electric continual tumble flap control, electronically controlled common rail direct injection fuel system with Bosch high pressure pump (up to 1800 bar) and 8-hole piezo injector units, pre-supply electronic fuel pump, oil cooler, intercooler, low temperature exhaust gas recirculation, additional coolant pump, turbocharger with variable turbine geometry, catalytic converter and Diesel Particulate Filter (DPF). Available with a six speed manual or a six speed automatic DSG transmission

2.0 litre/184 PS ⁽⁰¹⁾ (135 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line engine, four valves per cylinder, aluminium-silicon alloy cylinder head, reduced piston crown volume (improves swirl generation in the cylinder), toothed backlash compensator, intake manifold with electric continual tumble flap control, electronically controlled common rail direct injection fuel system with Bosch high pressure pump (up to 1800 bar) and 8-hole piezo injector units, pre-supply electronic fuel pump, oil cooler, intercooler, low temperature exhaust gas recirculation, additional coolant pump, turbocharger with variable turbine geometry, catalytic converter and Diesel Particulate filter (DPF). Available with a six speed manual or a six speed automatic DSG transmission

BRAKES

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with inner-ventilated front disc brakes and rear disc brakes
- Asbestos-free brake pads
- Hydraulic Brake Assist (HBA)
- Electronic parking brake

STEERING

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

TRANSMISSION

- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Six speed manual, six speed automatic DSG or seven speed automatic DSG gearbox with double joint half axles
- Six speed manual: 1.4 litre TSI 150 PS, 2.0 litre TDI 150 PS, 2.0 litre TDI 184 PS
- Six speed automatic DSG: 2.0 litre TDI 150 PS, 2.0 litre TDI 184 PS
- Seven speed automatic DSG: 1.4 litre TSI 150 PS

RUNNING GEAR

- Electronic Stability Control (ESC) including Electronic Differential Lock (EDL), Traction Control (ASR) and Countersteer Support
- XDS electronic differential lock (2.0 litre TDI 184 PS models only)
- Dynamic Chassis Control (DCC) (2.0 litre TDI 184 PS models only)
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- Front and rear anti-roll bar

Figures shown are for standard specification models. The addition of certain factory-fitted options and/or accessories may affect some of the dimensions shown.

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

DIMENSIONS.

CO₂ EMISSIONS AND VED BANDS WITH OPTIONAL WHEELS.

EFFECT OF WHEEL SIZE ON CO₂ EMISSIONS AND VED BANDS

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band. The BIK rates paid by company car drivers may also increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels.

4-DOOR SALOON RANGE			OUTPUT, PS	STANDARD WHEEL SIZE	CO ₂ EMISSION, G/KM*, STANDARD WHEELS	VED BAND, STANDARD WHEELS	OPTIONAL ALLOY WHEEL AND SIZE	CO ₂ EMISSION, G/KM*, OPTIONAL ALLOY WHEELS	VED BAND, OPTIONAL WHEELS

* Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca.

Please note: the increase in VED rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

[BMT refers to BlueMotion Technology.](#)

Model shown is Volkswagen CC GT with optional Dynamic gas discharge (Bi-xenon) headlights with LED daytime running lights and metallic paint.

VOLKSWAGEN SERVICE.

EXCLUSIONS AND TERMS AND CONDITIONS APPLY TO ALL WARRANTIES AND PLANS LISTED. FOR PRICING AND FURTHER DETAILS OF VOLKSWAGEN WARRANTIES AND SERVICE PLANS, PLEASE CONSULT YOUR AUTHORISED VOLKSWAGEN RETAILER OR REPAIRER, OR VISIT WWW.VOLKSWAGEN.CO.UK

THE VOLKSWAGEN WARRANTY. THREE-YEAR WARRANTY.

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY.

The internal body sections and panels of the Volkswagen CC are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY.

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES.

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

EXTENDED WARRANTY.

If you order the Volkswagen Extended Warranty as an option when buying your new Volkswagen CC then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

SERVICE INTERVALS.

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN INSURANCE⁴.

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

VOLKSWAGEN ENSURANCE⁵.

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit volkswagen-ensurance.co.uk

VOLKSWAGEN FINANCE⁶.

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

FUEL CONSUMPTION AND CO₂ EMISSIONS.

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca.

The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

VOLKSWAGEN ROADSIDE ASSISTANCE.

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

TAX FREE SALES.

For full details, please contact your authorised Volkswagen retailer.

PLEASE NOTE.

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available.

In particular, controls and some items of equipment are positioned differently for the UK.

The specifications contained in this brochure are for information purposes only and are subject to change.

If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering.

Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

⁴ Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Annual insurance credit is provided by Ageas Retail Limited. Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 1324965. Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. VWFS UK and Ageas Retail Limited are not part of the same corporate group.

⁵ Ensurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).

⁶ Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
