Exclusive driver training for Mercedes-AMG GT R owners

All Mercedes-AMG GT R customers are invited to a complimentary AMG Driving Academy Training experience at Mercedes-Benz World.

With friendly one-to-one tuition from a professional Mercedes-AMG driver, your training will be personalised to you. You'll push Mercedes-AMG driving performance and your driving skills to the limits on our track and purpose-built low friction dynamic handling facilities.

Through high-speed, adrenaline-fuelled exercises you'll experience oversteer, understeer, slaloms and many more performance driving skills. Designed as part of your ownership experience, this will lay the foundations to master a high-performance vehicle, develop driving skills with maximum enjoyment and prepare you to take full command of your own Mercedes-AMG GT R.

TERMS AND CONDITIONS

The following only are eligible: the first purchaser/registered keeper of a newly-registered Mercedes-AMG GT R; the second owner/registered keeper of a Mercedes-AMG purchased from a Mercedes-Benz Retailer, where the vehicle is less than 90 days from registration. The AMG Driving Academy Training experience is the AMG-PERFORMANCE Training as detailed in the further information above and must be booked and taken within six months of delivery of your Mercedes-AMG GT R; it cannot be exchanged and cannot be transferred for any other driving experience. The Training experience is available Monday to Friday only and is subject to availability. Mercedes-Benz UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable.

TRANSMISSION AND SUSPENSION

AMG rear axle limited-slip differential lock, electronically controlled

AMG rear axle steering

AMG RIDE CONTROL sports suspension with adjustable damper system

AMG SPEEDSHIFT DCT 7-speed sports transmission – 4 transmission modes 'C' (Comfort), 'S' (Sport), 'S+' (Sport Plus) and 'RACE' plus an individually-configurable mode (I*) selectable via the AMG DYNAMIC SELECT CONTROLLER

AMG Traction Control

A top-class motorsport feature for perfect grip. It enables optimum slip when accelerating out of curves and adjusts the engine's power delivery perfectly. The control can be set at any time in nine levels

Cruise control with variable speed limiter

ECO start/stop function

Lithium-ion battery

EXTERIOR

AMG performance exhaust system, switchable, with titanium rear silencers

Active Aerodynamics

Positioned at underbody and lowers at speed of 50 mph. Enables lift reduction at front axle, reduction of aero resistance, optimal air flow to diffuser and optimisation of brake cooling. Improves handling, agility, stability and increases downforce

Active Air Control System

Electronically adjusting lamellas positioned within the lower part of the front bumper. Closed for optimised airflow and opens only for improved engine and brake cooling

Brake calipers, painted yellow with 'AMG' lettering

Carbon fibre roof

Heated rear window with timer control

KEYLESS-GO starting function – engine start at the push of a button

LED High Performance headlamps with Adaptive Highbeam Assist

LED indicators integrated in exterior mirrors

LED tail lamps

Rear aerofoil – static

Sports tyres – exclusively developed for Mercedes-AMG; offering greater steering precision and a measurable increase in grip on racetracks

Tinted glass – green all round including rear window in single-layer safety glass

'V8 BITURBO' lettering on both front wings

Windscreen wipers with rain sensor

Trip computer in multi-function display showing current fuel consumption

PAINT, TRIM AND UPHOLSTERY

Paint – non-metallic

Roof lining – black fabric

Trim – AMG high-gloss black

Upholstery – black nappa leather/DINAMICA microfibre

SECURITY AND SAFETY

Anti-Theft Protection package

3-stage Electronic Stability Programme (ESP®)

Acceleration Skid Control (ASR)

Active Brake Assist

ADAPTIVE BRAKE ASSIST with HOLD function and Hill-Start Assist, priming and dry braking in the wet

Adaptive brake lights

Airbags – driver and front passenger

AMG high-performance composite braking system – 390×36 mm front brake discs and 360×26 mm with rear brake discs

Anti-lock braking system (ABS)

ATTENTION ASSIST

Monitors steering behaviour and can help alert to long journey fatigue

Brake Assist (BAS) with brake servo assistance when emergency braking is detected

Electric parking brake with automatic release when moving off

SECURITY AND SAFETY (continued)

First-aid kit
Headlamp Assist – automatic headlamp activation
Kneebag for driver and front passenger
Seat belts, black
Seats – automatic child seat recognition sensor (pressure sensor)
Service interval indicator ASSYST
Sidebag for driver and front passenger (combined thorax/pelvis bag)
Tyre pressure monitoring system
TIREFIT with tyre inflation compressor
Warning triangle

COMMUNICATIONS AND IN-CAR ENTERTAINMENT

AMG Track Pace iOS smartphone app that records vehicle-specific data (e.g. speed, acceleration) as well as lap and sector times for driver analysis. Enables video recordings via smartphone/GoPro to support sharing information via social media networks
Bluetooth® interface with hands-free function, text message/e-mail read and write function and audio streaming for music transmission
COMAND Online system with Media Interface Includes radio, single CD/DVD, 8.4-inch colour display, hard disk drive (HDD) navigation with 3D map display, Live Traffic Information and European map data updates free of charge for the first three years, and LINGUATRONIC voice control. Internet-enabled mobile phone required for emergency call system (eCall), Mercedes-Benz apps and in-car internet access for Facebook, internet radio, sending routes from Google Maps™ to the vehicle, news and weather reports. Also includes SD memory card slot, 10 GB music register and MP3 compatibility. Media Interface allows connection and control of portable media devices (e.g. MP3 player, USB storage media). Cable included for iPod® connectivity
DAB digital radio tuner
Mercedes me connect (Remote Online) Onboard use of the remote and location services, e.g. geographic vehicle monitoring, vehicle location, remote door locking and unlocking, remote interrogation of vehicle status. Remote Online subscription services are limited to three years from initial registration, and can be extended at additional cost
Mercedes me connect (standard services) Including emergency call system (eCall), accident recovery, breakdown and maintenance management
Two USB ports and an SD card slot in centre console

Lane Tracking Package and Driving Assistance package

Safety has always been at the heart of Mercedes-Benz groundbreaking technology. So it comes as no surprise that the Mercedes-AMG GT R is packed with features to keep you protected on your journey. Starting with technology to make driving more effortless like Distance Pilot DISTRONIC, Blind Spot Assist and Lane Keeping Assist, to technology that takes automatic action in an emergency, like the PRE-SAFE® system.

Item	Notes	Lane Tracking package £595.00 ¹ (code 22P)	Driving Assistance package £1,695.00 ¹ (code DP3)
Blind Spot Assist	Blind Spot Assist is able to detect vehicles in the blind spot and give the driver visible and audible warnings	■	■
Lane Keeping Assist	Lane Keeping Assist is able to detect when the vehicle is unintentionally drifting out of lane, duly warning the driver by means of pulsed vibrations through the steering wheel	■	■
Distance Pilot DISTRONIC	Including Active Brake Assist. The innovative drive assistance system automatically helps the driver to maintain a safe distance from the vehicle ahead and relieves driver strain on long journeys and when following vehicles in a tailback. The system provides a visual warning when the following distance becomes unsafe and also an audible warning if there is the risk of a collision	-	■
PRE-SAFE® system	If the system detects a critical driving situation, preventive occupant protection measures are initiated, including reversible seat belt tensioning, adjustment of passenger seat positions and closure of windows	-	■

Distance Pilot DISTRONIC

¹Only in conjunction with Premium equipment line (DP0)

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on page 35, and the relevant Excise Duty is reflected in the on-the-road prices on page 9.

Band	CO ₂ emissions	First year rate (£)	Standard rate (£)	Premium rate (£) ¹
A	0 g/km	0.00	0.00	310.00
B	1 to 50 g/km	10.00	140.00	450.00
C	51 to 75 g/km	25.00	140.00	450.00
D	76 to 90 g/km	100.00	140.00	450.00
E	91 to 100 g/km	120.00	140.00	450.00
F	101 to 110 g/km	140.00	140.00	450.00
G	111 to 130 g/km	160.00	140.00	450.00
H	131 to 150 g/km	200.00	140.00	450.00
I	151 to 170 g/km	500.00	140.00	450.00
J	171 to 190 g/km	800.00	140.00	450.00
K	191 to 225 g/km	1,200.00	140.00	450.00
L	226 to 255 g/km	1,700.00	140.00	450.00
M	over 255 g/km	2,000.00	140.00	450.00

¹Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge, number plates, fuel and VAT

Services and insurance

Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your Mercedes-AMG GT R, which is why we offer Service Care, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With Service Care we guarantee the price of parts and labour for up to three services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out². What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180**.*

Mercedes me connect

Mercedes me connect enables you to connect to your car via desktop, tablet or smartphone via an app. It provides access to services that enhance your Mercedes-Benz experience and fit effortlessly into your daily digital routine.¹

Standard Services.

Available on all models, except G-Class.

- **Emergency Call** – if there's an accident, this feature automatically shares your vehicle location and status for a fast response from the emergency services
- **Accident & Breakdown Management** – contact our Customer Assistance Centre with a single button for fast breakdown recovery
- **Telediagnosics** – automatically detects and shares details of any vehicle wear and tear with you, and shares the data with your Retailer
- **Maintenance Management** – reminds you when your service is due and automatically shares maintenance data with your Retailer
- **Parking Time Assist** – track the time on your parking meter and receive an alert when it's due to expire

Vehicle Setup.

These services come as standard if you have COMAND Online. Available as an optional £69 upgrade for all other customers.

- **Personal Profile** – store your preferences, such as your favourite radio stations and apps, to create your personal driver profile
- **Maintenance (Vehicle Status)** – check safety information, such as coolant level and brake pad condition, so you can be sure your car is safe and ready to drive
- **Remote Door Unlock** – lock and unlock your car remotely, wherever you are in the world
- **Send to Car Function** – search for destinations on your smartphone, tablet or desktop, then send the routes direct to your car for navigation

¹Currently unavailable in the Channel Islands and the Isle of Man

Mercedes me connect

40

Remote Online Services.

Standard on all models with COMAND Online, except for new E-Class. Available to purchase for an additional £150.00 (incl. VAT) for all models without COMAND Online.

- **Trip information and vehicle status** – access the vehicle's trip data such as fuel level, mileage, condition of brake pads and tyre pressure
- **Remote door locking and unlocking** – lock and unlock your car remotely, wherever you are in the world
- **Geofencing** – set up a geographical boundary and receive alerts whenever your car enters or leaves this area
- **Parked Vehicle Locator** – locate your parked vehicle within a range of one mile and plot a route back to it
- **Vehicle Tracker** – track the location of your car anywhere in the world

Additional services for Plug-In Hybrid and electric models only, as part of Remote Online services:

- **Pre-entry climate control** – activate the pre-entry climate control system of your parked vehicle and set the temperature to your liking before boarding
- **Route planning** – displays the electric operating range on a map and enables you to plan a route while stopping at public charging stations
- **Charging points** – displays a list of the nearest public charging stations
- **Charging profile** – control the charging settings from a distance so your vehicle can be ready charged when you need it

Vehicle Monitoring.

Standard with COMAND Online for all models, except the new E-Class. Available to purchase for new E-Class and all other customers as an additional £69 upgrade.

- **Geo-fencing** – set up a geographical boundary and receive alerts whenever your car enters or leaves this area
- **Parked Vehicle Locator** – locate your parked car when within 1 mile and plot a route back to it
- **Vehicle Tracker** – track the location of your car anywhere in the world

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

> Keep me updated

> Find a Retailer

> View the Range Guide

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

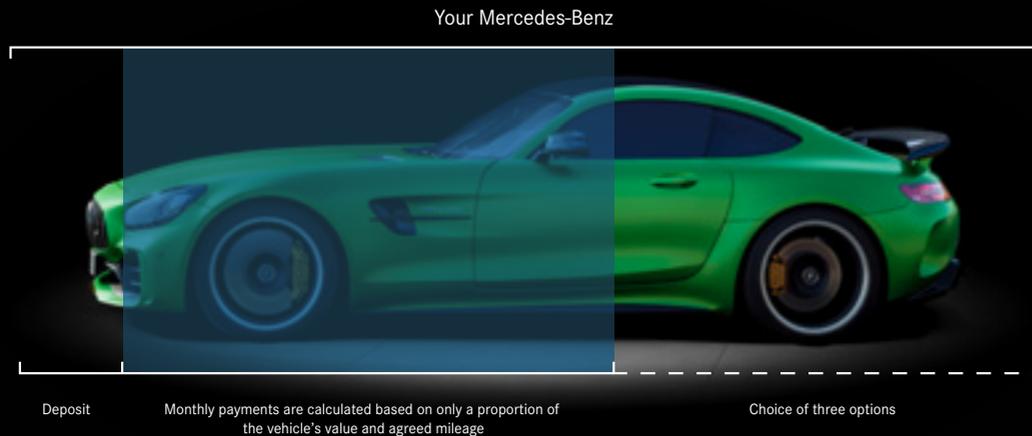

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,^{*} as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account ^{*}To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
