The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

See Mercedes-Benz in a new light. Now is the time to get yourself behind the wheel of an SLC. Choose from a number of attractive finance offers. Please see pages 12-15 for further details, or visit www.mercedes-benz.co.uk/offers

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting www.mercedes-benz.co.uk/testdrive

Mercedes-AMG SLC 43

Optional 18" AMG alloy wheels (4) – multi-spoke design (code 85R)

A roadster like a thunderbolt: forceful, unmistakable. Sonorous 367 hp (270 kW) and a torque of 520 Nm catapult it from 0–62.5 mph in 4.7 seconds. Pressed into the sports seats in nappa leather/DINAMICA microfibre by the acceleration, the sports steering wheel with gearshift paddles firmly in

hand, the AMG excitement sweeps you away. Everything points to sport on the exterior, too: 18" AMG alloy wheels, painted black or titanium grey with a high-shine finish, two chromed tailpipe trims with a centrepiece, black exterior mirrors – and the inimitable face of AMG.

Exterior

3.0-litre V6 with modified engine management and higher boost pressure

18" AMG alloy wheels (4) – 10-spoke design

AMG bodystyling with model-specific front and rear aprons, front splitter in silver chrome plus wheelhouse covers integrated in rear wheel arch linings

AMG mechanical rear-axle limited-slip differential provides improved traction in every driving situation, especially when the driver adopts a sporty driving style.

- Allows even more precise vehicle handling
- If a difference in the rotational speed of the driven wheels arises, torque is directed to the wheel with better grip in order to reduce slip
- Provides improved traction in all driving situations (moving off, accelerating, dynamic cornering and braking)
- Allows better acceleration out of corners
- Stabilises the car when braking into a bend and at high speeds
- Mechanically controlled multi-disc limited-slip differential with two multi-disc clutches and two thrust washers

AMG high-performance braking system with larger brake discs, perforated all round

AMG speed-sensitive sports steering with constant, very direct ratio ensures light, agile cornering performance with clear feedback

AMG spoiler lip on boot lid

AMG sports exhaust system with two chrome-plated tailpipes integrated into the bumper with centrepiece (four-pipe look)

'BITURBO' lettering on front wings

Diamond radiator grille in chrome with high-gloss black louvre

Exterior mirror housings in high-gloss black

Red brake calipers

Side air outlets in the wings with fin in silver chrome

Interior

AMG door sill panels in brushed stainless steel

AMG instrument cluster in chequered-flag design with 175 mph scale and RACETIMER

Analogue clock featuring an IWC design

Start-up display with AMG logo

Steering wheel – 3-spoke AMG Performance steering wheel in nappa leather/DINAMICA microfibre, red contrast topstitching and red 12 o'clock marking

Upholstery in nappa leather/DINAMICA microfibre in black with red piping and topstitching

Trim and Upholstery

Dark carbon-grain aluminium

Nappa leather/DINAMICA microfibre – black

Standard equipment

Fabric wind deflector

Air conditioning

DAB digital radio tuner

AIRGUIDE package

Defy the elements. To help you enjoy top-down motoring as often as possible, the SLC offers AIRGUIDE – a pair of transparent draught deflectors discreetly located behind the seat headrests. When required, these manually pivot into position helping to minimise turbulent air flow and noise within the cabin.

AIRGUIDE package – designed and priced as a package, including luxury items as listed below.

SLC AMG Line **Total incl. VAT £315.00**

AIRGUIDE package (code 283)

AIRGUIDE – pivoting, transparent wind deflectors

Roll-over bars with aluminium inserts

Dynamic Handling package and AMG RIDE CONTROL

The adaptive damping system, Direct-Steer system with speed-sensitive power assist and variable steering ratio as well as the ESP® Curve Dynamic Assist enhance agility, driving comfort and directional stability.

Dynamic Handling package – designed and priced as a package, including features listed below.

All models**Total incl. VAT £995.00****Dynamic Handling package** (code 483)

Combination of lowered suspension with adaptive damping system, Direct-Steer system and ESP® Curve Dynamic Assist

Damping system features three basic settings: Comfort, Sport and Sport+

Damping force is continuously and automatically adjusted on each individual wheel to the given driving situation

Direct-Steer system combining speed-sensitive power assist and a variable steering ratio dependent on steering wheel angle

Improved handling thanks to enhanced agility when cornering

Sportier and more dynamic cornering performance

More comfort when manoeuvring and parking thanks to fewer steering movements and a high power assist

Improved straight-line stability at higher speeds

Exclusive to the Mercedes-AMG SLC 43, the AMG RIDE CONTROL sports suspension lets the driver select between 'Comfort', 'Sport' and 'Sport+' settings to adjust the damping characteristics from a highly comfortable to a sporty and firm drive.

AMG RIDE CONTROL – designed and priced as a package, including features listed below.

Mercedes-AMG SLC 43**Total incl. VAT £995.00****AMG RIDE CONTROL** (code 483)

Provides exhilarating driving dynamics and the brand's hallmark comfort on long journeys thanks to adjustable, electronically controlled damping system

The damping is controlled individually for each wheel

Three suspension settings: 'Comfort', 'Sport' and 'Sport+', manually adjustable by choosing the transmission mode with the DYNAMIC SELECT button

Maximum neutrality (barely any understeer/oversteer) with outstanding traction

High handling safety thanks to outstanding controllability at the critical limits

High agility thanks to pronounced steering precision and cornering stability due to optimised lateral dynamics

AMG-specific electronically controlled soft mounted components that move with the vehicle. The vehicle is optimised to handle better and gives the driver more control

Night package

SLC AMG Line

Mercedes-AMG SLC 43

Yet more extravagance and athleticism, available on request: the Night package. Highlights include distinctive design features in black. The front splitter, the trim strip in the rear diffuser and the louvre in the diamond radiator grille sparkle in high-gloss black paint, as do the exterior mirror housings. The crowning glory is formed by 18" AMG multi-spoke alloy wheels in black.

Services and insurance

Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your SLC, which is why we offer Service Care, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With Service Care we guarantee the price of parts and labour for up to three services and safeguard against any further inflation. It also covers the cost of any additional items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at servicecarerates.mercedes-benz.co.uk

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,* as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account *To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
