MODEL PRICES (CONTINUED)

PETROL/ELECTRIC HYBRID 5-DOOR HATCHBACK.				Combined output, PS	CO ₂ emission, g/km*	Basic Recommended Retail £	VAT £	Additional 'On the road' Costs £ [†]	Manufacturer's Recommended 'On the road' Retail £ [†] excl. P1CG [‡]
GTE ±	1.4 ltr TSI BMT PHEV	5-door	6 speed auto DSG	204	39*	27,833.33	5,566.67	655.00	34,055.00
GTE Nav ±	1.4 ltr TSI BMT PHEV	5-door	6 speed auto DSG	204	39*	29,304.17	5,860.83	655.00	35,820.00

* The 'combined/weighted' fuel consumption/CO₂ figures are calculated from two test results: one when the battery is fully charged and another when the battery is discharged. The two results are a weighted average, taking into account mileage range on battery power only, providing a figure in a variety of charge conditions. Battery charged using mains-sourced electricity via plug-in. Extended range achieved by 1.4 litre TSI petrol engine generating electricity. Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Emissions are while driving. More information is available at www.dft.gov.uk/vca. For full details, please see Environmental Information on page 40. CO₂ emissions shown refer to standard specification only. Adding larger optional alloy wheels can increase CO₂ emissions which may affect VED band and recommended 'On the road' retail price. Please see page 44 for further details. † For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 42. ‡ The GTE and GTE Nav are hybrid vehicles (PHEV) which makes them eligible for the Government 'P1CG' (Plug-in Car Grant) towards the cost of the car. The 'cost' is the full purchase price you pay for the basic vehicle - including number plates, Vehicle Excise Duty and VAT, but does not include delivery charge or first registration fee. The amount of your grant will be automatically deducted from the price of your GTE or GTE Nav when the vehicle is registered. The P1CG will be applied to the recommended 'On the road' retail price. The receipt of this grant is subject to the eligibility of the vehicle at the point of registration and is subject to change. Please refer to the GOV.UK OLEV Grant website for more details. Your authorised Volkswagen retailer will complete the paperwork, but you may be asked to complete a customer survey. For more information, please contact your authorised Volkswagen retailer or visit: www.gov.uk/plug-in-car-van-grants/overview. ± Please note these models are only available from stock and are not available to factory order. BMT refers to BlueMotion Technology.

ALL-ELECTRIC 5-DOOR HATCHBACK.				Output, PS	CO ₂ emission, g/km*	Basic Recommended Retail £	VAT £	Additional 'On the road' Costs £ [†]	Manufacturer's Recommended 'On the road' Retail £ [†] excl. P1CG [‡]
e-Golf ±		5-door	Single-speed gearbox	115	0*	25,854.17	5,170.83	655.00	31,680.00

* Zero emissions while driving. † For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price please see page 42. ‡ The e-Golf is an all-electric vehicle (EV) which makes it eligible for the Government 'P1CG' (Plug-in Car Grant) towards the cost of the car. The 'cost' is the full purchase price you pay for the basic vehicle - including number plates, Vehicle Excise Duty and VAT, but does not include delivery charge or first registration fee. The amount of your grant will be automatically deducted from the price of your e-Golf when the vehicle is registered. The P1CG will be applied to the recommended 'On the road' retail price. The receipt of this grant is subject to the eligibility of the vehicle at the point of registration and is subject to change. Please refer to the GOV.UK OLEV Grant website for more details. Model shown is Golf GTE with optional premium signature paint.

EFFECTIVE FROM 1 APRIL 2017.

THE GOLF - 07

MAIN ITEMS OF STANDARD SPECIFICATION

STANDARD ITEMS OF EQUIPMENT: S*

VOLKSWAGEN SERVICE

3-year/60,000 miles warranty (whichever is soonest)

3-year paintwork warranty

12-year body protection warranty

Volkswagen Roadside Assistance

Exclusions and terms apply, please see page 46 for more details

WHEELS AND SUSPENSION

Full size wheel trims

Steel space saver spare wheel

6J x 15" steel wheels with 195/65 R15 tyres

EXTERIOR

Black front air intake and radiator grille

Body-coloured bumpers

Body-coloured door handles

Body-coloured door mirrors with integrated indicators

Galvanised body

Halogen clear headlights, range adjustable with daytime running lights

Rear diffuser, black

Rear number plate lights incorporating LED technology

Rear screen wash/wipe with intermittent wipe

Rear window aerial

Tailgate with integrated rear roof spoiler

Twin exhaust tailpipe (125 PS engine only)

EXTERIOR (CONTINUED)

Windscreen wiper with intermittent wipe and 4 position delay

INTERIOR

Bag hook in luggage compartment

Chrome-plated air vent surrounds

Cover for storage compartment in centre console

Cup holders, front x 2

'Dark Rhodium Fine' decorative inserts in dash and door panels

Front centre armrest, with storage compartment and two rear air vents

Glovebox, illuminated and cooled

Grab handles, front x 2, rear x 2 with integrated coat hooks

Height and reach adjustable steering wheel

Instrument lighting, white adjustable panel illumination

Interior light delay

Load lashing points in luggage compartment x 4

Luggage compartment cover, stowable

Luggage compartment light

Reading lights, front x 2

Seating

– Upholstery – 'Salt' cloth

– Driver's and front passenger's seat height adjustment

– Easy entry sliding seats (for access to rear seats – 3-door only)

– Split folding rear seat backrest 60:40

Storage compartment in centre console

INTERIOR (CONTINUED)

Storage compartment in rear doors

Storage compartments in front doors

Three-spoke steering wheel

Vanity mirrors, illuminated

Variable boot floor, height adjustable and removable (not GTE)

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Composition Media system

– 6.5" colour touch-screen

– Bluetooth telephone and audio connection for compatible devices¹

– Car information display

– DAB digital radio receiver

– MDI (Multi Device Interface), via USB connection – compatible products only

– Music playback from MP3, WMA and AAC files

– SD card reader

– Simultaneous pairing of 2 compatible mobile devices

– Single CD player

– SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)

– Title and cover art display

– 'Think Blue. Trainer.' Driver tips and journey analysis

– 4 x 20 watt output

– 8 speakers, front and rear

SAFETY AND SECURITY

ABS (Anti-lock Braking System) with HBA (Hydraulic Brake Assist)

Airbags

– Curtain airbag system, for front and rear passengers

– Driver's and front passenger's airbags with passenger's airbag deactivation switch

– Driver's knee airbag

– Front seat side impact airbags

Automatic Post-Collision Braking System

Brake pad wear indicator

Child security locks in the rear doors

Disc brakes, front and rear (front ventilated)

Driver's and front passenger's safety-optimised head restraints

Electronic engine immobiliser

ESC (Electronic Stability Control) including EDL (Electronic Differential Lock) and ASR (Traction Control)

Height-adjustable front three-point seat belts with tensioners

High level 3rd brake light incorporating LED technology

Holder for first aid box and warning triangle

Isofix child seat preparation (for 2 rear child seats)

* Please note these models are only available from stock and are not available to factory order.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

STANDARD ITEMS OF EQUIPMENT: S* (CONTINUED)

SAFETY AND SECURITY (CONTINUED)

Misfuel prevention device for diesel engines

Reflectors in all doors

Remote central locking with 2 remote folding keys

Tyre pressure loss indicator

Warning buzzer and light for front seat belts if unfastened

XDS electronic differential lock for improved traction and handling

3 rear head restraints

3 rear three-point seat belts

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

COMFORT AND CONVENIENCE

Air conditioning, manual

Dust and pollen filter

Electric windows, front and rear (rear 5-door only)

Electrically heated and adjustable door mirrors

Heated rear windscreen

DRIVER'S ASSISTANCE

Electronic parking brake – with auto hold function

Multifunction computer

Power-assisted steering, speed-sensitive, electro-mechanical steering rack

Speedo and rev counter, electronic odometer, trip, service interval display, exterior temperature gauge and fuel gauge

Warning 'lights on' buzzer

EFFICIENCY

Battery regeneration (recuperation – energy recovery during braking)

Multifunction computer, includes visual gear change recommendation for improved fuel consumption

Start/Stop function

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: MATCH EDITION* (OVER S)

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Dover' with 205/55 R16 tyres and anti-theft wheel bolts

EXTERIOR

Black front air intake and radiator grille with chrome trimmed inserts

Front fog lights, including static cornering function (not GTI Clubsport Edition 40 or R models)

Headlight washers (not GT Edition, R-Line Edition, GTE, GTE Nav, GTI Clubsport Edition 40 or e-Golf models)

- Front comfort seats with height and lumbar adjustment
- Front passenger's under seat drawer
- Front seat back storage pockets
- Heated front seats (not GT Edition, R-Line Edition, GTE, GTE Nav, GTI Clubsport Edition 40 or e-Golf models)

12V socket in luggage compartment

SAFETY AND SECURITY

Alarm with interior protection

Automatic coming/leaving home lighting function

PreCrash preventive occupant protection

COMFORT AND CONVENIENCE

Heated windscreen washer jets (not GT Edition, R-Line Edition, GTE, GTE Nav, GTI Clubsport Edition 40 or e-Golf models)

Rain sensor and automatic dimming interior rear-view mirror

Remote electrically foldable door mirrors, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's door mirror (not e-Golf)

DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter (not Match BlueMotion Edition)

Driver Alert system

Driver profile selection (not Match BlueMotion Edition)

Dusk sensor, automatic driving lights

Multifunction computer with 3.5" TFT screen

Low washer fluid warning light (not GT Edition, R-Line Edition, GTE, GTE Nav, GTI Clubsport Edition 40 or e-Golf models)

Parking sensors, front and rear - ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's audio system (rear only on GTI Clubsport Edition 40)

* Please note these models are only available from stock and are not available to factory order.

- 1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 2 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation system (in addition to Composition Media system)
(Match Edition, Match BlueMotion Edition, GT Edition, R-Line Edition, GTD, GTI, GTI Clubsport Edition 40 and R only)

- Branded points of interest
- Dynamic navigation based on TMC+
- Preloaded European navigation data
- Speed Limit Display¹
- Three route options (Fast, Short, Eco)
- 2D/3D map view

CAR-NET

Car-Net 'Guide and Inform' – 3-year subscription

- Providing online access to a range of useful information such as traffic, fuel pricing, parking space availability, weather and news feeds²

ADDITIONAL ITEMS OF EQUIPMENT: MATCH BLUEMOTION EDITION* (OVER MATCH EDITION)

WHEELS AND SUSPENSION

Sports suspension, lowered by approx. 10mm

Tyre repair kit (in lieu of steel space saver spare wheel)

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

2 Only operable in conjunction with compatible smartphones including iPhone 5, 6 and 7.

3 Car-Net 'Guide and Inform Plus' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform Plus' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform Plus' services.

4 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: GTE NAV* (OVER GTE)

CAR-NET

Car-Net 'App-Connect' – 3-year subscription

- Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'™ allowing 'mirroring' of smartphone display on the infotainment touch-screen via USB²

THE GOLF 21

FACTORY-FITTED OPTIONS

At Volkswagen, we work towards making sure that our cars are as close to how you want them as possible, and we understand that every detail needs to be right for you and your needs.

Introducing our exceptional range of factory-fitted options which allow you to express your individuality, help with the practical things in life, and add a touch of luxury at the same time. Whether you're looking for things to help you relax and help take the stress out of driving, feel protected, or simply look fantastic, just take your pick.

From cruise control to a panoramic sunroof, from rear tinted glass to dynamic chassis control, you'll find everything you need on the following pages to make your Golf **your** Golf, and perfect in every detail.

Factory-fitted option prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. Models shown feature optional metallic paint.

1 Not available in conjunction with panoramic sunroof.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 44 for full details.

● Standard equipment ○ Optional equipment – Not available. Factory-fitted options are subject to availability and extended delivery.

PARKING PACK

Parking has never been simpler.

Parallel parking and reverse bay parking has now been made easier thanks to the Golf's Parking Pack. Park Assist provides a sensor controlled steering aid enabling your car to detect a large enough space and steer itself in, while the rear-view camera provides a clear image of the area behind your car, transmitting images and guidelines on the multifunction colour display. All you have to do is operate the accelerator and brake, whilst keeping a good look-out. What could be simpler?

Available on Match Edition, Match BlueMotion Edition, GT Edition and R-Line Edition models.

- 01 Park Assist.
- 02 Multifunction colour display.
- 03 Rear-view camera. Image shown features Discover Navigation Pro touch-screen navigation/radio system.

Prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of any discount if applicable and 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. Models shown feature optional metallic paint.

You'll never look back.

Invest in the Parking Pack and you'll never look back. The rear-view camera shows a clear image of the area behind your vehicle on the audio system display which aids you when reverse parking, while Park Assist uses ultrasonic parking sensors to help you parallel or bay park with ease, displaying an optical image on the audio system. Parking has just become easier.

Available on GTD and GTI models.

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Choosing larger alloy wheels than standard, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers may increase. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 44 for full details. 1 Price excludes painting. 2 Price per wheel excludes tyre.

VOLKSWAGEN WARRANTY AND SERVICE PLAN

ADDITIONAL WAYS TO KEEP YOUR PERFECT CAR, PERFECT... FOR LONGER

Exclusions and terms apply, please see page 46 for more details. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

THE VOLKSWAGEN EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Golf, then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

CHOOSE ONE OF THE FOLLOWING TWO OPTIONS:

	Basic Recommended Retail £	VAT £	Total Recommended Retail £
Four years	208.33	41.67	250.00
This covers up to four years or 75,000 miles, whichever comes soonest. The cover includes a two-year unlimited mileage warranty and up to 75,000 miles in the third and fourth years.			
Five years	470.83	94.17	565.00
This covers up to five years or 90,000 miles, whichever comes soonest. The cover includes a two-year unlimited mileage warranty and up to 90,000 miles in the third, fourth and fifth years.			

VOLKSWAGEN SERVICE PLAN

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – for cars under 1 year old/10,000 miles comprising:

Recommended 12 months/10,000 miles:	Oil service including oil filter change
Recommended 24 months/20,000 miles:	Inspection service and oil service including oil filter change plus a dust and pollen filter replacement (if required)

Excludes electric vehicles. Plan is available for vehicles under 10,000 miles that have not had a first service. The Volkswagen Service Plan is subject to terms and conditions. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Solutions PCP

THE MAGIC OF MORE CAR FOR YOUR MONEY

So what's the big deal?

Solutions from Volkswagen Financial Services offers you flexible competitive rates and a finance plan that's completely built around you. Because it allows you to leave paying for some of the car's value to the very end, you can lower your monthly repayments... allowing you to get more car for your money. At the end of the agreement you also get three options to suit you. Solutions. Not smoke and mirrors, just brilliant, flexible finance. (There, the secret's out!)

The nitty-gritty

1. Choose a repayment period and annual mileage.
2. Pay your deposit, which can be made up of cash or a part-exchange.
3. Defer an agreed amount until the end of your agreement.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

In the end... the choice is yours

1. Part-exchange your existing car for a new Volkswagen on a Solutions (PCP) contract (subject to status).
2. Pay the option to purchase fee and the optional final payment and keep your Volkswagen.
3. Hand the car back (subject to terms and conditions).

Cost of your vehicle

Deposit
As little as one monthly payment

Monthly payments
Spread across 18 to 48 months

Optional final payment
You have three choices at the end of your agreement

Test drive some numbers with our finance calculator by scanning this QR code with your mobile device.

For more information and things to consider when taking out finance, please visit vwfinance.co.uk

Model shown is Golf S 125 PS with optional metallic paint.

An offer of finance depends on certain conditions. Finance subject to status. 18s and over. Terms and conditions apply. Volkswagen Financial Services.

* Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption and CO₂ emissions achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. CO₂ is the main greenhouse gas responsible for global warming. This information should be used for illustration purposes only. Choosing larger alloy wheels than standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers will increase. In some instances, the 'On the road' cost paid for the vehicle may increase as a result of the increased VED rate. The specifications contained in this price list are for information purposes only and are subject to change.

† Please note these models are only available from stock and are not available to factory order.

BMT refers to BlueMotion Technology. **BM** refers to BlueMotion.

PETROL/ELECTRIC HYBRID MOTOR	Combined output, PS	CO ₂ emission, g/km ¹	Trim level	Consumption, kWh/62 miles ¹ , Combined	Range, miles (NEDC) ²	Efficiency class ³
1.4 ltr TSI BMT DSG	204	39	GTE ¹ , GTE Nav ¹	11.4	580	A+

1 Range is not only dependent on the efficient use of the battery by the vehicle but also on driver behaviour and other non-technical factors (e.g. environmental conditions). Extra equipment and accessories (add-on parts, tyres etc.) can change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics, and with weather and traffic conditions, can affect range and performance values. This information should be used for illustration purposes only. The 'combined/weighted' fuel consumption/CO₂ figures are calculated from two test results: one when the battery is fully charged and another when the battery is discharged. The two results are a weighted average, taking into account mileage range on battery power only, providing a figure in a variety of charge conditions. Battery charged using mains-sourced electricity via plug-in. Extended range achieved by 1.4 litre TSI petrol engine generating electricity. Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Emissions are while driving. More information is available at www.dft.gov.uk/vca. Choosing larger alloy wheels than standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid for company car drivers will increase. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The specifications contained in this price list are for information purposes only and are subject to change. 2 The specified NEDC range can vary because of driving style, speed, use of additional electrical consuming equipment, outside temperature, number of people in car/maximum load, driving style selection (e-mode, hybrid, battery charge or GTE) and terrain. 3 Efficiency classes assess vehicles according to CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles conforming to that are graded D. Vehicles that are better than today's average are graded A+, A, B or C. Vehicles that are worse than the average are graded E, F or G. † Please note these models are only available from stock and are not available to factory order.

ALL-ELECTRIC MOTOR	Output, PS	CO ₂ emission, g/km ¹	Trim level	Consumption, kWh/62 miles ¹ , Combined	Range, miles (NEDC) ²	Efficiency class ³
	115	0*	e-Golf [†]	12.7	118	A+

* Zero emissions while driving. 1 The values specified were determined using the prescribed measuring procedure. The specifications are not based on one single vehicle and are not part of the offer, but simply serve as a means of comparison between the various vehicle types. Range is not only dependent on the efficient use of the battery by the vehicle but also on the driver behaviour and other non-technical factors (e.g. environmental conditions). Extra equipment and accessories (add-on parts, tyres etc.) can change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics, and with weather and traffic conditions, can affect range and performance values. 2 The specified NEDC range can vary because of driving style, speed, use of additional electrical consuming equipment, outside temperature, number of people in car/maximum load, driving style selection (normal, ECO, ECO+) and terrain. In summer (+5 to +35°C), it can be between 81–118 miles, and in winter (-10 to +5°C), around 56–81 miles. 3 Efficiency classes assess vehicles according to CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles conforming to that are graded D. Vehicles that are better than today's average are graded A+, A, B or C. Vehicles that are worse than the average are graded E, F or G. † Please note these models are only available from stock and are not available to factory order.

Model shown is Golf R with optional 19" 'Pretoria' alloy wheels and signature metallic paint.

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with DVLA on, or after, 1 April 2017.

If a new vehicle is registered on or after 1 April 2017, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £140 a year.

The 'First year rate' will be based on the CO₂ emissions and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £140 a year, and alternative fuel vehicles will pay a standard rate of £130 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £450 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £140 'Standard rate' and £310 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £140 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £440 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £130 'Standard rate' and £310 additional rate which reverts to £130 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £310 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

There is no provision for 6 month's 'First year rate' VED.

VEHICLE EXCISE DUTY (VED) AND ADDITIONAL 'ON THE ROAD' COSTS

For vehicles first registered on or after 1 April 2017, the amount you pay for the 'First year rate' of VED is based on CO₂ emissions. For subsequent year's VED, you then pay the 'Standard rate' of VED, depending on the type of fuel the vehicle uses, as shown in the tables below. VED rates for vehicles registered before 1 April 2017 will not be affected by the new VED rate changes.

'FIRST YEAR RATE' – BASED ON CO₂ EMISSIONS

Petrol/Diesel – 'First year rate' VED

CO ₂ emissions (g/km)	Petrol/Diesel VED £	Petrol/Diesel total 'On the road' costs £
0	0.00	655.00
1-50	10.00	665.00
51-75	25.00	680.00
76-90	100.00	755.00
91-100	120.00	775.00
101-110	140.00	795.00
111-130	160.00	815.00
131-150	200.00	855.00
151-170	500.00	1,155.00
171-190	800.00	1,455.00
191-225	1,200.00	1,855.00
226-255	1,700.00	2,355.00
Over 255	2,000.00	2,655.00

Alternative fuel – 'First year rate' VED

CO ₂ emissions (g/km)	Alternative fuel VED £	Alternative fuel total 'On the road' costs £
0	0.00	655.00
1-50	0.00	655.00
51-75	15.00	670.00
76-90	90.00	745.00
91-100	110.00	765.00
101-110	130.00	785.00
111-130	150.00	805.00
131-150	190.00	845.00
151-170	490.00	1,145.00
171-190	790.00	1,445.00
191-225	1,190.00	1,845.00
226-255	1,690.00	2,345.00
Over 255	1,990.00	2,645.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed below:

Additional 'On the road' costs

	Costs £
Delivery to retailer	480.00
Number plates	20.00
VAT	100.00
Vehicle first registration fee	55.00
Total	655.00

'STANDARD RATE' – BASED ON FUEL TYPE

'Standard rate' VED

Fuel type	CO ₂ emissions (g/km)	'Standard rate' VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	140.00
Alternative	1 - Over 255	130.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £140 a year, and alternative fuel vehicles will pay a standard rate of £130 a year.

'STANDARD RATE' – VEHICLES OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' VED £	Additional rate £	Total annual payment £
Electric	0.00	310.00	310.00
Petrol/Diesel	140.00	310.00	450.00
Alternative	130.00	310.00	440.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £450 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £440 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £310 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

CO₂ EMISSIONS AND VED BANDS WITH OPTIONAL WHEELS

EFFECT OF WHEEL SIZE ON CO₂ EMISSIONS AND VED BANDS

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the change in VED band.

3 AND 5-DOOR HATCHBACK RANGE.			Output, PS	Standard wheel size	CO ₂ emission, g/km*, standard wheels	First year VED £, standard wheels	Optional alloy wheel and size	CO ₂ emission, g/km*, optional alloy wheels	First year VED £, optional wheels

THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

THE VOLKSWAGEN WARRANTY

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels of the Golf are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

EXTENDED WARRANTY

If you order the Volkswagen Extended Warranty as an option when buying your new Golf then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

SERVICE INTERVALS

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

SERVICE INTERVALS (CONTINUED)

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Electric vehicles: Vehicles powered only by an electric motor require a Fixed Service as follows:

- Inspection service – First service after 20,000 miles (30,000km)/2 years, whichever is soonest.
- Subsequent services every 20,000 miles (30,000km)/1 year, whichever is soonest.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN INSURANCE⁴

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

VOLKSWAGEN E-GOLF AND GTE EIGHT-YEAR BATTERY WARRANTY

1. A guarantee for eight years or 99,360 miles/160,000km (whichever is soonest), on all material or manufacturing defects.
2. Gradual reduction in battery capacity over times is integral to the nature of the component, and does not represent a defect under the terms of this guarantee, as long as the reduction in capacity is not in excess of the value specified for this vehicle in the owner's manual.
3. The guarantee on high voltage batteries does not apply if the defect has been caused by the battery not being used, handled or maintained as described in the owner's manual. This applies in particular to charging the battery, such as not charging on the CSS (Rapid charge) function 3 times in a row. Please check the owner's manual for more details.
4. With the exception of the warranty term, all warranty conditions stipulated by the Volkswagen retailer selling the vehicle (prerequisites, criteria for freedom from defects, exclusions, settlement of claims, entry into force and start of extended warranty term, scope of application etc.) also apply to the high voltage battery.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit volkswagen-ensurance.co.uk

VOLKSWAGEN FINANCE⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

VOLKSWAGEN E-GOLF SPECIALIST RETAILER NETWORK

e-Golf is only available for sale through an authorised electric specialist Volkswagen retailer. These retailers have the ability to provide the highest levels of service when purchasing your e-Golf. For details of your nearest authorised electric specialist Volkswagen retailer, please visit volkswagen.co.uk for more details.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

1 All warranty work must be completed by an authorised Volkswagen retailer or repairer.

2 The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

3 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

4 Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Annual insurance credit is provided by Ageas Retail Limited.

Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 1324965. Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. VWFS UK and Ageas Retail Limited are not part of the same corporate group.

5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).

6 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
