# VOLVO V40

# YOUR OWN V40 IS IN REACH

Volvo has always led the way in innovation, with products that continue to influence and shape the entire car industry. But that's never been our motivation. You are. Every car, and every world first we introduce, is designed around you... to keep you safer on the road and more at ease behind the wheel. To bring extra excitement to every journey and improve your whole driving experience.

With the Volvo V40, you've found your perfect match. With its clean lines and striking silhouette, here's a five door premium hatchback that stands out without needing to shout. In a segment that is dominated by me-too lookalikes, the V40 is a fresh breeze of Scandinavian flair. The V40 is designed to delight you every single day, whether you go about your daily business around town, or decide to have a spur-of-the-moment weekend away. Not only do you get the fine materials and craftsmanship you've come to expect from us, the V40 is also packed with innovative technologies and a superb chassis with a range of high-performing engines. Looks, driving fun and innovative technologies - the V40 really has it all.

Designed around those who love living life in the fast lane, the sporty stance and attention-grabbing exterior of the V40 R-Design is matched only by the precision handling and control you can enjoy courtesy of refined stability and torque vectoring. Inside the race-inspired styling continues with exclusive features.

The V40 Cross Country is for those who want a sense of adventure every day. This expressive and rugged evolution gives you increased ride height, practical versatility and complete driver confidence. And with exclusive off-road inspired features, you can make sure your V40 Cross Country is as ready for excitement as you are.

# VOLVO V40 FEATURE EXPLANATION

---

## **CITY SAFETY**

Included as standard on your Volvo V40 is City Safety, which senses potential collisions (active from 2 to 31mph) and can activate the brakes automatically should you not react in time.

---

## **PARK ASSIST PILOT**

With ultrasonic sensors placed on all sides of the car, the V40 can take the pain out of parallel parking, detecting suitable parking spaces and steering itself precisely into the available space.

---

## **LANE KEEPING AID**

Forward-facing cameras on the V40 can help keep your car in the intended lane, gently steering the car back on course or alerting you through the steering wheel.

---

## **ADAPTIVE CRUISE CONTROL**

When engaged, adaptive cruise control makes driving the V40 even more relaxing, using radar to maintain a set distance to the car in front. As soon as a slower vehicle is detected, the car's speed will automatically adapt to match it, keeping you at a safe distance. The useful Queue Assist function (available on vehicles with automatic transmission) can keep the gap even in queues with repeated starting and stopping.

---

## **ROAD SIGN INFORMATION**

The V40 can also help you stay informed by displaying road sign information within your instrument display, including speed limit signs and "no overtaking" warnings.

---

## **ACTIVE HIGH BEAM**

In addition to Active Bending lights, which swivel the headlamps to follow the road, you can also specify Active High Beam - enabling the car itself to switch between high and low beam when on-coming traffic approaches.

---

## **VOLVO ON CALL**

This GPS communication system helps you stay connected to your car, helping you locate your vehicle, lock and unlock it, and even see all your dashboard readings (fuel levels, trip meter, etc.) - all from your smartphone or mobile device. Plus, it means emergency assistance is available at the touch of a button.

---

## **PEDESTRIAN AND CYCLIST DETECTION**

The groundbreaking Pedestrian and Cyclist Detection technology with full auto brake, detects and automatically brakes for cyclists swerving out in front of the car. The advanced sensor system scans the area ahead. If a cyclist heading in the same direction as the car suddenly swerves out in front of the car, as it approaches from behind, it will prompt you to act with a flashing warning light on the windscreen, along with an audible alarm. If you do not react to the warning, and a collision is imminent, the car immediately brakes with full braking force.

---

## **BLIND SPOT INFORMATION SYSTEM WITH CROSS TRAFFIC ALERT**

The radar based BLIS technology informs the driver about other vehicles in the blind spots on both sides of the car and also monitors and alerts drivers to rapidly approaching vehicles up to 70 metres behind the car. Cross Traffic Alert uses the radar sensors at the rear end of the vehicle to alert the driver to crossing traffic from the sides when reversing out of a parking space.

---

# VOLVO V40 TAKE THE WHEEL

Our range of finance, service and insurance options will allow you to budget for your new Volvo around one key factor – your lifestyle.

## **FLEXIBLE FINANCE**

You might be surprised how easy and flexible financing the purchase of your new car can be. As part of Volvo, Volvo Car Financial Services has developed a series of funding plans that will provide you with maximum choice and flexibility when acquiring a Volvo.

## **SERVICE PROGRAMME**

When you have your car serviced at a Volvo dealer, we make a pledge to you. It's called Volvo Service Promise and it guarantees an unbeatable combination of quality, reassurance and expertise. First, your personal service advisor will deal with any of your questions and make sure you can get to where you need to go. Our expert technicians will then give your car a full health check including a free software upgrade. Finally, we'll provide you with 12 months' complimentary Volvo Roadside Assistance and a car wash. For full details please go to [volvocars.co.uk/servicepromise](http://volvocars.co.uk/servicepromise)

## **INSURANCE**

Volvo Car Insurance is rated 5 stars by Defaqto<sup>1</sup> and designed with you in mind, from the moment you get behind the wheel of your new car. It offers excellent value, a range of exclusive benefits and a UK-based 24-hour claims team. **Call now for your insurance quote<sup>2</sup> on 0330 102 7960.**

## **VOLVO ON CALL**

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. Comes complete with a mobile app that provides a car locator, remote dashboard and lock-your-car functionality. For full details visit [volvocars.co.uk](http://volvocars.co.uk)

## **ROADSIDE ASSISTANCE**

Every new car comes with 3 years' Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can extend cover for 12 months for £99 or it is automatically extended if you have your car serviced at a Volvo dealer. For full details please go to [volvocars.co.uk/volvoassistance](http://volvocars.co.uk/volvoassistance)

## **WARRANTY**

Every new Volvo comes with comprehensive protection. Our warranty covers the first 3 years or 60,000 miles, whichever comes first. There's a 3-year unlimited mileage warranty on the paintwork, and either 8 or 12 years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

<sup>1</sup> Defaqto is an independent researcher of financial products. <sup>2</sup> All benefits are subject to qualifying status, terms and conditions, cover level and underwriting criteria. <b>INSURANCE RATINGS</b>					
Insurance ratings may vary depending on model line and specification. For details, please refer to <a href="http://thatam.org/myvehicle">thatam.org/myvehicle</a>					

<sup>1)</sup> All diesel models are fitted with a particulate filter.

<sup>2)</sup> For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.

<sup>3)</sup> The results do not express or imply any guarantee of the fuel consumption of a particular car.

<sup>4)</sup> Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.

<sup>5)</sup> Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750kg.

<sup>6)</sup> Vehicles with a retail price over £40,000 (including paint, options, packs and delivery costs) when new, pay an additional rate of £310 per year on top of the Standard Rate, for five years.

<b>WEIGHTS</b>			
Min. kerb weight, kg	1,428	1,432	1,509
Running order, kg	1,569	1,573	1,643
Max. total weight, kg	1,970	1,975	2,055
Max. towing weight braked, kg	1,500	1,500	1,500
Max. towing weight unbraked, kg <sup>5)</sup>	700	700	750
Max. payload, kg (dependent on spec.)	528	529	412
Max. towball weight / roof load, kg	75 / 75	75 /75	75 / 75

<sup>1)</sup> All diesel models are fitted with a particulate filter.

<sup>2)</sup> For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.

<sup>3)</sup> The results do not express or imply any guarantee of the fuel consumption of a particular car.

<sup>4)</sup> Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.

<sup>5)</sup> Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750kg.

<sup>6)</sup> Vehicles with a retail price over £40,000 (including paint, options, packs and delivery costs) when new, pay an additional rate of £310 per year on top of the Standard Rate, for five years.

## LUGGAGE COMPARTMENT

Volume to glass line – rear seats up, litres	324
Volume to roof - rear seats up, litres	391
Volume to roof - rear seats down, litres	1,021

## GROUND CLEARANCE

Vehicle unladen / with 2 persons, mm	144 / 133
Wading depth, mm	300

## VEHICLE DIMENSIONS

Length / wheelbase, mm	4,370 / 2,646
Width with extended / folded exterior mirrors, mm	2,041 / 1,857
Height, mm	1,470
Track front / rear, mm	1,552 / 1,540
Max. headroom front / rear, mm	984 / 932
Max. legroom front / rear, mm	1,073 / 847
Max. shoulder room front / rear, mm	1,396 / 1,349

## INSURANCE RATINGS

Insurance ratings may vary depending on model line and specification. For details, please refer to [thatcham.org/myvehicle](http://thatcham.org/myvehicle)
