

## THE NEW MINI JOHN COOPER WORKS GP. THE FASTEST MINI EVER. LIMITED EDITION.

The new MINI John Cooper Works GP is here with the most powerful engine ever fitted to a series-produced MINI 3-door Hatch. Inspired by the brand's legendary racing successes, the MINI John Cooper Works GP embodies MINI's motorsport essence. Designers and engineers have spared no efforts in creating an uncompromisingly dynamic package. This is the most powerful MINI GP ever built as well as the fastest, with a top speed of 164 mph. Following in the footsteps of the 2006 and 2013 John Cooper Works GP models, this generation will push the boundaries of performance to the technical limit, in a strictly limited batch of 3,000 individually numbered vehicles worldwide, with 575 vehicles arriving in the UK. Two versions of the new MINI John Cooper Works GP are available: The base vehicle is weight-optimised, for a no compromise performance package and comes without optional extras. The vehicle is also available with the GP Touring Pack, which includes automatic air conditioning, seat heating and Navigation Plus Pack.

### STANDARD EQUIPMENT HIGHLIGHTS.

#### EXTERIOR:

**From £35,345 OTR\*\***

MINI John Cooper Works GP  
with Touring Pack:  
**From £37,345 OTR\*\***

\*Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO<sub>2</sub> figures have been determined according to the WLTP test. WLTP has been used as the applicable CO<sub>2</sub> figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO<sub>2</sub> figures were previously based on the NEDC equivalent. \*\*OTR price is based on the Recommended Retail Price (including VAT) and On The Road charges (including delivery and emergency service, vehicle first registration fee and VED costs). \*Subject to phone compatibility, please check [mini.co.uk/connected](http://mini.co.uk/connected) \*\*Amazon account required. Initial subscription free of charge for 3 years. Some images on this flyer may feature a Piano Black Beltline, available as an accessory. For further information about the John Cooper Works Accessories range available, please visit [mini.co.uk/accessories](http://mini.co.uk/accessories)
