

Discover EQ Power

Plug-in hybrid (PHEVs)

Our plug-in hybrids with EQ Power feature either a petrol or diesel powertrain, combined with a HV battery and electric motor. Enjoy hybrid mode for maximum efficiency, or all-electric mode for emission-free driving.

Benefits of driving EQ Power:

Lower running costs:

Did you know that electric cars could cost up to a third less than a diesel or petrol car to run, as well as being cheaper to maintain? We've partnered with Go Ultra Low, a joint Government and car industry campaign, to give you unbiased advice on making the switch to an electric car. Use Go Ultra Low's cost saving calculator to see how much you can save.*

[> Discover more](#)

Lower road fund license:

EQ vehicles have lower emissions – this means you pay less for road tax.

Cleaner vehicle discount:

Vehicles that have a minimum of 20 mile emission-free range, emit less than 75g/km of CO₂ and meet the euro 6 standard will qualify for the 100% cleaner vehicle discount within the London Congestion Charge zone.

Business benefits:

With 100% first-year capital allowances** and lower Company Car tax, electric cars offer significant benefits to businesses and employees.

Environment friendly:

By reducing tailpipe emissions, our EQ range help make cities a cleaner, more pleasant place to live.

Please note: All information stated on this document is correct at the time of print 06/20.

*Please note that by clicking below you will be directed to the Go Ultra website.

**100% first-year capital allowances only apply to vehicles less than 50g CO₂/km.

Plug-in Hybrid Range.

EQ POWER

A 250 e Hatchback

Model shown: A 250 e AMG Line Hatchback
Model lines available: AMG Line, AMG Line Executive,
AMG Line Premium & AMG Line Premium Plus

CO2 emissions from 23g/km (WLTP)*

P11D value from £32,925.00

BiK tax rate 2020/2021 from 6%

A 250 e Saloon

Model shown: A 250 e AMG Line Saloon
Model lines available: AMG Line, AMG Line Executive,
AMG Line Premium & AMG Line Premium Plus

CO2 emissions from 22g/km (WLTP)*

P11D value from £33,520.00

BiK tax rate 2020/2021 from 6%

Please note: All information stated on this document is correct at the time of print 06/20.

*The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at www.mercedes-benz.co.uk/WLTP
