

## THE MINI CLUBMAN AND COUNTRYMAN SHADOW EDITION. LAUNCHING MARCH 2021.

The Shadow Edition's sleek look and bold attitude push the playful MINI spirit to new levels. This sporty and masculine inspired special edition is offered on both Clubman and Countryman models. Based on the Sport style, the Shadow Edition is given a definitively grown-up look thanks to the Midnight Black metallic exterior paint colour and 19" John Cooper Works Course Spoke alloy wheels in two-tone. It comes with either a Cooper petrol engine, a powerful Cooper S petrol engine or as a plug-in hybrid (on MINI Countryman only). This edition focuses on blacked out features with contrasting Melting Silver roof, mirror caps and decal highlights. The bespoke Shadow Edition logo, embellished with a unique design, can be spotted on the side scuttles, bonnet, roof, dashboard interior trim and door sill finishers too. These specific Shadow decals offer changing tones and textures depending on the light conditions which are highlighted by the contrasting Melting Silver details. You can also personalise your limited edition thanks to various options<sup>†</sup> and the choice between manual or automatic transmission (sport automatic transmission on Cooper S variants). The MINI Clubman and Countryman Shadow Edition is available for orders this year only. So what are you waiting for?
