CAR AND VAN
2021
Small Van of the Year
Peugeot Partner

1. PEUGEOT PARTNER PANEL VAN: Standard equipment by version

In addition to S

PROFESSIONAL

Comfort & Convenience

Air conditioning
Cruise control with variable speed limiter

Safety & Security

Automatic electronic parking brake
Alarm
One touch electric windows with heated mirrors
Electric folding mirrors
Tyre pressure monitor

Seating

Driver's seat with height, lumbar, rake and reach adjustment
Multi-Flex modular folding passenger bench seat with pivoting writing table and load-through bulkhead (not applicable to Crew Van)

Technology & Entertainment

DAB radio with steering mounted controls, USB port and 8" capacitive colour touchscreen offering Apple CarPlay™ & Android Auto

Exterior Features

15" 'Milford' full wheel trims (650 versions)
16" 'Rakiura' full wheel trims (1000 and 950 versions)

Lighting and Visibility

Front fog lights

Crew Van Only

Three seats in 2nd row (2/3 - 1/3 folding split) with movable bulkhead and load-through hatch
Folding single front passenger seat

In addition to Professional

ASPHALT

Comfort & Convenience

Additional acoustic insulation providing benchmark cabin refinement

Lighting and Visibility

Automatic windscreen wipers

Exterior Features

16" 'Taranaki' alloy wheels
Body colour rear bumper, side rubbing strips, exterior door handles

Interior Features

Hard Plastic Floor Protection

Technology & Entertainment

PEUGEOT Connect: Connected 3D Navigation* with voice recognition, multi-function steering wheel and tri-tuner
- Automatic connection via PEUGEOT Connect
- Real Time Traffic updates (3 year subscription)
- SpeedCam (3 year subscription)

Surround Rear Vision:

Front & rear parking sensors
Passenger side and rear cameras providing tri-function rear and nearside visibility via a 5" screen

S

Safety & Security

ESC with Hill Start Assist, ABS braking including EBA and EBF
Automatic activation of hazard lights on major deceleration
Remote central locking with deadlocks and separate locking for cab
Full bulkhead
Driver's airbag
Electric front windows
Electrically adjustable door mirrors

Seating

Driver's seat with rake and reach adjustment
Individual passenger seat

Comfort & Convenience

Full size steel spare wheel
PEUGEOT i-Cockpit® with head-up display and compact steering wheel
Rear parking sensors

Lighting and Visibility

Automatic headlights
Daytime Running Lights

Technology & Entertainment

DAB Radio
Bluetooth® & USB socket
PEUGEOT Connect SOS & Assistance

Exterior Features

Unglazed asymmetric rear doors, opening to 180 degrees
Nearside sliding side door (L1 models only)
Twin sliding side doors (L2 models only)

Interior Features

12 volt socket in dashboard
6 tie-down hooks in load area
Overhead storage shelf

GRIP

In addition to S but unique to Grip versions and not carried through range

Safety & Security

Overload Indicator
Automatic electronic parking brake
Grip Control® with Hill Descent Control
Underbody protection
Tyre pressure monitor

Seating

Driver's seat with height, lumbar, rake and reach adjustment
Multi-Flex modular folding passenger bench seat with pivoting writing table and load-through bulkhead

Lighting and Visibility

Front fog lights

Technology & Entertainment

220v socket

Exterior Features

16" steel wheels with Michelin Latitude Tour Mud & Snow tyres
Increased ground clearance (+30mm)

Interior Features

4 mid-height load securing rings
LED lighting to load area

1. PEUGEOT PARTNER CREW VAN: Standard equipment by version

The Partner Van also offers the option to have a Crew Van for those who want the versatility of carrying up to five people, whilst also having a large and adaptable cargo area. The Crew Van has remarkable modularity and the load space is extremely flexible due to the ingenious moveable bulkhead with a load-through hatch and single passenger seat that folds forward.

VAT reclaimable status requires a minimum 1-tonne payload for Crew Vans in accordance with HMRC guidance. Crew Vans with a payload of less than 1-tonne may be eligible for VAT reclaimable status, subject to further HMRC assessment. Customers are advised to consult their local HMRC office or visit <https://www.gov.uk/government/organisations/hm-revenue-customs> for further details in relation to VAT reclaimable status. Ordered options may also impact payload.

PROFESSIONAL CREW VAN

Comfort & Convenience

- Air conditioning
- Rear parking sensors
- Cruise control with variable speed limiter

Safety & Security

- Automatic electronic parking brake
- Alarm
- One touch electric windows with heated mirrors
- Electric folding mirrors
- Tyre pressure monitor

Technology & Entertainment

- DAB radio with steering mounted controls
- USB port and 8" colour touchscreen offering Apple CarPlay™ & Android Auto

Exterior Features

- 16" Steel Wheels trims with 'Rakiura' wheel cover

Lighting and Visibility

- Front fog lights

Seating

- Three folding seats in second row, with movable bulkhead and a load-through hatch
- Single folding front passenger seat

* Grip, Professional and Asphalt Panel Van versions benefit from the Multi-flex seat which provides an additional load length of 1273mm and increases the load volume by 0.6m³

** Crew Van Loadlength can be increased to 2000mm with the rear seats folded and the bulkhead in the forward position. This can be further extended to 3500mm with the rear and passenger seat folded and the load-through bulkhead open

*** Crew Van Loadpace can be increased to 3.5m³ with the rear seats folded and the bulkhead in the forward position. This can be further extended to 4.0m³ with the rear and passenger seat folded and the load-through bulkhead open

**** WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other vans tested to the same technical standard. The fuel consumption and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. CO₂ figures above are for a standard vehicle without any additional optional equipment. The addition of optional extras could increase the certified CO₂ emission output.

*****VAT reclaimable status requires a minimum 1-tonne payload for Crew Vans in accordance with HMRC guidance. Crew Vans with a payload of less than 1-tonne may be eligible for VAT reclaimable status, subject to further HMRC assessment. Customers are advised to consult their local HMRC office or visit <https://www.gov.uk/government/organisations/hm-revenue-customs> for further details in relation to VAT reclaimable status. Ordered options may also impact payload.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

(1) Without driver. Kerb weight is calculated for a European base specification vehicle including oil, water, lubricants, tools, spare wheel and 90% full fuel tank. Weights may change with the addition of equipment.

(2) Maximum indicative payload is calculated as the difference between GVW and kerb weight. However, due to manufacturing tolerances and differences in the specification of UK vehicles, the mass in service figure provides a closer indication of the vehicle weight and therefore enables a more realistic payload to be calculated. An individual vehicle must be weighed to establish the exact kerb weight and payload applicable to that vehicle. It is the responsibility of the driver to ensure the vehicle is operated within the legal limits

(3) Within limits of GVW.

(4) Maximum recommended towing weight within limits of GTW.

Figures quoted reflect a range of configurations (including non-UK market vehicles) and are subject to changes resulting from ongoing product development, range evolutions, testing and evaluations. Economy figures are official WLTP test fuel consumption figures. The CO2 figures shown are NEDC equivalent, calculated using EC correlation tool which converts WLTP figures to NEDC figures.

Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard.

The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

(1) Without driver. Kerb weight is calculated for a European base specification vehicle including oil, water, lubricants, tools, spare wheel and 90% full fuel tank. Weights may change with the addition of equipment.

(2) Maximum indicative payload is calculated as the difference between GVW and kerb weight. However, due to manufacturing tolerances and differences in the specification of UK vehicles, the mass in service figure provides a closer indication of the vehicle weight and therefore enables a more realistic payload to be calculated.

An individual vehicle must be weighed to establish the exact kerb weight and payload applicable to that vehicle. It is the responsibility of the driver to ensure the vehicle is operated within the legal limits

(3) Within limits of GVW.

(4) Maximum recommended towing weight within limits of GTW.

(5) VAT reclaimable status requires a minimum 1-tonne payload for Crew Vans in accordance with HMRC guidance. Crew Vans with a payload of less than 1-tonne may be eligible for VAT reclaimable status, subject to further HMRC assessment.

Customers are advised to consult their local HMRC office or visit <https://www.gov.uk/government/organisations/hm-revenue-customs> for further details in relation to VAT reclaimable status. Ordered options may also impact payload.¶

VAT is calculated at 20 %

VAT is not applicable to cars sold in the Channel Islands

PEUGEOT 3 YEARS OF WARRANTY

All vehicles first registered in the UK and purchased from a UK PEUGEOT Retailer benefit from a PEUGEOT 2 - Year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the PEUGEOT Retailer Network in the UK. This additional

warranty carries a mileage limit of 100,000 miles from first registration and is dependent upon the manufacturer's recommended servicing being carried out at the specified time or distance intervals. For full terms and conditions, please consult your PEUGEOT Retailer in the UK.

PEUGEOT ASSISTANCE

All new PEUGEOTs come with PEUGEOT Assistance, our breakdown assistance service. Available every minute of the day and night, 365 days of the year, and for you and anyone else driving your PEUGEOT with your permission. Please note that PEUGEOT Assistance provides assistance in relation to vehicle warranty based faults on your PEUGEOT. It does not provide cover for non-vehicle warranty faults such as:

- the use of incorrect fuel, or lack of fuel
- wheel changes, punctured tyres
- instances where keys have been locked inside the vehicle, lost or stolen.
- road traffic accidents

PEUGEOT Assistance is free for the first year and includes European cover, homestart, roadside assistance, vehicle recovery and a free replacement car or hotel accommodation if required. PEUGEOT Assistance can be extended for a further 12 or 24 months, or to protect you against non-vehicle warranty fault incidents, at specially discounted rates for PEUGEOT owners by calling 0870 752 7050. Call charges to this number from landlines and mobile networks may vary. For more information please contact your phone provider.

PSA FINANCE UK LTD

PSA Finance UK Ltd have a number of financial products designed to help you afford the PEUGEOT of your choice. We can arrange a finance plan quickly and conveniently. What's more, it will be as suited to your needs as your new PEUGEOT. Our finance plans combine all the know how of a company that has an extensive knowledge of the van market with a financial service you can trust. Tell your PEUGEOT dealer what you want and let us do the rest. Just ask for a free, no obligation quote. Written quotations are available on request from PSA Finance UK Ltd, 61 London Road, Redhill, Surrey, RH1 1QA. Finance is subject to status. Over 18's only, a guarantee may be required.

FREE2MOVE CONNECT FLEET

All-new Partner versions are 'connected-ready' so that you can benefit from any of our connected services without the need for additional hardware. Free2Move Connect Fleet offer the following telematics packages to manage your fleet:

- Pack 1: Fleet Management £10 + VAT per vehicle per month
- Pack 2: Eco-driving £11 + VAT per vehicle per month
- Pack 3: Geolocation £12 + VAT per vehicle per month

Further details are available at www.free2move-lease.co.uk/our-services/connect-fleet

PEUGEOT SERVICE PLANS

PEUGEOT Service Plans offer complete assurance that all your servicing costs will be completely covered for the duration of the plan. We offer PEUGEOT Service Plans for up to five years with many mileage options and the choice of either a one-off up front payment or a convenient monthly direct debit. All packages are affordable and inflation proof, which means they will remain at a fixed cost for the duration of the plan. Monthly price examples based on an annual mileage of 10,000 miles:

36 Months / 30,000 miles
£12.25

48 Months / 40,000 miles
£15.62

60 Months / 50,000 miles
£15.43

A PEUGEOT Service Plan can be purchased up to 12 months after registration date. The prices quote above are indicative, for a bespoke quote please contact your local PEUGEOT Dealer. If the plan is taken out after the date of registration, an additional payment will be required to cover this starting period. Any normal wear and tear maintenance work such as replacement of tyres, brake discs, clutches, shock absorbers, wipers, batteries, bulbs, silencer, exhausts and windscreens are excluded. Servicing must be carried out by a PEUGEOT Authorised Repairer in the UK. PEUGEOT Motor Company reserve the right to change, amend or withdraw this product at any time.

PEUGEOT INSURANCE

PEUGEOT Insurance has been designed for PEUGEOT owners. Our approved repairer network will make sure your PEUGEOT is repaired by PEUGEOT specialists with guaranteed repairs which won't affect your warranty¹ plus we'll give you a free courtesy car for the duration of the repair². To see how much you could save call PEUGEOT Insurance today on 0370 024 1107. Call charges to this number from landlines and mobile networks may vary. For more information please contact your phone provider. ¹Your legal rights are not affected. ²When you use an approved repairer subject to availability. Lines open 8am-8pm weekdays, 9am-5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls may be monitored and recorded. PEUGEOT Insurance is a trading style of PSA Finance UK Ltd. PEUGEOT Insurance is underwritten by U K Insurance Limited, The Wharf, Neville Street, Leeds, LS1 4AZ, a member of the General Insurance Standards Council. Subject to underwriting criteria.

HM FORCES MILITARY SALES

For details of HM Forces tax-free military sales contact PEUGEOT Export, 615 Penistone Road, Sheffield S6 2GA. For further information call 0114 285 6181 or peugeot.export@peugeotmail.co.uk.

TERMS AND CONDITIONS

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

It is our policy to continually improve our vehicles in every way. To avoid any misunderstandings, you are advised to check with your PEUGEOT Retailer the prices, specification (including colour), equipment, accessories and equipment relating to any PEUGEOT vehicle and the exact cost and availability prior to ordering. Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specifically stated otherwise.

Issued by Sales and Marketing, PEUGEOT Motor Company PLC, Pinley House, Sunbeam Way, Coventry CV3 1ND.

For further information visit our website at peugeot.co.uk or contact your local PEUGEOT Retailer.
