

TOYOTA

2023 Corolla Cross

XLE AWD shown in Celestite.

2023 COROLLA CROSS

Ride and shine.

Taking the next step was never meant to be easy, but with the 2023 Toyota Corolla Cross, you can keep your momentum going. This sleek, compact crossover comes with big potential; ready to boost your confidence to take on every day with the dependability and reliability you've come to know.

XLE AWD shown in Celestite.

XLE AWD shown in Celestite.

Toyota Safety Sense™ (TSS)¹ is a bundle of active safety features included on many new Toyota vehicles at no additional cost.

See numbered footnotes in Disclosures section.

PERFORMANCE

Made to move.

With a future full of potential, Corolla Cross is ready to reveal what's possible. Enjoy the smooth delivery of power and efficiency that keep you ahead of the pack, while confident handling and available All-Wheel Drive (AWD) capability help you navigate through the unexpected.

All-Wheel Drive

When the road gets rough, drive on with confidence. Corolla Cross' available All-Wheel Drive (AWD) gives you the extra traction you need to take on the road ahead.

Tuned suspension

Take stability and ride comfort up a notch. Corolla Cross' available multi-link rear suspension helps optimize ride quality, handling and performance.

Outstanding fuel efficiency

Corolla Cross' capable 4-cylinder engine and up to an EPA-estimated 32 mpg combined rating² help keep your momentum going.

2.0-liter engine

Put some pep in your step. With 169 hp and 151 lb.-ft. of torque, Corolla Cross delivers plenty of power to get you through every day.

XLE shown in Wind Chill Pearl.³ Center left: XLE AWD shown in Celestite. Center right: XLE AWD shown in Celestite and XLE shown in Wind Chill Pearl.³ Top: XLE AWD shown in Celestite.

See numbered footnotes in Disclosures section.

EXTERIOR

Unmistakably you.

It's not where you come from, but where you're going. With flowing modern lines, sporty flared fenders and a smooth silhouette, Corolla Cross' sophisticated yet powerful looks will be sure to grab everyone's attention.

XLE AWD shown in Celestite. Bottom left: XLE shown in Wind Chill Pearl.³ Bottom right: XLE AWD shown in Celestite.

Available 18-in. alloy wheels

Complementing Corolla Cross' athletic stance are black-painted, machined-finished 18-in. alloy wheels.⁴ Its clean design balances a look that's sophisticated and chic.

Available LED headlights w/ DRL

Get a crisp, clear view of the road ahead. Corolla Cross' LED headlights with LED Daytime Running Lights (DRL) will help you see and be seen during every drive.

INTERIOR

Room to keep you moving.

Corolla Cross' 8.1 inches of ground clearance and ample head room provide a naturally heightened view over traffic for a more confident drive. And when cargo takes precedence, the 60/40 split rear seats easily fold down to help maximize what you can bring.

Spacious driver-focused interior

Customize your comfort every time you're behind the wheel. With all of Corolla Cross' infotainment and climate controls within reach, every drive becomes more personal.

60/40 split, fold-down rear seats

Fold down either side of the rear seats to instantly make room for larger cargo. Fold down both to maximize space, and you'll be surprised at how much you can bring along for the ride.

Exceptional cargo space

From long weekends to crosstown moves, Corolla Cross' impressive 26.5 cu. ft. of cargo⁵ room invites you to make the most of your day.

Available heated front seats

Find your sweet spot of comfort with Corolla Cross' heated front seats and 8-way power-adjustable driver's seat.

AUDIO MULTIMEDIA

Amplify your drive.

Make every drive more personal. By utilizing your vehicle's touchscreen display and audio multimedia capabilities, you'll have access to what you want. Whether it's listening to your favorite playlist or finding the most scenic route to your destination, you'll enjoy the latest in connectivity and technologies that are all about you.

XLE AWD interior shown in Black SofTex^{®9} trim. Center and bottom left: XLE AWD interior shown in Black SofTex^{®9} trim. Center and bottom right: XLE interior shown in Macadamia/Mocha SofTex^{®9} trim. Always drive safely and obey traffic laws. Screen depictions accurate at time of posting.

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™⁶ phone with the audio multimedia system, wireless Android Auto™⁷ lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

Available JBL® Premium Audio System

Feel the difference and hear the truth. Designed specifically for your Toyota, JBL® finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

Wireless Apple CarPlay®

Bring along a familiar face. With Corolla Cross' wireless Apple CarPlay®¹⁰ compatibility, you can use your compatible iPhone®¹¹ with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

SiriusXM® Platinum Plan 3-month trial

With SiriusXM® 3-month Platinum Plan trial^{12,13} listen to ad-free music, news, sports, comedy and more across 350+ channels. Innovative features in the Corolla Cross such as curated recommendations just "For You" make it even easier to search, discover and listen than ever before.

Daily drives made easier.

Corolla Cross is the epitome of “user-friendly,” thanks to the intelligence that’s built right in. With every move you make, intuitive and simple conveniences are always ready to make every day more enjoyable.

Available Fully Digital Gauge Cluster

The 7-in. fully digital gauge cluster display lets you see Corolla Cross’s vitals at a glance. Use the steering wheel-mounted controls to keep track of real-time driving data, turn-by-turn directions, safety information and alerts — all while keeping both hands on the wheel.

XLE AWD interior shown in Black SofTex[®] trim.

Available Qi wireless charging

Simply place your compatible device on the charging pad to power up automatically without the need to plug anything in.¹⁴

XLE AWD interior shown in Black SofTex[®] trim.

Available Front and Rear Parking Assist with Automatic Braking

Make parking easy and reversing out even easier with Front and Rear Parking Assist with Automatic Braking (PA w/AB).¹⁵ The system visually warns you when it detects stationary objects or vehicles approaching from the rear. If the system determines there may be contact with a detected obstacle or vehicle, it will reduce engine power and/or apply the brakes.

XLE AWD shown in Celestite and XLE shown in Wind Chill Pearl.³ Simulation shown.

Available power liftgate

With Corolla Cross’s power liftgate,¹⁶ you can easily access the rear cargo area with the press of a button.

XLE AWD shown in Celestite.

Technology that keeps up with you.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. Trial periods included for the listed connected technologies.* 4G network dependent.

Remote Connect

Manage your vehicle, including remote start and much more.¹⁷

- ✓ Remote Vehicle Start
- ✓ Unlock/Lock
- ✓ Last Parked Location
- ✓ Guest Driver
- ✓ Smartwatch Compatibility¹⁹

Wi-Fi Connect

Turn your Toyota into a hotspot with 4G connectivity.²² Up to 3 GB within 30-day trial included.

- ✓ AT&T Hotspot
- ✓ Integrated Streaming for Apple Music²³ and Amazon Music²⁴ (separate subscriptions required)

Safety Connect®

Round-the-clock help when the unexpected happens.²⁵ Up to 10-year trial period.

- ✓ Emergency Assistance Button (SOS)
- ✓ Enhanced Roadside Assistance²⁶
- ✓ Automatic Collision Notification
- ✓ Stolen Vehicle Locator²⁷
- ✓ Collision Assistance

Drive Connect

Enhanced features to get you where you need to be.²⁸

- ✓ Destination Assist²⁹
- ✓ Intelligent Assistant
- ✓ Cloud Navigation

Service Connect

Being proactive to help keep your vehicle in peak condition.³⁰ Up to 10-year trial.

- ✓ Vehicle Health Report
- ✓ Vehicle Maintenance Alert
- ✓ Maintenance Reminder

TOYOTA SAFETY SENSE™ 3.0 (TSS 3.0)

Peace of mind comes standard.

Toyota Safety Sense™ 3.0 (TSS 3.0)¹ is a bundle of active safety features included on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

Pre-Collision System with Pedestrian Detection³²

Full-Speed Range Dynamic Radar Cruise Control³³

Lane Departure Alert with Steering Assist³⁴

Automatic High Beams³⁵

Lane Tracing Assist⁴⁸

Road Sign Assist³⁷

COROLLA CROSS MODELS

L

Includes these key features:

Mechanical/Performance

- ✓ 2.0-Liter 4-Cylinder engine with 169 hp
- ✓ Continuously Variable Transmission (CVT)
- ✓ Front-Wheel Drive (FWD) or available All-Wheel Drive (AWD)
- ✓ 31 city/33 highway/32 combined est. mpg² (FWD)

Exterior Features

- ✓ Color-keyed rear spoiler
- ✓ Color-keyed outside door handles
- ✓ LED projector low and high-beam headlights and LED stop lights
- ✓ Heated power outside mirrors
- ✓ 17-in. steel wheels with silver wheel covers

Interior Features

- ✓ Fabric-trimmed seating
-60/40 split fold-flat second-row seats
- ✓ Overhead console with maplights and Safety Connect^{®25} button
- ✓ Air conditioning with air filter and rear-seat vents
- ✓ 4.2-in. Multi-Information Display (MID)
- ✓ Two total USB-C charging outlets³⁸

Audio Multimedia

- ✓ 8-in. Toyota Audio Multimedia touchscreen and six speakers, wireless Android Auto^{™7} & Apple CarPlay^{®10} compatible, SiriusXM^{®12} with 3-month Platinum Plan trial subscription¹³
- ✓ Safety Connect^{®25} with up to 10-year trial. 4G network dependent.
- ✓ Remote Connect^{®17} capable, subscription required. 4G network dependent.
- ✓ Drive Connect^{®28} capable, subscription required. 4G network dependent.
- ✓ Service Connect^{®30} with up to 10-year trial. 4G network dependent.
- ✓ Wi-Fi Connect^{®22} with up to 3 GB within 30-day trial. 4G network dependent.

Safety/Convenience

- ✓ Toyota Safety Sense[™] 3.0¹ (TSS 3.0)
- ✓ Star Safety System[™]
- ✓ Nine airbags³⁹

LE

Adds to or replaces features offered on L

Mechanical/Performance

- ✓ 2.0-Liter 4-Cylinder engine with 169 hp
- ✓ Continuously Variable Transmission (CVT)
- ✓ Front-Wheel Drive (FWD) or available All-Wheel Drive (AWD)
- ✓ 31 city/33 highway/32 combined est. mpg² (FWD)

Exterior Features

- ✓ Color-keyed heated power outside mirrors with turn signal and blind spot warning indicators⁴⁰
- ✓ 17-in. silver-colored alloy wheels
- ✓ Black roof rails
- ✓ Rear privacy glass
- ✓ Rear windshield wiper

Interior Features

- ✓ Front automatic single-zone air conditioning with air filter and rear-seat vents
- ✓ Qi-compatible wireless smartphone charging¹⁴
- ✓ Smart Key System with Push Button Start
- ✓ Leather-trimmed steering wheel
- ✓ Color-keyed door handles
- ✓ Four total USB-C charging outlets³⁸

Audio Multimedia

- ✓ 8-in. Toyota Audio Multimedia touchscreen and six speakers, wireless Android Auto^{™7} & Apple CarPlay^{®10} compatible, SiriusXM^{®12} with 3-month Platinum Plan trial subscription¹³
- ✓ Remote Connect^{®17} capable, subscription required. 4G network dependent.
- ✓ Drive Connect^{®28} capable, subscription required. 4G network dependent.
- ✓ Safety Connect^{®25} with up to 10-year trial. 4G network dependent.
- ✓ Service Connect^{®30} with up to 10-year trial. 4G network dependent.
- ✓ Wi-Fi Connect^{®22} with up to 3 GB within 30-day trial. 4G network dependent.

Safety/Convenience

- ✓ Blind Spot Monitor (BSM)⁴⁰ with Rear Cross-Traffic Alert (RCTA)⁴¹
- ✓ Toyota Safety Sense[™] 3.0¹ (TSS 3.0)
- ✓ Star Safety System[™]
- ✓ Nine airbags³⁹

Packages/Options

- ✓ Moonroof Package
-Moonroof
-Tonneau cover⁵
- ✓ JBL Premium Audio with nine JBL^{®8} speakers including subwoofer and amplifier.

XLE

Adds to or replaces features offered on LE

Mechanical/Performance

- ✓ 2.0-Liter 4-Cylinder engine with 169 hp
- ✓ Continuously Variable Transmission (CVT)
- ✓ Front-Wheel Drive (FWD) or available All-Wheel Drive (AWD)

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. 2. EPA-estimated 31 city/33 hwy/32 combined mpg rating for 2023 Corolla Cross L FWD, LE FWD and XLE FWD; EPA-estimated 29 city/32 hwy/30 combined mpg rating for 2023 Corolla Cross L AWD, LE AWD and XLE AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 3. Extra-cost color. 4. Performance tires are expected to experience greater tire wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions. 5. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 6. Android is a trademark of Google LLC. 7. Android™ and Android Auto™ are trademarks of Google LLC. To wirelessly use Android Auto™ on your car display, you need a compatible Android™ smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/ requirements. 8. JBL® is a registered trademark of Harman International Industries, Inc. 9. SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 10. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay® is a registered trademark of Apple Inc. 11. iPhone® is a registered trademark of Apple Inc. All rights reserved. 12. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 13. SiriusXM® services require a subscription after trial period. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. 14. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 15. At speeds of 9 mph or less, Front and Rear Parking Assist with Automatic Braking (PA w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle's shape, size and composition, may affect the system's effectiveness. See *Owner's Manual* for additional limitations and details. 16. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations. 17. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and at <https://www.toyota.com/connected-services/> for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply. 18. Toyota app requires an active Remote Connect trial or subscription. 19. Not all smartwatches are compatible with Remote Connect: Samsung Gear, Fitbit, Garmin are not compatible. 20. The Rear-Seat Reminder does not sense objects in the rear seat. The Rear-Seat Reminder is designed to recognize a unique rear-door opening pattern that may be consistent with an object being placed in the rear seating area. See *Owner's Manual* for additional details. 21. Google is a trademark of Google LLC. 22. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. 23. Apple Music and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. Requires Wi-Fi Connect subscription after trial (if applicable) and your own Apple Music account. 24. Amazon Music, and all related marks are trademarks of Amazon Technologies, Inc. or its affiliates. 25. Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Safety Connect® trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. 26. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. 27. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. 28. Drive Connect availability and accuracy depend on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). See *Owner's Manual* and <https://www.toyota.com/connected-services/> for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply. 29. Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and toyota.com/connected-services for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 30. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect®, Remote Connect or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. 31. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 32. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to help reduce the crash speed and damage in certain frontal collisions involving a vehicle, a pedestrian, bicyclist or motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of vehicle, pedestrian, bicyclist or motorcyclist and weather, light and road conditions. See *Owner's Manual* for limitations. 33. Full-Speed Range Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. Vehicles with manual transmission have regular DRCC. See *Owner's Manual* for additional limitations and details. 34. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 35. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 36. Do not rely exclusively on Safe Exit Assist. Always look for approaching traffic before exiting the vehicle. There are limitations to the function, detection and range of the Safe Exit Assist system. See *Owner's Manual* for additional limitations and details. 37. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. 38. May not be compatible with all mobile phones, MP3/WMA players and like models. 39. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. 40. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. 41. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. 42. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. 43. The backup camera does not provide a comprehensive view of the

DISCLOSURES

rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **44.** The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness, requiring the driver to manually turn off the system. See *Owner's Manual* for additional limitations and details. **45.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. [Calculated with the new SAE J2807 method.] Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See *Owner's Manual* for limitations. **46.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **47.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). **48.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. **49.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **50.** Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. **51.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details. **52.** Lane Keep Assist is designed to read visible lane markers under certain conditions when DRCC is engaged. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **53.** Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **54.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. **55.** Meets Tier 2/Bin 3 Federal emissions standard. **56.** Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and <https://www.toyota.com/connected-services/> for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Toyota Corolla Cross is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receiver/ball mount kits are not intended to provide crash protection. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

Mobility
