EL CAMINO

1987

There's nothing quite like it.

El Camino combines the utility of a pickup with the beauty of a sport coupe. The end product makes a uniquely bold, personal statement.

THE UTILITY OF A PICKUP.

- Hefty 1,250-lb. payload, including passengers, cargo and equipment.

- 35.5 cu. ft. of cargo space.

- Double-wall construction to reinforce places like the pickup box, where sturdiness matters most.

- Standard air-adjustable rear shock absorbers.

- Full Coil independent front suspension with coil springs in the rear.

- 6,000 lbs. of towing capacity when properly equipped with optional items. (Includes passengers, cargo and trailer.)

POWER OUT IN FRONT.

- Standard 4.3 Liter V6 engine.

- Electronic Fuel Injection for superb response, quick cold starts and efficient combustion.

- An optional 5.0 Liter high-compression V8 provides even more muscle.

- Roller-bearing valve lifters in the 4.3 Vortec V6 engine help cut down on friction and wear.

- Standard 3-speed automatic transmission.

- A 4-speed automatic transmission is optional.

- Standard power steering.

- Standard power front disc/rear drum brakes.

SPORTY DECOR.

El Camino's trim lines and sleek good looks are available in three ways.

- The standard El Camino is elegantly understated with solid color paint and bright grille and appearance items throughout.

- The optional El Camino Conquista features Two-Tone paint marked by bright moldings.

- The no-holds-barred SS Sport Decor model incorporates a front air dam, dual aero-type mirrors, lower body accent color emphasized by a pin-striping decal, Rally Wheels and blackout trim.

And that's just the outside of the truck. Turn the page to learn more about the comforts El Camino incorporates inside.

IMPORTANT: A WORD ABOUT THIS CATALOG. We have tried to make this catalog as comprehensive and factual as possible and we hope you will find it helpful. However, since the time of printing, some of the information may have been updated. Also some of the equipment shown or described throughout this catalog is available as factory-installed options, dealer accessories and specialized equipment from various independent suppliers at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THESE CHEVROLET PRODUCTS. The Chevrolet El Caminos described in this catalog are assembled at facilities operated by General Motors, GM de Mexico. These vehicles incorporate thousands of different components produced by car and truck groups and various component divisions of GM and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to factory-installed extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your vehicle is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your vehicle includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

These vehicles are also available under the GMC nameplate Caballero.

A WORD ABOUT ENGINES. Chevrolet trucks are equipped with engines produced at facilities operated by GM car and truck groups, subsidiaries or affiliated companies worldwide.

A WORD ABOUT UPDATED SERVICE INFORMATION. Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

AS PART OF THE 1987 CHEVROLET NEW-VEHICLE LIMITED WARRANTY, your Chevy El Camino includes three-year perforation-from-corrosion coverage. Exhaust system components not included. See your Chevy dealer for details and other limitations.

THE GM PROTECTION PLAN. An option that offers service protection in addition to that provided by GM's new-vehicle limited warranty. Available only in the U.S. and Canada for the 1987 model year. Ask your dealer about this option.

FOR INFORMATION ON ANY NEW CHEVY TRUCK. See your Chevy dealer for a complete selection of 1987 truck catalogs. They cover ■ The Chevy S-10 Blazer ■ full-size Blazer ■ Chevy S-10 Pickup ■ full-size Pickup ■ Suburban ■ Chevy Van/Sportvan ■ Astro/Astro Van ■ all Medium-Duty Chevys and the ■ Chevy Recreation and Trailering Guide.

LET'S GET IT TOGETHER...
